## BECKY BURROWS

### MODEL

Forget J.Lo. Forget Kylie. The most perfect bottom you're ever going to see belongs to this lady – it's an absolute peach. She won the Boardmasters Babes modelling competition two years ago and her career's been flying ever since. You can even hire her as your personal golf caddy. Seriously, just go online and sign her up to carry your clubs!

# Girls of 2007

**CARLY ZUCKER**  
**WAG**

Joe Cole's missus is used to spending cash in lavish boutiques, but soon she'll be managing one. She's set to appear (along with fellow WAG Charlotte Mears) in *FW Boutique*, running a designer clothes store.

**IMOGEN THOMAS**

**TV PERSONALITY**

By far the best thing about this year's *Big Brother*. From her flowing brown locks to her sexy Welsh purr, Imogen is sexiness personified. And to prove it, she's just done her first *Maxim* cover shoot!

**JENNIFER METCALFE**

**ACTRESS**

If you've ever wondered what perfection looks like, feast your eyes on Jennifer Metcalfe. Since appearing as Mercedes on *Hollyoaks*, she has catapulted to A-grade babe status, with every man in the UK ogling her body. Yes, in exactly the same way as you're doing now! Don't stop – girls this special are meant to be appreciated.

## ROXANNE MCKEE

### ACTRESS

Sex-bomb Roxanne has more than comfortably filled the Jodi-Albert-sized void in *Hollyoaks*. Boasting some stunning facial features and a jaw-dropping bikini-body, she's now the hottest property in soap land. Like her character, Louise Summers, foxy Roxy is an ambitious lady, getting the part by impressing the judges at a live audition. She's certainly impressed us, too – did you see her appearance in the *Hollyoaks* calendar? Sigh...

## LOUISE CLIFFE

### MISS MAXIM UK

No list of sexy new girls could be complete without our very own Miss Maxim UK, Louise Cliffe. Boasting a heavenly face and a body to match, this girl is hot, hot, hot. And she's dead nice, too. In fact she's so nice that if she spotted you in Manchester, she'd take you to the pub, get trashed with you and then treat you to a kebab. In short, she's perfect – and if Manchester hasn't erected a statue in her honour by the end of 2007, we're going to head up there and scalp the mayor.

MAXIM

## KATE DARCY & SOPHIA CAHILL

### MODELS

Dark-haired supervixen Kate Darcy (right) is England's representative at Hugh Hefner's mansion, while Sophia is now cropping up in sexy magazine shoots everywhere – and we're very happy about that!

## ROSELYN SANCHEZ

### ACTRESS

After spending the last few months in US show *Without A Trace*, this Puerto Rican honey has just landed two big roles: *Rush Hour 3* with Jackie Chan and *The Game Plan* alongside The Rock.

## EMILY SCOTT

### MODEL

Emily Scott spiced up *Love Island* within minutes of putting on her bikini. She also used to be an Olympic gymnast and the face and body of Babelife Swimwear. So, in short, she's a talented cutie who likes lounging around in a bikini. Fantastic!

## ZARA

### MODEL

With unbelievable looks and a body you could fry bacon on, this London beauty is the pride of the capital. Seriously, the Queen should stop poncing about with her rat-sized corgis and use her powers to make this woman a Princess.

## BRITTANY BRATT

### MODEL

At *Maxim*, we're huge fans of big-boobed brunettes. Well, to be honest, we're fans of big-boobed blondes and redheads too. But this little sexpot has really got us excited – and you can see why. You might not have heard anything about her, but in Australia, she's a big pin-up. So much so, that she was crowned Miss Nude Australia. It's like Miss Australia, only much, much better!

# Girls of 2007

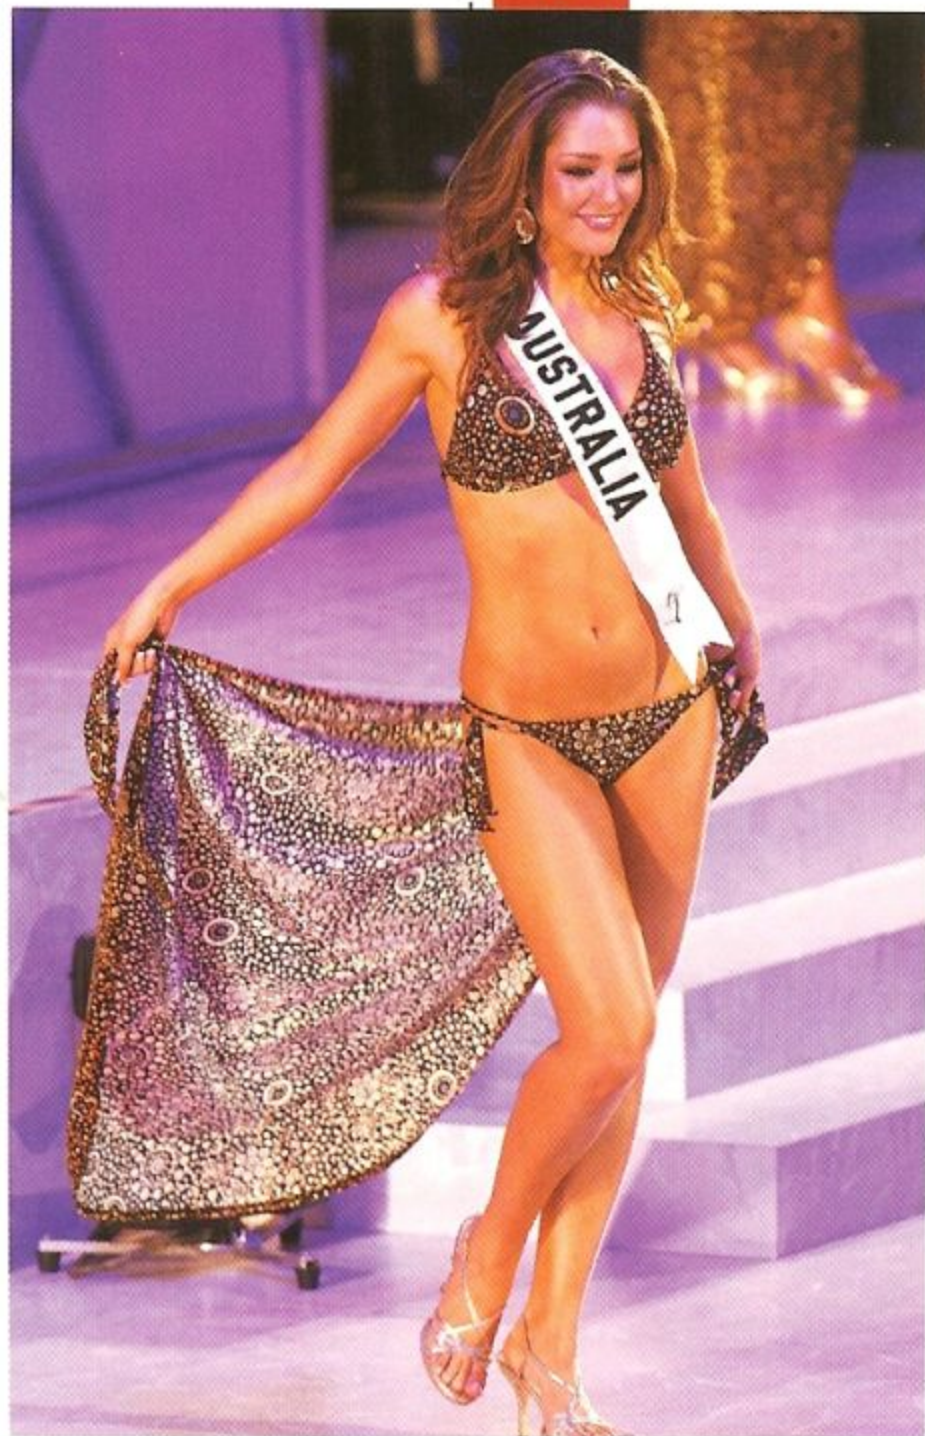

## SARAH MAIN

**DJ**  
After rocking crowds in Ibiza, an appearance in *It's All Gone Pete Tong* and some swelteringly sexy shoots, this awesome Aussie is now massive in Spain. With a debut mix CD on its way, she'll soon be massive here.

## ERIN MCNAUGHT

### MODEL

This sexy 24 year old was crowned Miss Uni 2005. She became Miss Australia the following year. We're not as clever as Erin, but by our calculation that pretty much makes her the fittest girl in an entire continent!

## PETA

### MODEL

Bizzarely, this busty Essex girl nearly wasn't a model at all. 'I used to work as a Saturday girl, sweeping up in a barber's, then one of the customers said I had something Page 3 would be interested in!' So, out went the wig-scraping and in came the topless posing. The world of hairdressing's loss is everyone else's gain!

## ROSELYN SANCHEZ

### ACTRESS

After spending the last few months in US show *Without A Trace*, this Puerto Rican honey has just landed two big roles: *Rush Hour 3* with Jackie Chan and *The Game Plan* alongside The Rock.

## EMILY SCOTT

### MODEL

Emily Scott spiced up *Love Island* within minutes of putting on her bikini. She also used to be an Olympic gymnast and the face and body of Babelife Swimwear. So, in short, she's a talented cutie who likes lounging around in a bikini. Fantastic!

## ZARA

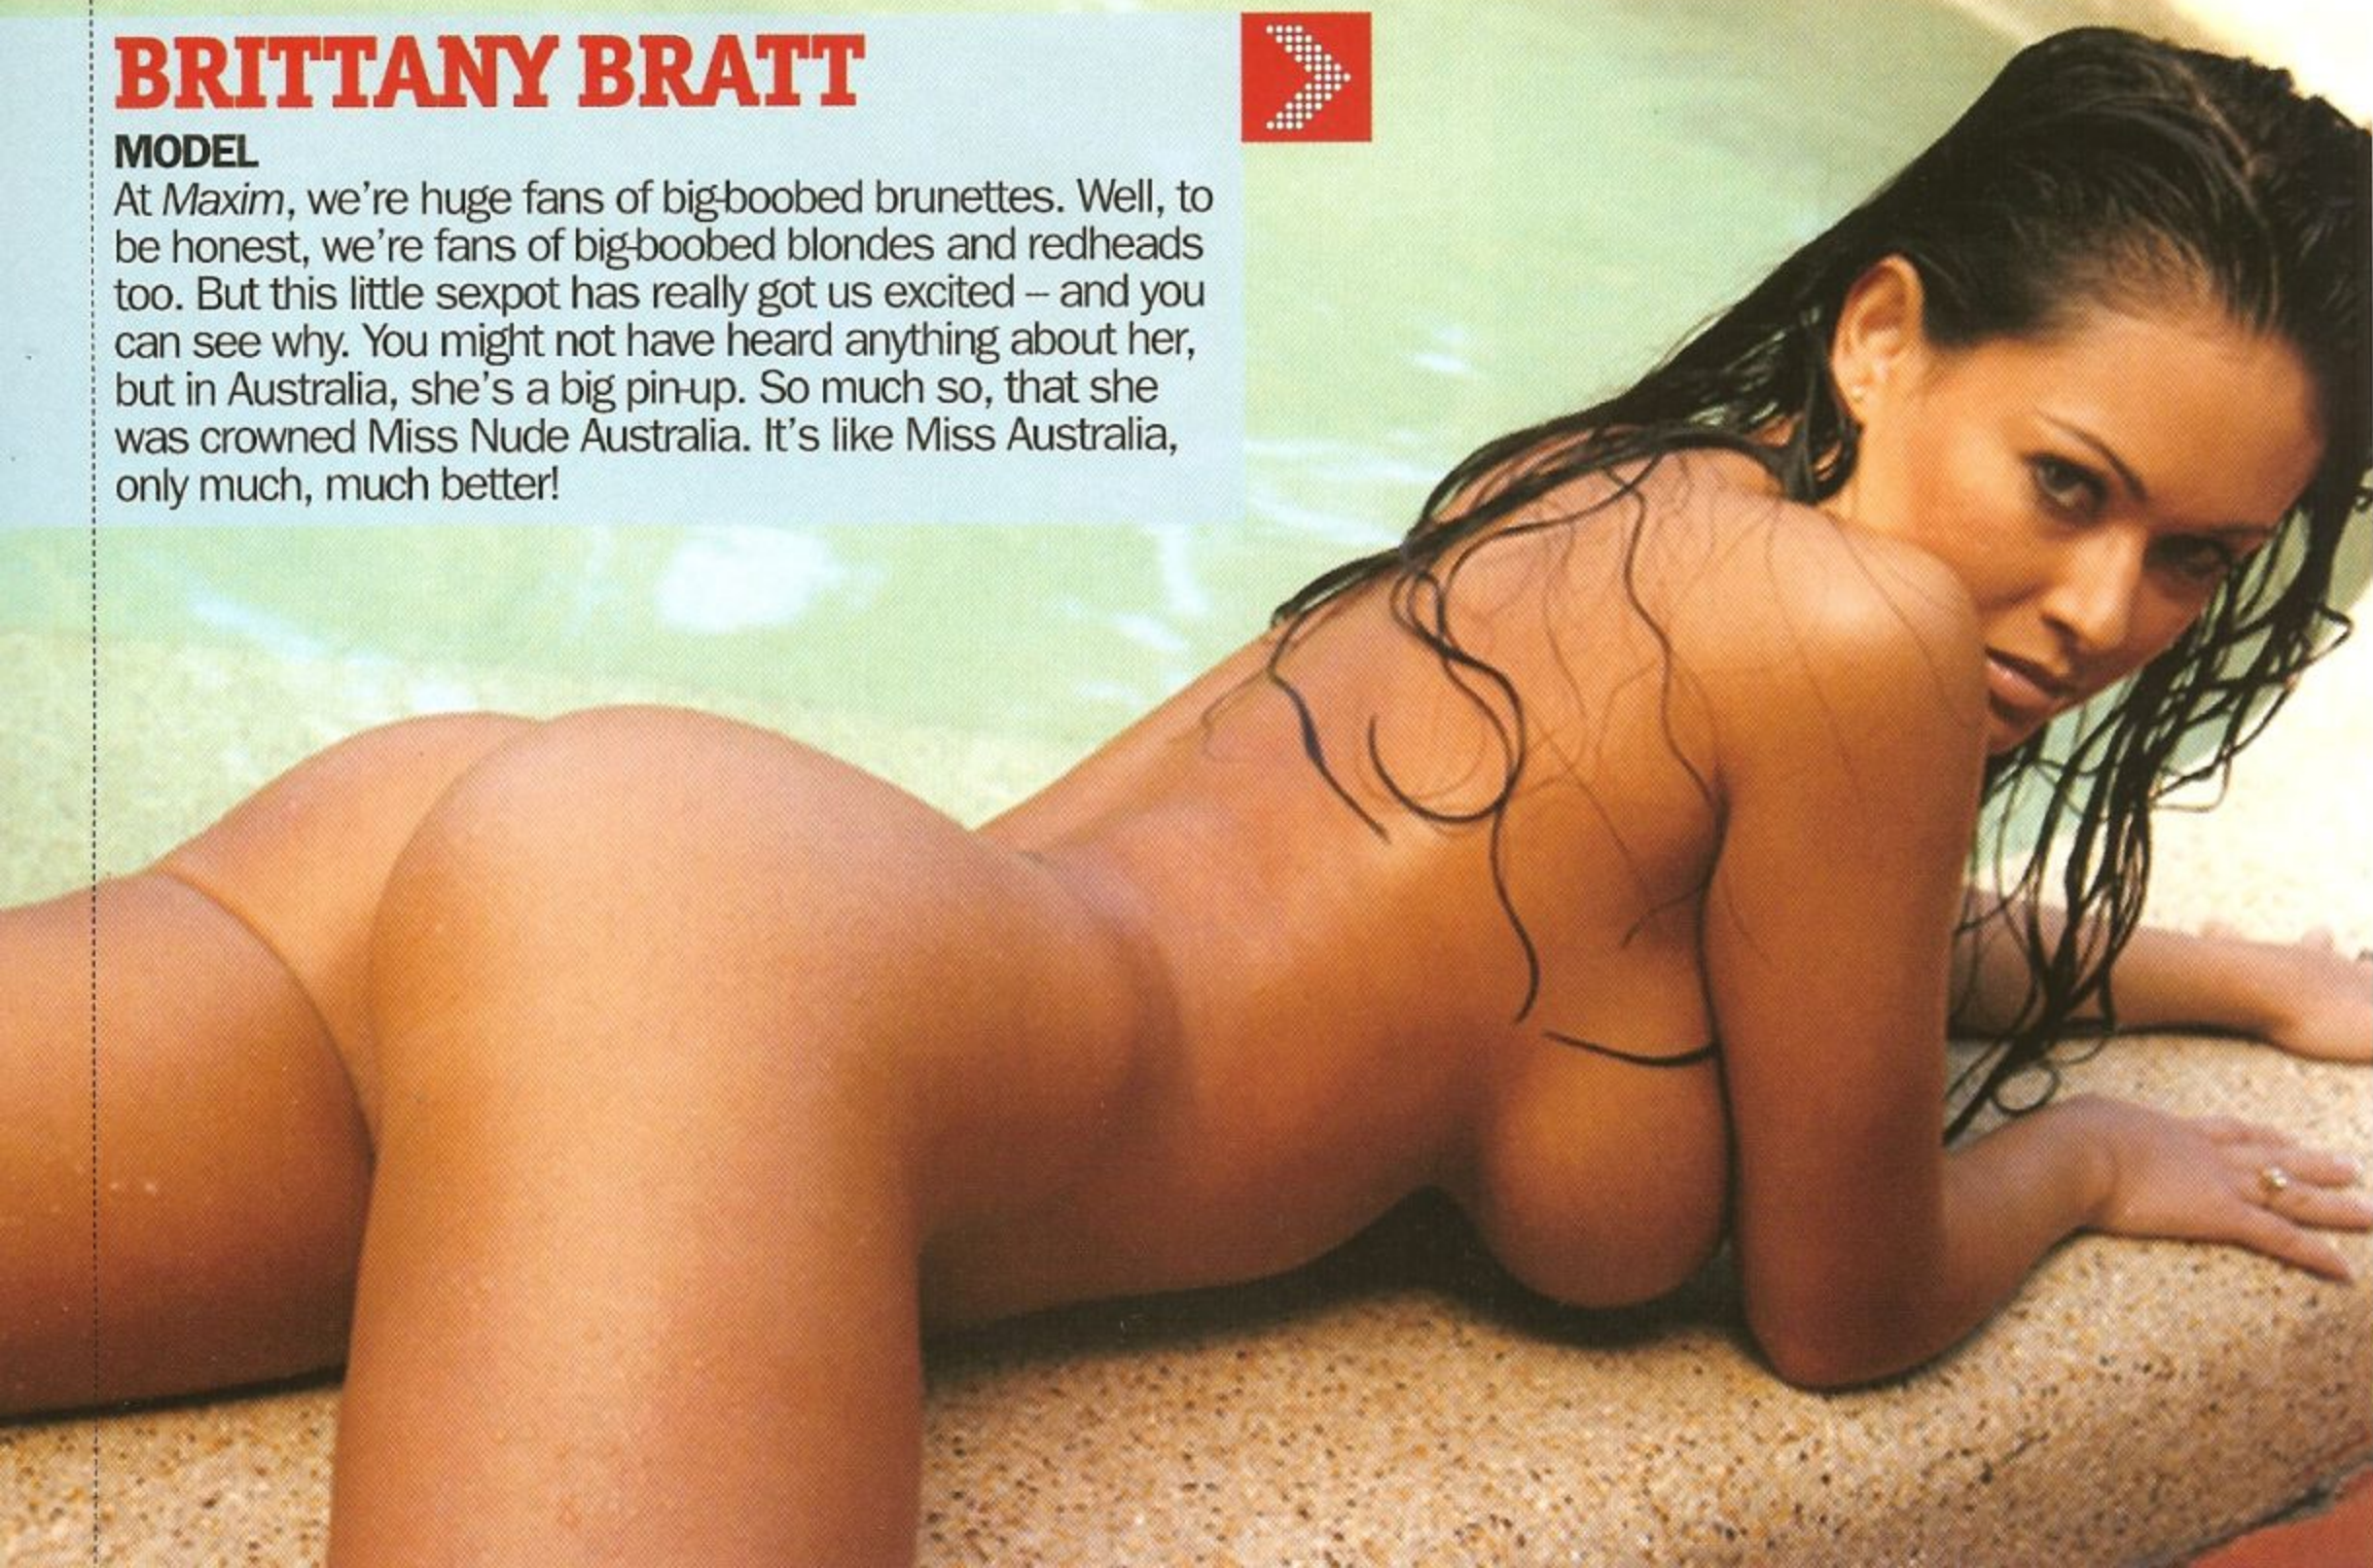

### MODEL

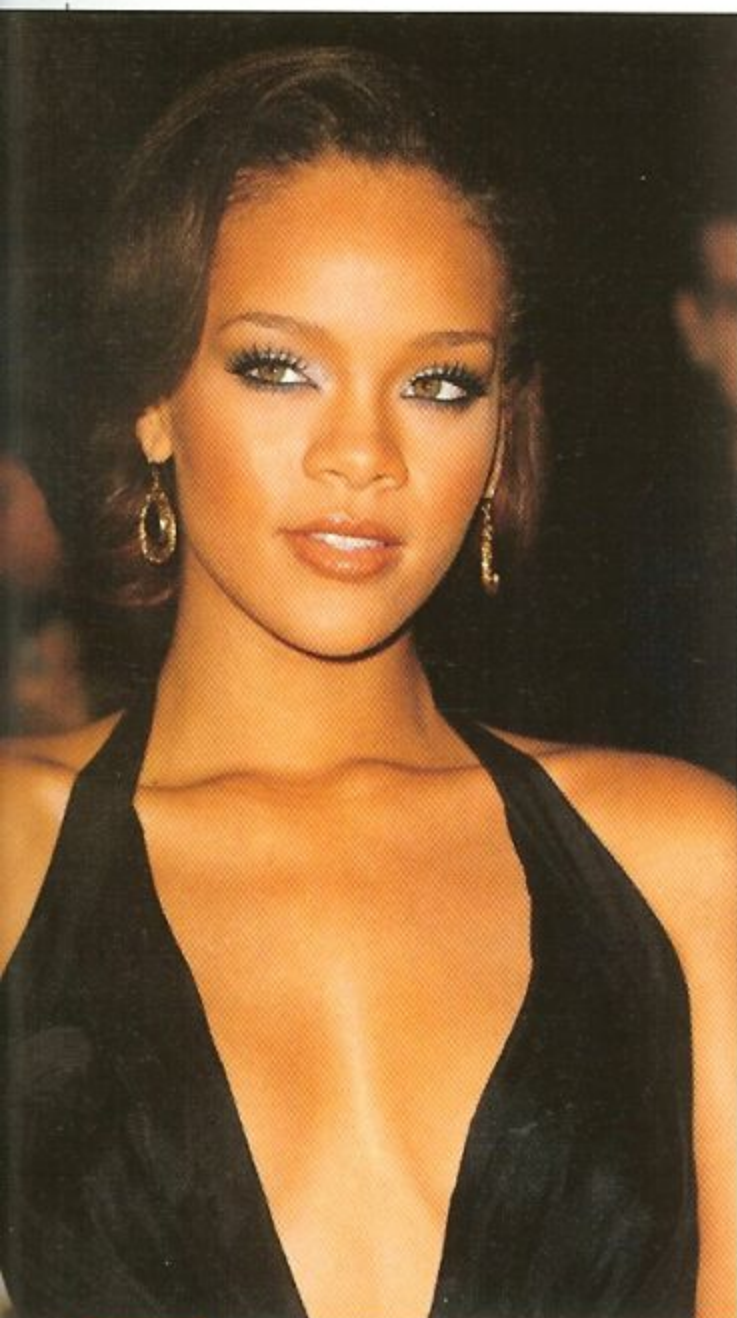

With unbelievable looks and a body you could fry bacon on, this London beauty is the pride of the capital. Seriously, the Queen should stop poncing about with her rat-sized corgis and use her powers to make this woman a Princess.

## BRITTANY BRATT

### MODEL

At *Maxim*, we're huge fans of big-boobed brunettes. Well, to be honest, we're fans of big-boobed blondes and redheads too. But this little sexpot has really got us excited – and you can see why. You might not have heard anything about her, but in Australia, she's a big pin-up. So much so, that she was crowned Miss Nude Australia. It's like Miss Australia, only much, much better!

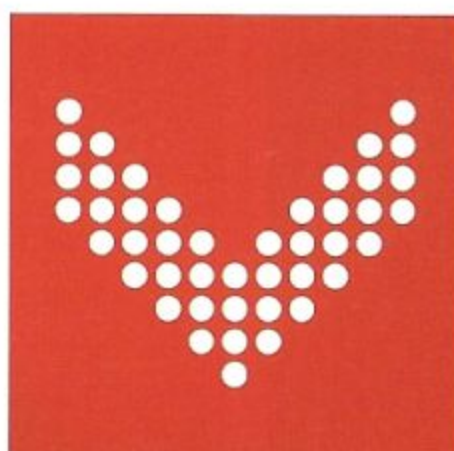

## RIHANNA SINGER

The video for her infectious disco tune 'A Girl Like Me' single-handedly captured the hearts of every red-blooded male who saw it. A debut album looms – and, hopefully, yet more saucy videos.

## EVA GREEN

### ACTRESS

Eva had Daniel Craig dribbling in the new Bond film, but in her previous film *The Dreamers*, we saw the full extent of her charms – she spent the entire film naked! OK it was with her brother, but she did show us that she had one of the hottest bodies in Hollywood.

## VICKY LLOYD MODEL

Tiny sexpot Vicky isn't just an A-grade stunner. She's an A-grade academic too, getting some very tidy marks in her GCSEs. The brainy beauty started sixth-form college, but a top agency spotted her and swept her off to a modelling career instead. Smart move.

## FREYA HASELDINE

### MODEL

Freya has wanted to pose in her pants ever since she can remember. Luckily her dream finally came true. She beat off hundreds of sexy ladies to win Page 3 Idol 2006. And it's not hard to see why. She's got a stupidly fit body, fantastic boobs and eyes capable of making any man overexcited. She's named after the Nordic goddess of love – and to be honest, we're pretty much in love with her already.

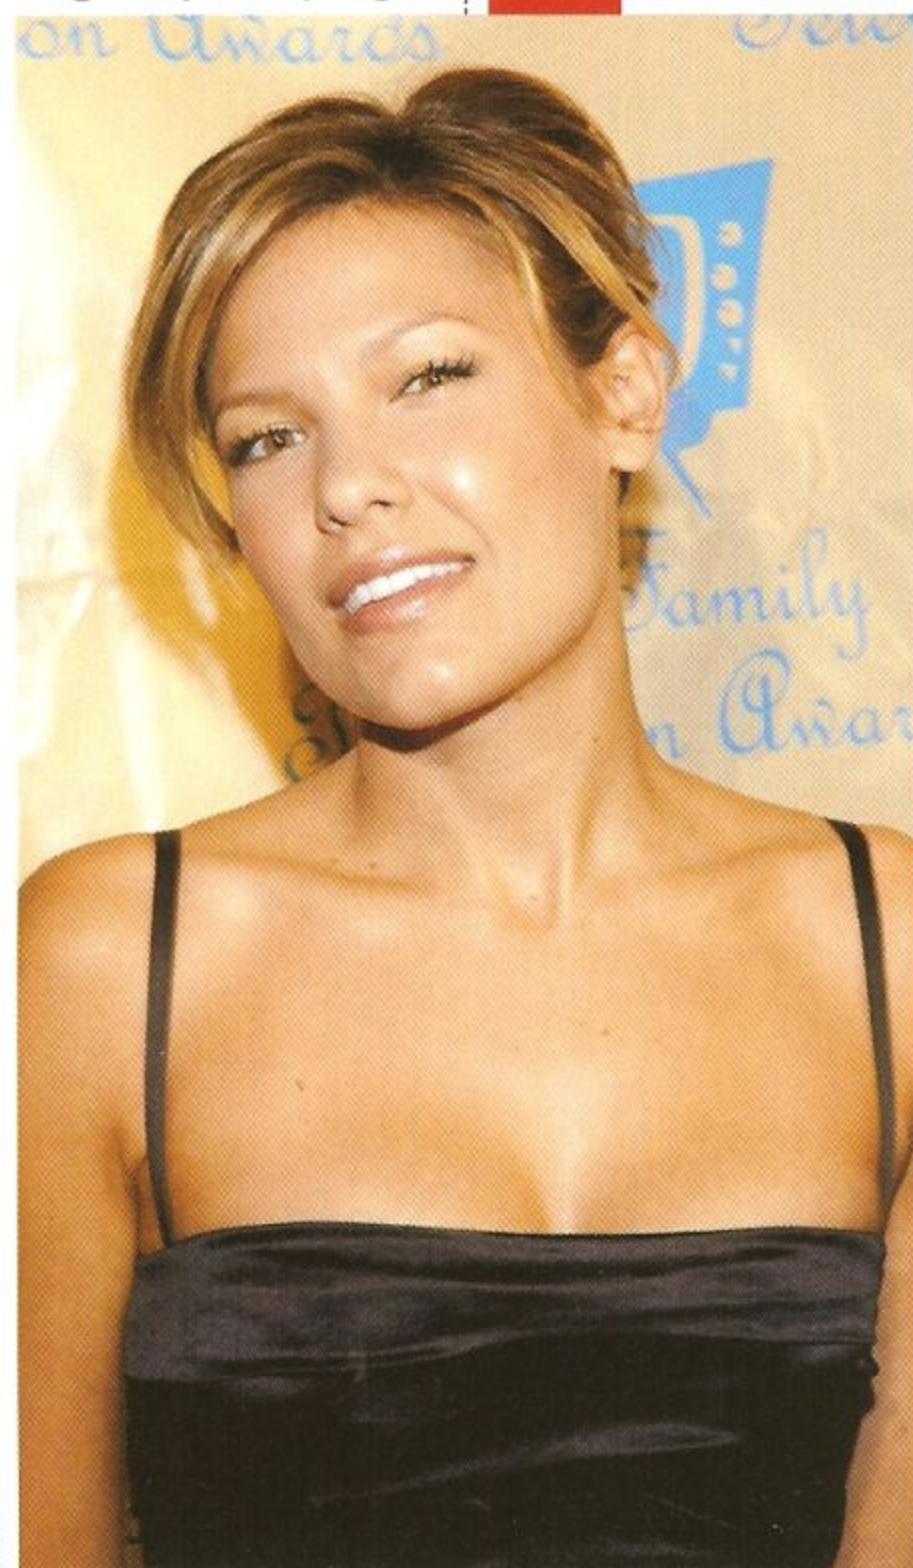

#### **JEWEL MODEL**

The fittingly named Jewel (well, she's hardly a Carol) is a rare treasure. Half Thai, half British, this sexy 22 year old would look good wrapped in cling-film with a chip bag on her head. It's probably not a look she'd prefer, but with her face and body, she really can get away with anything.

#### **KIELE SANCHEZ ACTRESS**

This actress has bagged herself a part in *Lost*. Yep, the French-Puerto Rican sex kitten is joining Michelle Rodriguez, Emilie de Ravin, Maggie Grace and Evangeline Lilly, making it the most babe-packed show on the box.

## **Girls of 2007**

#### **TANIA ZAETTA**

##### **ACTRESS**

Pretty, confident, talented and blessed with an astounding bottom, this Aussie sexpot is one lucky lady. Having conquered the world with her heroics on *Baywatch*, Tania is ready to brighten up our humble shores hosting Sky One's *Mission Implausible* with *Fifth Gear* maniac Jason Plato. The duo will perform insane high-speed stunts on land, air and water.

MAXIM

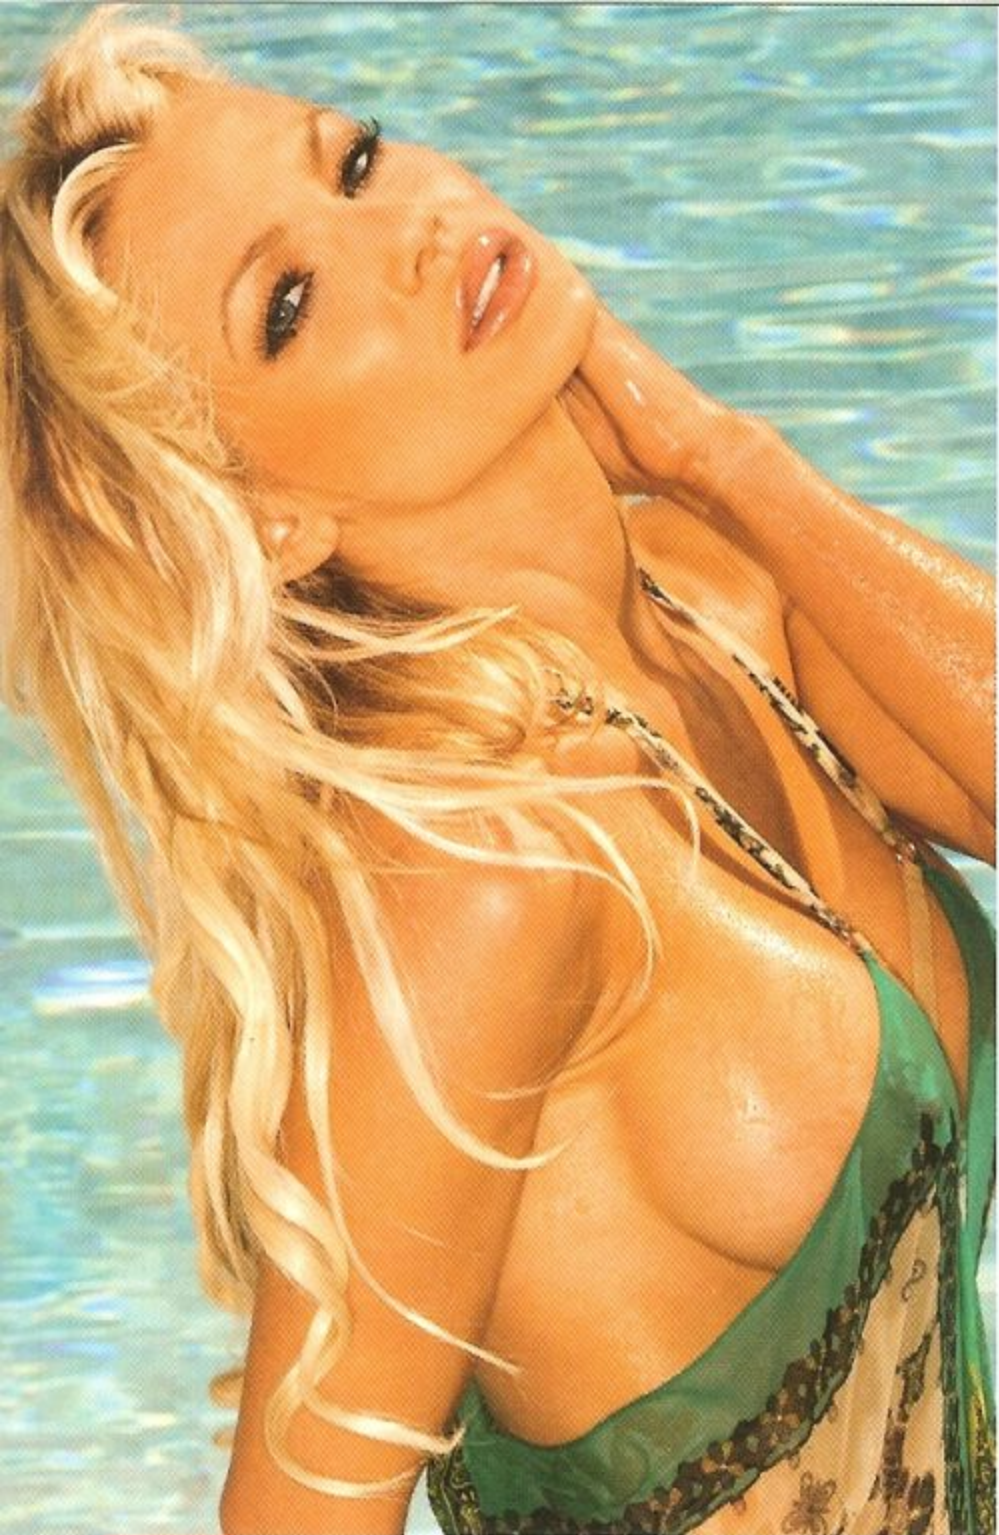

## ZDENKA NOVOTNA

**MODEL/EX-CHAMPION  
GYMNAST**

Zdenka is fit in both senses of the word – she used to be a top Czech gymnast. These days she's hot, and modelling full time, most of which is spent without many clothes on at all! We're no experts, but posing in tiny pants certainly beats swinging about on hoops.

# Girls of 2007

## GABRIELLE TUITE MODEL

This New York-born honey bagged herself a role in *Deuce Bigalow: Male Gigolo* and now spends her time co-presenting *The Price Is Right* and hanging out in swimming pools like this! Well, someone this hot has to cool off!

## ALICIA SEFFRAZ MODEL

This girl occasionally calls herself 'Mercedes'. Like her namesake, she's hot, classy and, sadly, way out of our league! Expect her to get a lot more exposure, hopefully of the unclothed kind.

## LOUI BATLEY

### TV ACTRESS

You'll probably know Loui as Sarah Barnes in *Hollyoaks*, but it was in her brief role in deranged comedy *Nighty Night* that she first hit our humble screens. Playing Angus Deayton's hot girlfriend, she was easily the most angelic thing in the show – until Julia Davis battered her face in with a hammer. Luckily, she's looking a lot healthier now, and will certainly brighten up those dark, rainy, girlfriendless days over the coming year.

## IMOGEN GRAY

### MODEL

Normally when you see Imogen, she's got a hot naked girl attached to her – Natalie Weston. They're inseparable. They've even set up a website together called [thesmoochlounge.com](http://thesmoochlounge.com) and it's pretty damn special.

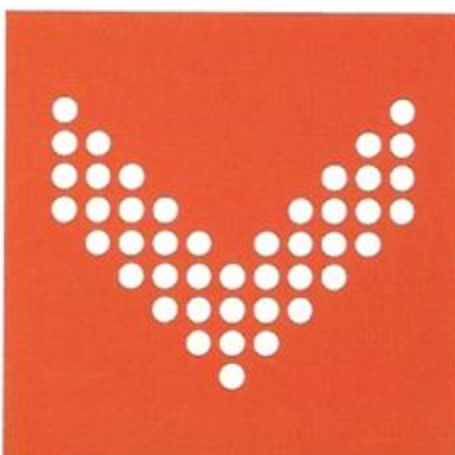

## DEVON AOKI

### ACTRESS

Devon has already starred with some very sexy ladies. She was in *Sin City* with Jessica Alba, and then *DOA: Dead Or Alive* with Holly Valance and Jaime Pressly. Oh, and she'll never have any trouble with stalkers – her dad's an ex-Olympic wrestler!

## JENNY PLATT

### ACTRESS

What is it about barmaids? Whether it's simply that they're giving us booze, or whether they are all just unfeasibly sexy, we don't know. *Corrie* pint-puller Jenny Platt is definitely the latter. It's no surprise that trade in the *Rovers* has picked up.

## BETH PALMER

### TV PRESENTER

This sassy northern lass is a presenter on late-night puzzle channel Quiz TV. She brings joy to our lives, right before we pass out drunk on the couch. Next stop, Nickelodeon. For her, that is. Not us.

## LAUREN FEINSON

### MODEL

Gents, prepare yourselves for something truly special. Like a slither, taller but far less dirty version of Christina Aguilera, this blonde bombshell is coming to a magazine near you. We certainly wouldn't want anyone else getting their grubby hands on her. Call us selfish, but when we find someone this sexy, we want to keep her all to ourselves.

# Girls of 2007

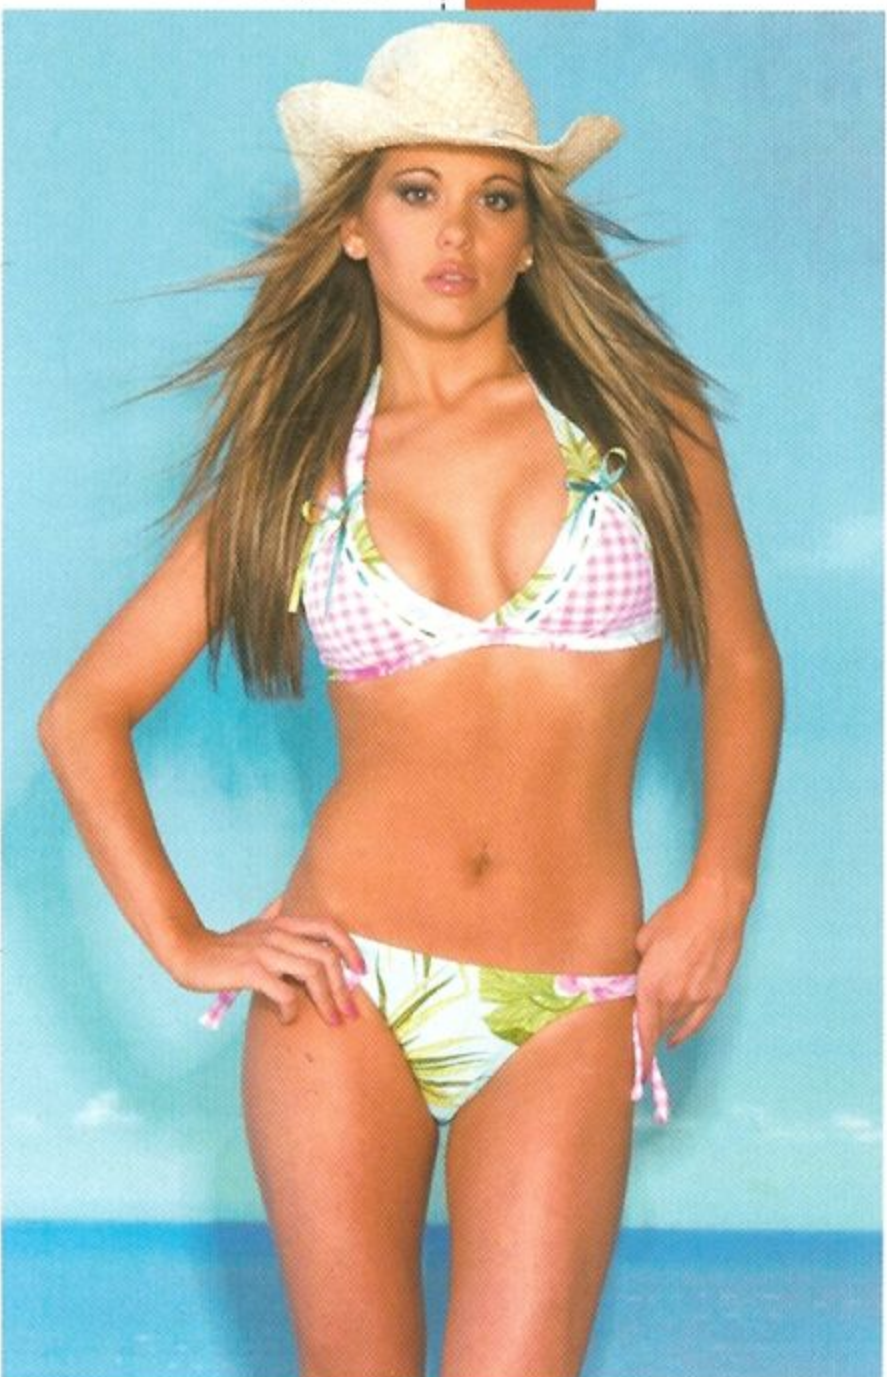

## SAMANTHA COOKE MODEL

Sam's boobs are a whopping 30F – and she's only a wee little thing! And they're probably not even her best feature. With an attractive face and a bottom like a peach, this up-and-coming model is set for the big time.

## BIANCA GASCOIGNE MODEL/REALITY TV STAR

After 18 years of being known as Gazza's step-daughter, Bianca finally got a chance to prove herself. She romped to victory in *Love Island*, then decided that stripping to her underwear would be fun too!

## AISLEYNE HORGAN-WALLACE

### REALITY TV STAR/MODEL

Coming third to one bloke who can't cook an egg and one who shouts 'wanker' at everyone seems rather unfair. Still, since leaving *Big Brother* the blonde sex kitten has made buckets of cash by looking like this, slagging off her other housemates and talking about what she gets up to in bed. Brilliant!

Stop everything and listen up! We've got some exciting news for you: girls are getting fitter. Yep, that's right – women are now prettier, sexier, naughtier and more boobalicious than ever before! Don't believe us? Feast your eyes on this sexy little collection. We've rounded up the hottest new girls around – from TV, films, modelling and a couple of random cuties we saw standing at a bus stop. And being the nice chaps that we are here at Maxim, we're sharing them with you. So, here they are – the hottest girls of 2007, all stood in their pants and dying to meet you. It's going to be a great year – so make them feel very welcome...

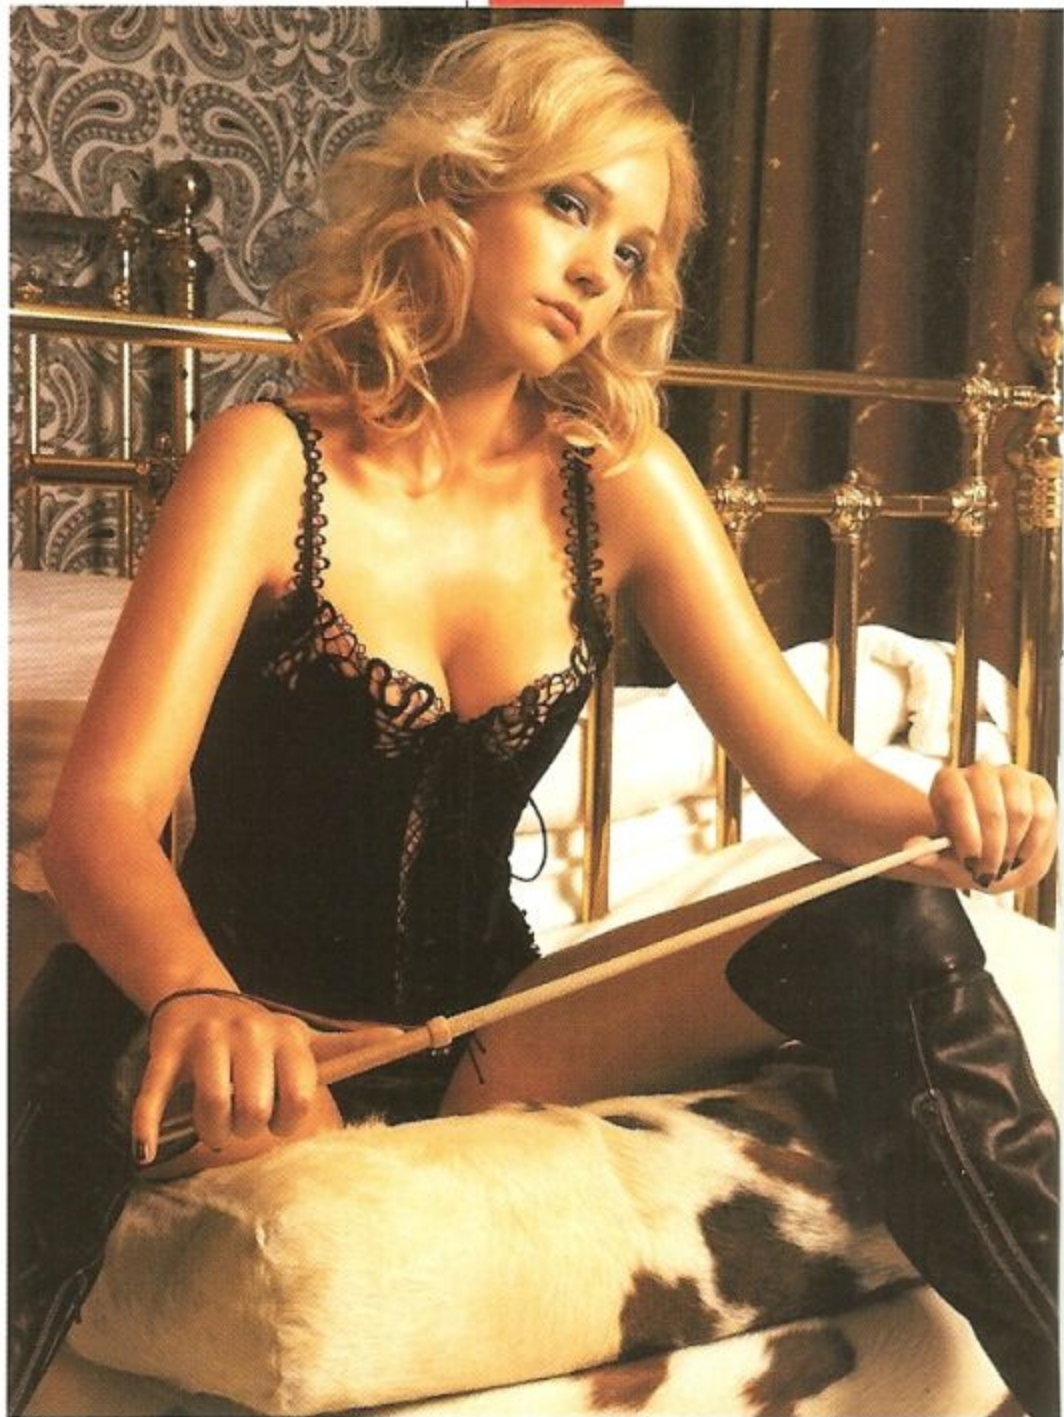

**COLLEEN SHANNON**  
DJ AND TV STAR

One of the sexiest girls on the planet, the *Love Island* beauty is also a respected DJ and actress, starring in the thriller *Chasing Ghosts* with Meat Loaf. She's DJing all over the UK this year, so put down this mag and get out there! Now!

**GEORGINA WALKER**  
ACTRESS

*Hollyoaks*: *In The City* is basically normal *Hollyoaks*, only naughtier. Oh, and it stars this sexy lady. Playing the central character, Jane, the 22 year old gets to strut around like a right little minx.

## SAMMY BRADDY

### MODEL

On the surface, sexy Sammy looks like your typical Essex girl: blonde, busty and likely to boot you in the knackers if you try to pinch her bum. But underneath that fine mane of hair is a brain almost the size of one of her boobs. In fact, it's only because she won a modelling contest last year that she's not at uni getting trashed on snakebite. She's decided to put her studies on hold and spend time posing for you lot instead. Smart, sexy and selfless – hands up if you want to marry her!

## ANN FRENCH

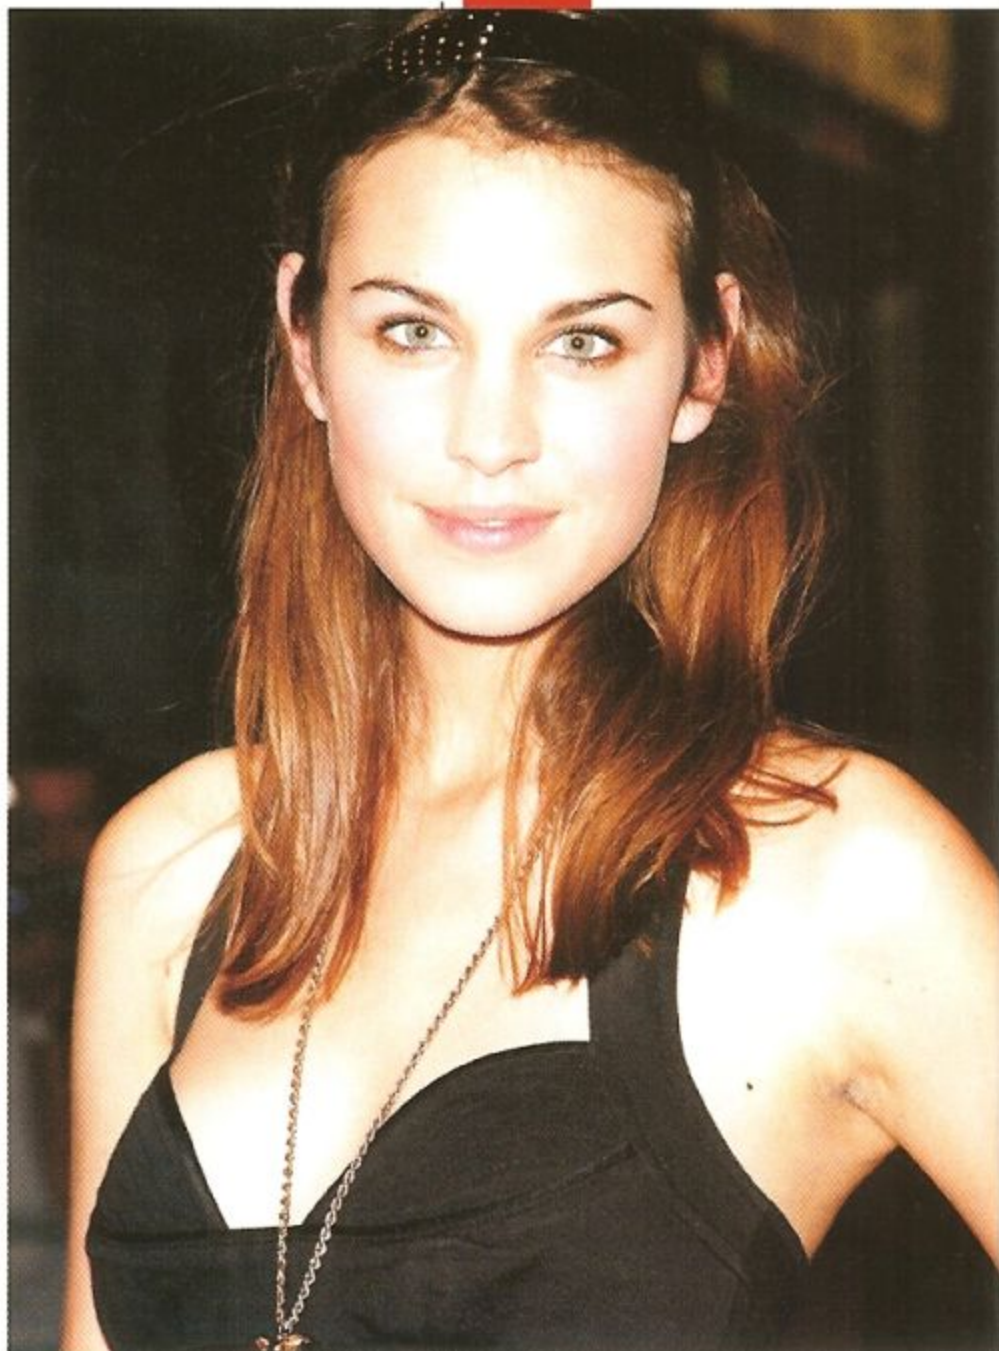

### MODEL

This fiery minx definitely plays by her own rules. With piercings galore and dragon tattoos, she sounds like a complete mentalist, but she's an angel. Her favourite film is *Sirens*. Yes, the one with all the nude ladies. Nice!

## ALEXA CHUNG

### TV PRESENTER

The *Popworld* host actually played Holly Valance's lesbian pal in the 'Down Boy' video. 'I was 18, in hot pants, kissing Holly Valance and it was a bit, like, eurgh...' Eh? Are you right in the head, young lady?

MAXIM

## HOLLY DAVIS

### MODEL

Cute face? Tick! Sexy body? Tick! Likelihood of her speaking to you if you drunkenly bumped into her in your local boozer? Er, tick! Yep, this is the type of girl you'd want to take home to meet your mother and then ravish on the bunk-bed.

## GEMMA HILES

### MODEL

This Lancashire hotpot is one very good reason to visit Preston. The snowy-haired Page 3 Freshers competition winner loves going out, having a few shandies, then shaking her booty like a crazy woman. And it's a mighty fine booty to boot!

MAXIM

## KRYSTLE

### MODEL

Yet another product of the Page 3 Idol phenomenon, this shy but luscious glamour model not only has her dream job, she also lives in the best house in the world – a house full of hot models who spend their evenings gently rubbing cream onto each other and playing Scrabble in the nuddy. Seriously, this isn't some fevered teenage dream, it's her actual life! Still, until that dinner party invite comes along, we'll just have to feast upon saucy snaps like this.

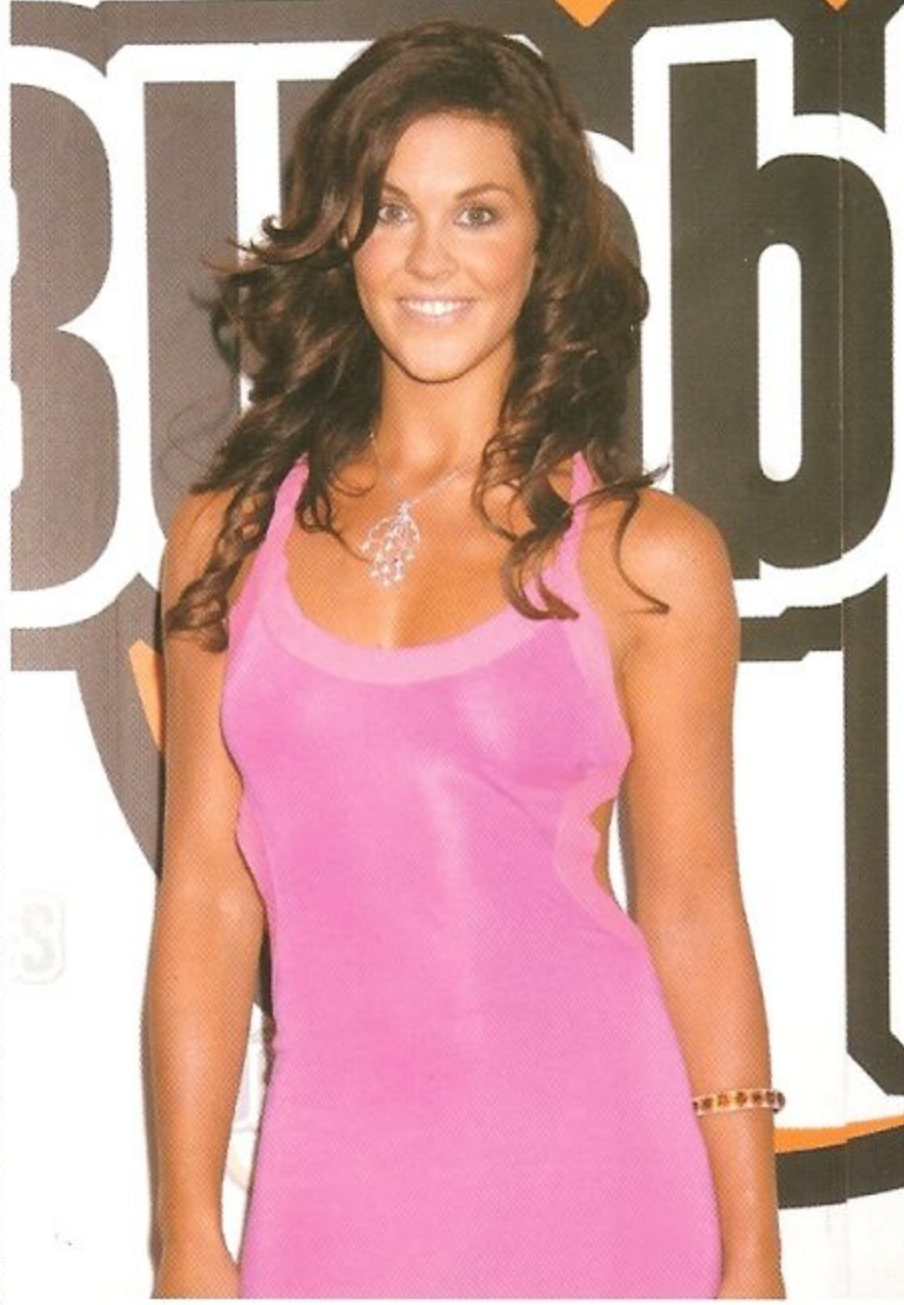

# Girls of 2007

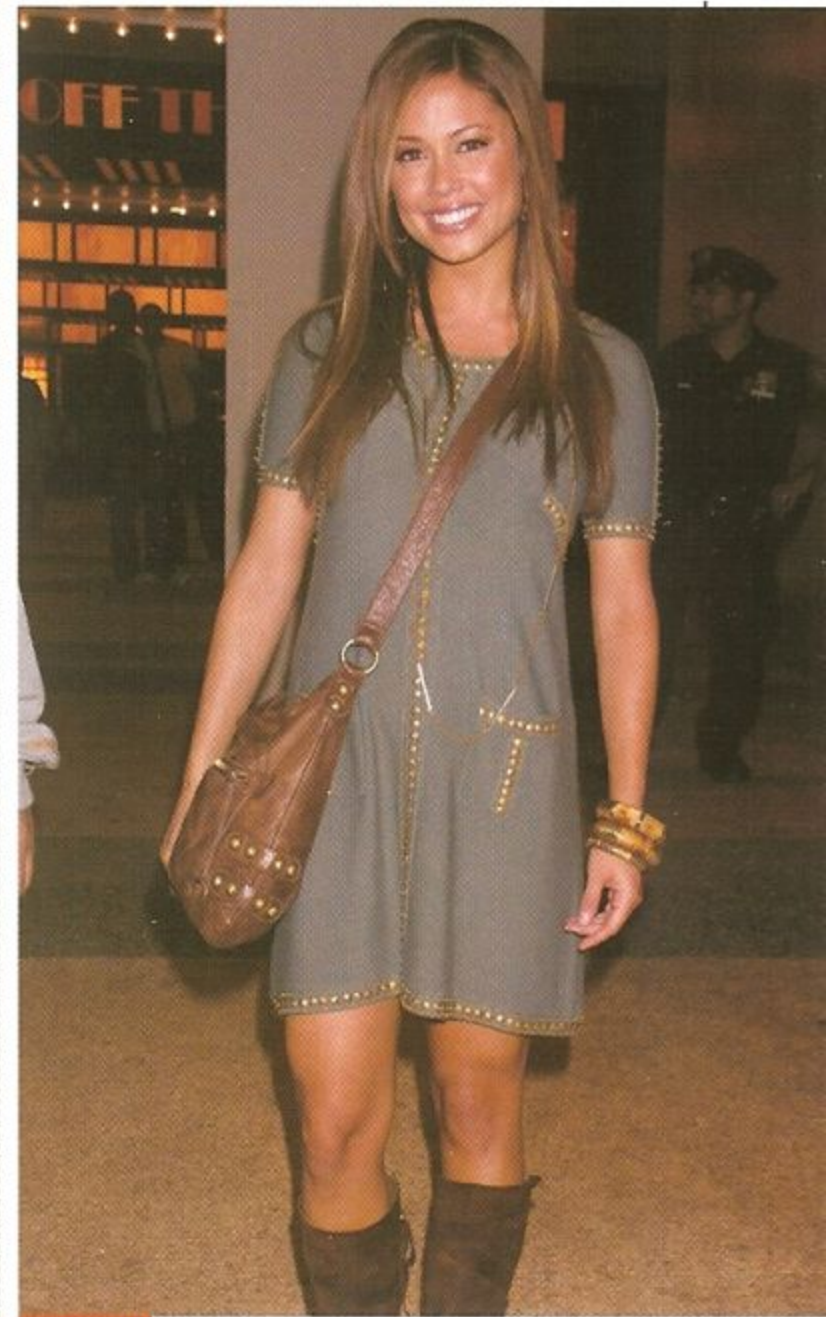

## GLEND A GILSON MODEL

This model-turned-TV-host is huge in her native Ireland. And, thanks to a product called BreastGro, so are her boobs. Opting against silicon implants, she decided to try the bust-enhancing product – it definitely worked!

## BAR RAFAELI MODEL

Despite her name sounding like a fancy boozier, Leonardo DiCaprio's squeeze is almost identical to Gisele. The 20 year old proves that sometimes it's good to trade for a younger model.

## VANESSA MINNILLO TV PRESENTER

This sun-kissed vixen is a host on US MTV and also dates Jessica Simpson's ex. We won't think about that last point. Instead, just imagine her curled up on your sofa in a tiny pair of hot pants.

## GEMMA BISSIX

### HOLLYOAKS

It seems slightly wrong to think of Gemma as Nigel's daughter in *EastEnders* all those years ago – but that's who she was. Thankfully, she's grown up a lot since then, emerging from beneath her screen dad's overbearing curly locks, and landing a part in *Hollyoaks*. She's not shy, either – as her saucy photoshoots show. Sexy, talented and buxom – the future looks bright for the girl who used to sell dodgy videos.

## SAM KING

### MODEL AND ACTRESS

Fresh-faced cutie Sam isn't just a pretty Essex girl – she's a model, TV presenter and actress too. Her stint as a host on Television X has already brought her to a certain audience and her forthcoming appearance as an extra in Brit comedy *Popcorn* should win her an army of new fans!

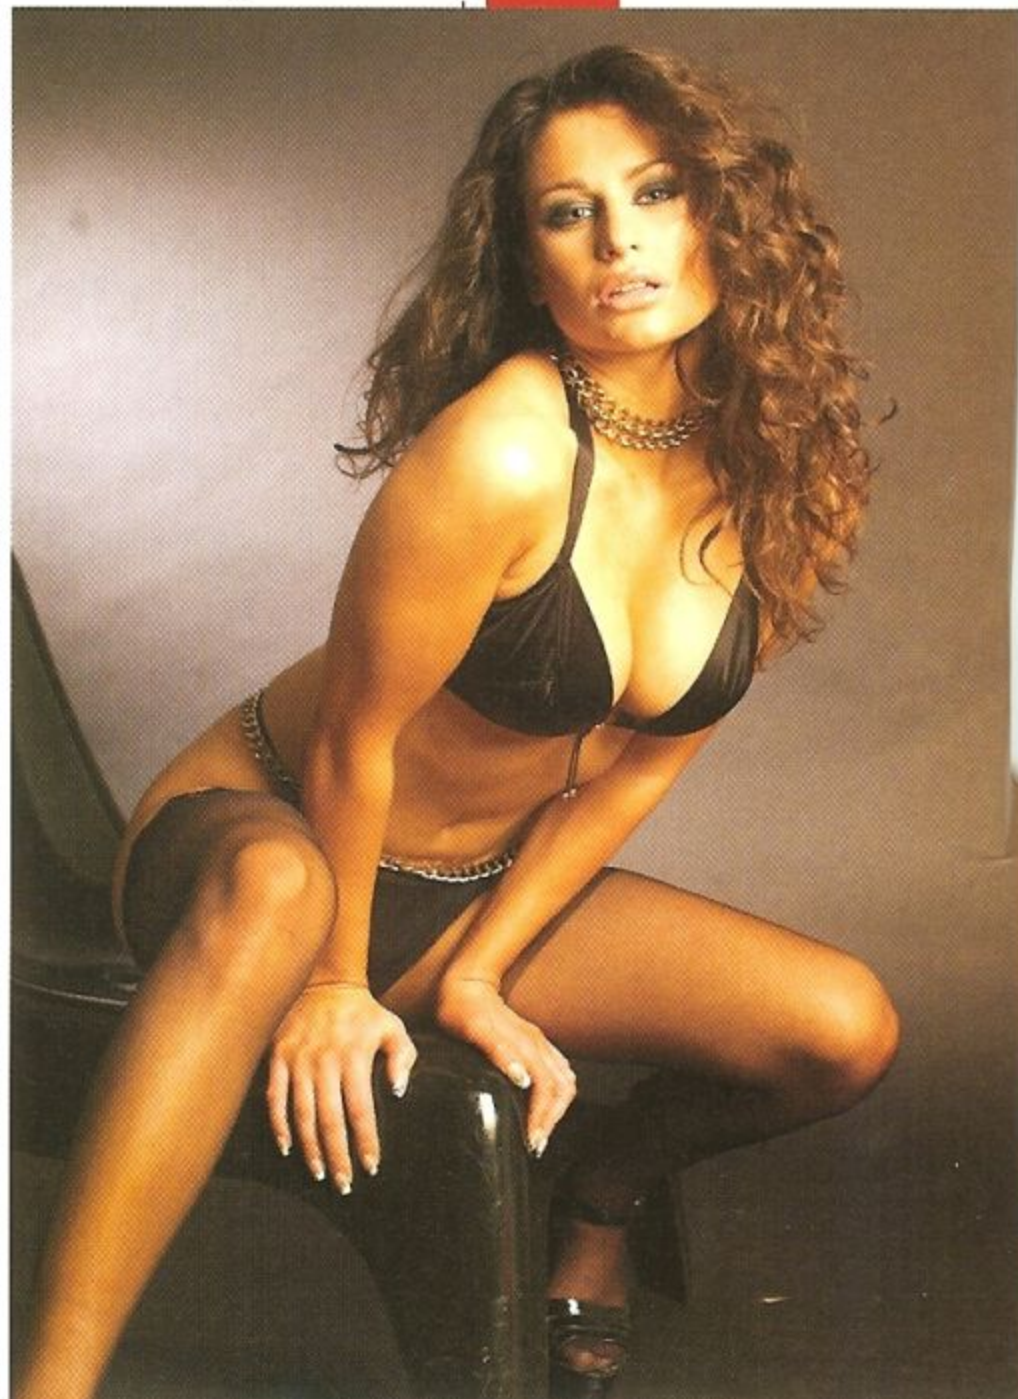

### TILA TEQUILA SINGER AND MODEL

Now with over 1 million MySpace buddies, this pop vixen is set to release her debut album. 'I'm the baddest bitch on the block,' she boasts, which proves not only that she's a minx, but also that she's got attitude.

### EMILY CLARK MODEL

Arsenal fan Emily knows how to cheer up the lads – she's on a mobile phone football download doing a naked cartwheel dance! You can also catch her on TV in *Dream Team* and *Footballers Wives*.

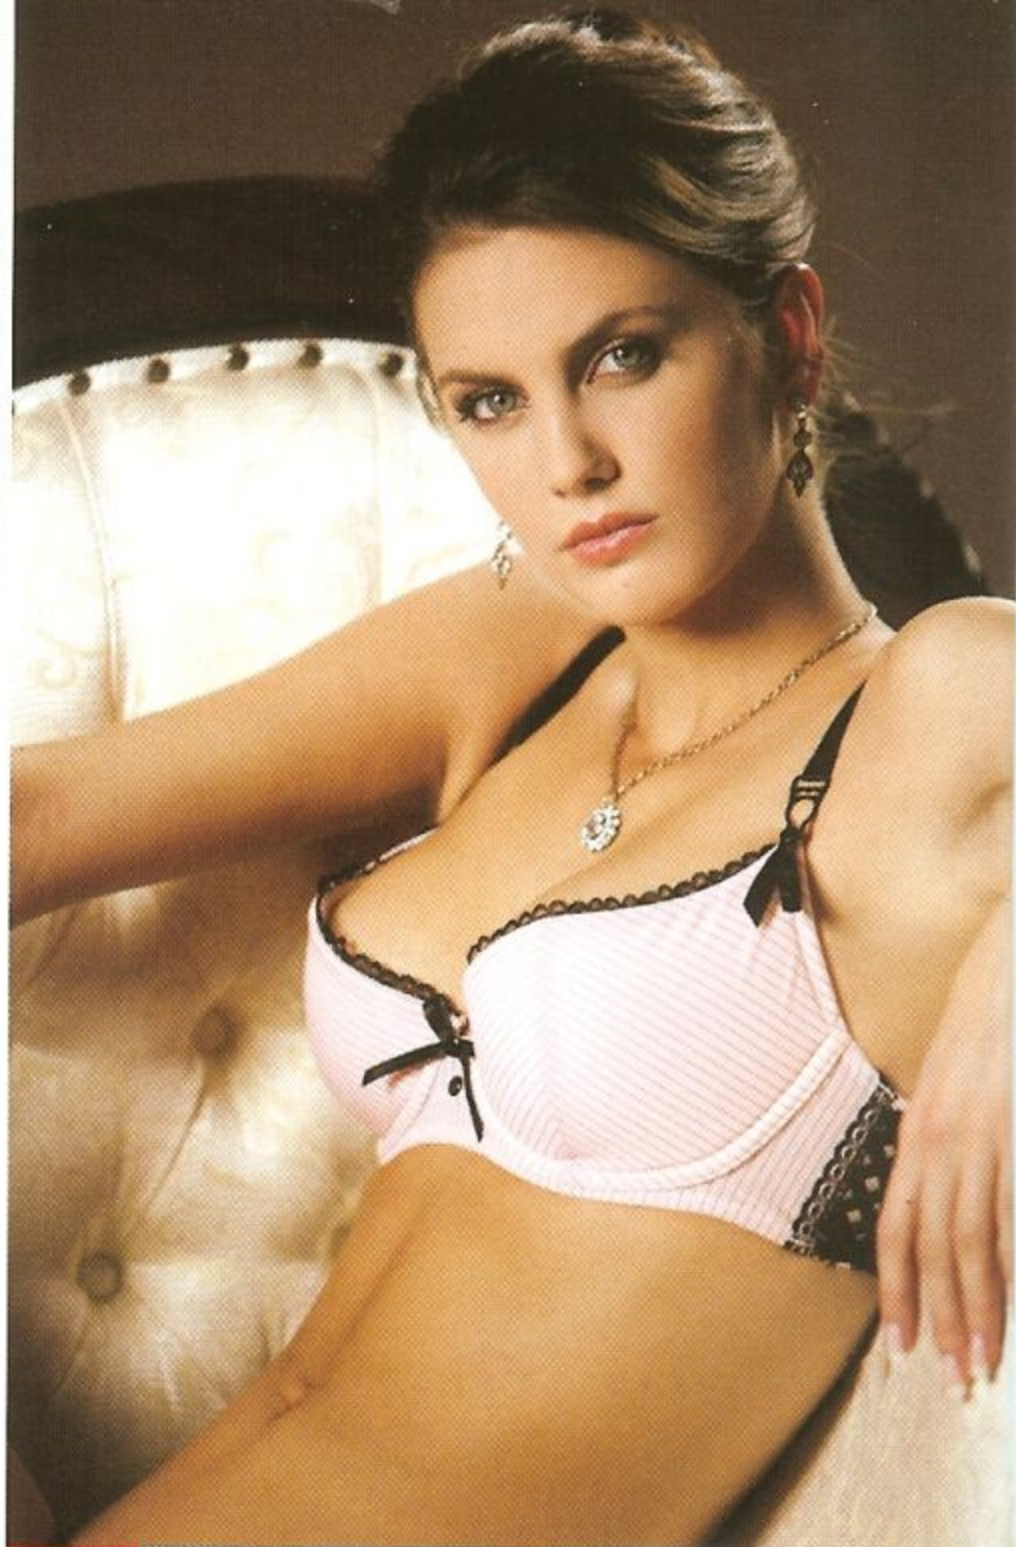

MAXIM

## KATE BOOTH

### MODEL

If you just looked at this girl's boobs – and let's face it, that's what blokes do – you'd be forgiven for thinking they belonged to Sophie Howard. They are magnificent! Even more impressive, however, are her face and body. Imagine her jogging on a beach, *Baywatch* style. Hello? Hello? Oh, you're still imagining her boobs.

## PETRA SO

### TV PRESENTER

Petra has spent the last few months helping out Dave Spikey on *Bullseye*. While she doesn't do much apart from stand there and look pretty, she's a damn sight more attractive than the caravan.

## KATIE LINCOLN

### MODEL

Most UK beaches are filled with fat, pasty OAPs. Go down to Brighton, and it's a different story – you can find girls like this looking awesome in a bikini. Now a full-time model, Katie's likely to be all over the rest of the UK pretty soon.

## ANNE HATHAWAY

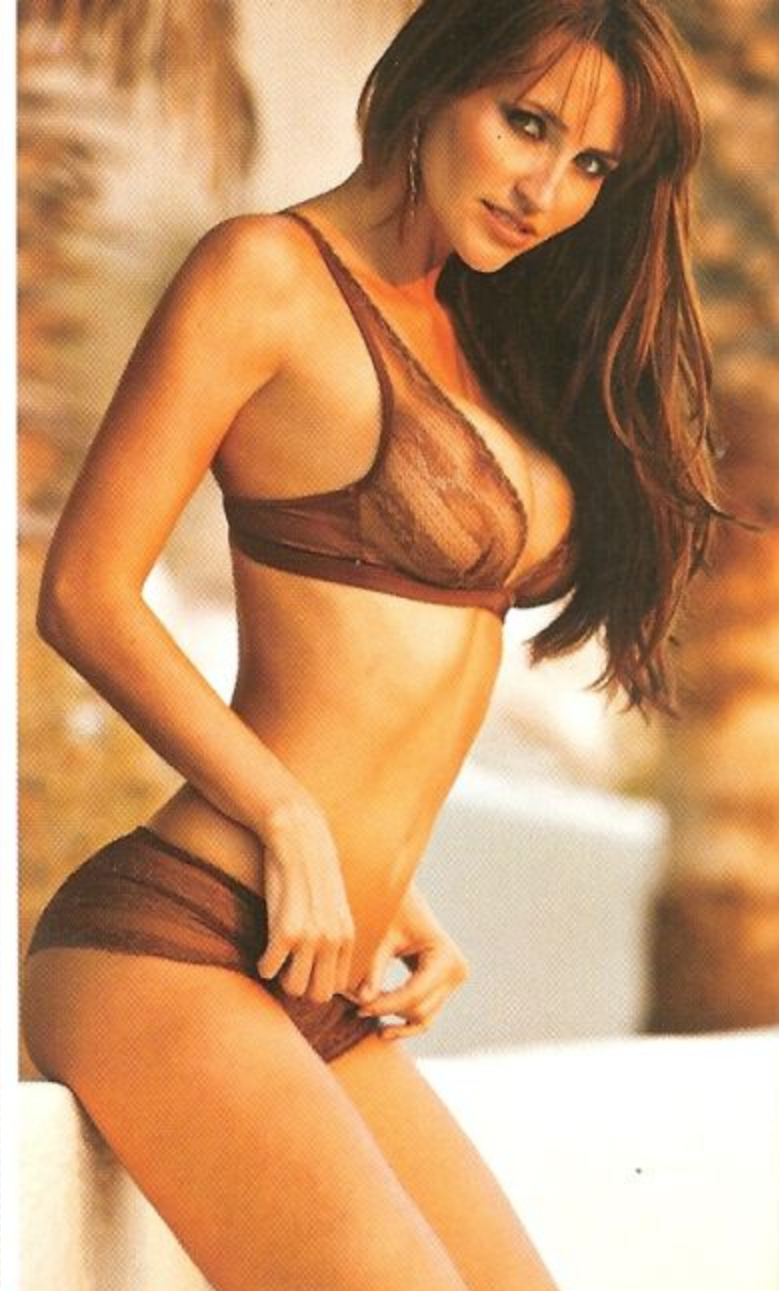

### ACTRESS

After providing non-male titillation in *Brokeback Mountain*, Anne is now working on a biopic of Jane Austen. Not our cup of tea, but with Anne in the lead, we'll take it with two sugars.

## CHARLOTTE MEARS

### WAG

Another saucy addition to the England WAG squad. We'll be seeing Jermain Defoe's missus in new TV show, *FW Boutique*. She'll be running a clothes shop with her fellow WAGs. Let's hope they have a shared changing room!

## NATALIE WESTON

### MODEL

Half of super-sexy duo Imogen and Natalie, this olive-skinned beauty's exotic attributes have had photographers queuing up. She's got a law degree too. Looks, intelligence and a sexy partner-in-crime – what more could you possibly want?

## DOMINICA WESTLING

### MODEL

All Swedish woman are stunning: fact. This one, though, is super-hot. Posing for the first time in a UK mag, foxy Dominica is sure to grab Victoria Silvstedt's Scandinavian crown soon.

**RHIAN****MODEL**

Fan of the MySpace school of promotion, this saucy glamour puss is making huge strides in the world of modelling. Having already graced the pages of Page 3 and now *Maxim*, she's currently putting together her own raunchy calendar, which is bound to be sensational.

## KELLY SIMPSON

### MODEL

Jet-black hair with a jet-black stare, this foxy newcomer is the fantasy of men everywhere. With a super-healthy tan, a corking figure and capable of looking both innocent and absolutely filthy in one glance, she's likely to become the target of mass attention in the next few months.

## SIMONE LINSELL

### MODEL

Unless your idea of a wild night out is standing in a downpour or watching camp redcoats mince around a Butlins stage, Skegness probably isn't worth visiting. Except for one thing – Simone Linsell. This stunning blonde has single-handedly salvaged Skeggy's shoddy reputation. Just don't expect any topless bathing on Skeggy beach – you have to take her somewhere much hotter to get that to happen!

## CARLY DEAN

### MODEL

Recently signed up to a top model agency, this sexy redhead looks set to break into model superstardom very soon. Her 5ft 10in frame not only means she's got some of the loveliest pins in the game, but also, as an added bonus, she doesn't miss a thing when she goes to gigs!

# Girls of 2007

## EMMA AMORE

### MODEL

With a name like that, you're bound to fall in love with her. She could be bald and have a big hairy beard, and you'd still want to take her on a date. She hasn't, though – she's delightful. Already a TV extra, the 20-year-old model hopes to be an actress like Demi Moore, apparently. Let's hope she's better than her – though if Emma gets her kit off as much as her idol, we'll be queuing up at the cinema.

# Girls of 2007

## AMII GROVE MODEL

This golden-haired cutie represented England in the Miss World Bikini contest. Then she decided she looked even hotter without the bikini, and whipped it off for the world's further enjoyment. The world nodded in appreciation.

## SOPHIA MYLES ACTRESS

Sophia has been in *Doctor Who* and *Extras* for starters. Ring any bells? She's 26, fit and going to be in *Dracula*, too – that's one girl you wouldn't mind chomping at your neck.

## ALEX KRAMER

### TV PRESENTER

Don't waste money calling quiz show *ITV Play* – just lie back on your sofa and let the sound of presenter Alex Kramer lull you asleep. Not only is she sexy, she's got the sauciest voice on TV. We'd give our right arm to let her take us on a date, but then she's failed her driving test five times, so we'd probably end up losing it anyway.

MAXIM

## EMMA & VICTORIA JENSEN

### MODELS

Challenging the Olsens for the crown of the world's sexiest twins are these British sexpots, who would probably tell you to sod off simultaneously if you tried it on. They're not joined at the hip, but they do generally come as a two-for-one package. You can't actually buy them, but if you do see one, you know that an equally beautiful girl is around the corner. And that's a very appealing prospect indeed.

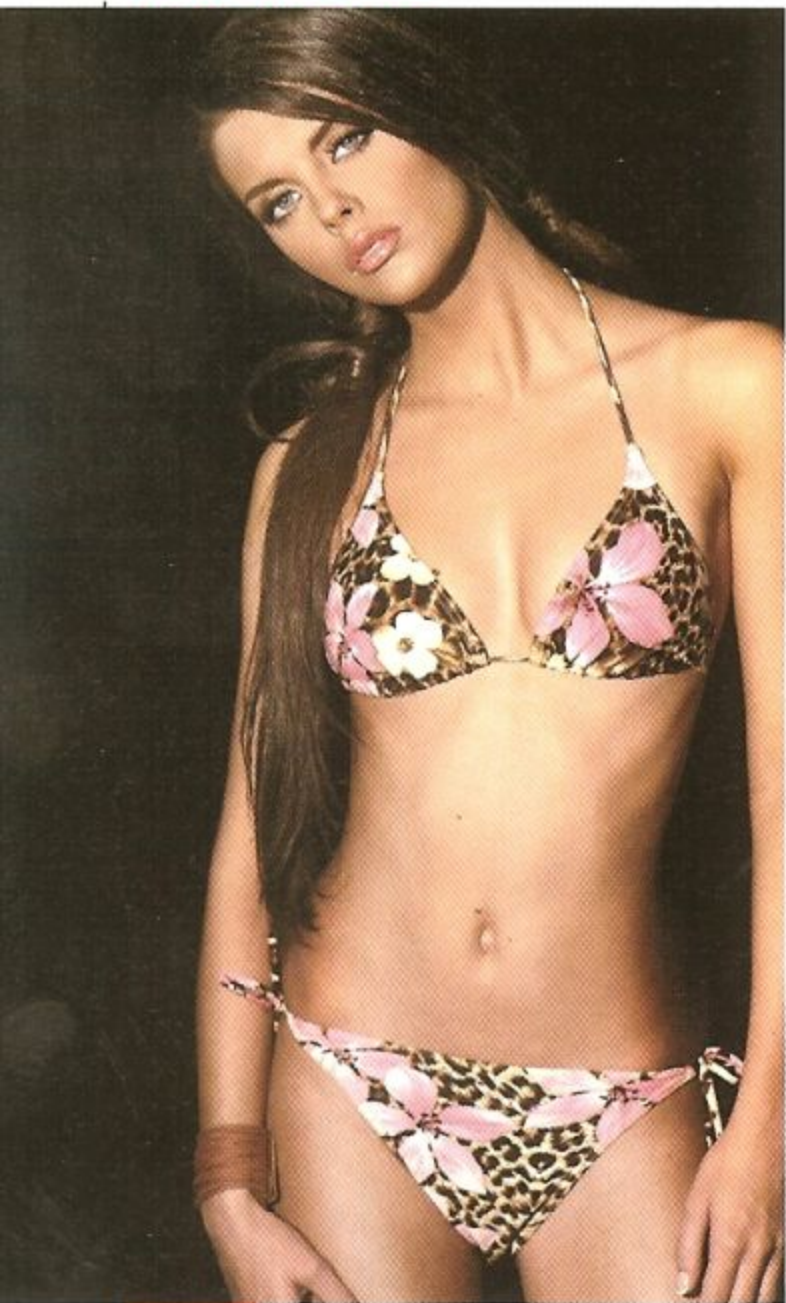

## SAM ROWLEY

### MODEL AND REALITY TV STAR

Five reality show *Make Me A Supermodel* was heaving with hot women – but it was this sexy 18 year old that caught our eye. We were all well chuffed when she then turned up on *Trust Me: I'm A Holiday Rep*, lounging about in a bikini, but listen up – there could be even greater news ahead. She says she'd 'get a kick out of posing nude and would love celebrating the female body'. What form that will take we don't know, but we look forward to celebrating her body with her...

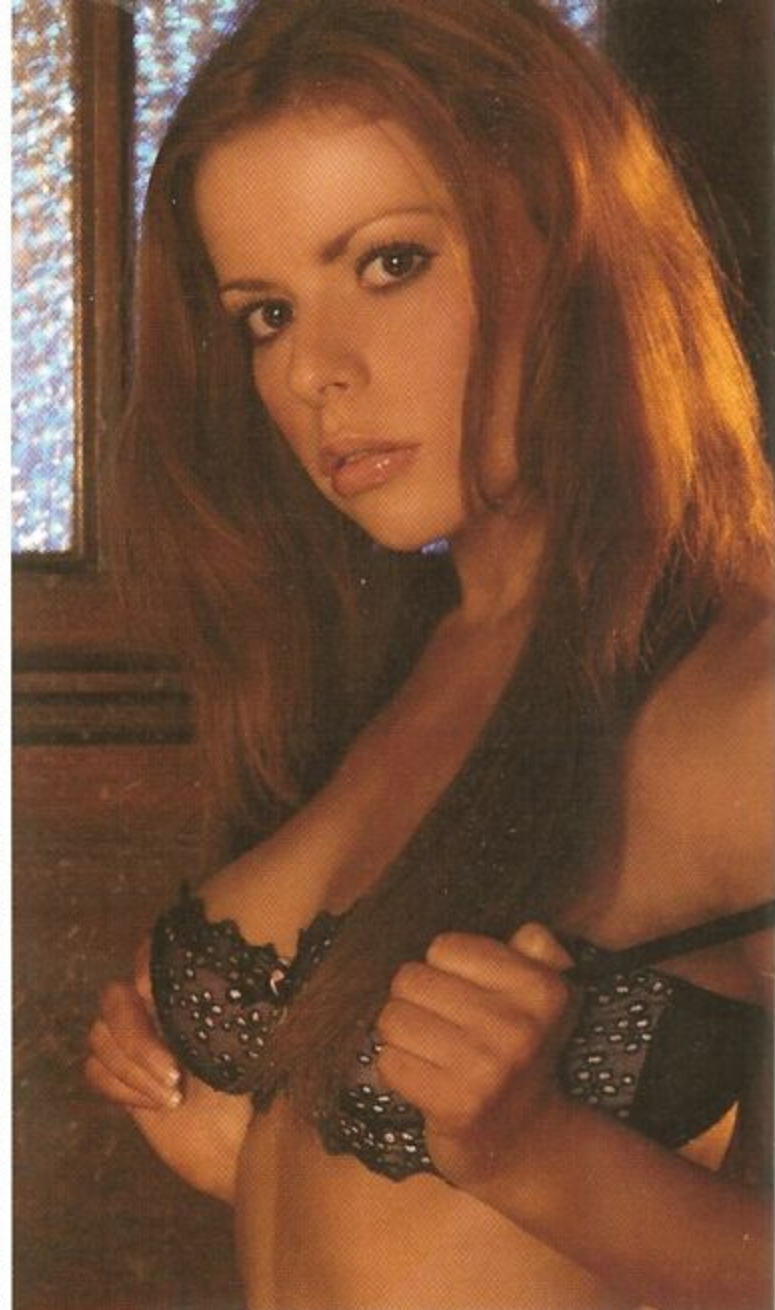

## LAUREN RIDEALGH MODEL

With her full lips and amazing body, Lauren's a girl who could break the heart of any man. Put her on a billboard, and expect a pile up. We showed her picture in the office, and all work ground to a halt!

## CRISTINA DUMITRU MISS MAXIM WORLDWIDE

This devastating creature is the winner of our global modelling competition, Miss Maxim. 'I fall in love with funny guys,' she says. 'But if he's good looking, even better!' Form an orderly queue, chaps!

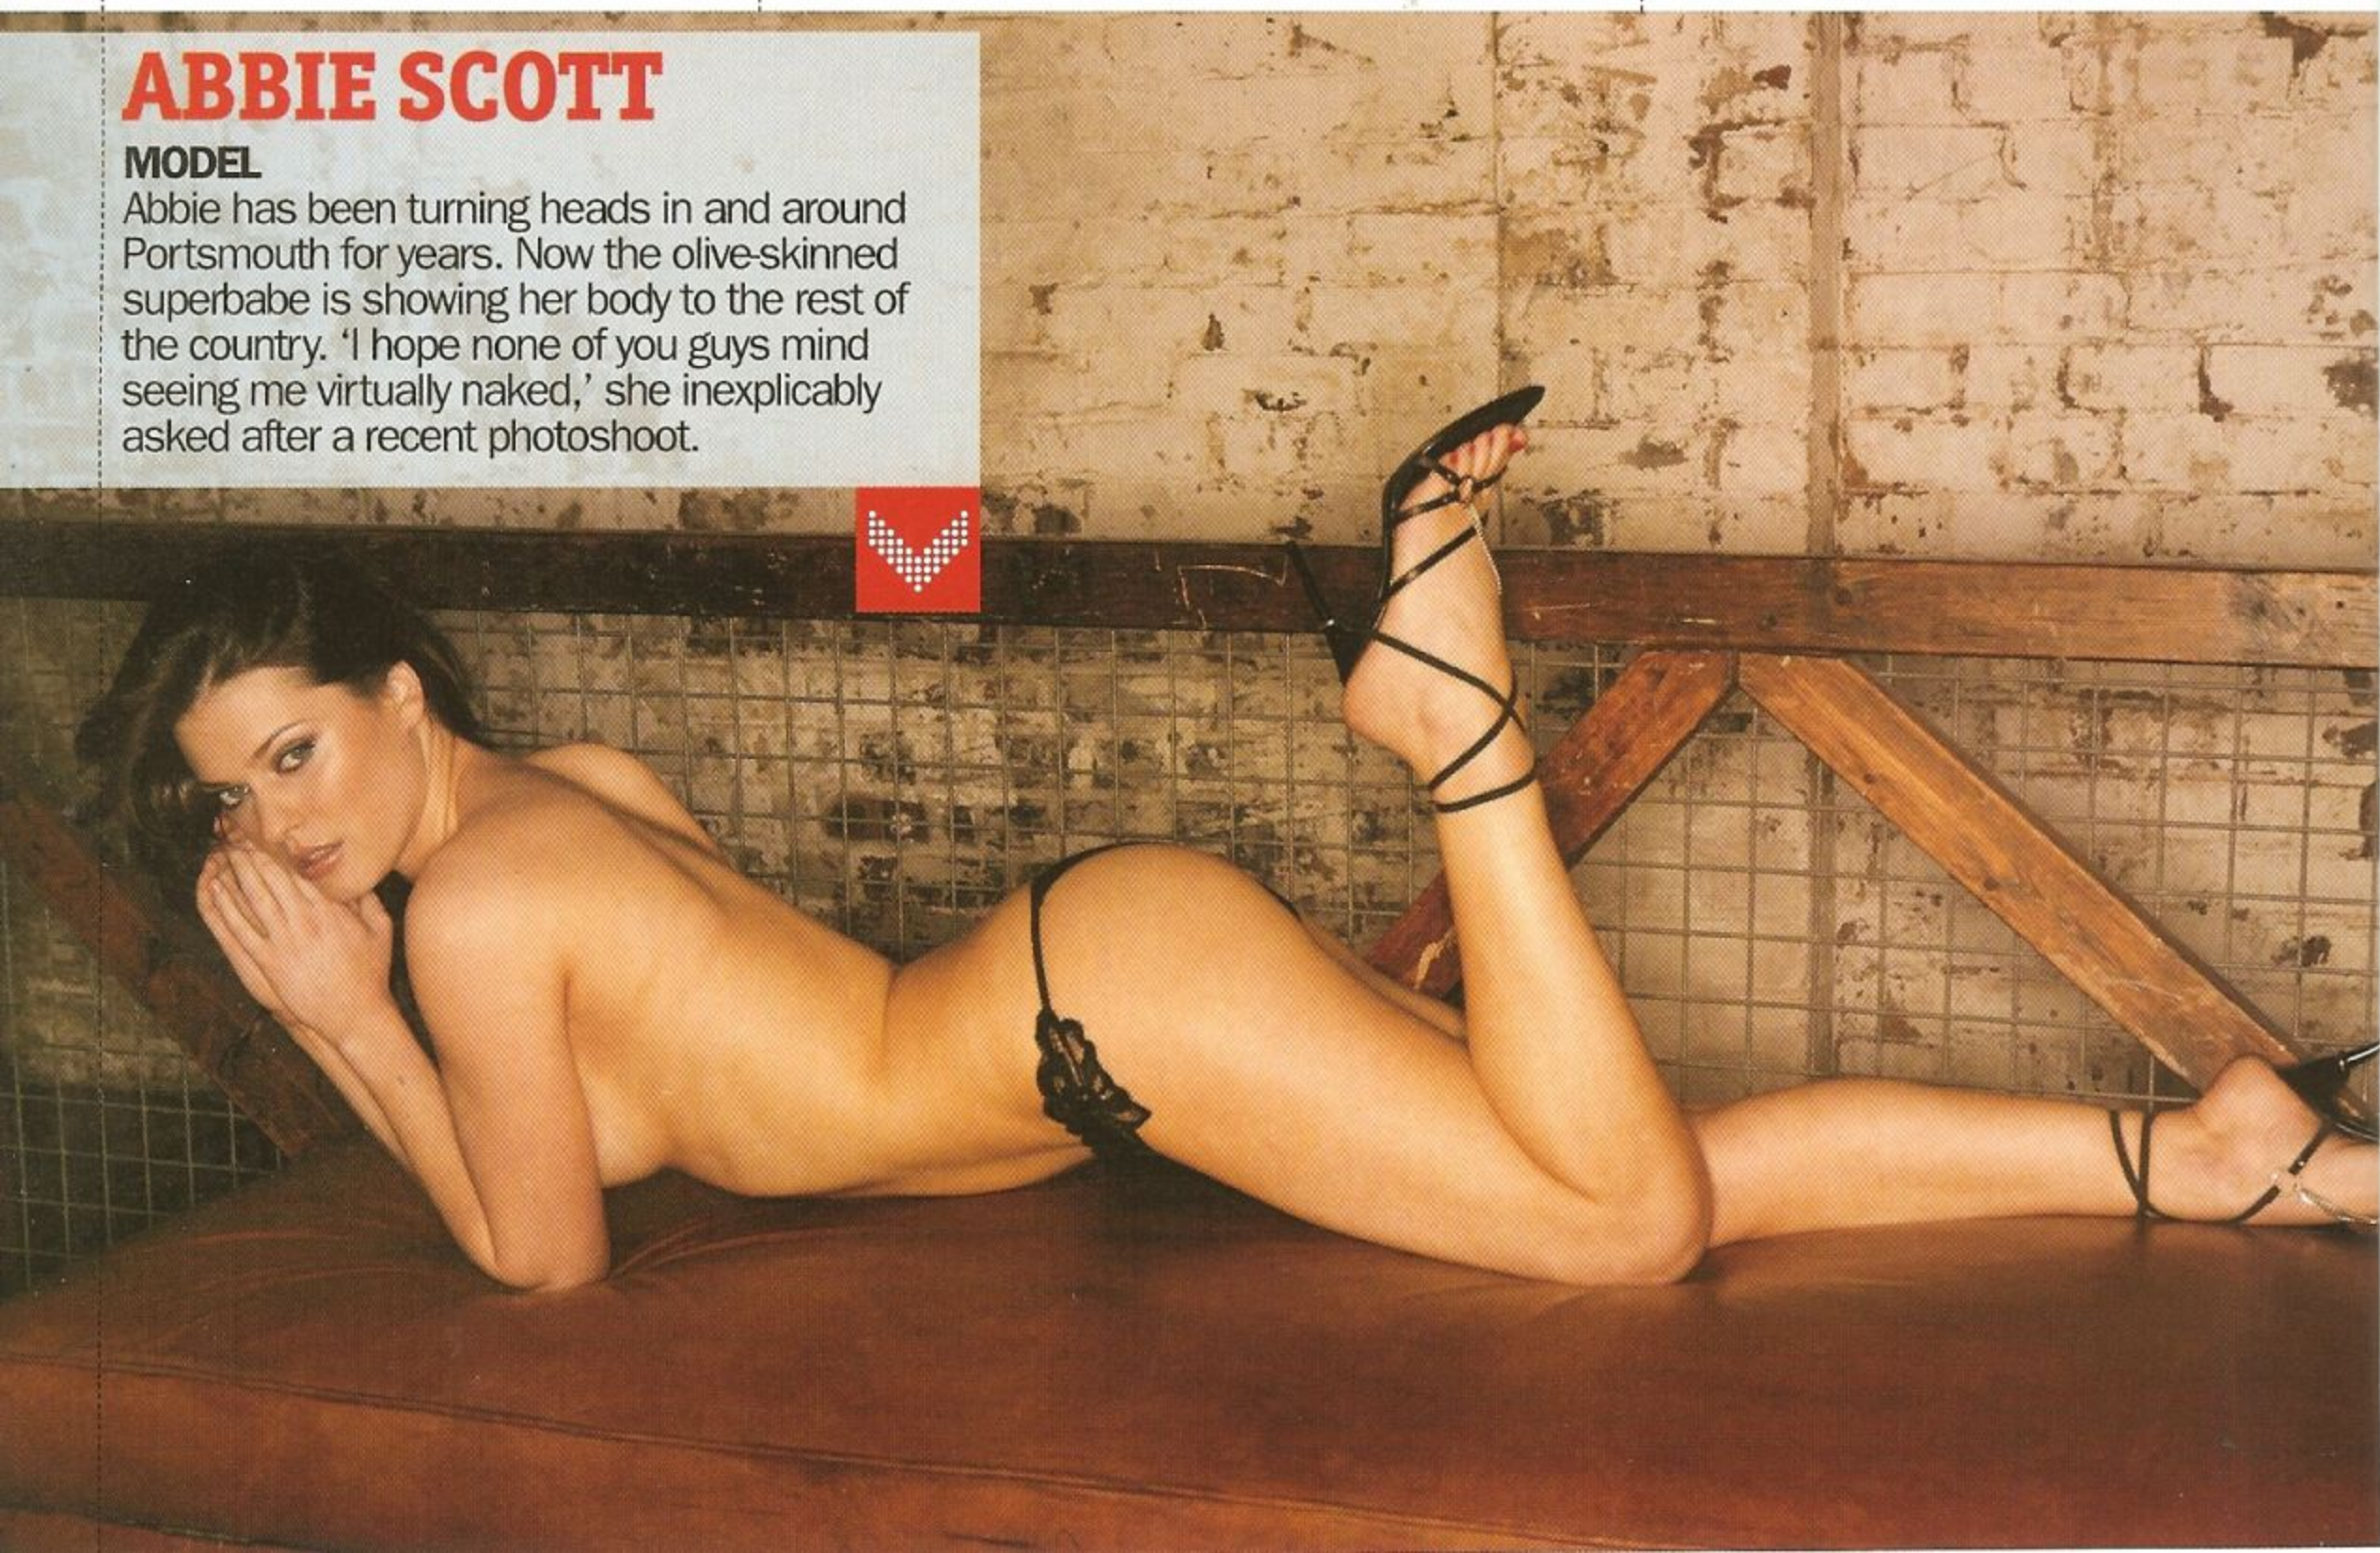

## MICHELLE MASTERS MODEL

Gingers get a bit of stick, but no one's mocking this girl. A self-confessed outrageous flirt, she's definitely someone you'd want to chat up in your local – though, if you're anything like us, you'd probably just sit and gawp.

## ABBIE SCOTT

### MODEL

Abbie has been turning heads in and around Portsmouth for years. Now the olive-skinned superbabe is showing her body to the rest of the country. 'I hope none of you guys mind seeing me virtually naked,' she inexplicably asked after a recent photoshoot.

## KARA TOINTON

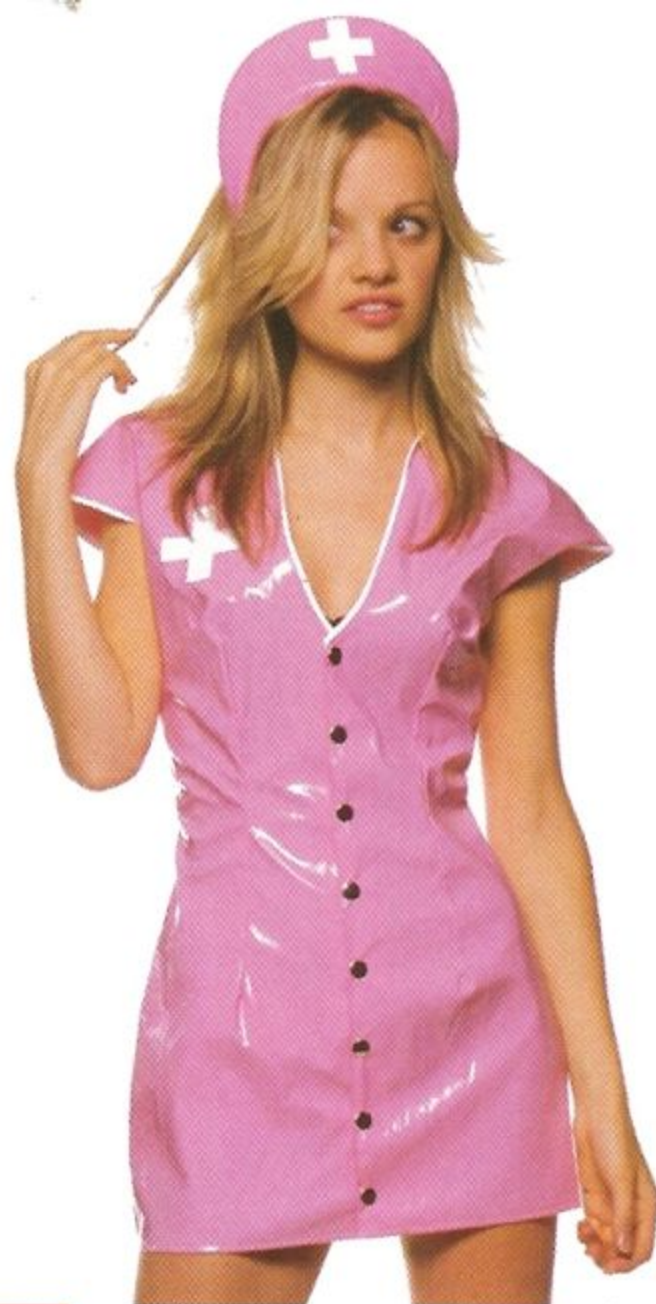

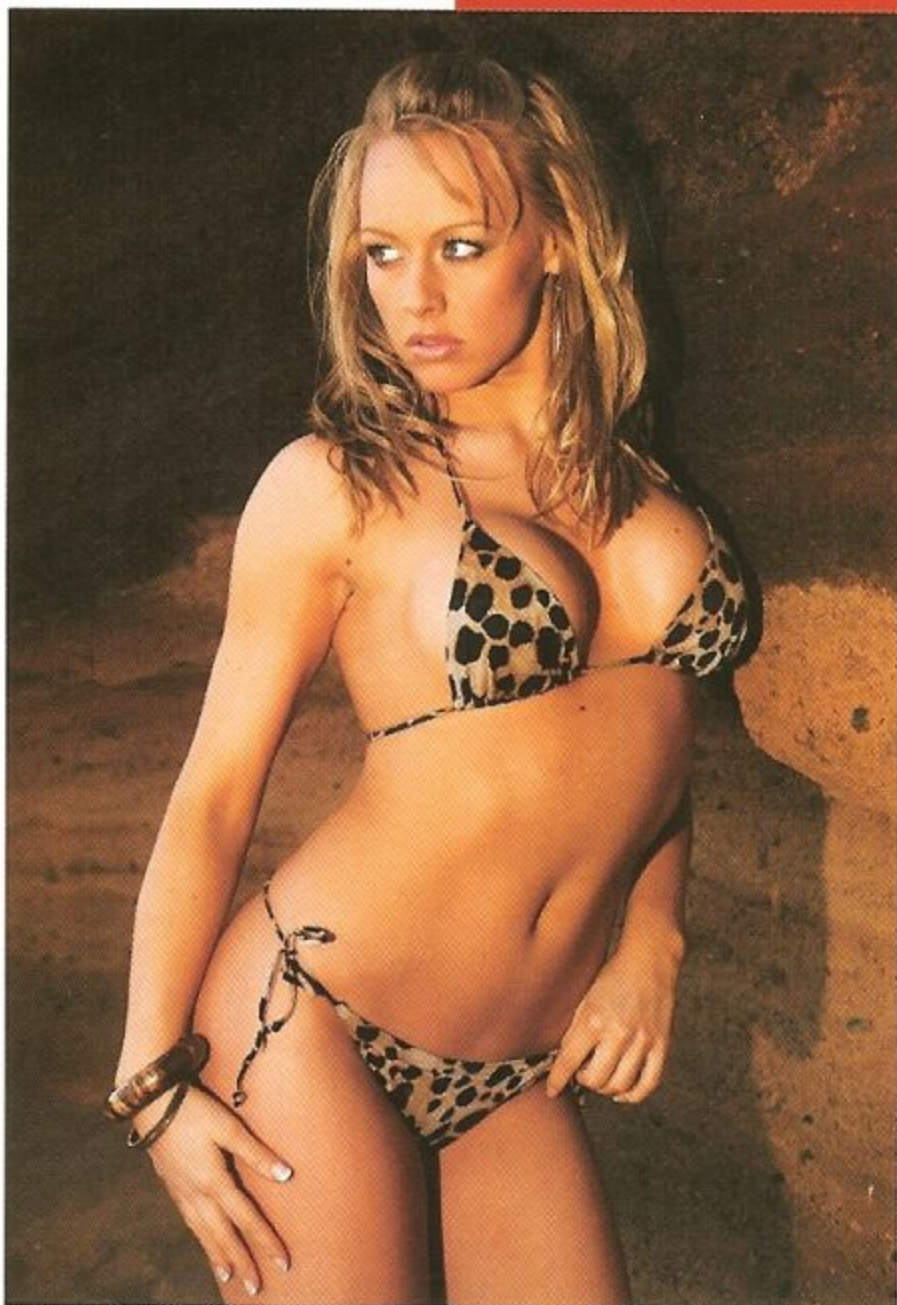

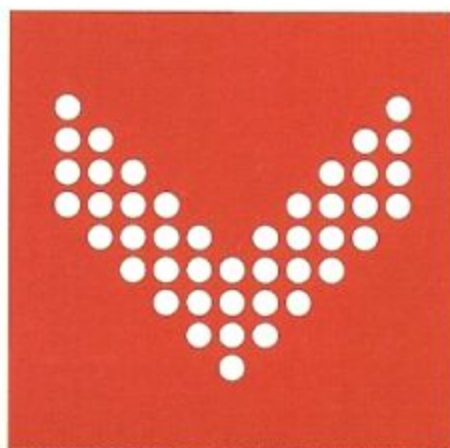

### ACTRESS

After sexing up *Mile High* and *Dream Team*, Kara's getting frisky as Dawn in *EastEnders*. Describing her character as 'a bit of an Angelina Jolie', you know she's going to set Cockney pulses racing.

## HAYLEY DIXON

### MODEL

If you saw this lady on *Beauty And The Geek*, you won't have forgotten her. Not only does she look fantastic, she can do stilt-walking and fire-eating! When she's not stuffing her face with flames, she does the odd bit of presenting on a cable shopping channel.

## LAURA AIKMAN

### ACTRESS

A cameo in *Casualty* and an appearance on *Children In Need* might not send Keira Knightly into a fit of envy – but that could change. Laura's role in new, Brit-babe-packed film *Popcorn* may just be her big break. And if it isn't, British justice will have failed!

## JESSICA-JANE CLEMENT

### TV PRESENTER

She's blonde, sexy, intelligent and likely to nick your wallet the moment your eyes linger on her cleavage! That's if her 'sexy swindler' persona from *The Real Hustle* is to be believed. The former model has gained an army of new fans on the BBC3 show and is set to gain stacks more.

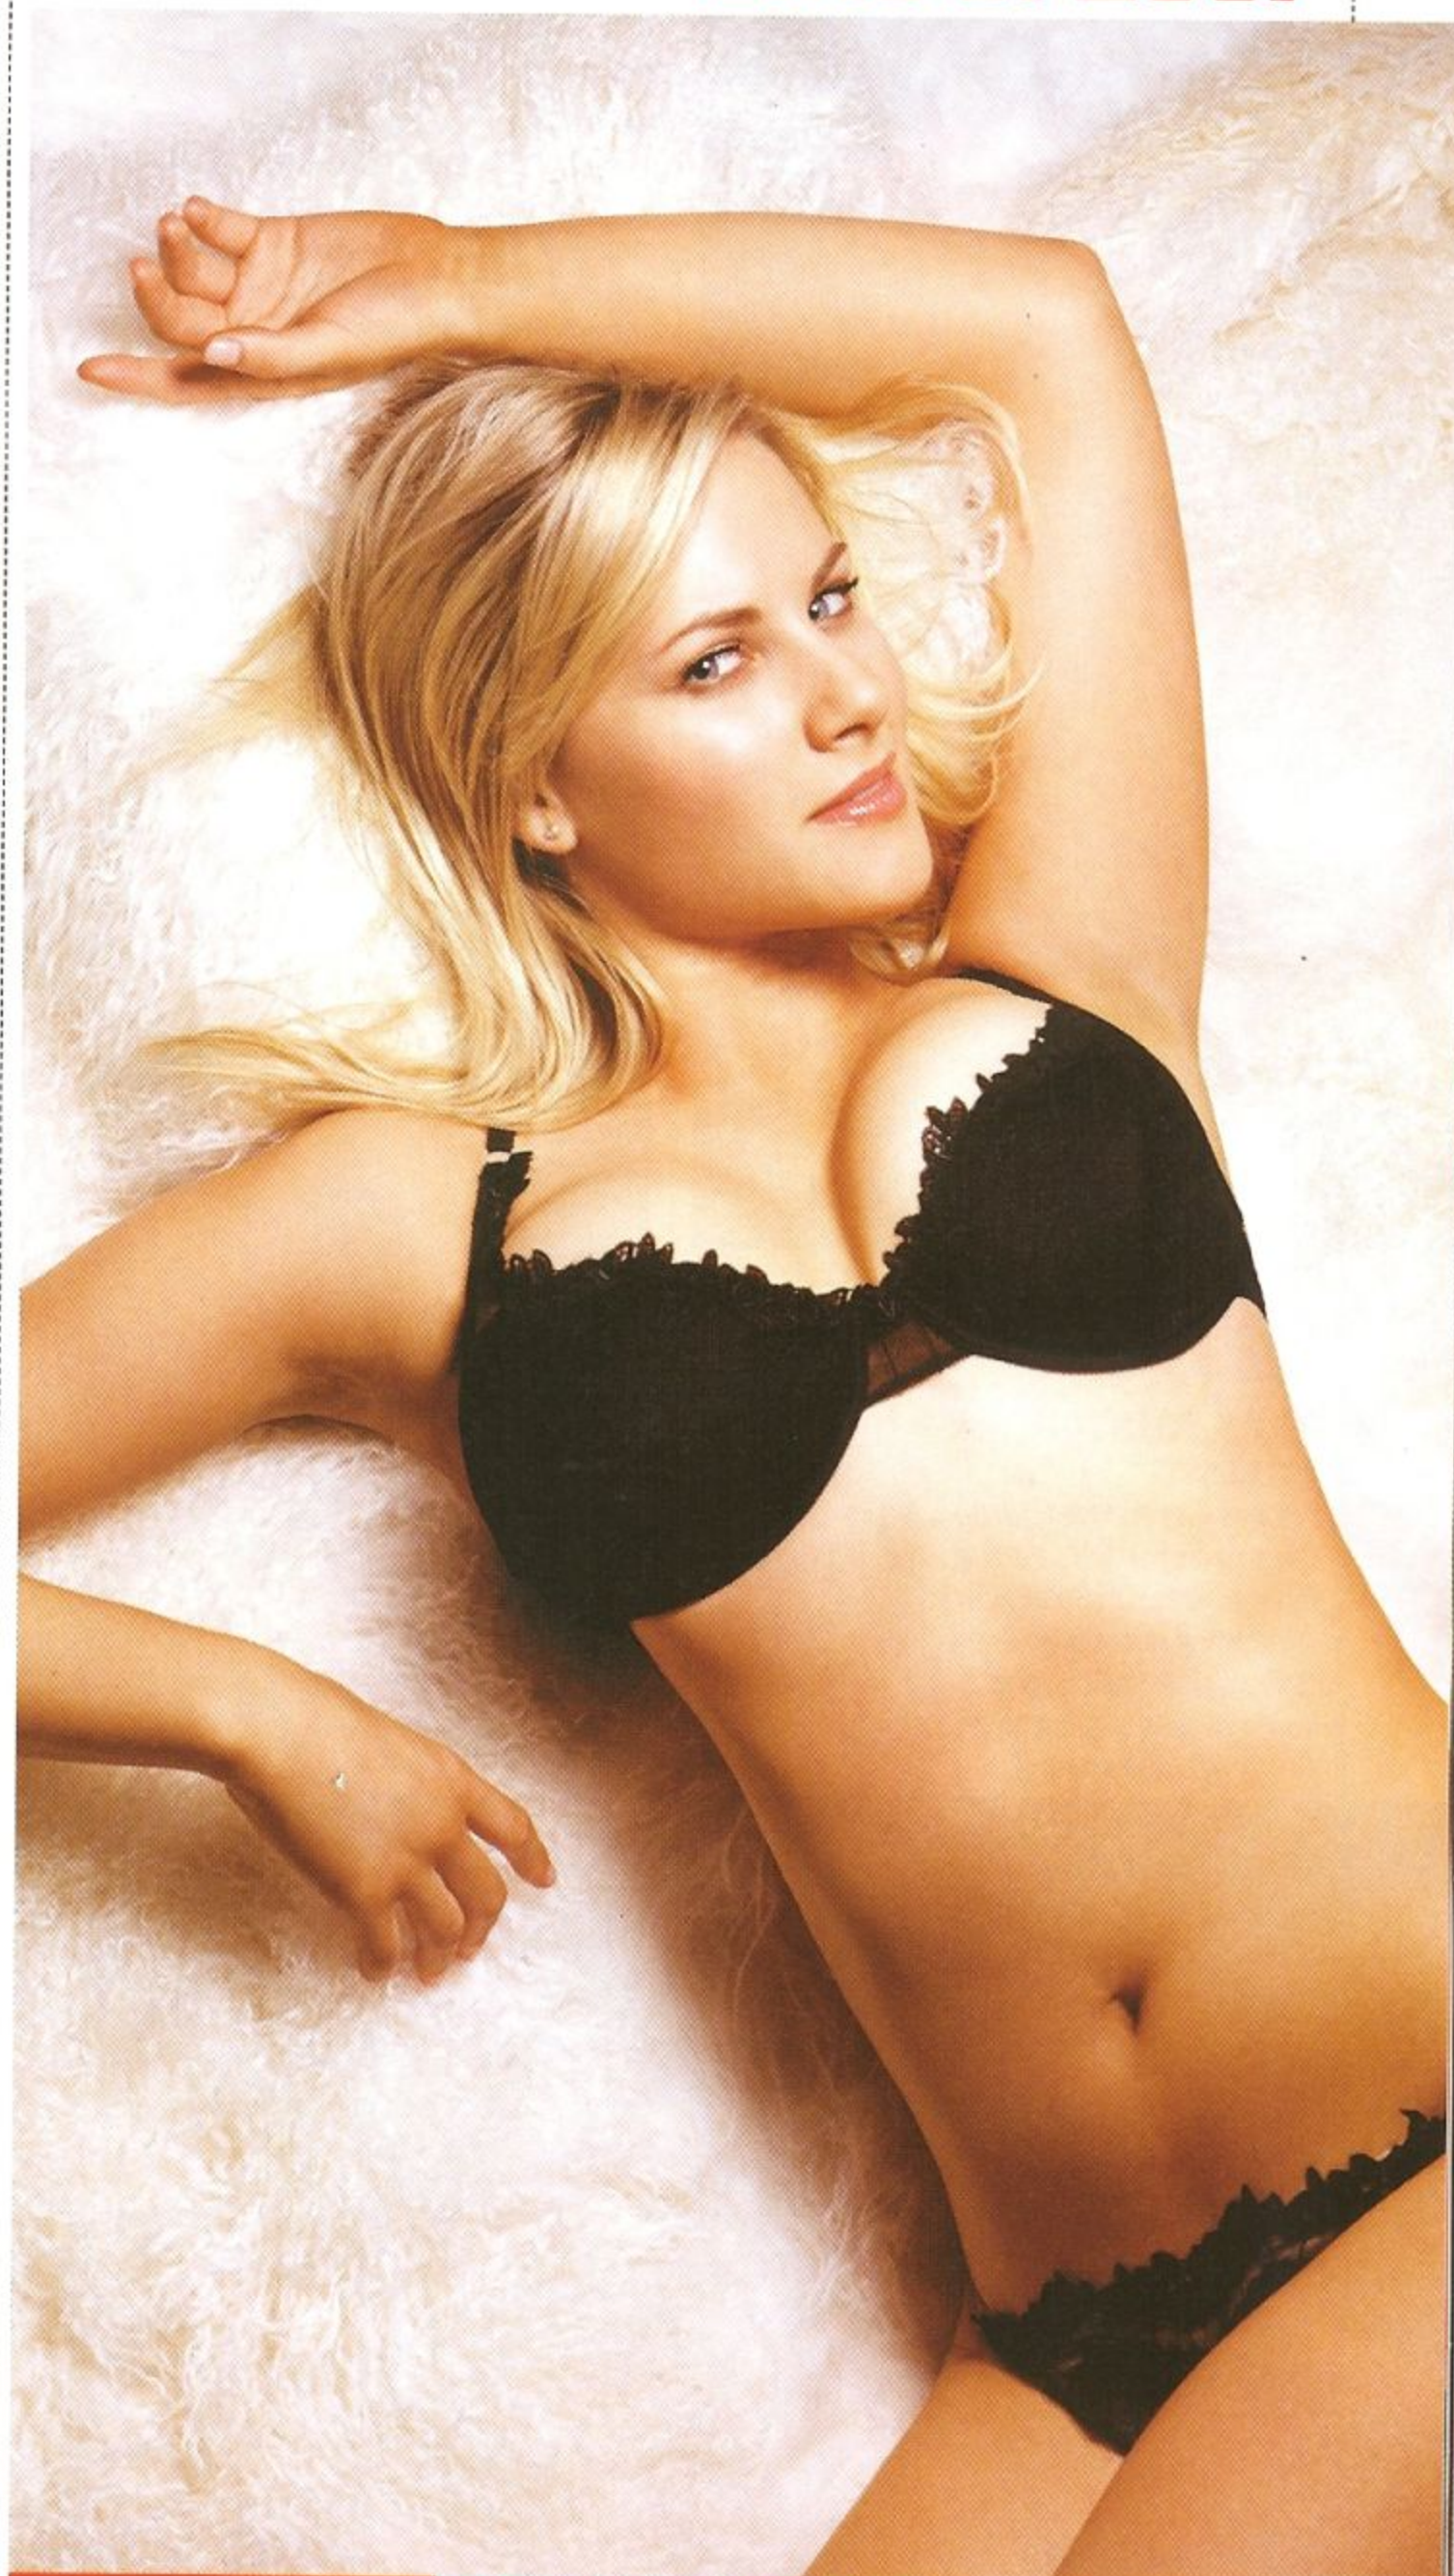

## HARI BLANCH POPSTAR

Best thing about *The X-Factor*? Hot girls like Hari. She certainly caused a stir in Simon Cowell's high-waisted pants, and we can't blame the chap. She may not have won (travesty) but we're sure to see a lot more of her.

## AMANDA HARRINGTON MODEL

This Claudia Schiffer-alike is storming the modelling world with her gorgeous face and flowing locks. Amanda's a bit like a modern Rapunzel – though if you tried climbing up her hair, she'd probably punch you in the face.

## KAT SHOOB

### TV PRESENTER

As late night TV goes, *The Mint* has one very big selling point – the mysterious blonde host. She's cute, sexy and has a voice of a thousand angels singing songs about flowers. 'Who is she?!' you may scream at your TV. She's Kat Shoob, that's who, and she's the hottest thing you could ever hope to meet at midnight. Yep, she's on terrestrial. Woo hoo! At only 22, we're sure to see loads more of her. Preferably on a decent show, and wearing nothing but pants.
