NINO BATISTA

¿QUIÉN ERES?

¡Me considero un talento! Entre las muchas cosas que hago son modelado, actuando, bailando, wellness consulting, fitness motivación, marketing y así sucesivamente. Sin embargo, por encima de todo, soy una mujer, una hija, una hermana, un amigo, un compañero de trabajo, un ser humano, un amante potente cometido manifestor, un apasionado espíritu hermoso de luz.

¿CÓMO COMENZASTE EN LO QUE HACES?

Mi introducción en la industria estaba haciendo un comercial cuando tenía 8 años de edad. Un par de años más tarde, a los 10, empecé a participar en concursos y eso se convirtió en el foco de mi vida hasta que cambié mi concentración a modelar y actuar.

¿CÓMO APRENDISTE Y CON QUIÉN?

Durante los años he tenido muchas clases, agentes, entrenadores, profesores, pero no puedo negar que mis padres fueron el apoyo más influyente y gran presencia en mi carrera.

¿POR QUÉ LA ELECCIÓN DE TU CARRERA?

Como un artista que tiene que dar el salto de fe para seguir mi pasión y ser el empresario de la carrera de mi vida, recibo muchos correos y textos con preguntas de la gente sobre la vida profesional, aspiraciones, amor, alguno le gustaría dejar su empleo, iniciar su propio negocio, seguir su pasión, tienen una relación más apasionada, estar más en forma, viajar más, trasladar a otro país como lo hice, etc. Esto es lo que puedo decir acerca de mi elección de carrera. Comprometido conmigo mismo, como ser la mejor imagen para el país las empresas clubs/fajas que yo he representado durante los años. Pasé mis energías creciendo formación, aprender, tomar clases, preparándome para convertirse en un modelo de clase mundial. Pero no fue hasta que un accidente de coche en diciembre de 2013 que empecé a buscar en mi interés en el modelado como una oportunidad de vivir mi pasión al máximo y compartir con el mundo mis conocimientos y arte. ¡Mi enfoque después de haber intentado otros campos, era encontrar lo que realmente me hizo feliz y satisfecho! Mi pasión era natural, yo pude hacerlo por horas o perder tiempo haciendo. Sabía que encontraría críticos y luchas en cualquier área, pero la vida es demasiado corta para vivir sueños de otra persona. Para hacer lo que me gusta con gente que respeto en la industria era la única manera de vivir.

¿INFLUENCIAS PRINCIPALES?

Mi presencia más influyente en mi carrera fue mis padres y mi familia. Tener una familia con varios artistas y ser animados con el mismo enfoque, los valores y principios fue un gran estímulo. Mis padres habían puesto gran importancia en participar en mis actividades. Trabajaron muy duro, la gente más honorable que sabe, pero siempre cambia su horario a participar en mis actividades, dedican impresionante cantidad de veces a control de mis prácticas y asistir a cumple, competiciones, accesorios y sesiones de fotos.

¿PLANES FUTUROS, HACIA DÓNDE VAS?

Quiero seguir haciendo lo que amo. Trabajando con el artista talentoso y respetado de la industria. Empujar los límites y la flexión creen sistemas. Sirva de ejemplo para

las jóvenes modelos y mujeres de todo el mundo, por mis acciones y logros, mostrando que no ' importa dónde venían, o cómo alto, viejo, flaco o gordo son, cada uno de nosotros tiene una belleza única y tiene la capacidad de vivir una vida con propósito.

WHO IS MAISA KEHL?

I consider myself a talent! Among the many things I do are modeling, acting, dancing, wellness consulting, fitness motivation, marketing, and so on. However, above all, I AM a woman, a daughter, a sister, a friend, a coworker, a human being, a powerful loving committed manifestor, a passionate beautiful spirit of light.

My introduction in the industry was doing a commercial when I was 8 years old. Couple years later, at 10, I started participating in pageants and that became my life's focus until I switched my concentration to modeling and acting.

Over the years I had many classes, agents, coaches, teachers, but I can't deny that my parents were the most influential support and great presence in my career.

As an artist that have taking the leap of faith to follow my passion and being the entrepreneur of my life's career, I receive many emails and texts with questions from people about professional lives, aspirations, love, some would like to quit their jobs, start their own business, follow their passion, have a more passionate relationship, be more fit, travel more, move to another country as I did, etc.

This is what I can say about my career choice. I committed myself as being the best image to the companies/country clubs/sashes which I've represented over the years. I spent my energies growing up training, learning, taking classes, preparing myself to become a world-class model. But it wasn't until a car accident in December 2013 that I began to look into my interest in modeling as an opportunity of living my passion to the fullest and sharing with the world my knowledge and art.

My approach after have tried other fields, was finding what truly made me happy and fulfilled! My passion was natural, I could do it for hours or lose track of time doing it.

I knew that I would find critics and struggles in any area, but life is too short to live someone else's dreams. To do what I love with people that I respect in the industry was the only way to live.

My most influential presence in my career was my parents and my family. Having a family with several artists and being encouraged with the same focus, values, and principals was a great encouragement. My parents placed great importance in being involved in my activities. They worked extremely hard, the most honorable people I know, but always rearranged their schedule to participate in my activities, they devoted awesome amount of times to monitoring my practices and attending meets, competitions, fittings, and photoshoots.

I WANT TO CONTINUE DOING WHAT I LOVE?

Working with talented and respected artist from the industry. Pushing the boundaries and the bending believe systems. Serve as an example for young models and women around the world, by my actions and achievements, showing that doesn't matter where they came from, or how tall, old, skinny or fat they are, each one of us has a unique beauty and have the ability to live a life with purpose.
