"It doesn't require much effort, really. Speaking with your sex partners about their expectations, likes and dislikes is how you get good at having sex. Every girl is different. If you just assume you know what they want and give it to them, you're most likely doing it wrong. Talk to her, dammit!" - SIRI

Briana Banks

It's no secret who Briana Banks is. She's graced the cover of many magazines, won many awards and still turns us on every time we see her on screen.

SINFUL: Thank you for the interview, how did you get your start into the porn industry?

Briana: In 1999 I answered an ad for nude modeling that turned out to be for a porn shoot.

SINFUL: You left the industry in 2011, but lucky for us you returned, was it difficult to leave then come back?

Briana: No it wasn't difficult to leave. I felt burnt out and was losing my passion. Coming back was harder only because I had to lose 35 pounds before I would shoot again. That took three hours a day, six days a week, at the gym to get to my goal weight.

SINFUL: You made your comeback with True MILF 3. Was it easy getting back into action?

Briana: I was nervous for my first scene back... but Manuel and MimeFreak made it comfortable for me. Once I got into it, it was like I never left.

SINFUL: Do you like being considered a MILF?

Briana: It bothered me at first, but not anymore. I'm in the best shape of my life and the MILF label sells. It's just a category that didn't exist when I left.

SINFUL: How has the industry changed from when you started in 1999 until now?

Briana: In every way possible. Mostly social media makes it much easier for fans to interact with you, which is good and bad.

SINFUL: You're like an icon in the porn industry, is it satisfying knowing that men and women all over the world masturbate over you?

Briana: Of course.

“I've only shot
one 5-on-1 and
it was painful.”

SINFUL: You've done over 400 hardcore scenes, do you ever look back and think WOW that's a lot of fucking?

Briana: That's only what Wikipedia says. I shot much more in my early years... I learned how to work the camera in all of my early gonzo shoots before Vivid signed me and gave me a huge fan base... I really did work my way to the top.

SINFUL: What were you like in high school?

Briana: Very shy actually and quiet.

SINFUL: What were you doing prior to entering the adult industry?

Briana: Teen cover model and insurance auditor.

SINFUL: Do you watch yourself on screen?

Briana: Sometimes, to see how the screen looks or what my body looks like and what needs to be worked on.

SINFUL: Which has been your favorite scene you've done?

Briana: So many, no absolute favorites...

SINFUL: You've done so much including double vaginal penetration, what is it about double penetration you like most?

Briana: Having two men pay total attention to you.

SINFUL: Are gangbangs as exciting to shoot as they are to watch?

Briana: No. I've only shot one 5-on-1 and it was painful. I wouldn't do it again.

SINFUL: Best thing about being pornstar?

Briana: Sex with other performers that know how to have sex, and knowing you are teaching fans new tricks for a better sex life.

SINFUL: Worst thing about being pornstar?

Briana: Sometimes the constant attention and people not thinking you are a normal person with friends and family.

SINFUL: You're like the perfect woman, 5'9" tall, 34DD chest, gorgeous face, and amazing curves with a beautiful butt, what feature do you get most compliments on?

Briana: My legs for sure.

SINFUL: What's the best sexual experience you have ever had outside of the film world?

Briana: Being with a woman off camera and really getting into it.

SINFUL: What's a sexual fantasy you have yet to fulfill?

Briana: None (laughs)... I've done about everything.

SINFUL: What gets you horny?

Briana: Being teased through my clothes and get so wet I beg for it.

SINFUL: What turns you off?

Briana: Arrogance and bad hygiene.

SINFUL: What's the best chemistry you've had on screen, where the guy made you cum hard?

Briana: I'd say Evan Stone, Eric Everhard, Manuel Ferrara, and Marchs Dupree are my all time favorites.

SINFUL: What's the weirdest thing a fan has asked for or asked you to do?

Briana: Sign my pussy mold at AVN, wrapped in a towel not even in the box.

SINFUL: A guy is about to cum, where do you want it to land?

Briana: In my mouth.

SINFUL: What in store for you in future?

Briana: We will see.

SINFUL: What's the best way for fans to contact you?

Nina Kayy Launches New Official Website

Blonde hottie Nina Kayy has launched the all-new NinaKayy.com, especially for her loyal fans. The brand new design allows for fans to easily access exclusive photos, videos, blogs, and more.

Nina is excited for the launch of her official website, saying, "I couldn't wait to relaunch my official website for my fans. This new design makes finding exclusive content easy, and the videos I've shot so far are so hot! I know my fans are going to really enjoy it, and I plan on shooting a lot more videos for them!"

ArchAngel's New Star

ArchAngel has signed a brand new Contract Star, and it's busty, blonde blue-eyed California Girl Cali Carter. She will be contracted for six months with ArchAngel for an exclusive on all her interracial scenes. "I'm beyond honored to be the next contract girl for ArchAngel," says Cali Carter. "This is something I have been waiting patiently for the last 3 years, and I could not be happier to represent ArchAngel as the newest Contract Star."

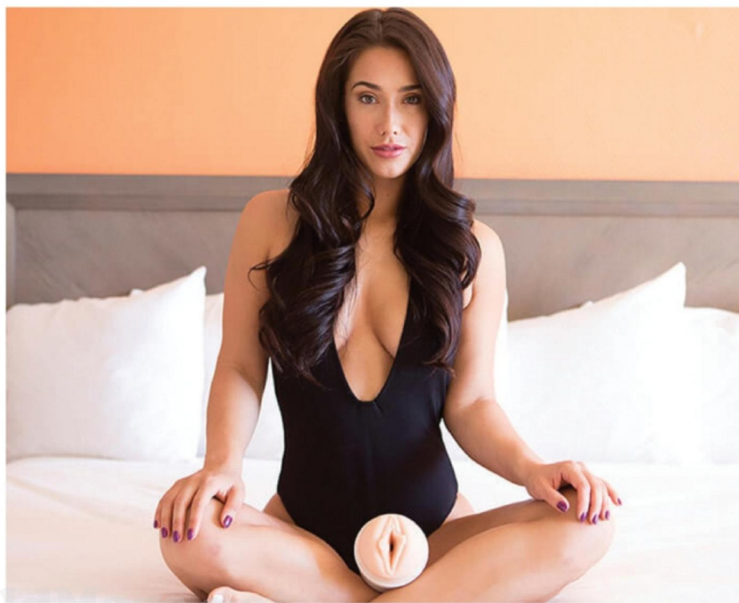

Eva Lovia's Fleshlight's SOLD OUT, now BACK

So they went onto the Fleshlight website looking for their favorite girl and...her profile wasn't there. Everyone knows Eva has two Fleshlights, one for her pussy and another for her ass, so how could she not be on the page?! Were there legal issues? Had her pussy been modified and the mold rendered useless? Maybe some men had been unable to put them down long enough to work and they were suing the company for making a product so addictive that they claimed it was harming society.

No, it wasn't any of those things. It was something even more dramatic: They were sold out. It's rare, some might even say unprecedented, but whatever the odds, the good news is that they are back in stock.

"I don't think anyone anticipated how many guys were going to want to fuck me for the holidays!" Eva joked. "It is a tough time of year to run out, but I'm told they are back in stock and anyone ordering now can be certain to receive it before the first of their family starts showing up for the holidays."

DP Star is on again and it's time for season 3.

This time it will be hosted by last year's winner, Aria Alexander, and the judging panel will be comprised of Eva Lovia (2015's DP Star winner), Multi-award winning star Nikki Benz and leading male performer Keiran Lee.

1st place winner: \$15,0000, lead role in a blockbuster and 10 additional scenes for Digital Playground and Brazzers shot within a 6-month timeline.

**Selena Santana is one of the sexiest
pornstars you will ever lay your eyes on.
This exotic Cuban American goddess
with Spanish background has got it all.
The Perfect Body, The Perfect Face,
and her Perfect onscreen presence...
makes her the Perfect Pornstar.**

Interviewed by Elie for SINFUL Magazine
Photos: courtesy of Digital Playground

SINFUL: Thank you for the interview, how did you end up in the porn industry?

Selena: I was told to do porn way before I was even legal (laughs). I kept contact with an agent and I started working at hooters and discovered the extrovert in myself. I'm such a flirt and made money doing it, so I figured I should take the next step and get into porn. I love sex, so why not get paid to do it in a safe and controlled environment. I loved it. I was honored to be a Digital

Playground contract girl for a bit which really helped launch my career.

SINFUL: What were you doing prior to this industry?

Selena: Hooters girl and overall hottie.

SINFUL: Were you hot and popular in school?

Selena: Yes very much all the chicks either loved me or hated me because I brought all the boys to the yard (laughs).

SINFUL: You must have had the boy's crazy for you and the girls very jealous at school?
Selena: They all the boys (and even some of the girls) wanted to "grab my pussy" (laughs).

SINFUL: What age you lose your virginity?
Selena: I lost my virginity when I was 14 years old.

SINFUL: Were you a wild girl after you lost it?
Selena: I went "full wild", I felt like I had nothing else to lose, but to just gain pleasure and experience the naughty side of life.

SINFUL: You've got that sexy exotic look,

what's your background?

Selena: Thanks baby. .. I'm Cuban American, and I also have Spanish background.

SINFUL: You've got the gorgeous face, the sexy body, what's the craziest thing you've made a guy/s do?

Selena: I was once able to convince two straight guys to bang each other to get a chance to have sex with me, I know I'm evil... (laughs).

SINFUL: Describe yourself in one sentence?

Selena: Wild at heart with a free spirit, like a butterfly, catching the breeze of life but always landing where I choose.

Selena Santana

SINFUL: What age did you shoot your first scene? Describe what you were feeling, the nerves, the set, and how it all turned out?

Selena: My first scene was when I was 18 with a really hot guy, such a hot pick up, I was a slutty chick buying clothes at a shop and I was so horny I went home with him. What I remember is a blur just because I was so nervous, but the thrill of being naughty on cam gave me a high I love. It felt so natural for me it turned out to be such an amazing scene. I was being recognized immediately afterwards at the beach and everywhere (smiles).

SINFUL: Did you watch porn before you got into the industry? If yes what was your favorite type of porn?

Selena: My favorite type of porn has to be girl/girl ever since I remember. I guess I always find myself searching for lesbian porn or orgy's (laughs).

SINFUL: Do you watch yourself fucking on screen? If so, what goes through your mind as you're watching?

Selena: When I watch my Porn I think about the performer I worked with and I also check out how sexy my Pussy looks loving it!

SINFUL: What gets you wet, what gets you horny?

Selena: I'm always horny to be honest... (laughs). I get so wet when spoken to in a sexual way or when someone I like flirts with me. For some reason when I get my hair done I get super wet. Oh when my trainer tells me what to do and looks at my Pussy and ass. When I grind on a guy dancing and I feel he's hard on, I get super wet. I might have an endless list for this (laughs).

SINFUL: What are your turn offs?

Selena: Bad hygiene and bad manners.

SINFUL: What's the best sexual experience you have ever had outside of the film world?

Selena: Tough to choose from, so many great experiences, but maybe that time in Puerto Vallarta Mexico I banged this hot actor who was playing a pirate in the middle of the ocean on his pirate ship.

SINFUL: Are you a dominant or submissive person outside the film world?

Selena: I think I'm a little of both and that just makes me a fun lover! (laughs).

SINFUL: Kinkiest place you've had sex?

Selena: Cemetery.

SINFUL: Best thing about being a pornstar?

Selena: No shame and being free with your mind and body.

SINFUL: Worst thing about being a pornstar?

Selena: Being judged as a bad person just because I do porn. Call me a freak if you want, I enjoy sex and the mental high it gives me, it's human nature. Who can judge nature, or another human not hurting anyone?

SINFUL: On screen, is there something you haven't done yet, that you'd like to do?

Selena: I haven't done a gang bang or an anal scene, but I'm totally up for it in 2017.

SINFUL: What's your favorite kind of porn to shoot?

Selena: Honestly, I love all types, but with new experiences come new favorites. Currently my favorite kind of Porn has to be BBG. I've only done it once and I loved it!! My scene hasn't come out yet, but keep checking my Twitter and you'll know when.

Selena Santana

Selena Santana

SINFUL: Spit or swallow?

Selena: I like to do both, swallow a little and spit out some and then swallow it.

SINFUL: Were you with girls prior to porn?

Selena: Yes I've been with a few girls before I got into porn. I love girls!

SINFUL: You've taken some big cock, does size matter?

Selena: Size does not matter. In general though I actually prefer a guy with an average sized cock. It feels just right for my little pussy. However big or small I really don't mind, as long as he knows how to use it, or allows me to dominate the way I want to feel it.

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

Selena: George Clooney, he's a super hot guy with lots of sex appeal, with a touch of grey. I love that in a man.

SINFUL: For any person reading this who hasn't seen you perform, what's one scene they gotta watch?

Selena: Elegant angels - So you think you can squirt volume 4.

Myself and AJ Applegate have sex with James Deen - Really intense awesome scene!

Evil Angel - Interracial fiends - My first interracial scene with Lexington Steele. I honestly had one of my best scenes ever with him.

SINFUL: What's your favorite sex position?

Selena: Doggy style is my favorite, it feels sooo good!

SINFUL: How about a tip for our female readers, what's the secret to the perfect blowjob?

Selena: The secret is to just let loose and get into it, and just think about how good he's feeling and how hot he thinks you are right now. I always like to make out with the head and give the cock kisses ... but that's just my signature thing (smiles).

SINFUL: Now a tip for the male readers, how does a guy bring up or convince his girl to do a threesome to include another woman?

Selena: Best advice is to ask your girlfriend how she feels about girls first. If she's fond of girls, then that's a good sign that you can be honest with your sexual needs or desires. It's as simple as that. There's no way to tip-toe around a basic human desire. It's like food and shelter. If her answer is "no" then you might want to consider what is more important to you, her or the sexual freedom to pursue a threesome.

I have a weakness for guys that eat great pussy.

SINFUL: What's the best chemistry you've had on screen, where the guy made you cum hard?

Selena: Best chemistry has to be with a male talent I absolutely love, his name is Nacho Vidal. And I also have great chemistry with Johnny Castle and James Deen.

SINFUL: What do you have a weakness for?

Selena: I have a weakness for guys that eat great pussy. Who doesn't really? When I find a man like that, I wanna have sex with him all day and night!

SINFUL: What 3 things can't you live without?

Selena: Sex, chocolate and tequila (laughs).

SINFUL: What is the weirdest thing that ever happened to you on set?

Selena: As of right now, maybe shooting a Porno on the same block Donald Trump was doing a speech... people were just freaking out the whole time, like it was a full moon or something.

SINFUL: Have you ever said no to a movie?

Selena: I've said no to a few movies, because I didn't feel right doing it. No one should ever feel they have to shoot something that goes against their sexual preferences. It's your body, and you're sharing it with the world. If I didn't like the scene, my performance wouldn't be worth watching.

SINFUL: What does it feel like to have men and women all over the world masturbate over you?

Selena: I really enjoy it! Sometimes I don't believe it, but then I see how many fans I have and it shocks me to know I'm someone's fantasy girl at the moment they are watching me (smiles).

SINFUL: What's the weirdest or creepiest thing a fan has asked for or asked you to do?

Selena: I get strange requests all the time, all equally weird sometimes, so I'd rather not give you nightmares. However, who am I to judge whether a request is creepy (unless it's illegal). Everyone has their own sexual preferences; I'm not here to judge them.

SINFUL: What's in store for you in the future?

Selena: A lot more feature dancing appearances, and finally my website. I'll be featuring a lot of personal content and a store where you can buy signed prints and other things. The URL will be selenasantana.com. It currently redirects to my Twitter for now!

SINFUL: What's the best way for fans to contact you?

Selena: Best way for my fans to contact my right now is thru twitter @bookselenaXXX or follow my public snapchat @MissSantanaXXX.

@CINDYSTARFALL

She went to an all-girl Catholic school, and ended up as one of the sexiest porn stars today. The sexy petite asian starlet describes herself best...
"I am a sweet, silly, slutty little girl."

CINDY STARFALL

CINDY STARFALL

SINFUL: Thank you for the interview, tell us a little bit about Cindy Starfall?

Cindy: Cindy Starfall is a little girl from Vietnam. She went to an all-girl Catholic school all of her life. After years of growing up in a strict household, she decides to shock everyone with her decision to start doing porn. After graduating with a business degree, she knew that she can use her sexual appeal to get what she wants in this pleasurable business. People describe her as silly, sweet, funny, and a nympho.

SINFUL: How did you get your start into the porn industry?

Cindy: One day I decided that I wanted to start doing porn. I thought I would be good at it. Then later that night on the same day, I met an executive who works in the adult industry. It was God's plan for me and I took the opportunity.

SINFUL: What were you doing prior to the adult industry?

Cindy: I had a corporate job. It was too boring and repetitive for me. I wanted to get laid and get paid at the same time.

SINFUL: When and how did you lose your virginity?

Cindy: I lost my virginity at 18. I invited this guy over (forgot his name) to my house for a movie and I came onto and let him fuck me next to my mom's room.

SINFUL: Were you a wild girl after losing your virginity?

Cindy: After I lost my virginity, I was a big slut. I didn't care about relationships. I just wanted to fuck random men. Strangers turn me on. I don't need to get to know them. All I care about is the moment we're together. I don't worry about what's next.

SINFUL: You've got the full package, gorgeous face, great body, what's one time in your life you've used your sex appeal to get something?

Cindy: Almost every day. I advise all women. If you got it, show it off!

SINFUL: Did you watch porn before you got into the industry? If so, what type of porn did you like?

Cindy: Yes I watched porn then and now. I like big dick porn, big ass porn. I tend to prefer gonzo over feature porn because I like to get straight to the sex.

SINFUL: You're about to shoot your first fuck scene, what was going through your head?

Cindy: So many things. I'm a perfectionist! Is my accent too strong, am I looking hot? Somehow everything just turned out ok.

SINFUL: Do you ever sit back and watch yourself on screen?

Cindy: I'm the worst critic of myself. I don't watch myself on screen.

SINFUL: Name a movie or scene you've done that you would recommend our readers to watch?

Cindy: Watch the award winning "Starfall" movie from Jonnie Darkko for Evil Angel. It is my showcase movie with 8 scenes including a threesome, a gangbang, double vag, blow bang...

SINFUL: You've done double vag, does it hurt or is it pure pleasure having two cocks in there?

Cindy: I was nervous at first but once I relax, it feels really nice inside my pussy. Being a size queen, the bigger the better.

SINFUL: You've done the gangbang thing, what's it feel like having men all around you taking turns trying to fuck you?

Cindy: Satisfaction. It was so hot watching men surrounding me, getting so turned on with me and can't wait to treat me like a piece of meat.

SINFUL: Describe yourself in one sentence?

Cindy: I am a sweet, silly, slutty little girl.

SINFUL: Best thing of being a pornstar?

Cindy: Straight to sex without dinner and the relationship shenanigans.

SINFUL: Worst thing about being a pornstar?

Everyone thinks all pornstars are druggie, drunkie, and dumb. They never seem to be able to Cindy: go past the pornstar side and get to know me.

SINFUL: You've taken some big black cock, is that part of your role as a pornstar, or something you're really into?

Cindy: I'm definitely a size queen. I love feeling big thick cock stretch my tiny pussy out.

CINDY STARFALL

CINDY STARFALL

SINFUL: What do you think it is about interracial porn that turns people on?

Cindy: I think it's both shock value and the taboo of the scenario. It's a taboo for me to fuck a black man and it's so shocking to see a tiny woman like me take huge big black cock. Yes mom and dad, I've accomplished a lot in my career.

SINFUL: What is your craziest sexual experience you've had outside the film world?

Cindy: I let a random man who I just met for 10 minutes on the plane finger me under the blanket and fuck me in the bathroom. Then never see him again after landing.

SINFUL: Are you a dominant or submissive person outside the film world?

Cindy: More submissive to my man, but whichever you prefer. I can be your perfect tiny fuck doll or make you my bitch slave any day.

SINFUL: Who is one celebrity that you'd love to fuck on screen?

Cindy: Woman: Sofia Vergara (love a curvy woman in all the right places).

Man: The president (I'm attracted to power).

SINFUL: What's your favorite sex position?

Cindy: Doggy style, because he can pull my hair and I can feel his strong hands grabbing my tiny waist and pulling me down on his cock.

SINFUL: A guy is about to blow his load, where do you want it to land?

Cindy: On my face, or deep inside my pussy.

SINFUL: Do you prefer to spit or swallow?

Cindy: I love playing with my food when I was little, so playing with cum from my mouth is a natural transition.

SINFUL: What gets you horny, what gets you wet?

Cindy: Deep kissing, a sense of humor, and dirty talk.

SINFUL: What turns you off?

Cindy: Rudeness, uneducated, and bad hygiene.

SINFUL: For our female readers, what's the perfect way to give a blowjob?

Cindy: Keep spitting and drooling on that cock. Keep it moist! Focus on the most sensitive part of the cock, which is the shaft area closest to the tip and lick on the tip.

SINFUL: What do you have a weakness for?

Cindy: A hard cock and chocolate.

SINFUL: What 3 things can't you live without?

Cindy: Sex, Love, and let's be honest: Money.

SINFUL: Have you ever said no to a movie?

Cindy: Yes when I genuinely don't get turned on by the type of movie. I want to enjoy my work and I never want to do things I'm not comfortable with.

SINFUL: Is there something you haven't done yet on screen that you'd like to do?

Cindy: Bukkake with my fans. Fuck twins.

SINFUL: For people trying to get into the industry, what advice would you give them?

Cindy: Be strong! It's an industry that can love you one day and spit you out the next day, so always keep your heads up. Surround yourself with positive, genuine good people. I have seen so many pretty girls, but they're lost because they don't have a good supporting system. And save your money!

SINFUL: What does it feel like to have men and women all over the world masturbate over you?

Cindy: It is such a turn on and I love being the sex doll all over the world. That motivates me everyday to make the best porn out there.

SINFUL: Craziest or creepiest thing a fan has asked you to do or asked for?

Cindy: Went to Starbucks with a fan, peed in his coffee and let him drink my urine.

SINFUL: One thing fans don't know about you?

Cindy: I'm a snake sign in the Chinese horoscope, and snakes terrify me.

What's the best way for fans to contact you?

His job description is to go deep inside the likes of Abella Danger, Dani Daniels, Rebecca Linares, Angela White, Megan Rain, Amira Adara, and many more. And he's certainly got the right piece of equipment, as he puts it... "11 inches with a healthy girth."

SINFUL: Thank you for the interview, how did you end up in the porn industry?

Flash: During a modeling shoot in LA, back in 2011, the photographer of the shoot approached me and suggested the idea of adult film. He commented about my 'look' and of the lack of new, straight African American talent in the industry, he felt it would be a perfect fit for me. After researching the industry, a couple of months later, I decided to pursue a career in adult film. Which led to my first booking with Dogfart/blacksonblondes.com.

SINFUL: What do you like most about the porn industry besides the obvious of fucking beautiful women and getting paid?

Flash: Having the opportunity to travel across the world, meeting new people and experiencing different cultures. And being able to discern how different people view porn thus enabling me to be an advocate and voice of reason and fact throughout different places.

SINFUL: On that topic, what does it feel like waking up knowing you're about to get paid to fuck the likes of Abella Danger, Dani Daniels, Amira Adara, Rebecca Linares, Peta Jensen, Pinky, Angela White, Megan Rain, Allie Haze, Jillian Janson, Adriana Chechik, and the list goes on?

Flash: Even though I've been in the industry for five solid years, it still shocks me to be able to get paid to make love to beautiful women. It's surreal.

SINFUL: What were some of the jobs you've done prior to the adult industry?

Flash: I was a semi-professional basketball player in Tennessee, Alabama and played overseas. I was also a print model and still currently do modeling.

SINFUL: I'm sure when you started in the industry; the interracial scene wasn't as popular as it now, how much has it changed since you started?

Flash: Actually, when I started, the interracial scene was hot. And still is. It's puzzling that we still call it interracial - we are all made up of different ethnicities. Interracial is an archaic phrase and should be put to bed. Hopefully we can move on from these labels.

SINFUL: The interracial scene has definitely become one of the most popular categories of

porn, what do you think it is about interracial porn that turns people on?

Flash: I think its curiosity. Most people haven't ventured out to experience other ethnicities and are enticed by it. Porn is a way of fulfilling their fantasy without actually leaving the 'safety' of their environment.

SINFUL: You're about to shoot your first fuck scene, describe what's going through your head?

Flash: I hope she can take this dick, so we can all get paid (laughs).

SINFUL: You certainly got some piece of equipment, what size is it, and do you get asked that question a lot by people?

Flash: 11 inches with a healthy girth. I get asked all the time.

SINFUL: When did you realize you were packing major equipment?

Flash: In high school, 9th grade. The locker room has no secrets... playing sports and walking around; people were giving me looks of surprise. And dealing with girls, they couldn't handle it. Hard to find a girlfriend!

SINFUL: What's a usual reaction you get from a female when you first whip it out?

Flash: "Oh fuck no. This shit is not going to fit! (I didn't sign up for this shit!)"

SINFUL: You've got some products out in the market; tell us a little about that?

Flash: I signed my first toy line dildo after one year in the industry with ICON brands. I am the first (black) male performer who has three dildos on the market. The company trusted that I would be successful, and it has paid off for both of us. I have the Flash Brown vibrating dildo, squirting dildo and regular and you can purchase these on flashbrownproductions.com.

I will have other unique items coming out - stay tuned!

SINFUL: What does it feel like to have women all over the world buy your dildo and masturbate over you?

Flash: It's very flattering and humbling. It blows my mind that single women, married women, religious women, women of all ethnicities are excited to be with me and want to be with me and get off on me.

FLASH BROWN

SINFUL: Are you a booty man or a titty man? Which is your preference, the girl with the big booty, or the girl with the big breasts?

Flash: Honestly, I'm more a man of real assets. I admire women of all shapes and sizes.

SINFUL: You've had threesomes on screen with two beautiful women, for people who have never had a threesome with 2 girls, what's it like to have 2 women at the same time?

Flash: It's ok onset. Offset, it's ten times more amazing.

SINFUL: You've also had a threesome with another male star and a female, what does it feel like to be able to dominate a guy in that kind of threesome?

Flash: I become more of a director within the scene... you have to have to connect with and respect each other. It's about making sure everyone is comfortable in order to have fun and have a good scene.

SINFUL: Do you ever sit back and watch yourself on screen?

Flash: Honestly, I've only watched my movies 2 or 3 times to study how to improve my performance.

SINFUL: What's the one movie or scene you've done that you would recommend our readers to watch?

Flash: The Blacked.com scene I did with Abigail Mac, which won a 2016 AVN award.

SINFUL: What's the most memorable fuck you've had on screen?

Flash: Nyomi Banxxx.

SINFUL: If you could re-shoot a scene with one of those hotties you've been with, who would it be?

Flash: Pinky XXX... butterfly the ass.

SINFUL: Is there a female pornstar you haven't worked with yet, that you'd love to work with?

Flash: Eva Lovia.

SINFUL: How is the popularity grown for male performers these days?

Flash: Social media is opening up a window that allows fans to be more involved with the male talent. Before, it was just the female talent.

SINFUL: Worst thing about being a pornstar?
Flash: There is nothing negative about being a porn star to me!

SINFUL: I gotta say, your name Flash Brown, really cool, how did you come up with that?

Flash: It was a nickname given to me by my teammates while I was playing basketball in college for my speed and quickness on the court.

SINFUL: You've won numerous awards, what's that feel like?

Flash: It's a tremendous honor. It's humbling and exciting that I've won awards and that I'm nominated for additional awards.

SINFUL: Who is one celebrity that you'd love to do a fuck scene with and why?

Flash: Sofia Vergara. Isn't it obvious? (laughs).

SINFUL: What's your favorite sexual position?

Flash: Missionary. Because I like to see a woman's facial expressions while I'm deep inside her giving her ultimate pleasure.

SINFUL: Craziest place you've had sex outside the film world?

Flash: High school gymnasium basketball court.

SINFUL: When you meet women, what's the usual reaction you get when you tell them what you do for a living?

Flash: They usually say, 'OMG, get the fuck outta here. No you don't!'

SINFUL: It's easy for any guy from the outside to say how easy your job is, but I'm sure it's not, how difficult is it at times?

Flash: It takes a great deal of concentration and stamina to be on set for 6-7 hours a day.

SINFUL: What gets you horny, what gets you excited?

Flash: A beautiful woman, but I have a major fetish for large pussy lips and pretty feet.

SINFUL: What are your turn offs?

Flash: Having sex with someone who cannot please me appropriately... if the girl isn't into it. It's an immediate turn off.

SINFUL: How about a tip for the male readers, how does a guy bring up or convince his girl to do a threesome with another girl?

Flash: Alcohol never fails (laughs). Seriously, talk with her privately and just ask. It's all about respect.

SINFUL: What do you have a weakness for?

Flash: A strong minded woman with a strong sex drive.

SINFUL: What 3 things can't you live without?

Flash: Sports, Women and Money.

SINFUL: What is the weirdest thing that ever happened to you on set?

Flash: While working with kink.com a few years ago, I wasn't familiar with the bondage scene. And seeing all the interesting equipment was all new to me.

SINFUL: Have you ever said no to a movie?

Flash: No. I enjoy all my scenes.

SINFUL: Is there something you haven't done yet on screen that you'd like to do?

Flash: I would love to do a reverse gang bang. Me with 10 other girls.

“ I would love to do a reverse gang bang. Me with 10 other girls. ”

SINFUL: Craziest or creepiest thing a fan has asked you to do or asked for?

Flash: To have sex with their wife as they either watch or join in.

SINFUL: One thing fans don't know about you?

Flash: That I'm secretly a Trekkie. Love all the original Star Trek episodes and movies.

SINFUL: What in store for you in future?

Flash: The sky's the limit! Continuing to grow my production company, more mainstream modeling and acting.

SINFUL: What's the best way for fans to contact you?

*"I began to use

The Read Fetish Stories

SPLOSHING

Since, living in Las Vegas I have met many individuals from around the world. One individual is a European client of mine into splashing, water sports and medical play. After our first engagement, we had amazing chemistry which led to our next session a few months later. As we planned our second engagement, we exchanged several extensive emails detailing what we both wanted to do. We both felt comfortable pushing his limits, and boy did I do it!

The night of our session, which was going to last four intensive hours, I spent most of the day preparing with such excitement. Once he arrived at my studio, we began almost immediately.

I had sent him on a mission to purchase a few items for me to use. He was quite a sight to arrive with a large Whole Foods grocery bag filled to the brim with goodies. I know, you're thinking "why a Whole Foods bag?". Let's not forget, he's into splashing which is a fetish revolving around the use of food. Since he was open to exploring a medical scene where I would use him as if he was a lab rat, I sent him to the bathroom of my studio to change into a medical gown. As he walked out, I preceded to place over his head a polish gas mask with a long breathing tube. He was bound by the wrists with German police

handcuffs at the front of his torso. I sat him down as I began to douse a napkin with poppers. The napkin then went over the end of the breathing tube, causing him to inhale the fumes. As he did so, I grabbed a pre-rolled joint along with a lighter. Deviously I lit the joint, took a long drag but not inhaling it myself, then I blew the smoke into the breathing tube. I went back and forth, interchanging from the poppers to my smoke. Eventually my little lab rat was light headed and ready to be cuffed down for "Dr Sin" to begin her experiments. Spread out on my bondage bed, restrained from all four appendages and with a dental gag in his mouth, I prepped his genitalia for my electrical equipment. I use a PES Electro box and it comes with many attachments to deliciously torment or tease.

At this point, I laid out all the items he brought with him in the grocery bag on a stand. Meticulously, I began to use different items to see if he could ingest it forcefully. Crushed fruit was used, yogurt, spit, salt, lemon juice and a mixture of mineral water with baking soda. He gagged and wretched multiple times. Each time he did so, the intensity of the PES power box went up, forcing him to take whatever I gave him, or more so swallow. All the while, I kept blowing smoke in his face, constantly keeping him a lovely loopy little mess. One would think the fun was coming close to an

end, but during a moment where I took a fifteen-minute break, I prepped my bathroom for a very special medical procedure I am fond of. I set out all the necessary implements to give my lab rat the proper enema he needed. Of course, being that this session revolved around food play, the enema was going to be a mixture of milk and eggs. Yes, milk and eggs. I know it sounds like I was going to make an omelet. So, I first admired what my lab rat looked like, and then walked over to uncuff him from the bed and lead him into the bathroom. Upon having him get up I placed his wrists in handcuffs once again, and he stumbled behind me as I led him into my bathtub. Clinically and gracefully I pulled on my rubber gloves, began filling the bag with the milky egg mixture and rolled over the clinical stand on which the enema was dangling from. Strictly ordering my lab rat to bend over, I lubed up the tip that was headed straight for his anus. Once it entered, I allowed the fluid to flow from the bag, down the tube and into his body. He was forced to take all that he could and hold it in for at least five minutes or longer. My filthy little lab rat pleased me well. He held out until I ordered him to release the fluid. He was also allowed to touch himself for being an obedient pig. Eventually, he was bursting from both ends, to say the least. At the end of the session, we were both very happy and I was proud of him for enduring.

The Real Fetish Stories

DOMINATION

I've met many couples over the years. Usually the wife is the one who is looking to orchestrate the session. I had such a wife email me once interested in a session involving multiple individuals. Sometimes the wife is submissive and sometimes she wants to learn how to be a proper dominant. In this case, she was a sub. Her request was to have an audience or at least a submissive present, watching as I dominated her along with a master all the while, teaching her husband how to dominate her. All this was to take place in three hours at the couple's hotel room. A tall order, but nothing to sweat over for me. After a few emails and a phone conversation, we had the evening planned out.

I contacted a master I know and secured one of my lifestyle subs to participate in the session. My submissive and I were to meet the couple at their hotel after they had been out clubbing with a courtesan. As we waited in the lobby, we watched them go up to their room. After fifteen minutes we followed, texting the wife that I was on my way. Immediately she was there to greet me before I could even knock on the door. The chemistry was just great as we all sat around ironing out the last minute details and ensuring that everyone in the room felt safe as well as comfortable. The ladies went into the bedroom of the suite while my sub and I went into the guest bathroom where I proceeded to change into a latex outfit with his assistance. Afterwards I had placed a hood over

his head where only his eyes, nose, and lips were exposed. He assisted me in unpacking my equipment, then was instructed to stand in a corner as if he were an inanimate object. From there I walked over to the ladies, separating them. I instructed the courtesan to stand next to the husband and the wife was to stay with me. Everything I did to the wife, the husband was instructed to do the same to the courtesan as I observed. From sensually teasing the wife with nipple play while she was bound, to spanking her, the husband followed. I corrected him when needed. Eventually the courtesan left as I continued to dominate the wife in front of her husband. The master came in and began to dominate the wife with me. The husband continued to watch as the master took control over his sexy wife. He fingered her, to the point of making her ejaculate for the first time. After that I fucked the wife hard with my strap on. She squirted again and was begging for her husband's cock. Eventually I allowed him to penetrate her, ordering him to fuck her hard, just how she likes it. It was a beautiful thing to watch her cum so hard and be submissive to both of us. At that time the submissive and the master were out of the room, so it was just us three in that moment. Afterwards the three of us were recovering from an amazing three hours of living out their fantasy as best as possible. I see them often, and we're constantly coming up with new scenes.

She's the Beautiful Busty Blonde with the all natural 36D Breasts. She talks about her first anal experience, gangbang and double penetration... do I need to say more?

SINFUL: Thank you for the interview, what were you doing prior to the porn industry?

Jenna: I was an inspiring model.

SINFUL: What attracted you to get into the industry?

Jenna: Adult modeling, penthouse, hustler etc.

SINFUL: When and how did you lose your virginity?

Jenna: Wait until my book comes out!

SINFUL: I gotta say the first thing I think of when I look at you is 'Marilyn Monroe'; do you get that a lot?

Jenna: Yes I do quite often actually; was never intentional. Since I was young I've always gotten compared to a lot of mainstream actresses. Most often besides Marilyn, I get compared to Kate Hudson, as well as Grace Kelly, due to my classical facial bone structure.

SINFUL: Your tits are amazing, what size are they, and are they real?

Jenna: 36D, yes all natural.

SINFUL: Those tits must have driven the boy's wild at school, and the girls jealous?

Jenna: Not sure, I was a tomboy, who always wore baggy gym clothes; also I was a late bloomer. I didn't get my curves until after graduating from high school. Throughout high school I was actually abstinent and wore a purity ring.

SINFUL: What were you like growing up?

Jenna: I was an ambitious, strong-willed tomboy who excelled academically.

SINFUL: You're absolutely beautiful, you got the face, the body, what's one time in your life you used your sex appeal to get something?

Jenna: After I learned I was such "eye candy" as a young adult, I have used both my physical attractiveness and my intelligence to

advance in many different aspects of my life and career.

SINFUL: Did you watch porn prior to being a pornstar?

Jenna: No I never was really promiscuous before getting into the industry.

SINFUL: You're about to shoot your first fucking scene, what was going through your head?

Jenna: How both nervous and anxious I am; to have never had sex with anyone outside of a committed relationship.

“ I found it to be both; a pleasurable pain. It's just so naughty! ”

SINFUL: You've done anal on screen, was your first time on screen, and what was it like when you first shot anal?

Jenna: Yes, my first anal experience was in fact on screen, I was quite nervous yet felt rather comfortable in trying, so since it was in a work environment where I can safely explore my sexuality.

SINFUL: You've done double penetration, does it hurt or is it pure pleasure having a cock in each whole?

Jenna: I found it to be both; a pleasurable pain. It's just so naughty!

SINFUL: You've also done the gangbang thing, what's it feel like having men all around you taking turns trying to fuck you?

Jenna: It's a thrill! Like a roller coaster ride; you know it's going to be fun. You anticipate the feeling of doing it.

SINFUL: Do you ever sit back and watch yourself on screen?

Jenna: Yes, I do, quite often. I like to self-critique my own work.

Jenna Ivory

Jenna Ivory

SINFUL: What's the one scene you've done that you would recommend our readers to watch?

Jenna: My sex under water scene, it doesn't get nearly enough recognition, it was rather beautiful. I looked like a mermaid. It was a difficult scene to do.

SINFUL: You've taken some big black cock, what do you think it is about interracial porn that turns people on?

Jenna: I see no colors, so I'm not really sure; from the feedback I've received from viewers it's the "color contrast".

SINFUL: On the subject of big cock, does size matter?

Jenna: Within the industry of course it does, not every male has such a large penis as performers. However on a personal aspect I don't need a huge penis to gain pleasure.

SINFUL: Describe yourself in one sentence?

Jenna: I am a confident, strong-willed, free spirited woman; who lives life to the fullest.

SINFUL: You got the blonde hair, the blue eyes; tell me do blondes have more fun?

Jenna: I think that is more of a stereotypical statement or opinion rather. I myself am a fun person though!

SINFUL: Best thing of being a pornstar?

Jenna: Being able to explore my sexuality in a safe nonjudgmental environment.

SINFUL: Worst thing about being a pornstar?

Jenna: The harassment, stalkers, close minded people who choose to judge. Not being able to have much of a personal dating life. The fact that people often think that pornstars are uneducated or just "sex toys" rather than people.

SINFUL: Are you a dominant or submissive person outside the film world?

Jenna: I am what you call a switch. I can be both dominant or submissive; depending on my mood and who I'm around.

SINFUL: Who is one celebrity that you'd love to do a fuck scene with?

Jenna: Rick Ross, I want to squat on his dick, while feeding him a box of chicken making do that deep voiced "ugh" add lip he does in his songs. Just out of good humor.

SINFUL: What's your favorite sexual position?

Jenna: Well every girl says doggy, which I too most definitely love. I also love 69, I get the best of both worlds.

SINFUL: How often do you masturbate?

Jenna: Daily.

SINFUL: A guy is about to blow his load, where do you want it to land?

Jenna: On my titties.

SINFUL: What gets you horny, what gets you wet?

Jenna: Myself in the most non-egotistical way possible.

SINFUL: What are your turn offs?

Jenna: Poor hygiene, rude overbearing people.

SINFUL: How about a tip for the male readers, how does a guy bring up or convince his girl to do anal?

Jenna: Ask if it's something she would be comfortable doing with him, I personally don't do anal in my personal life, I have only ever done it on film and will continue to do so.

SINFUL: Now a tip for female readers, what's the best thing you can tell them about a great blowjob?

Jenna: Use your tongue! Especially at the tip! Have fun with it!

SINFUL: What do you have a weakness for?

Jenna: Eyes and good conversation, I enjoy people's mindset and being able to hold a conversation.

Ivory
Jenna

SINFUL: What 3 things can't you live without?

Jenna: My dog, music, and good sex.

SINFUL: What is the weirdest thing that ever happened to you on set?

Jenna: During a live cam show, a girl threw up chocolate all over the guys dick, then handed me it!

SINFUL: Have you ever said no to a movie?

Jenna: Yes, didn't want to pay my rate or it wasn't a scene I was comfortable with.

SINFUL: Is there something you haven't done yet on screen that you'd like to do?

Jenna: Yes, mile high club, or a gang bang with at least 20 guys.

SINFUL: What does it feel like to have men and women all over the world masturbate over you?

Jenna: Quite empowering, knowing that people all across the world from different walks of life are so fond of me and my work!

SINFUL: Craziest or creepiest thing a fan has asked you to do or asked for?

Jenna: I can't say I've really experienced such a situation; however the creepiest thing would be to have a stalker.

SINFUL: One thing fans don't know about you?

Jenna: That I eat hot sauce with nearly every meal.

SINFUL: What in store for you in future?

Jenna: I am currently writing an autobiography which will also entail me starting a non-profit charitable organization.

SINFUL: What's the best way for fans to contact you?

Jenna: My twitter is "jennaivoryxxx" and my Instagram is "onlyjennaivory".

“We actually did it in his mom’s bed, and she came home for her lunch break, I had to hide in the closet.”

SINFUL: Thank you for the interview, how did you end up in the adult industry?

Misty: I came into this wonderful world of the Adult Industry at the age of 19 by my cousin Safire Flames, who was already performing in the Industry. After leaving California for school in Omaha for a few years, I came back to the San Fernando Valley where I quickly began performing in front of the camera. My favorite catch phrase "Baby" can be heard in almost every movie I appear in.

SINFUL: What were you doing prior to the adult industry?

Misty: Before the adult industry I was stripping at Xposed nightclub in Canoga Park.

SINFUL: Growing up were you a wild girl?

Misty: Growing up I was absolutely not a wild girl, I was actually very meek and shy. I don't know what happen to me along the way (laughs).

SINFUL: At what age did you lose your virginity? Any interesting story behind it?

Misty: I was a teenager when I lost my virginity to a childhood friend I grow up with; we had known each other since I was kid. We actually did it in his mom's bed, and she came home for her lunch break, I had to hide in the closet.

SINFUL: What were you like sexually after losing your virginity?

Misty: Being that I was really in love with my first, I didn't want to fuck anyone else but him at the time. So I was still shy and I had moved away from Los Angeles to Nebraska, and there was NOBODY to fuck in Nebraska. "I'm just saying".

SINFUL: What was going through your head when you're about to shoot your first fuck scene?

Misty: My first scene I was thinking "Oh this will be easy." And it was. Then my second scene was a lot more work.

SINFUL: You're a stunner, you got the great ass; amazing body, what's one time in your life you used your sex appeal to get something?

Misty: ALL THE FUCKING TIME! I flirt with the guy at the grocery store and he gives me free bags! (laughs) We live in California.

SINFUL: You've done the gangbang thing, what's it feel like having men all around you taking turns fucking you?

Misty: Like I am the centre of their world and I have all their attention.

SINFUL: Did you watch porn before you got into the industry?

Misty: Very little porn. When I did watch it, I remember watching a few scenes with Weed, and it just so happens later on in my career; I had the opportunity of working with him.

SINFUL: You've done some hot scenes with other female stars, are you into girls in your personal life?

Misty: I enjoy playing with girls and then putting them back on the shelf. But do I want a relationship with a female? No. Do I enjoy fucking them? YES.

SINFUL: Do you ever sit back and watch yourself on screen?

Misty: Yes I do, but only to critique myself.

SINFUL: So how many guys did you sleep with before you started your porn career?

Misty: I wasn't as promiscuous as you would think, maybe 15 guys.

SINFUL: What is it you think people get turned on so much with interracial porn?

Misty: The taboo of it all. People still til this day feels like it's not normal in 2016. The idea of fucking someone different is a turn on.

SINFUL: Describe yourself in one

sentence?

Misty: I am the fire that burns.

SINFUL: Best thing of being a pornstar?

Misty: The attention, cause I am a major attention whore.

SINFUL: Worst thing about being a pornstar?

Misty: Being black.

SINFUL: Are you a dominant or submissive person outside the film world?

Misty: I am absolutely dominant on screen, but in my person life I prefer to be submissive to an alpha male.

SINFUL: Do you have any sexual fetishes?

Misty: I like to be taken advantage of in the middle of the night. I like to role play and make the men I fuck sneak in my house, and you can figure out the ending.

SINFUL: Who is one celebrity that you'd love to do a fuck scene with?

Misty: Matthew McConaughey, because the "The Client" and "Magic Mike". He's irresistible.

SINFUL: What's your favorite sexual position?

Misty: It's called "the lazy dog". It's when you lay down on your stomach from the doggy position, and arch your stomach and get your pussy fucked in a very intimate way. I like that shit.

SINFUL: How often do you masturbate?

Misty: Everyday I'm late, it's a stress reliever. It helps me get through the day.

SINFUL: A guy is about to blow his load, where do you want it to land?

Misty: If I like him, on my face. If I love him, I'll swallow. If I'm not attracted to him at all, from behind on my ass.

SINFUL: What gets you horny, what gets you wet?

Misty: Mental sex and dirty talk. I'm deep.

SINFUL: A tip for the male readers, how does a guy bring up or convince his girl to do a threesome with another female?

Misty: I think porn is a gateway to threesomes. It can introduce the idea of a threesome to a girl, and from there you can take it to the next step.

SINFUL: What do you have a weakness for?

Misty: I'm a sucker for eyes.

SINFUL: Craziest place you've had sex outside of the film world?

Misty: On top of the washing machine in the laundry mat on Hyde Park in Inglewood.

SINFUL: What is the weirdest thing that ever happened to you on set?

Misty: The weirdest thing that ever happened to me on set was the director on set did not direct the movie.

SINFUL: Have you ever said no to a movie?

Misty: Absolutely. They wouldn't pay me my rate.

SINFUL: Is there something you haven't done yet on screen that you'd like to do?

Misty: Oh yes. I want to have a Spanish gangbang where their dressed up as SWAT team.

SINFUL: Does size matter?

Misty: Only when you're on camera. When I'm off camera it's a little bit more intimate. On camera, more dicks to do tricks is necessary.

SINFUL: What does it feel like to have men and women all over the world masturbate over you?

Misty: Empowering.

SINFUL: Craziest or creepiest thing a fan has asked you to do or asked for?

Misty: Pee in a cup so he could drink it.

SINFUL: One thing fans don't know about you?

Misty: I like to masturbate standing up.

Misty: Misty Stone Productions.

THE MAGIC PILL

A man goes to his doctors and, twitching his fingers and stuttering, finally manages to say, "Doctor, I have a sexual performance problem. Can you help me?"

"Oh, that's not a problem for us men anymore!" announces a proud physician, "They just came out with

this new wonder drug, Viagra, that does the trick! You take some pills, and your problems are history."

So the doctor gives the man a prescription and sends him on his merry way.

A couple of months later, the doctor runs into his patient on the street.

"Doctor, Doctor!" exclaims the man excitedly, "I've got to thank you! This drug is a miracle! It's wonderful!"

"Well, I'm glad to hear that," says the pleased physician. "What does your wife think about it?"

"Wife?" asks the man, "I haven't been home yet."

THE BEAUTIFUL YOUNG WOMAN

The train was travelling along when a beautiful young woman entered the compartment which was deserted except for a businessman reading his paper.

The man peered over his paper and asked "Would you let me kiss you for fifty cents?"

"Certainly not!" exclaimed the young woman, and the businessman returned to his paper.

A short while later he looked across again and said "Would you let me kiss you for a thousand dollars?"

After a brief pause, the woman replied "yes, I suppose I would."

Again the man returned to his newspaper. A few minutes later the man asked "Would you let me kiss you for five dollars?"

"Certainly not!" replied the young woman, getting angry now "What kind of girl do you take me for?"

"We've already established that" replied the man, "We're just haggling over the price!"

ZIP DICK AND PISS

There was three boys called Zip, Dick and Piss. They were in class and their teacher went out to make a phone call. Right then Zip jumped on the table, Dick jumped in the teachers chair and Piss was punching everyone in sight. 3 minutes later the teacher came back in and said "Zip down, Dick out and Piss in the corner."

BAD AS AN EGG

If you think your life is bad, how would you like to be an egg?

You get laid once in life,
You only get eaten once in life,

It takes 4 min. to get hard,
But only 2 min. to get soft,
You share your box with 11 other guys,

But worst of all the only chick who ever sat on your face was your mother.
