HEY GIRLS

We know that couples who play together, stay together, so spice up your date nights and surprise your lover with a sexy gift. Whether you're romantic and sentimental or are looking to explore your deepest desires, we have something for everyone in our stunning collections.

Beautiful lingerie is the perfect place to start and our sets are designed to make you look and feel your sexiest so treat yourself and surprise your lover – they won't be disappointed! We have recently won two awards for Best Lingerie from the Fabulous High Street Fashion Awards and Reveal Magazine's Online Fashion Awards, so Ann Summers really is the only place to turn up the heat.

If you've been to the cinema to see Mr Grey, you may have left feeling a little inspired by Fifty Shades Darker. As exploration experts, we've been selling handcuffs, jiggle balls and bondage for over 40 years, so bring the film to life with a little help from AS. For tips and advice, check out our blog. annsummers.com.

From rose petals and perfume to vibes and handcuffs - however you want it, we've got it.
