# Fake tan fail of the week

We know she's moved to Essex - aka the spray tan capital of the world - but we barely recognised Ronseal-hued Vicky Pattison in this snap.

The former *Geordie Shore* star and *I'm A Celeb* champ looked like she'd had several coats of fake tan too many when she posed alongside

Binky Felstead on the set of *Virtually Famous*.

It seemed the 29-year-old realised her mistake, too, judging by her facial expression!

You may be the colour of a tangerine, Vic, but at least your figure looks great! ■

Who's looking hottest in the Tenerife sun?

## MEGAN McKENNA

### COMPETING WITH HER BFF

Megan and her stunning best friend Amber Turner debuted similar swimwear during filming in Tenerife last week. But even though she'd clearly spent ages getting ready for her big reveal, the armchair judges at home were not kind, with one harshly telling Megan, "Ur mate blows u out the water." Oof!

The 24-year-old has admitted to constant "pressure" to look good on the show. She has always been slender, but she looked smaller than ever on the latest trip and some fans branded her "skinny". But Megan, who rates her bum as her best asset, says she remains slim because of the coeliac disease that restricts her diet.

She was also flashing more of her bod than usual, posing with her bum to the camera in tiny bikini bottoms and a sarong that didn't quite cover her best feature!

## CHLOE SIMS

### WORRIED ABOUT HER WEIGHT

Star's stunning columnist told us she hasn't been feeling body confident after recently putting on some weight. "I find my belly absolutely disgusting," she revealed. "I'll never be a perfect gym freak, though I'm aiming to be a bit more confident by the summer. My diet and fitness regime isn't going well. What is there to do when it's cold except eat?!"

So Chloe, 34, who is normally happy to flaunt her figure during TOWIE trips abroad, has been covering up. "I'm the biggest I've ever been. I didn't even weigh this much when I had Madison," she confessed to Star.

We think you look amazing, Chloe!

## GEMMA COLLINS

### PUSHING HERSELF TO SLIM

It's no secret she's battled with her weight for years - yo-yoing between a size 20 and a size 14 - but Gemma has been working harder than ever to feel body confident in her swimwear.

She's been on a massive health kick in the run-up to filming, sharing her weight training and skipping workouts online. The boutique owner has also been eating a higher protein and lower carb diet and last week showed us her breakfast of egg, bacon, mushroom and spinach on Instagram.

However, there are concerns she's been overdoing things as she ended up in hospital on a drip after falling ill days before her 36th birthday. She posted from her hospital bed, "Thankyou for all your lovely messages sadly Im in hospital In Tenerife but hope to be on the mend soon what a way to spend your birthday."

Her rep tells Star, "Gemma is OK but we won't be commenting on her private medical matter."

## GEORGIA KOUSOULOU

### CONSTANTLY WORKING OUT

Anyone who follows Georgia on Instagram will know she's been working out relentlessly in a bid to get camera-ready - and it's really paid off. Just check out that toned tum!

The 25-year-old didn't even let up while on holiday in Mexico with boyfriend Tommy Mallet recently. Alongside a clip of her doing sit-ups by the sea, she wrote, "Anyplace.. anytime.. abs workout using a sun lounger."

And giving a nod to the body pressures the cast are feeling, she posted, "Too many people trying to compete with each other. My only competition is MYSELF."

## AMBER TURNER

### NEW GIRL MAKING A STATEMENT

This fitness-loving, fashion-blogging newcomer knows how to look good - and she's upped the competition no end. Megan's close pal has been flaunting her enviable abs in Tenerife and she's already had thousands of likes for her bikini selfies.

The 23-year-old can often be found exercising with her personal trainer in Loughton, where she's posted about her "hard" workouts and circuit training sessions.

There's little doubt she'll be popular with the lads on the show, but she is dating businessman Jamie Reed. However, she did once date Joey Essex... Let the drama commence!

# Steph's new baby agony

**The new mum is blasted after calling her son Caben-Albi**

**B**eing a new mum should be a time of joy, but Stephanie Davis' "babymoon" was rocked last week by trolls mocking the name of her new arrival - Caben-Albi George.

Cruel online commentators were quick to judge, with one saying, "Ffs.... Caben-Albi? Lady, the kid is going to hate you." Another added, "Sounds like it's been taken straight from the new IKEA catalogue!"

A third ranted, "What a stupid made up name. Gonna get bullied much?"

The 23-year-old revealed her son's unusual name last week, explaining, "It came to me a few months ago when I was in Tenerife with my mum.

"It's not actually a name I'd heard before, but it popped into my mind and stuck there."

The former *Hollyoaks* actress had previously said she was going to name her baby after a lad who was flirting with her while she was on holiday with friends. "He said his name when he left," she said. "We just all looked at each other and knew, so thanks to him!"

Caben, who will be one month old on 13 February, is also named Albi after Steph's late grandad Albert, who she was particularly close to.

Leaving hospital with her new arrival

Although Steph is sure to be reeling from the hurtful comments, the *Celebrity Big Brother* star is putting on a brave face by continuing to post about her joy at becoming a mum.

After being congratulated by her *CBB* housemate Jonathan Cheban on Twitter, she replied "Thanks chick he's too cute isn't he love you xx."

This is the latest drama for Steph, who's had to put up with her ex Jeremy McConnell, 26, insisting that he isn't Caben's father.

But she's furiously denied this, saying, "My son is 100 per cent Jeremy's baby - and a paternity test will prove it."

Putting the constant criticism aside, Steph says becoming a mother has changed her life for the better.

"Every time I look at him I feel like a superhero," she reveals. "I can't believe my body produced something so perfect."

Hear hear, Steph. ■

Steph's not the only star to call her child something strange. Can you name the famous parents of this lot?

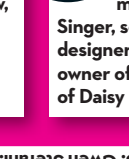

### 1 BRONX MOWGLI

### 2 ACE KNUTE

Bey broke the news with this photo

Blue can't wait to be a sister

## BEYONCÉ'S TWIN JOY

# 'We've been blessed'

**Superstar feels the love after revealing her pregnancy to the world**

**B**eyoncé almost broke the internet when she announced the happy news that she's expecting twins with husband Jay Z last week.

The singer showcased her baby bump to her 93 million Instagram followers, posing in underwear and a veil as she cradled her stomach. The post received over eight million likes in a matter of hours, making it the most popular Instagram picture in history - beating Selena Gomez's six million likes for a photo of her sipping Coca-Cola!

The 35-year-old wrote alongside the snap, "We would like to share our love and happiness. We have been blessed two times over. We are incredibly grateful that our family will be growing by two, and we thank you for your well wishes. The Carters."

It's been a long time coming for the couple, who are parents to five-year-old daughter Blue Ivy, as it's been rumoured they've been hoping for another baby for years.

A US source says, "They are ecstatic. They have been trying for a long time and now, to be blessed with twins, they are so over the moon. It's even better than they wished for. Blue is so excited to be a big sister."

Although the singer has not confirmed her due date, or if she had any help getting pregnant, another insider close to the star claims, "Beyoncé had IVF to conceive and is currently 14 weeks pregnant."

This baby joy is certain to cement the couple's rocky relationship, which has been well documented over the years. Bey addressed allegations that Jay Z, 47, had been unfaithful with her 2016 album *Lemonade*. Many of her lyrics referred to infidelity, including the line, "If you try this shit again you're gonna lose your wife," from the track *Don't Hurt Yourself*.

They were both seen without their wedding rings during her *Formation* world tour last year, but after making their fresh start, celebrity pals have been quick to congratulate them.

Close family friend Rihanna, 28, who is signed to Jay Z's Roc Nation record label, reposted Bey's picture and wrote, "So excited about this news!!!! Congratulations to you @Beyonce and my big brother Jay!!!!"

Beyoncé's sister Solange Knowles said she was a "proud auntie". And pop star Rita Ora, who was once linked to Jay, tweeted, "Yay!!!! Congratulations!!!!!! Soooooo beautiful!!!!!!"

However, one person who perhaps wasn't so impressed was Bey's frenemy Kim Kardashian, who's sure to be stung by her record-breaking post. The *Keeping Up With The Kardashians* star only racked up four million likes when she made her social media comeback last month, following a three-month hiatus after her robbery ordeal. As *Star* went to press, Kim had yet to congratulate the couple.

We happen to think it's fantastic news, though. Congrats guys! ■

# 'It's hard someone to

**The stars of the new series of *Celebs Go Dating* tell us about their experiences so far - and it's not for the faint-hearted!**

**O**ur favourite dating show is back, and when we catch up with *This Morning* reporter Ferne McCann, *Pussycat Doll* Melody Thornton, reality star Joey Essex, *Diversity* dancer Perri Kiely and *Ex On The Beach*'s Stephen Bear, we get the feeling this series of *Celebs Go Dating* will be even more compulsive viewing than the first. Dating experts Nadia Essex and Eden Blackman are also back to help the famous singles find their perfect match - along with fabulous receptionist Tom Read Wilson.

When we sit down to chat to the cast (minus Jorgie Porter and Jonathan Cheban, who couldn't make it), it's clear the mayhem has already started.

Ferne, 26, opens up about the emotional hardships of her quest for love. Perri, 21, confesses he's never been on a date before and Joey, 26, tells us he's learnt nothing from his last time on the show!

Meanwhile, saucy Melody, 32, reveals she just wants some regular sex and Bear, 27, admits

he's doing it for the money. And, of course, he's already dating his *Just Tattoo Of Us* co-star Charlotte Crosby...

**Hi guys! Why did you want to put your dating life on screen?**

**Joey:** Well, obviously I didn't find love the first time...

**Ferne:** I'm finding the search for love quite depressing. I'm 27 in August and I'm looking to settle down. My friends are moving in with their partners, some of them are on their second baby, and I'm just moving out of my mum's. It makes me feel quite sad.

**Perri:** I'm looking for someone. Before the show, I'd never actually been on a date. I've been thrown in the deep end and it's the strangest thing I have ever done.

**Melody:** I'm just trying to get some sex on a regular basis, because I'm so

busy! I haven't even kissed anyone yet, though.

**Bear:** I've come for the money. I say the truth, baby, they pay me good.

**What kind of partner are you looking for?**

**Bear:** She can't be obsessed with social media. And she can't have a hairy fanny. It's 2017, there's no excuse. The Hollywood. Shaved bum hole. Everything gone, smelling lovely.

**Melody:** I like someone who's ambitious and has some money.

**Ferne:** I want to be a team with someone. My perfect guy? I want him to text me 50 times a day, I want to FaceTime him a minimum five times a day. I want to make

love every single day, I want to feel love. I don't want a pussy boy.

**Perri:** I'm learning as I'm going. If there's a spark, there's a spark. Selena Gomez is hot! Someone who looks like her would be great.

**Joey:** A girl who is an absolute weapon. I'm looking for a ten out of ten. I feel like last time I put myself in a bit of a corner with just one person. I put all my eggs in one basket, which was probably not the best idea. It got so serious and I went full steam ahead.

**Is it harder to date because you're a celebrity?**

**Melody:** It was so difficult in *The Pussycat Dolls*. I never had a boyfriend. Some of my bandmates had full-on relationships and I was like, "How are you doing that?!" It was the biggest opportunity of my life and I didn't want to f\*\*k it up by having someone drag me down and expecting something from me.

**Ferne:** I think some guys really want it, and some guys just don't want it at all. It's the same whether you're a celebrity or not. I think with this generation it's just really hard to find someone.

**Bear:** I've dated celebrities before and they're too self-obsessed, too worried about what everyone says about them in the media. It's frustrating. Like, come on, who

Joey and Steph Pratt hooked up last series

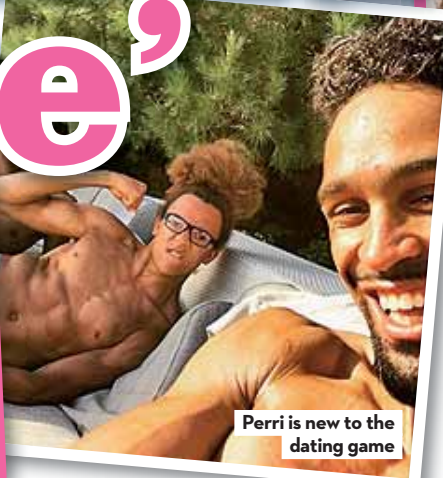

# to find love,

Bear's been behaving badly

Perri is new to the dating game

Melody and Ferne can be intimidating

cares? Don't ruin my day about it.  
**How many times have you been in love?**

**Bear:** Twice. First time I was 18 and then the second time when I was older. If you go to sleep thinking about them and you wake up thinking about them, you're in love.

**Melody:** I had one serious boyfriend during high school and then I got into the group, so after that it was just like, whatever! Three months here, six months there, nothing solid. I've never lived with anyone.

**Do you still speak to your exes?**

**Melody:** Yep. They go away and then they think, "She was so great!" Then they come back and I'm like, "No, but we can be friends." And it ends up being a great friendship.

**Joey:** Not really, no. I don't speak to any of my exes. Not naming

any names, but they get a bit obsessive. You have to move away slowly. Like, "It's not working any more, bye bye, it's done." That's the only way you get away from them. I don't hold grudges, but usually it's the girl who gets a bit obsessive and me who ends it.

**Bear:** No, my exes hate me, I don't know why. They've got a real problem with me. I've never cheated on someone, but there's this perception of me that I'm a cheater.

**Do you think that being successful, independent ladies intimidates men?**

**Melody:** Yes!

**Ferne:** Yeah, but when I fancy someone, I'm the complete opposite. I'm so keen and I really don't know how to play

the game. That's probably why I'm single. The more boys don't text you back or blow you out, the more you want them. You turn into this crazed psycho and they're like, "Who the f\*\*k is this girl?" I'm that girl!

**Have you met anyone on the show?**

**Joey:** There's been one date with a cougar. This lady is 46, I think, and I want to see her again. I feel like there's a good connection. She's cool, funny, honest and she didn't take it too seriously. And if Melody wanted to go on a date, I might consider it.

**Ferne:** I've had some awkward dates. The first mixer was a real ordeal because there were so many people in this room and I

Being a Pussycat Doll made dating difficult

didn't fancy any of them. But then I ended up asking out two boys and crying. It's just so ridiculous and so intense. One guy brought a big snowman teddy to the date and the other guy tried to suck my neck. I don't know why!

**Bear:** It's going shit. It's terrible.

**Are you ready to settle down?**

**Ferne:** I'd have a baby tomorrow if I found the right person.

**Joey:** If I find the right person, then maybe, but marriage and babies is something three or four years away. I'd set it up but I wouldn't do it right now.

**Melody:** I wouldn't have a baby yet. I'm 32 and I live in LA, so I'm trying to practise being in a relationship.

**Bear:** I want ten kids, I feel broody now. But apparently I've got to work on my career first, whatever that is. I reckon I'll have a baby next year.

**What's the best dating tip you've learned from Nadia?**

**Bear:** If you don't like someone, run away!

**Perri:** I went on a date and only bought the girl a Slush Puppie and I got grilled by the agents about that. They said

that was a bad move.

**Bear:** They give crap advice. Rubbish advice. They hate me. I'm actually on a ban at the minute for my bad behaviour.

**What happened?!**

**Bear:** I was in the cab gearing myself up for a date and was like, "I don't want to be here, I don't even fancy her. It's not for me, this one." So I got out of the cab and on to a bus.

**Do you all like working with each other?**

**Bear:** A few people on this show are stuck up. They have some big egos. I think it's disgraceful. We were sitting there and a person is cleaning the floor and one said, "I've got a bit of dirt on my shoe." I swear to God. The geezer is on his hands and knees cleaning her shoe. I couldn't believe it. Not even a thank you.

**Ferne:** It's really cool. Me and Melody have got a good thing going on. It's cute working with Perri, because you still kind of look at him as being 12 years old, and all of a sudden he's got abs... ■

# 'Charlotte's my dream girl'

**It's official – the reality stars are dating, with the CBB champ saying 'She's so right for me'**

**F**or weeks, Charlotte Crosby and Stephen Bear have kept everyone guessing about their rumoured romance, but now pals have told us they are an item – with the 2016 CBB winner confessing to *Star* that she's perfect for him.

Last week, the hosts of new MTV show *Just Tattoo Of Us*, posted a number of Snapchats cosied up together – in one they even appeared to be naked under the bed covers!

Another video followed the next day, showing Bear with his arm protectively wrapped around

the former *Geordie Shore* favourite, a CBB winner herself in 2013.

*Star* tracked down Bear, 27, to find out what's really going on between them and the notorious womaniser told us, "We've been filming together and, for me, she's witty, she's funny, she's clever, she's independent, she's got all the right attributes."

Charlotte's BFF and ex co-star Marnie Simpson, 25, confirmed that the pair are seeing each other, revealing, "They are so cute together. I'm so happy for them. I've known for a while that they are getting close."

"They will be really happy together. Fingers crossed we'll be going on plenty of double dates! I doubt Charlotte will want to watch him on *Celebs Go Dating*, though!"

Indeed, it seems that the show – where Bear is obliged to go on dates with a string of other girls – is proving to be a complication in their budding relationship, as he told us it's "terrible" and admitted, "I've

come on the show for the money."

However, a source at *Just Tattoo Of Us* said last week that Bear's been romancing Charlotte, 26, at the same time, revealing, "Bear and Charlotte have been snogging loads on set and have hardly kept it a secret to the crew. It's clear they are besotted with each other."

The insider added, "She gets that Bear has just got to do what he's got to do and that may even involve snogging a few girls along the way."

It's thought the pair have been growing close for some time, but have been keeping things under

wraps so as not to derail the drama when *Celebs Go Dating* airs next week. But it became increasingly difficult to keep quiet, as Bear was pictured with his hand up her top in December and she reportedly joined him on a PA nightclub tour of south-west England.

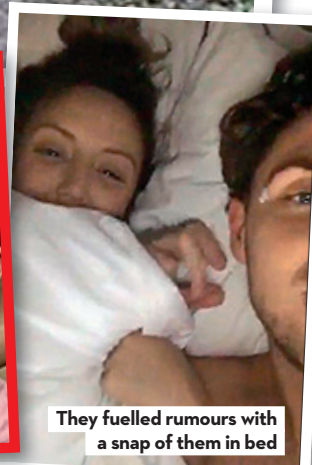

The romance seems to have the backing of their fans, with one tweeting last week, "Okay these are legit SO bloody cute!"

We never thought we'd say it, but we agree. This pair of troublemakers might just make a great showbiz couple! ■

Is Kim feeling the pressure?

Khloé has been pouting up a storm

# Klash of the Kardashians

**The power struggle in reality TV's first family is pushing the girls to greater extremes than ever in a bid to look the best**

## KIM'S QUEST TO STAY TOP DOG

It seems the most famous sister is feeling the pressure to cling on to her unofficial title as queen of the Kardashians – and she has some tough competition these days, with her sisters continuing to show off their bods.

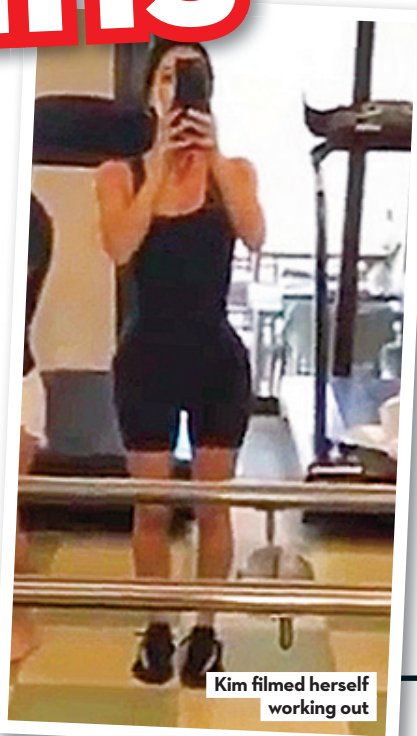

Kim doesn't usually post her hour-long daily workouts on social media, but while on holiday in Costa Rica with the rest of the family last week, she shared her routine, filming herself in a mirror and asking fans, "Don't I look so skinny today?"

That comment comes after she hinted that she's feeling competition from sisters Kourtney

and Khloé, who often share clips of their tough workouts online. "I never Snapchat my workouts and I don't know why. I'm just not Kourtney and Khloé," she remarked.

And the 36-year-old clearly plans on keeping her trim figure for the foreseeable future. When a fan questioned if she's pregnant on Twitter, she responded, "Def not!"

Perhaps that's no surprise since Kim has worked furiously hard to shed 70lb on a low-carb Atkins diet after giving birth to son Saint, now 14 months.

Kim filmed herself working out

Kourt has been posing in skimpy outfits

## KOURTNEY FLAUNTING HER NEW FIGURE

She never used to show off her body like her sisters, but since dropping 45lb Kourtney can't stop flaunting herself.

Thanks to regular workouts – and embarking on an organic diet after having her third child, Reign, in 2014 – the eldest Kardashian sister is looking better than ever.

She has taken to wearing more skimpy outfits lately, including a sheer body that left little to the imagination. And while on holiday last week, she shared a shot of herself with her butt practically hanging over a balcony, writing, "I don't think you ready for this jelly." She also posted a pic posing in a tiny bikini.

Kourtney's post-baby body is so

impressive that her younger sister Kim is said to have begged her for help after giving birth to Saint. But it appears Kourt is more serious about her regime than Kim.

The 37-year-old, who doesn't eat gluten or dairy, revealed she and Khloé motivate each other, saying, "I need four to five days a week of working out. Khloé and I really push each other to do that."

Kourt flaunted her flat tum

She sported a tiny bikini last week

## KHLOÉ PLAGUED BY HER 'CHUBBY' PAST

Khloé has made no secret of the fact that she felt Kim and Kourtney were the "pretty" sisters growing up, once remarking, "How the f\*\*k am I the chubby one?" and revealing how a nutritionist once told her, "Kim has a body like a Ferrari, and you have a body like a Honda."

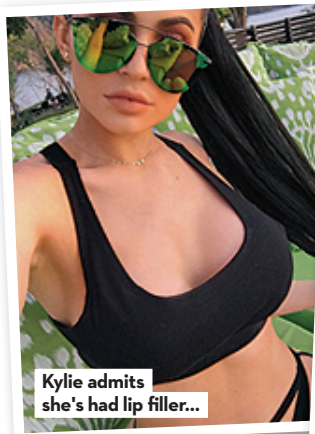

She also admitted, "When I was around nine, I overheard my mom telling her friend I needed a nose job." Harsh!

But thanks to a total body overhaul, Khloé no longer sees herself as the ugly duckling. She now works out regularly, eats healthily and has a body to die for. On the family's holiday in Costa Rica, she showed off her amazing figure in a high-cut yellow swimming costume.

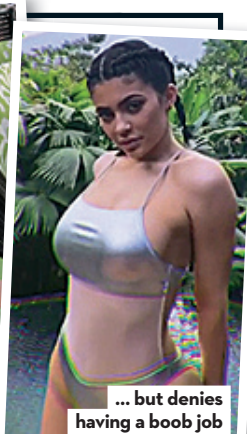

Still not satisfied, 32-year-old Khloé admitted last year that she had facial fillers, but confessed that it ruined her looks, saying, "My face was f\*\*ked!" And when she posted a selfie on Instagram last week showing off her large pout, fans accused her of having lip fillers, even though Khloé insists her lips are "naturally pretty plump".

Khloé works hard to stay in shape

Kylie admits she's had lip filler...

## KYLIE WANTS TO BE THE NEW KIM

Kylie is arguably now the least recognisable of the Kardashian sisters, with her looks becoming far more similar to Kim's now she has fuller lips and killer curves.

Looking worlds apart from her younger teenage years, the 19-year-old finally admitted to having lip filler injections in 2015, saying it was "an insecurity of mine".

When Kim was off social media following the robbery in Paris, it looked like Kylie was trying to steal her crown, constantly sharing racy snaps of her body on Instagram.

Responding to rumours she's had surgery on her bum and boobs in a bid to look more like her curvy sisters, Kylie said she'd simply gained weight. "I used to be 120lb," she admitted. "Now I'm pushing 136lb, but I like the chunkiness."

She also denied having a boob job, claiming, "I've thought about it, but why ruin it? I have really good boobs naturally and they're a cute little size. I'm not against it, but right now it's a no from me."

She's also shot down rumours she's had a nose job and her jaw reshaped. ■

## WHY SIBLING RIVALRY IS SO POWERFUL

Behaviour expert Judi James tells *Star* that the sort of competition currently raging among the Kardashians can make siblings miserable.

"Sibling rivalry often leads to the adult siblings being competitive in different fields, but for the Kardashians the 'success' eggs are all firmly in the one basket," she explains. "That forces them to bump up against each other in the same culture of beauty and fame."

"This can be miserable when the pressure to get to the top and stay there involves the people who are also your support system if things don't go your way."

"They need to grow apart so that they can congratulate from a small distance, rather than feeling their own status is under threat."

Maybe it's time you toned it down, girls, before all this really does spin out of control... ■

## FUN, FEISTY AND FRANK... THE ESSEX GAL SPILLS ON HER LIFE

*Hiya!*

I've been in Tenerife filming for *TOWIE*. The weather was a bit hit and miss, but it was fun. I'm sure you all saw those pictures of Megan looking upset at the NTAs after her row with Pete and I know they didn't talk for a few days after that. But I'm glad to say they've worked it out now.

### NEW GIRL ON THE BLOCK

We've had a new girl, Amber Turner, filming with us on *TOWIE*. I'd never met her before, but I'd heard of her. I knew that she's the girlfriend of Jamie Reed, who was on the show before and had agg with my cousin Joey. I wouldn't be surprised if he came on the show again, to be honest.

### FIND OUR JOEY A GIRL!

I'm definitely going to be watching *Celebs Go Dating* because I love shows like that. Ferne McCann likes a bad boy, so she needs someone strong-minded with strong opinions. She needs to date someone older, as she always goes for younger guys. As for Joey, his type is a mature, homely girl. It takes a lot for him to trust people.

### SO SAD CBB'S OVER

I couldn't wait to get back from Tenerife to catch up on *Celebrity Big Brother*. There were so many highlights this series. I loved Speidi - they were my winners! Let's see if Jamie O'Hara can have a relationship now he's got a new bit of fame. I hope so because Bianca Gascoigne seems lovely.

### NO SNOW CHLO

I've never watched *The Jump* - not even when Joey was on it. I'm interested in the line-up and I love Lydia Bright, but skiing bores the tits off of me if I'm honest. I don't think anyone could make me watch it. Lydia will be good at it and I know she's skied in the past. She can be quite competitive with things like that.

### BODY TRAUMA

While I was in Tenerife I didn't wear a bikini once because I didn't feel one bit body confident. I'm the biggest I've ever been right now. I didn't even weigh this much when I had Madison! I've put on a lot of weight and, I must admit, I wasn't exactly jumping for joy to do pap shots while I was on the island.

### GC IN HOSPITAL

Gemma Collins has posted on Instagram that she was in hospital while we were away in Tenerife and she hasn't been very well, but she's on the mend. She also announced that she's going to be a godmother - she'll definitely be a good one. GC loves kids and I know she'd like to have her own one day. Who wouldn't want Gem as their godmother?

**H**e's never spoken candidly about his relationship with Posh, but last week David Beckham opened up to defend their marriage.

When asked if he had stayed with wife Victoria, 42, for the sake of "Brand Beckham", he insisted, "Of course not. We stay together because we love each other."

Admitting they've had their ups and downs, Becks, 41, added, "Of course you make mistakes over the years. We all know marriage is difficult at times and it's about working through it."

He also revealed the couple, who wed in 1999, had a secret renewal ceremony!

"We have renewed our vows. It was a lot more private - there was about six people there in our house," he said.

## BECKS 'WE'VE HAD DIFFICULT TIMES'

Holly Willoughby may soon be sitting on a £21 million fortune after launching a new interior design business with *Dragons' Den* mogul Peter Jones.

The star already boasts a not-so-shabby £11 million fortune, making her one of the highest-paid female TV presenters in the UK, and she's set to unveil the plans later this year.

Holly, who turns 36 this week, earns £400,000 a year for presenting *This Morning*, made £650,000 for her hosting jobs last year and also has a range of endorsement deals.

Lend us a fiver, Hols!

## Brit makes a boob

Britney Spears gave fans more than they bargained for last week when she accidentally flashed her boob on stage.

In the middle of one of her *Piece Of Me* concerts in Las Vegas, the 35-year-old's leotard slipped to one side, revealing all! But, like an absolute pro, Brit continued through the set without a care in the world.

It's not the first time it's happened, though. Last year, her bra came undone and on another occasion her leotard nearly popped open.

Oops! She did it again..."

# Barlow's beastly barnet

Gary Barlow probably doesn't smell as good as he looks – because it turns out he didn't wash his hair for 14 years.

The Take That star, 46, made us feel a bit sick when he tweeted last week, "It's such an important day I've washed my hair! First time in.....14 years! #nojoke."

Mate, you need to get your shampoo Back For Good.

# Vogue quits The Jump

The most dangerous show on TV has claimed its latest victim – with Vogue Williams being forced to quit *The Jump*.

The 31-year-old suffered a serious knee injury while training for the Channel 4 show and had to pull out, telling fans, "So disappointed to be out of *The Jump* this year. I've had such an amazing time and met the best people whilst learning such a cool skill. My knee will heal and if the show comes back next year I'll be in it to win it."

Model Amy Willerton will replace the Irish DJ. Amy, 24, said, "I hope I can do Vogue proud!"

Just try not to break any bones, eh, Amy.

Oh, whaddaya know – Spencer Matthews has gone and upset another girl. He started a Twitter spat with his former *Made In Chelsea* co-star Ashley James after she tweeted, "Do not mistake terrorism for religion. I'm proud to live in a multicultural world, and hope to keep fighting hate with love."

Spencer, 27, sarcastically replied, "Do not mistake yourself for the Dalai Lama..."

When Ashley, 29, responded by mocking his appearance on *The Jump*, he quipped of her modelling, "Sure, whilst wearing see-through clothing..."

Play nicely, poshos!

# 'Bianca could be The One'

**Jamie O'Hara says he wants to make their relationship work now they're out of the CBB house**

**F**ootballer Jamie O'Hara went into *CBB* determined to change the public's perception of him as a cheating love rat, but after he tried it on with Jasmine Waltz, Nicola McLean and Bianca Gascoigne, we're not too sure if he achieved his ambition!

We saw the 30-year-old enjoy a romance with Bianca, even though she had a boyfriend, cage fighter CJ Meeks. Oh, and we can't forget his equally passionate bromance with Calum Best!

Now, Jamie reveals he wants to make things work with the 30-year-old glamour model – and even says he thinks they could have a future together. We chat to him about how he feels about Bianca and why Kim Woodburn wouldn't get a wedding invitation...

**Hi Jamie! Was it hard to handle your sudden exit from the house?**

I was a bit gutted to go out the back door, but I'm happy and I'm looking forward to everything.

**What's the first thing you did when you got out?**

I saw my dad. I'm going to organise seeing my children and just chill out for a few days. The house was mentally draining and I need a bit of time to myself.

**How do you think you came across to viewers?**

If people like me, they like me. If they don't, then I can't really do anything about it. I walked out of there proud of myself.

**So, let's move on to Bianca. Is she The One?**

She's definitely got that potential. She's someone I want to have in my life. She's got her situation to sort out [with CJ], but I'm happy with whatever she wants to do. I'll enjoy spending some time with her outside the house and we'll take it from there.

**How do you feel about the fact she had a boyfriend?**

I didn't have any

idea. We were living in the moment, so it was hard to know the real situation on the outside.

**Did you have sex in the house?**

[Laughs] No! I'm a respectable man, she's a respectable woman. We had a little kiss and a cuddle. That was it!

**There were rumours that a housemate had asked to take a pregnancy test...**

I don't know anything about that, sorry.

**You revealed you had a saucy dream about Nicola – why her and not Bianca?!**

Dreams are unpredictable! Nicola is a beautiful woman, but it was just a bit of a laugh. Bianca was in my dreams a couple of times, but I kept it to myself.

**Has anything gone on between you and Nicola in the past?**

No. We got on great and we were really close, but I'd never met her before we went in.

**You fancied Jasmine in the beginning. Were you working your way through all the girls?!**

It was just a laugh with Jasmine. Over time you get to know people's personalities and you realise who you want to be around. The more time I spent with Bianca, the closer we got. She was never a second option.

**How did you feel when Kim called you an adulterer?**

It upset me because I've moved on from that. I've made mistakes in the past, but I've grown up. She's not someone I'll speak to on the outside.

**How did you find living with Jedward?**

Do you know what, they were irritating at the start and they annoyed me, but after that I actually found them really entertaining. They're both great lads and they knew exactly what they were doing. I thought they were brilliant. ■

KATIE LANGFORD-FOSTER

Kim was on his case

**D**anielle Lloyd is fuming after being accused of stopping her ex husband Jamie O'Hara's family from seeing their three children while he was in *Celebrity Big Brother* - and she claims there's a conspiracy to damage her reputation.

Her outburst came after Jamie's father Paul claimed he hadn't seen his grandkids while Jamie was in the house.

In a letter to his son, which was read out on screen, Paul said, "The boys are doing great. Unfortunately I haven't got to see them since you've been in the house, but I'm sure they're as excited to see you as always."

The remark prompted a tirade of criticism for 33-year-old Danielle, as she was bombarded with angry tweets.

One user wrote, "You'd think you'd let the boys go and see their grandad while Jamie is in the house... #harsh."

Another added, "Why aren't the grandparents allowed to see the kids?"

Defensive Danielle quickly hit back at the comments, revealing, "I have to respond cos I've got people message me saying am disgusting not letting the grandfather see the kids, which is untrue."

"No one has contacted me to see them

more lies trying to make me look bad!!!"

She added, "It was a sly dig I've seen it with my own eyes now!"

"I had a lot of texts they have done nothing but retweet nasty stuff about me!! I don't deserve it."

"Fed up of these lies and trying to make me look bad."

Adding to the drama, it's claimed Jamie didn't contact their children - Archie, six, Harry, five, and three-year-old George - for two days after he was evicted on 29 January.

A source says, "Danielle cannot believe that it wasn't until almost 48 hours later he bothered to send a text asking after them, let alone a call to ask how they are or a FaceTime to chat to them himself."

However, Jamie, 30, did find the time to share snaps from a wild night out at a strip club with Calum Best, after his exit from the

CBB house two days later, in which they were surrounded by half-naked women.

The next day, Jamie said, "I spoke to [the kids] last night and I've arranged to see them next week."

Yet that evening he was back at another strip club with Calum, James and Ola Jordan and Spencer Pratt and Heidi Montag. Hmm!

Reps for both Jamie and Danielle declined to comment. ■

**CBB's Jessica Cunningham promises this won't be the last we see of her**

**J**essica Cunningham made waves in *CBB* when she revealed she has three men on the go - including her *Apprentice* co-star Courtney Wood - and she was more than happy to flirt up a storm with fellow housemate Calum Best! The mum-of-three was seventh to be evicted just a week before the final. We catch up with the 29-year-old to grill her on her very complicated relationship status...

**Hi Jessica! First things first - can you explain your relationship status?!**

At the moment I'm single. I'm going on a few dates with a few people, but my main priority is my kids and my business. I'm enjoying myself.

**Did you worry what Courtney would think when he saw you flirting with Calum?**

Courtney will always be a big part of my life and I do have a lot of respect for him, but I'm single. I don't want a boyfriend and I don't want commitment.

**What attracted you to Calum?**

He's definitely not my usual type, but in the *CBB* house it's an intense situation. I think

Calum is a really good-looking guy and he's also very charming.

**Would you have shared a bed with him if he'd asked you?**

Absolutely not. I am not going to

On *The Apprentice* last year

hop into bed with someone on national television.

**How did you cope with the house tension?**

I'm a positive, upbeat person, so going in with negative people didn't bother me. I find it quite easy to bring out the best in people.

**What do you make of Bianca Gascoigne and Jamie O'Hara's relationship?**

Bianca's a really sweet girl and she likes him.

**Do you think he likes her back?**

No comment.

**Do you think Jedward have a "nasty side"?**

They were the most sincere, honest and genuine people in the house. They don't have a bad bone in their body. They're hilarious, absolutely wicked. I don't think they were playing a game, they were just finding ways to entertain themselves.

**What did you make of Kim Woodburn?**

I love Kim. When you take time to chat to her she's really interesting and I enjoyed her company. She's a very sweet old lady.

**Was *CBB* tougher than *The Apprentice*?**

They're both tough in different ways. *The Apprentice* is tough because you're working with morons. *CBB* is tough because you're living with people who have a game plan, but you can't see that while you're in there.

**Would you do another reality TV show?**

TV is such a fun industry to be in, so I'm going to be open to every opportunity, embrace it and see what the future holds.

I want to get filthy rich! ■

**What did you make of Kim?**

**What are your highlights of this series?**

## 'KIM'S HAD A GAME PLAN FOR YEARS!'

**T**he women were tripping over themselves to get close to Calum Best in this year's *Celebrity Big Brother*, with Jessica Cunningham, Chloe Ferry, Stacy Francis, Jasmine Waltz and even Coleen Nolan flirting with him. But when we catch up with the 36-year-old after his eviction, he tells us he wasn't interested in any of them – and hints he's seeing someone else!

Calum isn't giving anything away about this romance, so instead we quiz him on what he really thought of his former housemates and why he reckons Bianca Gascoigne and Jamie O'Hara could well be the real deal...

**Hi Calum! How did it feel having all of those women fighting over you?**

I was fairly embarrassed, to be honest, because I didn't know how to take most of it. Any man would appreciate a woman's flirtations, but it does make it quite awkward when you're being watched by a few people.

**Did you like any of the girls?**

I had a good laugh with Chloe, Jess was awesome and Jasmine is a great friend of mine, so I was flattered. But there wasn't really much chemistry among the people in there.

**Given the chance, would you take any of the girls on a date?**

With all due respect to them, I would have a great night out with them all, but I wouldn't date them. I'm looking forward to seeing somebody else and hopefully that's going to happen very soon.

**Who's that?!**

Unfortunately I can't say. Sorry.

**Did you know when you went in that you didn't want any romance?**

I went in there open to having a flirt. I'm a single guy.

**What was it like having your mum Angie in the house with you?**

It was the most awkward, weird, unique and cool experience for me. I was booked as the single dude who wants to enjoy himself and then my mum walked in the house. But I really enjoyed it.

**Do you think people expected you to hook up with Bianca after your *Love Island* history?**

Bianca and I have no real past. After *Love Island*, there was no romance. I'm friends with her dad, so to go for his daughter would have been awkward. Gazza is a f\*\*king legend – sorry to swear!

**You got quite friendly with Jamie. Do you think he can make it work with Bianca?**

They're genuine. But I don't blame people for questioning it because it's reality TV and people know these storylines work. I think they're actually quite suited. But I feel bad for Jamie because he came out to a barrage of what he's done wrong and it's unfair.

He didn't like living with Jedward

**How did you feel when you were labelled "boring"?**

There were so many big characters in there. Jedward were performing tricks all day and Spencer Pratt – I swear to God – can talk for 24 hours straight. I thought, "Maybe this show might not be for me?" But I had a great time.

**You clashed with Jedward. Do you think that's why you didn't make the final?**

Oh, yeah. Those two are absolutely loved. I love them, too, but just not to live with. I feel sorry for their mum!

**Who would you snog, marry, avoid...**

**Chloe, Jasmine and Jessica?**

You are so dark! [Laughs] Avoid Chloe, snog Jessica and marry Jasmine. ■

We quiz the 32-year-old on catching up with former *Big Brother* presenter Davina McCall, who hosts *The Jump*, how she's managed to put on weight and why the contestants are on a booze ban...

**Hi Josie! How are you finding *The Jump*?**

It's one of the greatest experiences I've ever had. I'm pushing boundaries that I never even thought existed. I did think I would be better, though. I've never skied before, so I'm out of my comfort zone.

**Have there been any injuries yet?**

I've had problems with my kneecap since I learnt to ski, but that's it.

**Who are you getting on well with?**

Emma Parker Bowles. I've never met anyone like her in my life. She's the most hilarious woman you could ever meet.

**What's Spencer Matthews like?**

He's a lovable rogue. I don't know where he gets all his energy from - he's fearless. He's like the Duracell bunny.

**Is there something going on between him and Vogue Williams?**

Not that I know of, but Spencer's an all-round flirt. He's giving me the eye right now!

**Does he flirt with you a lot?**

Yeah. But when you're with somebody, you want to be the main meal. I think Spencer likes tapas!

**Are you having many nights out?**

I thought there would be a lot more drinking. It's frowned upon this year.

**Did they drink a lot before?**

I think so. They made a big thing about not drinking too much this year. We went out for my birthday, but when you drink on the slopes, you get so drunk. I had four gin and tonics and was as pissed as a fart.

**Are you competitive?**

Yeah, very, but I'm secretly competitive. I want people to

underestimate me and then I bring it. I was thinking about waxing someone's skis so they lost grip, but I don't want to play dirty [laughs].

**Have you lost weight with all the training you've been doing?**

Not at all. I'm on the Austrian diet - bread, apple strudel and custard - and I've put on about a stone. I've got to really rein it in now because I'm getting too heavy again. But they say if you're heavier, you go faster on the skeleton!

The 28-year-old tells us his plans for Valentine's Day, how he's ready for marriage and kids – and even hints that he's set to make a return to *TOWIE*...

**Hi Mario! How are things with you and Becky?**

Superb. I love that Becky isn't in the public eye. It's nice to keep one thing to yourself that you really enjoy and cherish.

**What makes her different?**

That she's so grounded. The world I'm from doesn't interest her. I can't stand to think about upsetting her like I have with other girls in the past. In my eyes, she's perfect.

**What are your plans for Valentine's Day?**

She'll be getting spoilt. Her birthday falls on Valentine's Day, so she's got a lot of presents coming. I've booked Pennyhill Park Hotel for two nights with a full day of spa treatments.

**Are you romantic?**

Yeah. Let's just say I can recite every single line from *Titanic*...

**Is that romantic?!**

It's creepy, but yeah! I've always been romantic. When I was 12, I wrote a song with Tom Fletcher for my first girlfriend.

**What's a typical date night?**

A night like tonight. Becky's working till 6pm, so I'll make sure whatever she requests for dinner is on the table waiting for her. I've got a good DVD in, so we'll just chill.

**Have you discussed marriage and kids?**

A lot. I can see us having kids and getting engaged, which I have never felt before.

**How many kids do you want?**

At least three!

**You've been engaged before. Does that put you off doing it again?**

I had a lot of pressure on me at the time to do a big engagement. Maybe I wouldn't have done that if I wasn't on the show.

**In the past you said you have never loved anyone like Lucy. Do you think Becky has changed that?**

Yeah. It was a different sort of love with Lucy. I felt like I was always fighting for my love, whereas this time it's easy.

**Do you still speak to Lucy?**

I wouldn't, just out of respect for her new boyfriend and for Becky.

There's no bad blood there.

We have both moved on with our lives and I think we are both in better places.

**Would you return to *TOWIE*?**

There may be a development on that front, but I can't actually say anything about it...

**Do you keep in touch with anyone from the show?**

I actually saw James Lock, Pete

He could return to *TOWIE*

Wicks and Megan McKenna the other night. I like how she has him so whipped. When I first met Pete he was a bit of a boy, so his transition is almost as embarrassing as mine!

**Why did you want to get involved in The Great Row?**

I train every day for two hours in the morning, but rowing is one thing I'm not that good at, so it's going to be a challenge for me. I have a family member who has cancer, so it's a charity close to my heart. ■

**The troubled star reveals further woes as she goes to war with her ex business partner**

**A**mid the recent backlash she received after admitting her jailbird beau Joey Morrisson pushes her to be slim, Lauren Goodger has revealed she's been having financial woes, too – and it's clear she's struggling to cope.

Lauren claims she's been lied to by her Lauren's Way business partner. And in posts that have now been deleted, the 30-year-old begged fans for help over her fake tan range.

She wrote, "I don't want to air my dirty laundry, but I had a company set up years ago with my business partner and believed I was 50/50 in this business."

"After years of no getting a penny out and being logged out the social platforms for my own brand Lauren's Way it has now come to me asking for your help."

The *TOWIE* star pleaded with businesses to get in touch with her via email, adding, "It had took along time for me to accept this

has happened to me and will appreciate if you go to shops or stores that use or sell Laurens Way give them the email and ask them to contact me."

Fans reached out to support her after she seemed so distressed in her posts, with some pointing out that she's too trusting.

"Lauren you're a lovely girl who likes to believe the best in everyone. Your mistake had been to trust people who have used your celebrity for their own gain," one follower wrote.

It's the last thing Lauren needs after she was hounded over her comments about Joey. The Essex girl said that if the convicted criminal had his way, "He'd have me locked in a room with a treadmill and feed me water and veg."

She added of the 30-year-old inmate, "He notices changes in my body. The other day he said, 'Cor, you look good today. When I saw you the other day you looked bloated.'"

Following her revelations, Lauren received a barrage of criticism online, with followers telling her she "needs help" while others branded the relationship "toxic". Lauren made it known she's been feeling the strain after she posted a gym selfie last week,

Lauren broke down on TV

She's close to her siblings

Launching her tan range in 2012

admitting she needed to workout to "de-stress".

She's also pressuring herself to lose a staggering 1½st of her weight by the end of March.

Clearly feeling emotional as she reflected on her family and troubles, Lauren later posted a heartfelt message on Instagram alongside a snap with her siblings, writing, "Love 2 my brother and sister who I missed through my early years and never forget how

much @rianna\_goodger\_loved me her big sis."

She recently opened up about the pain of disjointed childhood on *In Therapy*. Lauren, who went to live with her father aged four, admitted she didn't grow up with her siblings and "could never understand why I was not wanted".

As *Star* went to press, a spokesman for Lauren's Way wasn't available to comment. ■

**P**aisley Billings was a dating novice when she appeared on *Celebs Go Dating*, but after some good – and not so good – encounters, she now feels more confident chatting to guys. However, the bubbly *Tattoo Fixers* receptionist is still single as she reckons dating takes too much time and effort!

We catch up with the 23-year-old ahead of *Tattoo Fixers*' Valentine's special to hear about her best and worst dates, what a man has to do to win her over, plus her celebrity crush...

**Hi Paisley! Have you made any plans for Valentine's Day?**

I've just bought a puppy. She's a Shiba Inu called Dandy and she's the love of my life, so I'm staying in and chilling with her.

**So there's no man in your life right now?**

No. I've been so busy that I haven't had the time to date. It takes a lot of effort.

***Celebs Go Dating* is coming back for a second series. Didn't you fancy it?**

I probably would do it again, but I'm really looking forward to watching it this time. Maybe I can pinch some dating tips from the new celebs?

**What advice would you give them?**

Just be yourself. And if someone burps at you, leave straight away!

**Did it put you off dating at all?**

No but, bloody hell, it's a lot of work! You have to give a lot of time and energy. I learnt so much from the show. It taught me a lot when it comes to confidence and talking to guys.

Paisley and the *Tattoo Fixers* team

Michael is her ideal man

**Do guys approach you more or less now that you're on TV?**

More, but I don't think it's necessarily a good thing. They approach me to laugh!

**Describe your perfect date night...**

Food and drink have to be there. It can't be something like a walk in the park – if it is, there must at least be a massive picnic.

**Who's your ideal man?**

The actor Michael B Jordan. He's beautiful. He's my celebrity crush at the moment, but it changes weekly.

**What's the best date you've been on?**

The last one I had on *Celebs Go Dating*. I left screaming, I was that happy.

**And the worst?**

It's either when a guy burped in my face or when a guy had to pull over to vomit.

**Is there a deal-breaker for you?**

Probably throwing up in front of me...

**Is there a trick to winning you over?**

A guy has to be really hard-working. I want to meet someone who's just like my grandad.

**Would you do any other reality shows?**

I wouldn't say no to *First Dates*, although dating for a job is pretty corny, I've got to admit.

**Tell us about the *Tattoo Fixers* Valentine's special...**

Something really major happens – it's like the biggest romantic gesture ever! And then, of course, you have the usual exes' names getting covered up. We call them the kiss of death because they always end up splitting up a couple of months later.

**So you would never get a tattoo of a boyfriend's name?**

No. Names are a bad idea! ■

# Kieran 'humiliated' over Simon sex scandal

**Katie's hubby has to endure further revelations about her past sex life**

**K**ieran Hayler has had to face even more of Katie Price's sex secrets – after her ex accused her of spending the night with Simon Cowell.

Leandro Penna said he decided to end the relationship after discovering she had secretly hooked up with the 57-year-old *X Factor* boss. He revealed that his suspicions were raised when the 38-year-old glamour model returned home drunk in the morning from a “business meeting” with Simon in 2012.

The 31-year-old explained, “I asked her if she'd f\*\*kd Simon and she said, ‘No, of course not.’ She was angry, she asked me where I got that from. I told her, ‘I'd read the texts, you lie.’ We barely spoke for the next few weeks.”

Leandro, who is now a TV presenter in Chile, described the messages he found as “overwhelming” evidence. One – allegedly from Simon – said, “I loved seeing you and can't wait to see you again.”

Katie and Leandro called off their six-month engagement after she claimed he became very jealous of other men. The *Loose Women* panellist blasted her ex's “fiery temper” after their messy split, so she's no doubt seething about the new revelation.

Though Simon has denied any secret liaison, the news is likely to put even more pressure on Katie's marriage to Kieran Hayler,

29, who is sure to be feeling humiliated over her secrets.

Fans have taken to social media to blast the pair, with one writing, “Kieran you been warned enough times! What is wrong with you? Get out now while you still can!! This creature is toxic!”

The couple's relationship was already under strain, with Katie admitting they had gone back into therapy. Speaking in October, she said, “This has been so difficult. I haven't got any tears to cry.

“My heart is shattered, it's broken. We've come two and a half years and Kieran is having to relive it. We are going to see a therapist to reassure us we're fine.”

This isn't the first time Katie has been

Simon's best pal and former girlfriend Sinitta was shocked at the allegations. The 53-year-old admitted, “It better not have been on my watch. I'm shocked and stunned, but most of all stunned.”

Simon's rep told *Star*, “These are historic rumours, going back at least five years. Simon and Katie have long been friends and nothing more.” Katie's rep declined to comment. ■

**A**s if Drake wasn't having a bad enough week, what with having to explain to J.Lo why he called his ex Rihanna "queen of everything" on stage, some joker went and put his house up for sale - without him knowing.

The Hidden Hills pad, which Drake calls The Yolo Estate, was advertised after someone drew up documents in his real name of Aubrey Graham.

The listing - for just shy of \$20 million - featured several snaps of the gaudy Tudor-style mansion, which just gives us an excuse to show you round.

So please join Star Estates on a viewing, including such delights as a pool surrounded

## Ozzy 'I'm no sex addict - I just got caught'

Back when it emerged Ozzy Osbourne had a four-year affair with LA stylist Michelle Pugh, his publicist claimed he was in the grip of a sex addiction. But last week the 68-year-old said - surprise, surprise - that was all lies.

"I don't think I'm a f\*\*king sex addict," Ozzy admitted. "I'm in a f\*\*king rock band, aren't I? There

have always been groupies. I just got caught." *Charming.*

The rocker even blamed wife Sharon's busy schedule, saying, "That's why men do stupid things, when they're on their own."

However, he's less dismissive about 64-year-old Shaz having groupies of her own, hissing, "She better not. I'd go f\*\*king mental."

Johnny Depp's former managers have said the star spent \$3 million firing the late author Hunter S Thompson's ashes out of an antique cannon. And that's really not a sentence you read every day.

Allegations about the 53-year-old's lavish spending have emerged as part of his court wrangle with The Management Group, who allege he also blew \$18 million on a huge yacht, \$4 million on a dud record label, \$75 million on homes and \$30,000 a month on wine.

Come on, you could have rented the cannon!

# Jamie's all tied up

Jamie Dornan isn't renowned in Hollywood for being a massive laugh, so God only knows what he thought when chat show host Ellen DeGeneres Sellotaped him to a bed last week.

Clad in some mighty fake boobs, the 59-year-old TV veteran managed to get the 34-year-old to take part in a *Fifty Shades Of Grey* spoof in which she bursts in brandishing a bag of stationery and sets about him with a stapler.

"Now we're talking," Jamie jokes, before she pulls out - to his horror - a pencil sharpener. Yikes.

You don't mess with Lindsay Lohan. Last week she called into a radio show that she had hung up on in 2015 - and slammed the receiver down again.

The first time it happened, she claimed her publicist told her to end the interview, but cameras filming her reality show *Lindsay* showed it was the 30-year-old who hung up after being asked a question about Tom Cruise.

So host Kyle Sandilands was probably pushing his luck when he teased, "You know what I learnt watching that series? I learnt that when a celeb hangs up on you during an interview, it can sometimes be on purpose."

And - click - down goes the phone. Well played!

# LiLo leaves us hanging

Well, if you're Gigi Hadid, 21, and Zayn Malik, 24, you buy a box of biscuits and sit munching them in front of the telly like you're on a more glamorous version of Gogglebox.

# 'I'll force Sam to live with me'

**Tiffany Watson** is determined to take the next step with her boyfriend - whether he's ready or not!

Binky will get back with Josh

**W**hen we catch up with Tiffany Watson at London's Leicester Square Theatre for the premiere of the Bee Gees musical *You Win Again*, she's in great spirits and greets us with a hug. She's just got back from filming *Made In Chelsea* at a secret location, and while she can't divulge any details, she tells us there are new faces to look out for.

We chat to the 23-year-old about co-star Binky Felstead's surprise pregnancy and what the next step is with her 24-year-old boyfriend of two years Sam Thompson...

## Hi Tiffany! How's filming for the new series of *MIC* going?

It's really good, we just got back from a trip. I can't say where it was, but it was fun. I feel like an old cast member now, which is really weird. I can't imagine life without the show.

## Is it tough working with your boyfriend Sam?

There are a few new people who have put a spanner in the works...

## Tell us more... Are the new boys flirting with you, like last series?

Oh, the glory days! That hasn't happened this time, unfortunately.

## You've been with Sam a while. Will you move in together?

We're definitely thinking about it. We spend every night together, so it's silly not to. I always stay at his and don't have my stuff there, it's so annoying. I think Sam is scared of living together because he's still young, but I'm going to make him. It's the best way to do it!

## How is Binky coping with her pregnancy?

She's glowing. Her bump is so small - she looks like me after eating pizza! She's just told me to save a date for her baby shower.

## Will she bring the baby on the show?

I don't know. I'm sure *MIC* would absolutely love it if she did.

## Could this mean a reunion with her ex, Josh Patterson?

I'm sure they'll get back together. Once the baby is born, they'll realise they want to be a little family.

## How are Louise Thompson and Ryan Libbey?

I never see Louise any more! She lives with Sam, but she's always with Ryan. They're so obsessed with each other. It's cute.

## What about your sister, Lucy?

She's good. We've both gone vegan and are really into it.

## Has cutting out animal products from your diet been hard?

It was a big change, but now I can't imagine not being vegan. I'm trying to persuade Sam. His and Louise's genetics are a joke - they only go to the gym once a week and have abs!

## We loved your video mocking Louise and Ryan's loved-up Instagram snaps...

We didn't realise how much people would love that. Sam refuses to take any lovey-dovey photos with me. He's like, "I can't, people will take the piss and that's what I do." ■

# LIAM BEGS CHERYL 'MOVE IN WITH ME!'

**He finally makes a commitment  
to the pregnant singer with a new tattoo  
– and the keys to his country pad**

**A**fter spending weeks in LA, away from his heavily pregnant girlfriend, Liam Payne has finally shown his commitment to Cheryl by getting a tattoo dedicated to her – and moving her into his Surrey home.

The 23-year-old was seen last week with a new inking of what appeared to be 33-year-old Cheryl's eye on his arm. In fact, fans pointed out that the tatt is almost identical to the artwork on her 2009 album.

"So Liam got a new tattoo and it's of Cheryl's eye," one wrote. "It's Cheryl's eye from the 3 words album. It's the exact thing," another added.

Cheryl, a tattoo lover herself, is sure to be over the moon with her boyfriend's new body art. And no doubt the mum-to-be will be delighted with his plans to move her into his pad in the English countryside, too.

With the singer just weeks away from giving birth, it's believed the couple have decided to raise their baby at Liam's £5 million mansion in Surrey.

A source reveals, "Cheryl spent all of Christmas at Liam's and she loves it there. That is going to be where they live together when in the UK. They already have lots of amazing memories.

"She's still going to have her house in Hertfordshire, but she'll be based with Liam in Surrey."

Staying in the UK is no small sacrifice for Liam, who insiders say was keen to live in LA.

One source said, "He's told pals that he feels so happy and at home when he's in

LA and sees his future there. It's where he'd love to relocate as he feels it will be the best thing for his career and family."

Liam may have been happy to flash his new tattoo last week, but some fans believe he may live to regret it.

Referring to former 1D star Zayn Malik's inking of his ex-fiancée Perrie Edwards, one shocked follower wrote, "Wtf Liam got a tattoo of Cheryl's eye okay I bet in a few months he'll get it recovered like Zayn did." Another wrote, "Utterly horrible."

The tribute comes after *Star* reported last week that Cheryl was keen for Liam to come home after getting caught up in a shooting incident in West Hollywood. And angry fans hounded the One Direction singer, who has been making his debut album in the States, for not spending more time with her in the UK.

Now when are you going to put a ring on it, Liam?! ■

# 'Singing has always been my passion'

**Lucy Kane lifts the lid on her Voice experience and growing up with a very famous mum**

**T**he Voice star Lucy Kane is no stranger to fame. Her mum is legendary Page 3 girl-turned-actress Linda Lusardi and her dad is actor Sam Kane, so she's well aware of the highlights and pitfalls that come with being in the spotlight. However, it's just the beginning for the 20-year-old, who last weekend made her debut on *The Voice*. We chat to Lucy to find out why she wouldn't follow in her mum's glamour modelling footsteps and how she feels about working with Sir Tom Jones...

**Hi Lucy! How did it feel when Tom turned for you?**

It was amazing! He didn't turn until right at the last second, so I was already thinking about how I was going to walk off stage. Then I did my big note and then he turned. I just burst into tears.

**Why did you choose *The Voice* over other shows like *The X Factor* and *Britain's Got Talent*?**

*The Voice* is about what someone can actually do, rather than their background story. It's a much better way of doing it.

**Did your mum and dad encourage you to follow them onto the stage?**

When I was young they wanted me to get a proper job, but I kind of fell into it because it was the only thing I loved doing. I told my parents and they weighed up the pros and cons – the cons being not getting through and knocking my confidence.

**Did they give you any advice?**

Mum said, "You know you can sing,

so try to ignore the fact there are four red chairs there." It all went to pot when I got on the stage, though. I have never felt so nervous in my whole life!

**Do you ever feel like you're in your parents' shadow?**

I didn't bring them along to my first audition because I wanted it to be just about me. I think it was the right thing to do.

**You've also done some acting. Which is your first love?**

I've been performing since I was seven years old, but singing is my main thing for now. It's always been my number one.

**Who is your ultimate celebrity idol?**

It's got to be Beyoncé.

**Has having famous parents helped you at all?**

It's given me a better understanding of what to expect if I'm ever lucky enough to be as successful as they are. I realise that it isn't all glamorous.

**Would you ever think about doing glamour modelling?**

Probably not, I don't quite have the assets for it! I didn't inherit that, unfortunately. I have done a bit of fashion modelling and I've been in *Vogue*, which is insane!

**What do you think when you see your mum's old modelling photos?**

They're wonderful. She looks unbelievably stunning. I'm jealous of my mum when she was my age! ■

## Cute couple alert

How cute are Charlotte Crosby and Stephen Bear? I'm so pleased for them. I've known for a while that they've been getting close. He's such a nice boy and she's a great girl, so I think they'll be really happy together. Fingers crossed we'll be going on plenty of double dates!

## The name game

I'm not a huge fan of Stephanie Davis's choice of baby name, Caben-Albi. There's too much going on and it's not my cup of tea. She should've just chosen Caben or Albi for the first name, not both together. Personally, I love the name Rio for a boy.

## My Valentine

Lewis and I have moved into a new flat in Buckhurst Hill in Essex. We didn't really like where we were before. We are literally attached at the hip right now - we're like Siamese twins! We do everything together and he's my best friend. I'd like us to go away somewhere romantic for Valentine's Day once I'm out of the house. Italy would be nice, as I've never been there before.

## My CBB winner

Kim Woodburn and Bianca Gascoigne were my CBB winners. Kim is so funny, but I also felt a bit sad for her - I don't know why. Bianca is my friend and has such a kind heart. I hope she gives things a go with Jamie O'Hara on the outside. I do feel for her ex CJ Meeks, but I'm Team Bianca.

## New friends

Lewis and I went to a party last week and met Olivia Buckland and Alex Bowen from *Love Island*. It turned out to be such a laugh. We were so drunk and partied into the early hours. There was a hot tub at the bar and we were still in it at 8am. It was hilarious! Olivia and Alex are such good fun, I love them.

**T**hey were one of the cutest couples in showbiz, but Kylie Minogue is heartbroken after ending her engagement to Joshua Sasse amid reports that she was suspicious he had cheated on her.

The 48-year-old singer is said to have thrown Josh, 29, out of her west London home after growing increasingly worried by his closeness to Spanish actress Marta Milans, 34, after they filmed TV series *No Tomorrow* together in Canada last year.

Confirming the split on Instagram, Kylie wrote, “#lovers... Thank you for all your love and support throughout this recent chapter of my life. Thank you now for your love and understanding with the news that Josh and I have decided to go our separate ways.

“We wish only the best for each other as we venture towards new horizons. #thesunalwaysrises.”

A source says Kylie, who has ditched her engagement ring, is “utterly heartbroken” and “devastated” at the sudden split. The Aussie star met Josh in 2015 on the set of TV show *Galavant* and announced their engagement in February last year. She even revealed just last month that she would adopt his surname when they married, gushing, “I’ll definitely be taking Sasse.”

A source was reported to have claimed the relationship broke down when she felt he

was lying to her. “She really believed he was The One. But she no longer trusts him,” an insider revealed.

Josh is now said to be living back in his family home in Herefordshire, with a source explaining, “It was when she was in Paris that Kylie became suspicious and returned to London to confront Joshua. She immediately asked him to leave her home, which he had moved into at the start of the relationship.”

While they appeared to be the perfect couple in public, their romance is said to have been secretly volatile from the start. “After getting engaged she should have been on top of the world, but it’s never been smooth sailing,” another source explained.

“Everyone is so upset for Kylie, but her close friends and family really want her to get through this and stay strong.”

Fans rushed to support Kylie after she announced the news, with many insisting she deserves better than Joshua. One said, “You are all class Kylie. Better

to know now and move on. Trust is the hardest things to rebuild when someone has been unfaithful. You deserve better than somebody using you to get recognition. First alarm bells rang when he said he didn’t know who you were until can’t get you out of my head!” Another added, “He doesn’t deserve someone like you. Hope you find happiness soon.”

Other fans pointed to their 19-year age gap as a reason for the split, with one commenting, “He wasn’t mature enough... You need a real man with rich life experience to match yours... He’ll find you.”

Star contacted both Kylie and Joshua’s reps with the allegations of cheating, but neither replied.

Kylie’s had a roller coaster love life. She dated *Neighbours* co-star Jason Donovan before splitting in 1989, then had a rocky relationship with the late INXS singer Michael Hutchence soon after. She was with actor Olivier Martinez between 2003 and 2007 and in 2012 she had a short-lived romance with Spanish model Andres Velencoso.

One thing’s for sure, Kylie – you certainly won’t be short of admirers! ■

# 'I have McDonald's five times a week'

**TOWIE star Megan McKenna says she loves junk food and never works out. Jealous, us?**

**M**egan McKenna has an incredible body, so we couldn't wait to hear how she maintains it. But to our surprise, she says she never goes to the gym and that eating clean certainly isn't on her agenda.

However, as the 24-year-old *TOWIE* star suffers with coeliac disease, she does have to cut all gluten from her diet (remember her epic Big Mac bun rant?!).

Here, we chat to Megan about her favourite dishes, top beauty products and her fashion inspiration...

**Hi Megan! Are you body confident?**

Yeah, I'm happy with my figure. I've just come back from Saint Lucia, so I've got a tan at the moment. I always feel better when I'm brown.

**What do you love about yourself?**

My favourite part of my body is my bum, the least favourite is my toes! Sometimes I wish my boobs could be a bit bigger, but I don't like that whole fake look.

**You've had lip fillers, but have you considered any other cosmetic surgery?**

I don't even think about that.

**How do you feel if you see negative comments online?**

They used to affect me, but I just ignore them now because they're written by lowlifes, hiding behind their computer screens. I find it quite fun commenting back.

**How often do you work out?**

I don't, I hate it! But I have to watch what I eat because of my allergy. That's why I'm slim.

**Are you a good cook?**

I'm actually really good. I can cook curry, lamb, chilli and spaghetti Bolognese.

**What's your guilty pleasure?**

McDonald's. I have it five times a week. I'm not allowed to eat the bun, so I just have the meat.

**And the best healthy snack?**

Celery dipped in hummus. Low-fat hummus, of course!

**Name five things we'd always find in your fridge...**

Peperami, Tropicana orange juice,

Fiji water, gluten-free mac 'n' cheese and frozen chips. I have chips with everything.

**Which beauty products do you swear by?**

Kiehl's face cream, Mouthy By Megan Lipkits, and highlighter, so you can accent all the best parts of your body.

**You're famous for your meltdowns, but how do you chill out?**

I put on a box set and chill on my sofa. It's my favourite place.

**Who's your fashion inspiration?**

Pia Mia. I like the way she just doesn't care. If she wants to try a new look, she'll do it. I feel I've got a connection with her because I bought a Gucci cap at the same time as she did.

**What's your top fashion tip?**

Always layer up. For example, I like to wear a jumper dress with a denim jacket and then something wrapped around my waist.

**What can you tell us about your new Street Edit Miss Pap range?**

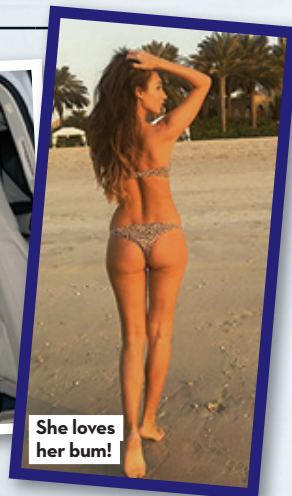

This collection is my favourite so far, because it's taking it back to my roots. It's sport clothes that you can wear on a night out, not just for the gym. It has a Kanye West Yeezy kind of feel. ■

# RATED OR SLATED

LOOK  
OF THE  
WEEK!

**10/10**  
**ALEXA CHUNG**

The fashionista ups the style stakes with this ensemble. Alexa makes sure that the otherwise smart look has a cool edge by adding a pair of statement heels and a bang-on-trend striped ruffle shirt. Top marks!

**5/10**  
**VANESSA HUDGENS**

What happened to Vanessa's usual boho style? This By Johnny skirt and Pam & Gela coat are way too OTT worn together. Lose the jacket and the skirt is a winner.

**5/10**  
**ELLE FANNING**

We love that the 18-year-old takes fashion risks and this bold red Rodarte dress is certainly daring, but the frumpy cut doesn't quite work on the starlet.

**8/10**  
**KATE BOSWORTH**

We're crushing hard on this beautiful Erdem number. We love the balloon sleeves, shoulder ties and embellished detailing. A perfect look for the actress.

**6/10**  
**ASHLEY JAMES**

The socialite taps into the sheer trend with this polka-dot top, but we wish she'd chosen a look that left more to the imagination! Thumbs up for the boots, though.

## PREVIEW

### Fifty Shades Darker (15)

Stars: Jamie Dornan, Dakota Johnson, Kim Basinger

The sexiest Seattle millionaire since Frasier Crane is back. Dornan, all scrubbed and shaved, has slipped back into the role of spanky billionaire Christian Grey, who wastes little time getting back into the pants of his former plaything Anastasia (Johnson), who – spoiler alert – he split from at the end of the first movie.

But how to win her back? Flowers? Choccies? Appearance on *Ex On The Beach*? Nah, he simply buys the publishing firm

where she works, fires the boss and whisks Ana off in his chopper.

Before long they're at a masked ball, where Ana meets Christian's sexual mentor (Basinger). A parade of NSFW filth follows, but sadly we weren't allowed to see it before this came out – the press gave the first film a bit of a spanking, so perhaps that's no surprise. But let's look at the positives: nudey-Dornan, a cracking soundtrack and a welcome return for Basinger.

### Now That's What I Call R&B

ALBUM

Whoever does the insane Photoshop work on these album covers probably needs a lie down in a darkened room, because *Now* have been firing out compilations like it's going out of fashion (which, to be fair, it probably did, at some point in 1996).

This is the latest in this year's pre-Valentine's set (check *Star's* Twitter page to win the Love one), with nothing but smoooooth R&B hits. It's a mix of the old and new schools, opening with TLC's *No Scrubs* and including such greats as Salt N Pepa's *Shoop*, John Legend's *All Of Me*, Taio Cruz' *Dynamite* and Rizzle Kicks' *Mama Do The Hump*. R&Brilliant. ★★★

### Prevenge (15)

Stars: Alice Lowe, Tom Davis, Jo Hartley

In Lowe's comedy *Sightseers*, the lovely Lake District became a horrific deathscape where travellers were bludgeoned to death with quips like, "Report that to the National Trust." And now she's turned her talents for darkness into making an unassuming pregnant woman into a stone-cold killer.

Her new movie – she writes, directs and stars – is as dark as it gets, with mum-to-be Ruth embarking on a spree around suburban Cardiff, baby-bumping people off under the command of her unborn child. And as the film unfolds, we start to understand what's become of the dad.

It's a daring premise and though it delivers fewer laughs than *Sightseers*, there are very funny moments. Davis (*Murder In Successville* legend DI Sleet) has an epic turn as an awful Seventies pub DJ who throws up into his afro wig before becoming Ruth's second victim.

**Verdict:** Dark awesomeness. ★★★★★

### Una Healy

ALBUM

THE WAITING GAME

Lovely Una has joined the ranks of the solo-Saturdays with this album of country-pop tunes. That sounds like a change of direction, but it's really a return to her roots and the days when she'd drive to gigs in a Honda Civic – which is why she's Healy rather than her married name of Foden here.

Sadly, the Civic doesn't get a mention in the songs – about "the tough side of love" – but there's lots to enjoy here. For our money, the best are the title track *Stay My Love*, *Battlelines* and the rousing foot-tapper *Staring At The Moon*. Enjoyable stuff. ★★★

### Snakehips & MØ

SINGLE

DON'T LEAVE

Snakehips sounds like the name of an aged porn star, but these two are British electronic music legends-in-the-making, best known for making *Cruel* with Zayn. Best known, that is, until they released this epic track. The pair teamed up with Danish singer MØ and the collision between her voice and their beats is an absolute winner. It's the first mega-hit of the year and if somehow you haven't heard it, we insist you get it on right this second. ★★★★★

EXCLUSIVE

**Actor Rob Mallard tells us he had a baptism of fire when he joined Coronation Street**

**W**hen we sit down to chat to Rob Mallard, it's clear that he's worlds apart from Daniel Osbourne (no, not *that* one). Because while the character he plays in *Coronation Street* is pretty reserved, 24-year-old Rob is a bundle of energy!

In November Rob became the third actor to play Daniel in the soap, explosively arriving in Weatherfield following the shock return of his brother Peter Barlow (Chris Gascoyne) and nephew Adam Barlow (Sam Robertson). And, Rob tells us, the action off screen was just as nerve-shredding...

**Hi Rob! How has life changed since you joined *Corrie*?**

It's a complete 180 compared to my life before. But the difference after a couple of months on the show is huge. I feel more relaxed, more comfortable with the actors and in how I should play the role.

**What was most daunting?**

Definitely being in the Barlow family because it's the oldest one on the street.

**How did you prepare?**

I watched quite a lot of old episodes and interviews with Bill Roache, who plays Ken Barlow. I was trying to see if there was anything I could steal from the show's past that I might be able to bring out.

**Are you anything like your character?**

No, not at all. Daniel is serious, guarded and not a leader of conversation. I have to be told to shut up more often than not!

**What would you like to see happen to Daniel in the next couple of months?**

I'd like to see him getting closer to people. I think he could do with a good mate.

**Have there been any awkward scenes yet?**

There was one right at the beginning when I had to lose my rag in the Rovers. It was filmed first thing in the morning and

I hadn't met any of the other actors yet – but I had to come in and start shouting at all of them.

**Do you hang out with the cast when you're outside work?**

I go for drinks with Chris Gascoyne, I've bonded with him the most. I get on incredibly well with Bill too. I was anxious about working with him because he's Ken, but he's so disarming and genuine.

**Did you fancy anyone in *Corrie* before you joined?**

No! No! No! I've watched *Corrie* with my grandparents since I was young and I always enjoyed the older characters most. I remember being very impressed by how feisty Julie Goodyear was. I never looked

As Daniel with on-screen dad Ken Barlow

Rob was nervous about joining the Barlow clan

at *Corrie* in that way. I think it's only recently that it's started to add to its sexy list. ■

## ONES TO WATCH...

### Let It Shine

**6.55pm & 8.45pm, BBC1**

Things over in Gary Barlow land are starting to get exciting. Because as *Let It Shine* continues this evening, we have reached the live shows. Tonight is the first of them and we'll get to see just what the lads are like in the groups the judges have put them in. There are five newly-created bands in all and they will be taking to the stage for their debut performance together. Each group is at war with the other and they are going head-to-head to try to impress us viewers at home, along with judges Gary, Dannii Minogue, Martin Kemp and the latest special guest.

Before all that happens, the programme will be opening in style with a group performance. Later, after the five bands have given their all, hosts Graham Norton and Mel Giedroyc open the voting lines so the public can have their say and choose their favourite. Then in the results show, Mel and Graham will tell us which bands have made it through to next week's semi-final with the highest viewer votes. The two bands with the lowest total will be forced to battle it out and perform again to carry on in the competition. ★★★★★

## Dance Dance Dance

6.30pm, ITV

It doesn't matter what new dancing show you put on the television, it's always going to be compared to *Strictly Come Dancing*. Davina McCall's *Got To Dance* lasted for five seasons before it was axed and *Dancing On Ice* survived nine seasons before being given the boot. And still *Strictly* continues. We have our fingers crossed that *Dance Dance Dance* makes another series as it's been good fun. If you've missed the last five weeks, the idea is that different celebrities who you don't associate with dancing are given some top-notch training from choreographers and then

have to re-enact dance performances from classic music videos. They have included Michael Jackson's *Bad*, Madonna's *Vogue*, Beyoncé's *Crazy in Love* and Britney Spears' *Baby One More Time*. The production values have been so high you can't peel your eyes away from the screen. Alas, tonight is the final episode. Alesha Dixon and Will Best host as the two remaining couples take to the stage to recreate the most famous pop and movie dances of all time including Beyoncé, Lady Gaga and Gene Kelly. But which dancing duo will win? ★★★★★

## The Good Karma Hospital

9pm, ITV  
A stranger washes up ashore tonight in the second episode of this new series. But could he be bringing trouble with him? Meanwhile, the team is racing against the clock to try to help a local snake charmer who's bitten by one of his slithering pals. And there's trouble in store for Gabriel when new girl Ruby questions how professional he is. ★★★★★

## The Jump

7.30pm, Channel 4  
It's the second instalment of the winter sports show, but how many of the contestants will still be fit enough to continue in this year's tournament? The remaining competitors are taking on snowcross and the one who gets down the mountain the slowest will be facing *The Jump* eliminator to try to stay for another week. Davina McCall hosts. ★★★★★

### NEW SERIES

## Girls

10pm, Sky Atlantic

Love her or loathe her, you can't deny that writer and actress Lena Dunham has caused quite a stir since she found fame with this comedy drama. It's been almost five years since we were introduced to the four feisty New York twentysomethings. Now, in what seems a mere New York minute later, we're bidding a fond farewell to Lena's series. Yes, there are only ten episodes left before it comes to an end for good. This time around, the series is set six months after we last saw the fab four. Hannah is finally getting some success following her triumphant return to form at

storytelling event Moth Story Slam. Then she accepts a big-deal writing job about a female surf camp in The Hamptons and makes a new friend who has a lasting effect on her. Meanwhile, Marnie and Ray have reignited their on-again, off-again relationship (hurrah!) but things are already becoming complicated between them (boo!). Marnie is now divorced and tries her best to break some bad habits. But grumpy old Ray (does he ever actually smile?) is slowly getting hacked off with having to live with Jessa and Adam's intense relationship. ★★★★★

## SAS: Rogue Warriors

9pm, BBC2

Presenter Ben Macintyre goes back in time to explain more about how the SAS came to be in the second episode of this fascinating three-part series. He takes a look at a doctor's notes to see how early SAS members coped in the 1942 North African desert. Then he looks at how the SAS prepared to fight Hitler across Europe. ★★★★★

## James Martin's French Adventure

3pm, ITV

James' journey takes him to the glitz of St Tropez. Cooking in true St Tropez-style aboard a yacht, he makes the most of the local seafood, cooking "en papillote". He also learns how Brigitte Bardot transformed the town from a fishing village to an international hotspot, before visiting chef Michel Roux. ★★★★★

### Celebs Go Dating

10pm, E4

The last series was everything you'd expect when cameras followed a bunch of reality stars around on dates — compulsive but car-crash viewing — and it's back again for another series. Every night this week, seven famous (and some barely recognisable) singletons are on the hunt for their other half. This time, it's the turn of former *Hollyoaks* actress Jorgie Porter, *I'm A Celebrity* runner-up Ferne McCann, *Celebrity Big Brother* winner Stephen Bear, Diversity dancer Perri Kiely, Pussycat Doll Melody Thornton and Kim Kardashian's creepy-faced pal Jonathan Cheban

to search for love. And either he's a glutton for punishment or the money was just too good to turn down, but Joey Essex is back after failing to find the love of his life in season one. Each star is put in the care of no-nonsense matchmakers Nadia Essex and Edén Blackman for a series of events and then one-on-one dating. And their receptionist Tom is also returning to lend a shoulder to cry on when the dates go wrong. Highlights include Bear running away from two of his dates and Ferne being told she has big legs by a potential suitor. ★★★★★

### NEW SERIES

## Madam Secretary / The Kettering Incident

10pm, Sky LIVING / 10pm, Sky Atlantic

There's a double bill of American drama tonight, with one new series and one return of a new-ish favourite. With President Trump making so many headlines of late, it seems fitting to kick off the night with the third series of *Madam Secretary*. It's the fictitious tale of Elizabeth McCord, the US Secretary of State. Téa Leoni returns to the role and if there's a political situation to be dealt with, she's the one to solve the problem. Morgan Freeman directs the season three premiere, which finds Elizabeth urging President Dalton to take another look at his approach to

climate change. Next up is new Australian series *The Kettering Incident*. Elizabeth Debicki (from *The Night Manager*) stars as Anna Macy, who moved away from her hometown as a teen after the disappearance of her best pal. She's making her return 15 years later but finds her old stomping ground a different place. Struggling to survive, the town has marked its surrounding forests for logging, but this has led to violent clashes with environmentalist groups. And when another girl vanishes, Anna investigates the case herself to try to learn the truth. ★★★★★

## June Brown at 90: A Walford Legend

8.30pm, BBC1

There are not many stars of *EastEnders* who have been in the show from almost the very beginning. Ian Beale holds the record as the longest-serving cast member, but Dot Cotton isn't that far behind as she first appeared in episode 40. At the ripe old age of 62, she joined the cast and apart from four years in the 1990s when she took a break, she has been in it ever since. To help celebrate her 90th birthday, actress June Brown has this half-hour programme dedicated to her as the Walford legend discusses her life and career. Back in the day, June began her days in

theatre and she reckons she was only given the job in Albert Square because she was punctual and arrived for the audition on time. Plus, she liked cigarettes! She also reveals that on the same day, her horoscope told her that she would have some spectacular success – and the date in question would turn out to be June's first day on the *EastEnders* set. The show features interviews with June's fellow cast members, including Danny Dyer, Adam Woodyatt, Gillian Telford, Rudolph Walker, Lacey Turner and Natalie Cassidy. ★★★★★

## Piers Morgan's Life Stories

9pm, ITV

Gobby Piers rants so much on *Good Morning Britain* and Twitter and talks over so many guests that you actually forget that, as an interviewer, he can actually be very good. Love him or loathe him, it's hard to hate his *Life Stories* programme. In this penultimate edition, he has a one-to-one interview with Boy George. There are very few stars who have lived such colourful lives as the singer and come out the other side still smiling. He first found fame back in 1982 with Culture Club and the song *Do You Really Want To Hurt Me* and they went on to have a string of massive

hits around the world. However, there were downs as well as ups. Heroin addiction and time spent in prison threatened to derail his showbiz career. But while other 1980s superstars like Whitney Houston, Michael Jackson and Prince all died from drug-related deaths, George has overcome his problems and has never looked healthier. Tonight, he talks to Piers about his heyday back in the 80s, his dark times and how he tackled some of his demons while still emerging as popular as ever with the public. ★★★★★

# THE LAST WORD

## Colin The Caterpillar

The nation's favourite party animal tells us about his wedding to Connie and taking selfies with Becks...

**The last three things I bought on my credit card...** were Connie's engagement ring and my snazzy new wedding shoes and top hat.

**The last time I laughed until my belly hurt...** was when Connie and I were piglet-sitting for Percy Pig and Penny. Those mischievous little piglets do make me laugh!

**The last date I had...** was a cosy night in with Connie.

**The last birthday party I went to...** was my mate David Beckham's. He posted a great pic of us on Instagram. I do love a selfie. I have to admit, I'm quite popular and I do get a lot of party invites. I've been to about seven million bashes around the globe.

**The last time I cried...** was when I proposed to Connie and she said yes.

**The last lie I told...** was when I told Connie I was going to my allotment - but really I was going to the jeweller's to buy her ring.

**The last person to make me blush...** I'm not telling!

**The last time I danced until my feet hurt...** was at our wedding. Connie insisted that I wear wedding shoes instead of my usual trainers. All 12 shoes were pinching by the end of the night.

**The last film I saw...** was *Sing*, but I found all those talking animals and bugs a little far-fetched.

**The last person I texted...** was Percy to tell him not to forget the rings. He was my best man.

**The last time I did something romantic...** was when I proposed. It's not easy to get down on one knee when you have 12 legs, but I went traditional for Connie.

**The last meal I had...** was a leafy salad from M&S for our wedding breakfast. Connie likes to cook, but I prefer outside catering.

**The last present I bought...** was some flowers for Connie. But they don't last very long at our house if Connie gets peckish.

**The last song I sang along to on the radio...** was Underworld's *Born Slippy* by "Larvae, larvae, larvae!"

**The last time I got dressed to the nines...** was when I got my old mohair jacket out of the mothballs to go and see *Madam Butterfly*.

**The last time I said I love you...** was to Connie, of course. ■
