IT'S THE BELLEND OF THE WORLD!

Life to be 'wiped out' by **COCK-SHAPED** asteroid

By **SIMON DEAN**
simon@sundaysport.co.uk

HUMAN civilisation is on the brink of being wiped out – by a massive asteroid shaped like an immense COCK 'N' BALLS!

A phallic space rock larger than the Empire State Building is on collision course with the Earth, NASA warned last week.

When the asteroid hits – with the power of more than ONE BILLION Hiroshima bombs – it will instantly vapourise an area the size of Peru.

It will also throw up enough debris to cover the entire planet to the thickness of a 1987 Inner London telephone directory – smothering crops and insect life.

Disaster

The dust will also block out the sun for more than 200 YEARS, leading to a new Ice Age and the sea freezing as far south as the Canary Islands.

The rock – 2015 BN509 – came close to Earth earlier this month when it flew past at 44,000mph.

Nasa has labelled the asteroid, which about 660ft wide by 1,310ft long, as 'potentially hazardous'.

The asteroid was caught flying close range by a radio telescope called the Arecibo Observatory.

Dr Edgard Rivera-Valentin, a scientist at the observatory in Puerto Rico, said: "The shape comes from the fact that it is a contact binary where two parts could not successfully orbit each other and fell back together."

The boffin added that early international cooperation could save the world from disaster.

He explained: "An asteroid impact, unlike other natural catastrophes, can actually be avoided."

"The data from Arecibo can be used by Nasa to inform a planetary defence mission."

Space cock will hit with lethal force

Gender quiz in council's road survey

COUNCIL taxpayers were asked about their SEX LIVES in a survey about ROADS!

Bemused residents were quizzed on whether they are "Gender Fluid" or "Non-Binary" in a survey issued by Cornwall Council.

Officials asked people about how they 'described' their sex as part of its "Equality Monitoring Questions".

But an ex-Mayor of Truro and current councillor criticised the questions, describing them as irrelevant to the issue of a levy on local buildings.

Councillor Armored Carlyon said: "I am disappointed that Cornwall Council feel it necessary to include such irrelevant and what I consider to be offensive questions in their online surveys."

Mrs Carlyon added: "My sex and gender details have no relevance whatsoever to my response to the consultation."

"I am not clear as to who authorised them to include questions of such a personal nature but I sincerely hope that it will not happen again."

The Council said its monitoring was important to understand its customers.

Customs seize women's cocks

AIRPORT border guards stopped two women trying to smuggle 13lbs of HORSE COCK through customs!

Customs and Border Protection officials searched the women travelling from Mongolia at a routine inspection.

The horse cocks – with bollocks still attached – are considered a delicacy by members of the Mongolian community.

But the dobbie knobs were only part of the package. All told, the women attempted to smuggle 42lbs of horse meat and a gallon of yak milk at Washington Dulles International Airport.

Horse meat is prohibited from entering the United States unless accompanied by an official government certification from the country or government where it originated.

The women were not arrested, but the products were incinerated.

**ENDERS STAR'S NO1 FAN SENDS
GOODWILL MESSAGE TO HUNK**

By JESS GALLEY jess@sundaysport.co.uk

VICE babe Kat Lee has offered her support to troubled soap star Danny Dyer while he's away from Albert Square.

Danny, 39, was reportedly forced to take some time out from BBC One soap *EastEnders* this week, amid rumours over his drinking.

An inside source said: "The producers think it is best he takes some time out to sort his life out. He appears exhausted."

And Sunderland-born hooker Kat, who is a huge fan of the cockney geezer, told us she's rooting for the actor to get back on his feet.

The £1500-a-night call girl, who specialises in kinky fetish acts and bum love, has offered to treat him to a cheeky flash.

She said: "I really like Danny and when I met him he seemed like such a nice bloke, so it's crap to hear he's having such a hard time."

"I'd just like to tell him that he has my full support and I hope he is back on *EastEnders* soon."

"I would offer him my services as a reward, but I know he's newly wed so I wouldn't want to

THE man once tipped to become the next leader of North Korea is assassinated at an airport.

Kim Jong Nam would have taken over from his loopy dad but was caught trying to sneak into Disneyland in 2001.

The North Koreans might be batshit crazy but they weren't going to stand by and let an overgrown kid who still watches cartoons run their country.

The Americans, on the other hand....

EX-EMMERDALE actress Lisa Riley breaks down on ITV show *Loose Women* while discussing the folds of excess skin left by her dramatic weight loss.

The 41-year-old ref has often been accused of letting the fame go to his head but that won't be a problem where he's going.

Partly because he won't be famous refing games in the middle of a f**king desert.

And partly because as soon as he red cards some lad who's related to a ruling sheikh, he won't have a head.

THIS Morning host Ruth Langford accuses hubby Eamonn Holmes of dressing her up like a saucy secretary during a fashion item on the ITV show.

Insiders says Eamonn loves Ruth to dress like that in the bedroom for some role play where he's the domineering boss and she's his VERY attentive personal assistant.

But sadly he always jizzes at the point where she brings in the coffee and biscuits.

I FOUND MY OLD NOKIA IN ROLLS OF FLAB TEN YEARS AFTER IT WENT MISSING

...and it still had a bar of battery left!

By SIMON DEAN

simon@sundaysport.co.uk

LARDY Linda Johnson knows all too well why the Nokia 3310 is the world's most reliable mobile phone...

Because she lost one in her rolls of FLAB and didn't find it until TEN YEARS later.

What's more, the indestructible handset even had a bar of power left!

Single Linda, 45, spoke out after HMD Oy Global, a Finnish manufacturer with the exclusive rights to market the Nokia brand, announced they were to relaunch the classic phone.

The unemployed 39-stone former cake shop assistant lost her Nokia while "having a few pizzas" at her Birmingham home in 2004.

She recalled: "It was just at the time that my eating was really taking off.

"I regularly ate four 12-inch pizzas at a sitting. I remember waking up after one feast, burping and looking for my phone. I looked high and low but couldn't find it anywhere.

"I put it down to experience and bought a new one. I never thought of it again – even though it was a brilliant phone."

Grub

As time went on...and the pounds piled on, Linda lost her job and became bedridden. Carers paid for by the taxpayer were employed to wash her twice a week, while family and friends brought her grub.

She said: "I got up to 54 stone at one point and thought I'd never leave my bed again.

"I'd always been a big girl and working in the cake shop just added to my problems. I got to take all the unsold cakes home at the end of the day – which

was asking for trouble.

"I became too big to fit behind the counter at the shop and I was beginning to smell a bit like bad mince. That's not a smell you want around a food establishment.

"In 2010 the doctors diagnosed me with Tannhauser-Goole Syndrome, which means I can eat much faster than I can shit: weight gain is inevitable.

"And as I have such a sweet tooth, I was scoffing sugar-laden snacks which went straight onto my arse and hips."

But in 2014 – after almost 10 years in her pit – Linda was inspired by a new carer, who encouraged her to stand up.

She said: "It was an effort but I managed it. Then my carer began washing in the folds of flab which were a bit grubby, to be honest.

Amazing

"There was suddenly a thump on the floor. My carer – her name was Elenora – said 'Oh, what is this?'"

"It was my phone, after all those years! And it still had a bit of power left! What an amazing piece of electronic engineering."

Linda is now well on her way to her target weight of 30 stone and is earning again as a plus-size nude model – and she's still using her trusty Nokia.

She said: "That phone falling out of my flab was like a sign."

The original version of the 3310 was retired in 2005, at which point, according to Nokia, it had sold 126million units, making it the world's best-selling phone.

The phone gained a cult following due to its impressively long battery life, indestructibility, and the addictive game *Snake II*.

Zahida Shore that doggy is best for a bonk

GEORDIE Shore star Zahida Allen loves to be BONKED from behind.

The reality scorch, 22, revealed that when it comes to sex, there is one position that never fails to make her climax.

Newcastle lass Zahida (above), who is currently starring on MTV's *Ex on the Beach*, said she loves to be bent over and shagged doggy style.

She admitted: "My favourite sex position is doggy – boring but effective."

While Zahida's debut on *Geordie Shore* is yet to air, she has already shagged on telly after romping with now-boyfriend Sean Pratt on *EOTB*.

The couple wasted no time hopping into bed with each other on their first night in the villa – and they are still dating now.

And their X-rated antics have continued off screen, as Zahida shared a naughty video of her wanking Sean off with her Instagram followers last month.

Teachers' 'f**k' game is filmed

SIX teachers have been reprimanded and a school secretary has resigned after they were secretly filmed in a pub discussing which pupils they would like to have sex with!

The seven staff were recorded by a customer as they played a game of "F**k, marry, kill" while discussing their students.

In the game, players must decide who they would rather have sex with, who they would marry, and who they would kill, after being given a list of names.

In the covert video, one man says: "I would totally marry [student's name] because she never even brought up that I was wasted on the bus trip... she can keep secrets."

The footage was taken in the Bangor Tavern Bar and Grill, in Michigan, and posted on YouTube – before reprimands and the resignation were issued.

It's the bellend
of the world
as we know it

PINKO liberal bunny-hugging Remoaners would have us believe that the actions of President Trump will lead to the End of the World.

Either that, or they bellyache that "man-made climate change" will cause our eventual doom.

These leftard cretins are wrong.

The puny efforts of Man are but pinpricks on our ancient planet.

Real devastation can only come from above – in the form of huge space rocks which hurtle around our Solar System like drug-crazed joyriders on a housing estate.

It was one of these space rocks which killed off the dinosaurs, some 75 million years ago.

And today Sunday Sport reports that Armageddon will come in the shape of a cock-shaped asteroid hurtling towards us at 50 times the speed of sound.

Explorers from alien worlds may one day look with bemusement on fragments of our old civilisation.

And they may have a smile at the thought that humanity was wiped from existence by a giant cock 'n' balls!

Scum mum masks
are a taboo too far!

HERE at Sunday Sport we have long been champions of sexual freedoms.

We firmly believe that all consenting adults should be free to do more or less what they like in the privacy of their own – or each other's – bedrooms.

And we are not like most other newspapers who appear to stand in judgment of other people's peccadilloes.

But...

We have to raise a concerned eyebrow at the new trend where women don masks featuring shamed 'Mum From Hell' Karen Matthews for sex orgies.

At these same X-rated parties, men wear masks featuring the vile face of Matthews' former boyfriend, Craig Meehan.

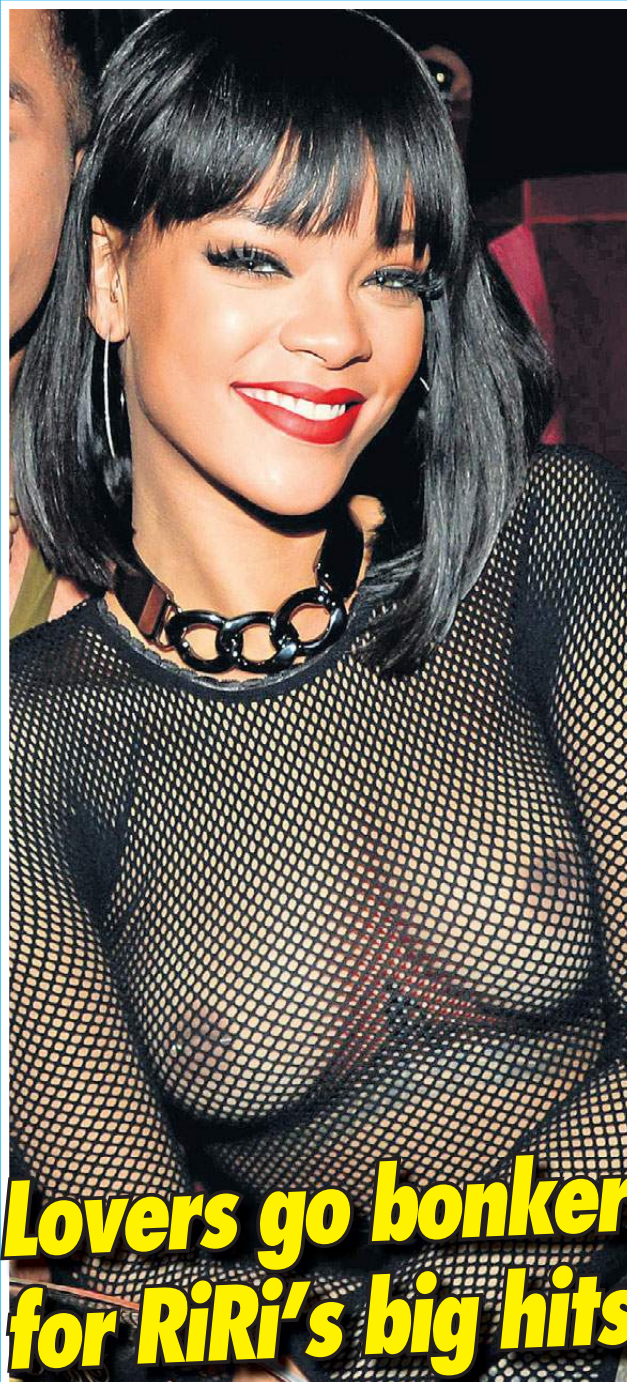

How can this be right?

This pair were embroiled in the furore surrounding the abduction of little Shannon Matthews.

They should not feature in anyone's sexual fantasies – let alone at a gang bang!

HERE'S the reason Rihanna is the musician that most people listened to when they were playing hide the sausage on Valentine's Day...

Lovers who planned to celebrate Valentine's Day with some music in the bedroom took part in a survey – and most opted to do it to Rihanna.

Leading streaming service Spotify

The top choice was Rihanna's *Sex With Me*, a track off her latest album *Anti* in which the racy singer boasts of her prowess in the sack.

One fan said: "Rihanna makes my wee-wee point up. But I don't have a girlfriend. Well...not a real one."

Kate shows off her VERY athletic figure in skinny jeans as she plays jumping games with the Air Cadets during a team building exercise

PALACE courtiers were being comforted last night after Princess Kate was falsely accused of enjoying ANAL SEX.

And the ghastly slur was not scrawled on a lavatory wall or posted on a far-left republican chatroom – the revolting aspersion appeared on the website of the once-respectable DAILY MAIL newspaper!

The rumpus started innocently enough with a series of photographs taken of the much-loved Duchess of Cambridge as she visited Air Cadets at RAF Wittering near Peterborough, Cambs.

The fashion-conscious Royal was sporting a designer £760 red blazer by Philosophy di Lorenzo Serafini twinned with a pair of black skinny jeans, which showed off her toned figure.

But the pics proved far too much for some excitable *Mail* readers, who are often drip-fed a pictorial diet of "all grown up" nymphette celebrities online.

vile comment: "You just know where she wants it."

The sickening post was a none-too-subtle reference to bum – or 'taboo' – sex.

And another *Mail* reader, MintyMarlfox of Birmingham, leered: "She's going to make a great QILF one day".

"QILF" stands for "Queen I'd Like to F**k". One *Mail* insider said: "There was a time when we stood for good manners, mild racism and house prices."

Girl's Allison 'nervous' over masturbation

GIRLS star Allison Williams said the only sex scene that ruffled her feathers was a kinky SELF-LOVE segment.

The 28-year-old actress (above) – who plays Marnie Michaels in the HBO series – has had to film a number of sex scenes in the comedy drama and now doesn't "bat an eyelid" at any of the racy parts.

The brunette said: "I am so accustomed to sex scenes, having the weird distinction of having done the most on *Girls*."

But she felt "nervous" when she read in the script she had to pleasure herself on screen, which led her to seek advice from her co-star and writer Lena Dunham.

Allison said: "Lena asked if I wanted to talk about it and we stepped into her dressing room. It was two girls pretending to masturbate. I thought 'My job is so weird'."

Blowjob in court babe is fingered

A WOMAN who posted a video of herself on social media sucking off a man inside of a courthouse has been arrested.

Brittney Lohell Jones (above), 26, had been wanted by authorities on a charge of an unnatural and lascivious act inside the Duval County Courthouse in Jacksonville, Florida, and was nicked after cops were tipped off about her whereabouts.

Jones appeared smiling in court with purple hair. Her lawyer defended her against the charges.

Attorney Jerry Sessions said: "I have serious questions about the applicability of the statute to the facts of the case as I know them."

The man being sucked off, Jeremiah Isiah Robinson, 35, had already turned himself in and entered a not guilty plea.

The video surfaced online in January, showing Jones gobbling a man in front of a courtroom.

Afterwards, she posted a message on her Twitter account, which read, "Found a way to get my charges dropped."

Most of her fans revel in being invited into the *Our Girl* star's blessed existence – but some choose to abuse that intimacy in the most bestial ways.

A pal of the star said: "Celebrity or not, nobody should be forced to endure this level of filth!"

THREE NICKED OVER ORGY PUNCH-UP

THREE people were arrested at a casino after a fight broke out over an ORGY!

A couple and a woman had planned to meet up for the tryst after leaving Rivers Casino & Resort in Massachusetts.

But a brawl erupted when one of them apparently wanted to include a fourth person, city police spokesman Sgt Matthew Dearing said.

Elizabeth Araiza, 49, was charged with disorderly conduct and resisting arrest.

Violent

Her husband Dmitri Houff, 62, was charged with resisting arrest.

A 21-year-old woman, who has not been named, was charged with disorderly conduct.

It was unclear who made the initial approach for sex and who suggested the fourth person.

A criminal complaint alleges

OUT OF LUCK AT CASINO: Araiza and her hubby Houff

the 21-year-old woman engaged in "violent and threatening" behaviour when she threw a drinking glass in the bar area of Duke's Steakhouse during the fight with Araiza.

The court papers also indicate that Araiza continued fighting even after police arrived and later refused to comply with their commands to get up from

the ground after she had been handcuffed.

Records indicate that Houff "interfered with officers by refusing to comply with verbal commands to leave the area and standing in their way as they were attempting to escort his arrested wife out of the casino."

The three were released to appear in court at a later date.

Veal get our own back for fiver moans

PRO-MEAT activists have started a petition asking the Bank of England to make new fivers out of VEAL – to upset vegans!

Militant carrot-chewers kicked up a stink last year when they found that tiny amounts of tallow – an animal fat – were used in the manufacture of the new notes.

Last week the Bank of England told the crazed nut-munchers to take a running jump when they announced that the notes would NOT be withdrawn.

But now carnivore zealots want the Bank to go further and use veal – the flesh of baby cows – in any new currency.

Meat fan Paul Vance of Norwich, who started the petition, raged: "I'm sick to the back teeth of these pasty-faced vegans bellyaching about every little thing."

"We should put veal into bank notes – just to piss the beardy bastards off."

"And panda, too. Panda would be good."

THE NEW CRAZE CHANGING

SWEEPING BRITAIN

ROOM FLASHERS!

By SIMON DEAN

simon@sundaysport.co.uk

YOU'RE waiting for the missus outside a women's changing room, trying not to look like a pervert – but failing, because the shop's roasting and you're sweating like Jimmy Savile at an under-10s swimming gala.

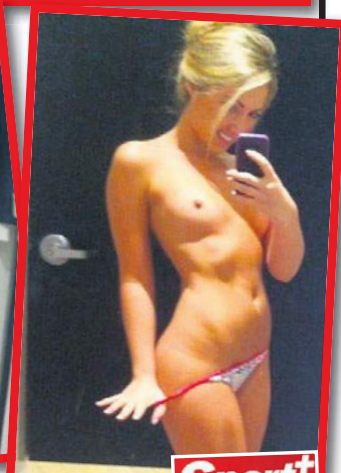

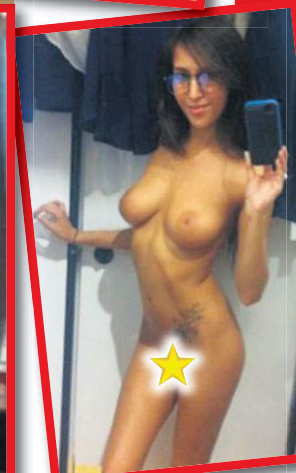

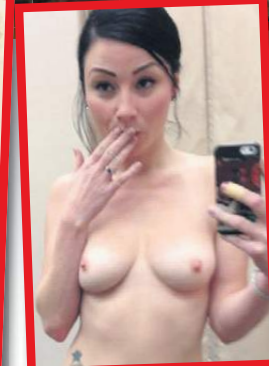

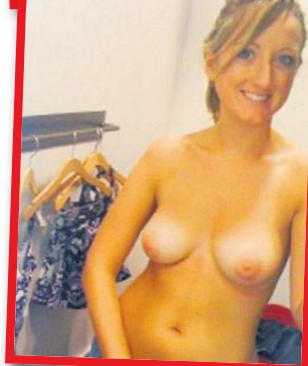

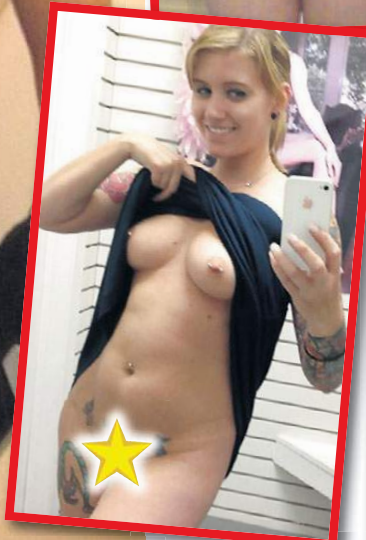

And the question pops into your head: What the jiggering F**K is she doing in there?

Interests

Well, now we have the answer: taking selfies of her BUSTERS!

An amazing new trend has emerged, naturally encouraged by social media, whereby young ladies snap piccies of their boobs in changing rooms and share the photos online.

In the interests of research, we've collected some of the more notable examples...

YOU couldn't imagine *Coronation Street* dope Chesney getting within sniffing distance of ex-girlfriend Sinead Tinker if she looked like this! But this is how Sinead actress Katie McGlynn looks when she's out and about on the town. And the 22-year-old showed fine side-teat along with a hint of outer boob as she partied with pals. An onlooker said: "Sinead's quite sweet but she's nowhere near as glam as real-life Katie. And you never see that much boob on Corrie!"

Nude girl's 'good crack' exposure

COPS have arrested a woman after she tried to break into a man's home while showing off her MINGE.

Responding to an emergency call, officers found Felicia Green (*above*) outside a block of flats, wearing just a shirt and exposing her privates.

She was shouting obscenities at the man who lived at the address, scolding him for calling police as "he didn't want any of this good crack I got in my c**t."

The man told officers Green used a bottle to break a window in his apartment in Chattanooga, Tennessee, before trying to climb in through broken glass.

Police have since charged Green with indecent exposure and two counts of vandalism.

PLANS to smear DOG MESS collected from London's parks in areas frequented by rough sleepers have been branded "barbaric and unworkable" by homeless charities.

FLASH TW*TS FOXED BY SUPERCAR SCAM

SPOT THE FAKE: A Toyota passed off as a Ferrari

COPS nabbed a crafty gang of wide boy Arthur Daleys who were flogging clapped out old Toyotas as flash FERRARIS!

The criminals targeted cut-price Flash Harry types who wanted a supercar at a bargain basement price.

Gullible punters answering the gang's ads and shelling out £35k for a Ferrari or Lamborghini ended up with a Toyota MR2 "hairdressers' car" wearing a body kit.

Police arrested three people after raiding a 'sweatshop' garage in Girona, northern Spain.

The raid found counterfeit Ferrari F355s as well as F430s powered by 2 litre and 2.5 litre engines. Other cars included

the Ferrari 360 and Ferarri 348.

The bodies were moulded using fibreglass and all the faces on the clocks and dials were printed out and stuck over the existing units.

The gang also stuck fake Ferrari and Lamborghini signs on each of the cars.

Police became aware of the gang after one of the cars was offered for sale in Benidorm, through a number of websites, for approximately £35,000.

The cars were all supplied with fake registration documents.

One cop said: "If you're the sort of flash c**t who lusts after a supercar, you deserve all you get."

Cannibal cop: I still search for human recipes

A POLICE officer dubbed the "Cannibal Cop" during a bizarre court case is still fascinated by human flesh, he revealed.

Former New York officer Gilberto Valle (above) was acquitted in 2014 on charges of planning to kidnap, kill, cook and eat women.

He was arrested after colleagues found he'd been trawling the web for cannibal cookbook sites.

The "Cannibal Cop" spent 21 months in jail after a jury convicted him in March 2013, when prosecutors produced evidence of his net searches for "human meat recipes."

His conviction was overturned on appeal in July 2014 and he was freed.

Valle admitted to still logging onto the sites and added:

"There's nothing illegal, there's nothing wrong with that. What I do at home is my business."

"It's not a crime to fantasise about people you know."

VALENTINE'S HORROR

Roses are red, violets are blue ...I caught the missus sucking off my granddad!

IT'S A FAMILY AFFAIR: Helen with Alf before his operation

LOVE'S YOUNG DREAM: Helen and Peter pictured together five years ago

ROMANTIC Peter Sugden thought he would surprise his wife Helen by coming home from work early on Valentine's Day – with a bunch of flowers for her.

But when he arrived at the couple's neat two-up two-down terraced home in Huddersfield, W Yorks, it was Pete who got the surprise...

Because his 83-year-old GRANDAD Alf was nudging his wife's TONSILS with his old wrinkly cock!

Speaking from the boozier where he went to recover from the shock, plumber Pete told our reporter: "If I'd caught any other bloke being sucked off by my missus, I would have

deked him on the spot. "But you can hardly hit your own granddad, can you. Especially at his age. In a way, I'm rather proud of him for being able to get so much as a semi-on at his time of life."

Bladder

"But as for Helen, she can f**k off, the f**king slag."

As he sank more comforting lager, Peter told *Sunday Sport* that he and Helen had taken in his grandfather who was convalescing after a bladder operation.

He said: "The house smelled

like a gents' toilets for six months, but Grandad seemed to be getting better.

"Clearly he was, because he was well enough to get sucked off by my f**king wife. On Valentine's Day, too!"

Last night Helen begged Pete to return.

When *Sunday Sport* contacted her, she said: "I'd had too much cider and I thought to myself that it would be nice to suck off Pete's grandad."

"I now know that was a bad idea, of course."

"I would never do it again." Alf is believed to have gone on pensioners' holiday in Spain "while the dust settles".

Cock ring sex is top priority at uni

BOFFINS at a top university are asking for volunteers – to wear COCK RINGS!

Scientists at Kings College, London, are looking for men willing to wear a variety of rings over their cocks "to measure the relationship between satisfaction and depth of penetration during sexual intercourse".

The research effort comes from

the uni's Institute of Psychiatry, and is officially dubbed *Am I Normal? Investigating the Relationship between Penis Length and Sexual Satisfaction*.

The study has the full approval of the Psychiatry, Nursing and Midwifery Research Ethics Committee.

Specifically, the scientists are aiming to recruit heterosexual

couples that "have been in a relationship for more than six months and who have intercourse at least twice a week".

The recruitment blurb says "couples will be required to have intercourse whilst using a penile ring which limits the depth of penetration" – and they are required to complete a detailed questionnaire after every bonk.

High-on-drugs homeless girl fined for strip in city centre

A WOMAN high on drugs stripped NAKED in a city centre in the middle of the day.

Members of the public rushed to cover Carol Sinnott with their coats in Derby city centre on January 11.

The 48-year-old, currently living at a homeless shelter, said she had earlier been smoking a Mamba joint – an illegal high.

But Sinnott admitted knowing very little about the stripping incident, which was reported to the police.

What was previously a legal high in the UK has recently been changed to an illegal Class B drug.

"This lady was completely naked," said Peter Bettany, prosecuting.

"Members of the public hid her by holding coats over her body, but people were distressed. She could not explain why she did it – or explain what caused it."

At Southern Derbyshire Magistrates' Court, Sinnott pleaded guilty to one charge of causing harassment, distress or alarm in a public place.

Along with being handed a community order, she was told to pay £85 court costs and a £20 victim surcharge.

Hi Hunn...fancy some beaver?

MEAT-LOVING Germans have developed a taste for eating BEAVER!

The big-tailed woodland creatures were once almost hunted to extinction in Germany, so were given special protection.

Although still protected, they can be hunted for food and in 2015 nearly 1,500 were slaughtered.

The protection policy means beavers cannot be sold commercially or served in restaurants.

But beaver can still be dished-up at private venues, like sports clubs.

There are now around 30,000 beavers across Germany – 20,000 of them in Bavaria alone.

Beavers cause fields and meadows to flood, and they cut down trees to make their homes.

If damage becomes too great, they may be hunted with permission from the responsible authorities.

WHEN *Playboy* banned nudity last year, *Sunday Sport* said the idea was as daft as selling steak and kidney pies without steak. Or kidney.

Execs at the men's mag reckoned that axeing photos of naked women would attract more mainstream fans and advertisers.

Thankfully, the people who came up with that idea have been exposed as halfwits and sanity has been restored.

Next month's mag will feature topless "Playmate" Elizabeth Elam as Miss March 2017 with the headline: "Naked is normal."

Cooper Hefner, the son of founder Hugh, took over as chief creative bod at *Playboy* last October.

And he was said to be an opponent of the decision to ban nudes.

Smoking-ban lags spark up football pitch grass

PRISONERS are grabbing handfuls of GRASS from a jail football pitch and using it to make homemade cigarettes, following a smoking ban in jail.

Inmates at HMP Channings Wood, Devon – which introduced a smoking ban last year – make illicit cigarettes by drying out the grass and mixing it with tea from teabags.

They then tear out paper from library books and add the 'tobacco' mixture before making 'roll-ups' and puffing away in their cells.

Because lighters and matches are also banned, lags are cutting through the flexes of in-cell kettles to get a spark – risking a potentially fatal 240V shock – to light their contraband fags, a prison report revealed last week.

A report into the prison from the HM Chief Inspector of Prisons out last week said that there is a 'constant shortage of kettles' at the jail, because of lags keep cutting flexes and wrecking kettles.

It also states that many prisoners are turning to hooch – homemade alcohol – and former legal high Spice since the smoking ban came in, as a substitute for cigarettes.

Tramp pulls pudding at a woman's window

A TRAMP who stood outside a woman's bedroom masturbating furiously had just been released from jail for a similar offence, a court heard.

Dishevelled-looking Archie Lagos, 50, appeared in court in handcuffs after being arrested.

He pleaded guilty to an offence of committing an act of indecency and applied for bail.

According to court documents, a woman was at home when she spotted Lagos standing on the footpath outside.

He pulled his pants down, exposed himself, and began masturbating while looking at the woman.

He then began walking across the road towards the victim's home, stopping about 10 feet from her window.

After that, Lagos walked across the road, still masturbating.

Magistrate Alan Railton refused him bail at Newcastle Local Court, Australia, and adjourned the matter to April 6.

TERESA PUT MRS MAY IN NUMBER 10

Glam legend was central to PM's rise, says shocking new biography

NAMESAKES: Prime Minister Theresa outside Downing Street (left) and (right) glamour babe Teresa

By **SIMON DEAN**

simon@sundaysport.co.uk

SUNDAY Sport topless model Teresa May played a major part in putting her near-namesake into Number 10, a new book has sensationally revealed.

Theresa May was a little-known member of the Shadow Cabinet when a TV booking mix-up led to her being confused with the busty star of *Teresa Takes 10 Inches*.

Thanks to a bit of crafty spin-doctoring, the wrangle led to Theresa May's public profile soaring – putting her on a trajectory to the highest office in the land.

In her new book, *Theresa May: The Enigmatic Prime Minister*, journalist Rosa Prince reveals how opportunity came knocking for the vicar's daughter in the shape of a 32-year-old model.

She writes: "May had been in her new post of Shadow Education Secretary for only a few weeks when, towards the end of 1999, her secretary got into conversation with Peter Craske, who was covering media for the Education and Employment team."

"He said, 'The person who ran her office at that time said they got these weird letters, saying, 'Congratulations'."

Heroine

"The letters were from fans of the porn movie star Teresa May. Somehow, on hearing the news that Theresa May had been appointed to the Shadow Cabinet, these fans had assumed their heroine had decided to enter politics."

"At one point, May's office even received a phone call from the

Granada Television channel *Men & Motors* seeking to book her (Teresa May having earlier played a nightclub hostess in a show called *Lady Lust* for them).

"Then Craske came up with a cunning plan – one that would both raise May's profile and win her Brownie points by helping the party: He would give the story of 'the other Theresa May' a wider airing."

"Craske said, 'I gave it to the [Daily Telegraph's] Peterborough Column and they put it as their lead story one morning."

Blinder

"It appeared on the Monday, and – blimey – you just couldn't believe it. Everyone picked up on it."

Eventually, the two Mays sat together on the GMTV sofa – and politician Theresa played a blinder.

Prince writes: "In her part of the interview, Theresa said gamely, 'I have to confess I haven't actually seen any of the things that Teresa has been involved in."

"It's up to her how she wishes to earn her living. She may think it's slightly strange that somebody likes to earn their living as a politician."

"Teresa has chosen a career, she's working at it and I'm sure she does her job well."

"With one appearance on the GMTV sofa, Theresa May was doing more than her colleagues had managed in years when it came to challenging voters' perceptions of her party."

"Here she was, a modern woman with a sense of humour, non-

judgmental about her companion's career choice, well-spoken but not posh, light-hearted and approachable."

"At the end of their discussion for the television cameras, the pair were said to have enjoyed their conversation so much that they kept it going over coffee in a nearby cafe."

A Conservative Party insider said: "Margaret Thatcher once said, 'It's a funny old world'."

"She would chuckle at the thought

that one of her successors got into Number 10 thanks to a porn star."

Randy cops 'had a bonk in car park'

A PAIR of randy cops have been accused of repeatedly abandoning their beats to have sex while on duty.

Officers Eman Fondren and Rebecca Martinez, have been indefinitely suspended after an internal affairs investigation revealed they manipulated the GPS units in their cruisers to engage in "sexual misconduct".

In one such incident Fondren and Martinez allegedly met in a DIY store car park

But their lawyer said that the DIY store surveillance video captured his clients and that they weren't together long enough for anything of a sexual nature to take place.

Days Fondren and Martinez — both of the San Antonio Police Department in Texas — allegedly met at a friend's house before the latter was sent on a call out.

Fronden allegedly texted Martinez later saying: "Wished we would of had that place the first time. Better than doin it in a prkin (sic) lot lol."

Their lawyer says evidence against them was obtained illegally and not admissible.

KIM KILLED BROTHER IN ROW OVER EMMERDALE

The **REAL** reason for poison slaying revealed

By BRAD CHADWICK
news@sundaysport.co.uk

DERANGED Kim Jong Un had his half-brother murdered because of a 10-year-old grievance over *EMMERDALE*, we can reveal.

Kim Jong Nam, the half-brother of the North Korean despot, was offed by two female assassins in Malaysia last Monday.

He died soon after being attacked at Kuala Lumpur Airport. It's believed he was squirted with poison from James Bond-style fountain pens.

Mystery surrounded the motive behind the killing, even though Kim Jong Un has had several family members assassinated in a bid to consolidate his hold on power in the barmy Asian nation.

But *Sunday Sport* can reveal that the tyrant had his semi-sibling killed because of a mix-up over a recording of his favourite soap.

Kim Jong Un, a massive fan of Yorkshire-based *Emmerdale*, had

An insider said: "Kim Jong Un was livid and wanted his half-brother executed on the spot. Their father Kim Jong Il – who was still supreme leader of North Korea at the time – had to intervene."

"But Kim Jong Un clearly never forgot and simply waited for his revenge."

A female suspect Doan Thi Huong, 28, was arrested in Malaysia on Wednesday in connection with the killing.

Local police said that the woman was in possession of a Vietnamese travel document. They are looking for "a few" other suspects.

Sunday Sport simply asked whether the cheeky advert was checked before it was inserted into the family-friendly newspaper.

But the paper refused to comment.

Cookery Miss facing jail for bonking lad, 16

A RANDY cookery teacher is facing 25 years' jail for shagging an underage student.

According to cops, Nichole Noel Thiel (above), 48, had it off with the 16-year-old at her flat.

The alleged victim, now 17, disclosed the sexual contact to a counsellor at Lake Pend Oreille High School in Sandpoint, Idaho, in December, and the police got involved.

The lad told cops that prior to the sexual contact, he had hugged to console a distraught Thiel, who was his culinary arts teacher at the time.

The two texting ahead of their sexual rendezvous, which occurred over the Christmas break.

Thiel declined to be questioned by police after consulting with her lawyer.

Thiel is free on bail and a preliminary hearing before local magistrates is set for March 1.

Where can I get my arse probed?

HUMILIATED Anthony Lotz was made to strip naked at the side of the street and had his ARSEHOLE searched – after asking cops for directions.

The 56-year-old (above) asked officers the way in Cape Town, South Africa, but was made to take off all his clothes and stand spread-eagled against the police van.

The spectacle attracted many onlookers, says Lotz, including "many women".

He explained: "Before I could speak to them, they pinned me against the van. One searched my pocket then told me to pull down my pants."

"The most humiliating part was when they gave me a body cavity search."

Police confirmed that Mr Lotz has filed a criminal complaint.

Vile craze sees weirdos wearing Karen Matthews masks for sex

By BARNEY SAMUELS
news@sundaysport.co.uk

WARPED sex people are hosting kinky orgies where women hide their identities by wearing evil mum KAREN MATTHEWS masks.

And blokes at the same sex parties maintain their anonymity by wearing masks bearing the face of Matthews' one-time boyfriend Craig Meehan.

Acting on a tip-off, *Sunday Sport* visited a site on the so-called Dark Web where sex people congregate to share their more outrageous sexual fantasies and experiences.

On the site there were dozens of pictures of what are being called Karen-Bangs.

Bizarre

One participant told *Sunday Sport*: "Yes, it's a bit sick, what with her being involved in the kidnapping of her daughter and that."

"But even though Karen Matthews is a bad 'un, she's quite sexy in a way, isn't she?"

"Meehan, less so. He looks like he shouts at buses."

The bizarre craze, which has been reported at swingers' parties up and down Britain, appears to have been inspired by the recent BBC drama *The Moorside*.

The two-parter told the story of the 2008 abduction of little Shannon Matthews.

Residents of the Moorside estate in Dewsbury, West Yorkshire, joined in the hunt for the nine-year-old.

She was eventually found at the

JAILED: Karen Matthews and Craig Meehan, whose actions inspired TV drama *The Moorside* (below)

home of 39-year-old Michael Donovan, uncle of Craig Meehan – then boyfriend of Shannon's mother.

Karen was jailed for her part in the plot while Craig Meehan was convicted of possessing child pornography which was discovered on his computer during the investigation.

It was established he had nothing to do with the kidnapping.

Car-w*cker gets nicked for joyriding

A MAN awaiting trial on charges that he used council vehicles for sexual gratification has now been accused of joyriding.

Jordan Haskins (above) has been arrested on seven charges related to a nicking cars from a car dealership.

The 26-year-old was already facing charges in relation to an incident in November where he stole a council-owned vehicle and damaged it in order to engage in a sexual fetish called "cranking".

Haskins allegedly told police he likes to pull spark plug wires from cars to make the vehicle run rough, and says the sound helps him climax.

He was also arrested twice in 2010 for allegedly breaking into a local authority garage to masturbate inside cars.

Haskins in Thomson Township, Michigan, has now been charged with five counts of joyriding, destruction of property and breaking and entering as well as car-wanking crimes.

For fox sake, stop the bells

A TOWN has silenced the bells on its 19th century town hall – because the tune upsets a VEGAN!

The instrumental version of the children's song *Fox, You've Stolen the Goose* has been played by the bells at the town hall in Limburg, Germany, since the building was erected in 1899.

The song includes the line: "Fox, you've stolen the goose. Give it back! Give it back! Or the hunter will get you with his gun."

And that's upset a local busybody who says the tune reminds her of poor little foxes being shot.

An unnamed vegan woman who works within earshot of the mechanical bells complained to the mayor of Limburg.

Town spokesman Johannes Laubach said the mayor had temporarily removed the chimes.

SEX SWAP HUNTLEY BATTERED OVER £5 LIPSTICK

VILE Ian Huntley had his "face rearranged" in a fight – over a £5 LIPSTICK!

The evil Soham killer – serving a minimum of 40 years behind bars for the murders of young schoolgirls Holly Wells and Jessica Chapman – recently started telling pals he wants to be a woman.

He has asked fellow lags at HMP Frankland in Durham to start calling him "Lian" and has taken to wearing feminine clothes and girlie make-up.

But the 43-year-old pervert came off worse when he used a cross-dressing inmate's Rimmel Lasting Finish Heartbreaker Lipstick without asking first.

An insider said: "Huntley turned up for breakfast and it was clear he'd been in a fight. In fact, he looked like he's had his face rearranged."

"I asked him what had happened and he said he'd borrowed someone's lipstick without asking and had paid the price."

"He brushed it off as though it were

nothing, but you could tell he was in a lot of pain. He winced as he chewed his cornflakes."

The name of the prisoner who allegedly thumped Huntley has not yet emerged and it's not clear if it is the wronged transvestite or a pal.

Among most cross-dressing and transsexual prisoners lipstick is like gold behind bars and any transgressions involving cosmetics are dealt with severely.

Transgressions

Last month it was revealed that Huntley wanted a sex change so he could spend his life term in a female prison.

Huntley, a ex-school caretaker, was first sent to HMP Belmarsh after being jailed for the 2002 murders of Holly and Jessica in Soham, Cambridgeshire.

He was later moved to HMP Wakefield and then transferred to Frankland in 2008.

A source said: "Huntley's been telling everyone to call him Lian. He's taking pleasure in signing everything for as many inmates as possible with his new name."

DONALD JUMP!

Yank President in bizarre bid to join Channel 4 show

EMBATTLED Donald Trump has ordered lackeys to get him on Channel Four winter sports show *The Jump* to deflect attention from his foreign policy woes.

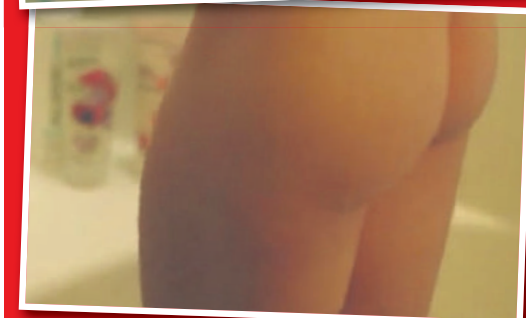

The Yank President reckons that an appearance on the all-action show will boost his popularity. An insider said: "The President yelled, 'Get me on that goddamned Limey ski show. I could replace Bradley Wiggins now he's broken his leg'." "We said he should concentrate on being President, but he quickly reminded us that Barack Obama did that TV show in the wilderness with Bear Grylls. "His mind's set on it – to be honest, I think his old mind's gone." Last week a group of 35 American psychiatrists signed an open letter expressing concerns Trump was too unstable to be Commander-in-Chief of the United States.

EYES FRONT:
Trump tries not to leer at Louise

WARNING 18+ ONLY NOW SEE HER NAKED FREE AT SUNDAYSPORT.COM

DONALD Trump's top economic man spends his day poring over curves and gawping at figures...

And when US Treasury Secretary Steven Mnuchin gets home, it's much the same story – because his fiancée is gorgeous actress Louise Linton.

Scottish-born Louise, 36, has appeared in movies alongside Tom Cruise and Robert Redford.

And in the 2016 film *Intruder*, the stunning blonde stripped completely NAKED –

revealing her pert breasts, shapely bum and even her neat MIMSY!

Ex-banker Mnuchin has boasted of plans to wed Louise on the White House lawn and is said to be worth around £400million.

That personal fortune makes him the richest Treasury Secretary – the Yank equivalent to our Chancellor of the Exchequer – in the history of the US.

On his appointment, President Trump said Americans should know that "our nation's financial system is truly in great hands".

LUMBERJACK Price Wilson, 54, hobbled an astonishing 10 miles on his bleeding STUMPS to get medical help after cutting both legs off while felling trees near Lewistown, Montana.

Serial w*nker tossed out of library

A PERVERT spotted wanking in a library was snared by cops because a security guard recognised him as a serial library masturbator!

Dirty Anthony Triplett (right), 31, was seen with his trousers down, furiously pulling his pud near the anthropology section of the public library in Omaha, Nebraska.

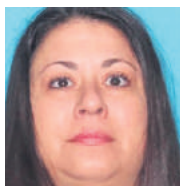

The guard ordered Triplett to stop and pull up his pants. The oddball then fled, but cops soon felt his collar – as the guard recognised Triplett from a similar tossing episode in 2014.

Triplett has now been charged with lewd conduct, indecent exposure and violation of court-imposed orders.

100 AND DONE

EUNICE Bright dropped dead from heart failure brought on by nerves as she was being interviewed for local TV about reaching her 100th birthday in Marion, Kansas.

'Hated' roses rammed up hubby's arse

AN unlucky husband who got his missus the wrong sort of flowers for Valentine's Day ended up with the blooms rammed up his ARSE!

Lionel Pemberton, 45, bought his wife roses – forgetting she hated the romantic flowers and preferred tulips.

Fiery wife Eileen (above) forced the henpecked fella to bend over and shoved the thorny stems up his jacksy – causing anal lacerations that required hospital treatment.

Mrs Pemberton, of Huntingdon, Pennsylvania, now faces charges of spousal abuse and criminal mischief.

Out on bail, she said last night: "He knows I hate roses. The man is an idiot, an idiot, I tell you."

A police spokesman laughed: "This is one of the more unusual Valentine callouts we've received."

"No, I shouldn't laugh..."

Bake Off star PULLS OFF live rabbit's head in front of terrified orphans

BUNNY HABIT: Bakker always rips heads off live rabbits

THE winner of a *Bake Off* style cookery show has been stripped of her title and £1m in sponsorship after pulling the head off a live rabbit . . . in an ORPHANAGE!

Julia Bakker won the 2010 series of Dutch cooking show *Laat de Cakes Niet Verbranden* and became the Netherlands' answer to Mary Berry.

She's made a fortune from personal appearances, cook books and TV shows but her gravy train crashed into the buffers last week.

Bakker, 58, was making rabbit pie

at an orphanage near Amsterdam, and being filmed for the Dutch version of *Children in Need*.

Unknown to the production crew though, she had brought the main ingredient ALIVE and proceeded to yank the bunny's head off, before chopping it up and tossing the bits into a pan.

A source at the orphanage told *Sunday Sport*: "When Julia brought the rabbit out, the children got so excited. But then she pulled the rabbit's head off. There was a stunned silence...and then the screaming started. Some sensitive children wet themselves and we had to hand out quite a few sedatives."

When news got out, Bakker was dropped as the face of a leading flour brand.

She also received death threats from Dutch animal rights fanatics. A spokesman for the divorced grandmother last night said: "This is how Julia has always dispatched rabbits for the pot."

How will she earn a crust now?

MUM GIVES TEENS DOPE

A MOTHER is accused of giving teenagers cannabis brownies and sending them flirtatious messages and topless photos.

Virginia Olson, 37, the mother of a teenage boy herself, was "living vicariously through these 15 and 16-year-old children", according to the mother of one victim.

Olson (right), who lives in Lehi, Utah, was charged with six counts of dealing in harmful materials to a minor and two counts of child endangerment.

Olson smoked marijuana and gave

edibles like pot brownies to at least two teens between November and February, police said.

She also sent two pictures of naked breasts to a group of eight teens. It is unclear whether the photographs were of her own breasts.

The 37-year-old communicated with a group through Instagram, and flirted with them in messages that said they were "hot" or "good looking".

In 2013, Olson was convicted of prescription fraud after she obtained drugs while working at a dentist's.

She is due back in court on March 8.

Sicko facing 10 years for bonking dog

A BUILDING labourer has been arrested and charged with bestiality after he allegedly had sex with a stray dog.

Police said the 58-year-old man was seen by an animal lover using food to lure the female dog, aged about two, into a remote area.

The witness, a 48-year-old woman who often walks her pet at Wong Lung Hang in Hong Kong and visits the stray dogs there, later found that the animal had been sexually interfered with and the man had disappeared.

She described him to cops and the perv was arrested three days later at a bus station in the former British colony, shamefully surrendered to Chinese communists in 1997.

The man was charged with one count of bestiality and will appear in West Kowloon Court.

According to Hong Kong law, a person who commits buggery with an animal is guilty of the crime of bestiality and on conviction faces imprisonment of up to 10 years and a fine of HK\$50,000.

Town Hall's 'ghost' sparks calls to bring in an exorcist

THE mayor of a small town is facing calls to bring in an exorcist after workers became convinced that the council offices were haunted.

A councillor was working late in the town hall when the air suddenly turned cold and he saw the ghost of a small child.

A fellow councillor went to collect the terrified colleague and take him home.

Leandro Martín, the mayor of Vegas del Genil, Spain, initially dismissed the whole thing as a joke but the next day other council staff started to complain about the "inexplicable cold in a particular corridor" and a mechanic was even called in to check the heating.

The mayor said he has been inundated by requests from the residents to call in a priest to conduct an exorcism.

But he insists that "earthly matters" remain his priority, adding: "How can I justify hiring a medium when I have residents without electricity?"

Man moans his wife strips off when annoyed

FED UP Joseph Emmanuel complained to a court that his missus strips **NAKED** every time she gets **ANGRY**.

The 51-year-old baker made his revelation as he stood in the dock defending himself against claims of spousal abuse.

He was hauled to court in Harare, Zimbabwe, by wife, Christine Nyabanga (above) who sought a protection order against him.

He also said that sometimes his wife is possessed by **GOBLINS** and ends up acting wild.

He wailed: "She is my wife and sometimes she goes mad. I do not insult her because I know that when she gets angry she undresses."

"I know she has a mental problem and I am not too fussy about most things. I do not abuse her."

Long-suffering magistrate Sharon Rakafa ordered talk of goblins to be struck from the court record and granted the protection order against Mr Emmanuel.

STIFF DRINKS

BREWERY Ljusdals Bryggeri revealed that their new ale *Kätöl* – which means "horny beer" – sold out within 24 hours of going on sale in Sweden.

BRITISH TAKE OFF: Oldies in C4 show

THE Great British Skinny Dip – Channel 4's show about elderly nudists last week – caused a storm for featuring even more soggy bottoms than *The Great British Bake Off*.

It followed them gathering to skinny dip in the sea and showed an insight into their lives in a bid to attract more people to the pastime.

The documentary featured footage from the last year's nudist gathering at site in Langport, Somerset.

By **BARNEY SAMUELS**

Andrew Welch, marketing director for British Naturism, was shown trying to promote nudity and attract younger recruits to an organisation with a membership that gets smaller and greyer every year.

While interesting, there was rather a dearth of gorgeous babes with firm, young breasts and thick pubic mats.

So today we put that right, with some pictures of naturist events from around the world that really are GREAT...

DEANO ON SUNDAY

See that public transport? Kill you stone dead!

THE received wisdom from the Save The Polar Bear brigade is that if we don't abandon our cars and start using bikes or public transport, the seas will boil and we'll all die horribly.

Something to do with ozone or greenhouses, or something.

Well, I'm here to tell you that this is BOLLOCKS!

For a start, ditching the car and taking to two wheels is akin to booking a trip to the Dignitas clinic in Switzerland.

Buying a bike and all the tight, Lycra kit associated with it is expensive.

Cut out the cost and lie on a railway track. The result will be the same. Gory death.

So we are left with public transport...

And that, we're now told, is just as DEADLY.

Commuters who use public transport are exposed to up to eight times the level of pollutants as motorists, a study has found.

Researchers at the University of Surrey found that passengers are exposed to cancer-causing particulates, which come from dust in the air and vehicle fumes, when windows are kept open on buses and trains for ventilation.

Those in cars are insulated from this by shut windows and air conditioning systems.

The report found that those who travelled on the London Underground experienced the worst quality air levels.

This is because trains on deep lines kick up harmful dust, which becomes concentrated in the air, and these trains use open windows for ventilation.

There you have it. Every breath you take on the bus or London Underground train is another nail in your coffin.

You may as well smoke 80 Capstan Full Strength a day or turn your garden hose on in an electricity substation.

And what a dismal way to go. At least jumping from a suspension bridge or blowing yourself up with gunpowder has a certain drama to it.

If you decided to end it all by travelling by bus, you'll edge towards your Maker surrounded by various sociopaths, scumbags and lunatics who shout at the windows – and smell of wee-wee, sweat, skunk and despair.

So remember, the next time a drug-crazed hippy tells you to leave your car on the drive and take to public transport, he's really saying: "I want you dead."

And, legally, that entitles you to poke out his eyes with a branch.

Brian threatens to sue X Factor mogul

By SIMON DEAN

simon@sundaysport.co.uk

WHEN randy Brian Berry read that *X Factor* tycoon Simon Cowell had bonked glamour girl Alicia Douvall a staggering 11 times a night, he took up the challenge.

Unfortunately, after scuttling missus Alison a creditable four times, 46-year-old market trader Brian's BACK gave way and he had to be rushed to A&E.

Now back on his feet, Brian, of Chorlton, Manchester, said: "I'm going to sue that Simon Cowell. Imagine having sex with that Alicia Douvall bird 11 times!

Consequences

"He must have known she would tell the world and that people would try and copy him."

"As a person in the public eye, Cowell should have realised his actions have consequences. My lawyer says I have a good case – at least I think that's what he said. He doesn't speak English that well."

Brian's wife, a school secretary, is said to be "mortified" that her husband is taking legal action.

Alicia had told gossip tarts mag *Closer* that Cowell is a "sensitive but domineering" lover.

The *X Factor* supremo managed to satisfy Alicia 11 times in one night and knew exactly "how to get inside a woman's head" when he met her at a bar in 2001.

She said: "Simon's favourite position was doggy style and he had a thing about pulling my hair when we were doing it."

"He used to throw me all over and was very good at going down on me. He had no problems making me come."

By **SIMON DEAN**

simon@sundaysport.co.uk

GORGEOUS Holly Willoughby wears a huge number of hats: mother, wife, TV presenter, author and businesswoman.

But the busy beauty has added another, unwelcome, string to her bow...

She has become a target for warped SEX PEOPLE! And today *Sunday Sport* can expose the fiend who slavered over an online snap of 36-year-old Holly and declared he wanted to FINGER her!

Loner

Using the web name 'wavey memes', eccentric loner Nigel Horton posted the explicit comment on blonde Holly's Instagram page.

The unmarried 56-year-old refused to comment at his static caravan home in Wrexham, north Wales.

But we've passed a dossier of our investigation into Horton's sex trolling to friends of *This Morning* host Holly.

#68 DAKOTA JOHNSON

By **SIMON DEAN**

simon@sundaysport.co.uk

WITH *Fifty Shades Darker* in the cinemas, gorgeous Dakota Johnson is basking in the adulation of movie critics.

By **WENDY THOMAS**
news@sundaysport.co.uk

THE revival of 1990s cult Brit flick *Trainspotting* has been HUGE.

But once you've seen it what else is there to do after... 'choose life'?

Maybe – but Television X are saying 'choose Babespotting!'

Babespotting has got a host of filthy British porn stars who do anything and everything.

Who says you need drugs to have a good time?!

Licking

See stars like Lolly Badcock, Angel Long, Michelle B and many more taking the D and licking the V in this classic piece of British parody!

NAUGHTY Gina admits she is devastated at currently being single – because she's gagging to try a bit of **BUM FUN**.

The 25-year-old said she'd love to lose her anal cherry and is on the lookout for a bloke to try it with.

But until then, the 32C Essex-born stunna says she's happy to sort herself out with a bit of solo action thanks to her array of sex toys.

She said: "I know girls who say they've orgasmed from anal so I've decided that next time I'll try it with a more open mind and see how it goes."

Gina added: "I love vibrators. I enjoy using them on myself as part of a naughty show for my fella. I also buy cock rings for my men. It makes them last longer!"

MY FIRST TIME

● **THEY** always say that you remember your first time... Well, *Sunday Sport* has taken to the streets to find out if that's true. Each week Britain's babes will spill the beans on when they popped their cherries. And they will be sharing the spicy details of some other intimate first-times, too! This week we meet up with two saucy stunnas from Leeds...

FIRST HANDJOB

SAMMY: I was 16 and lying in bed with my boyfriend, watching telly, when he pulled my hand under the covers and put it on his stiffy.

I was curious to try it, so I just gave it a go. I liked doing it because it got me turned-on, too. It took about five minutes of pumping to make him come but when he did he did it in fine style and shot it about three feet in the air!

EMMA: I was also 16 when I gave my first handjob to a guy from school. We were sitting on a park bench when my hands wandered down there and I realised he had a hard-on.

I'd wanted to try it for ages so took my opportunity. It took about five minutes to make him orgasm and I was relieved when he did because I was getting a bit bored!

FIRST BLOWJOB

SAMMY: The first time I tried it I thought I was going to spew. I was 16 and my boyfriend really wanted me to do it, so I did. After about 20 seconds I stopped because it didn't taste too nice and the thought of having a willy in my mouth was making me feel ill!

EMMA: I was in bed with my boyfriend one night when I was about 16 and just got the urge to do it, so I went under the covers. I quite liked doing it and he came in about two minutes.

I spat it all out because it tasted a bit funny! Luckily he was happy to return the favour and go down on me – he was brilliant at it, so we were both very happy that night!

FIRST SHAG

SAMMY: I lost my virginity a couple of weeks after I turned 16. My boyfriend was a virgin as well and we decided to lose ours together in my bed. It was really scary at first and quite fumbly but by the end of the two minutes – which is all he lasted – I quite liked it! I think it was as good as a first time can be really.

EMMA: I lost my virginity to my boyfriend on the night of my 16th birthday. My fella was a couple of years older and had been with a few other girls.

I found it quite intimidating that he knew exactly what he was doing and I didn't have a clue. I just let him take charge and it lasted about 15 minutes.

It wasn't as good as I'd expected – I thought I would have had an orgasm!

FIRST BIG WILLY

SAMMY: I had my first really big cock last year. It was seven inches long and pretty fat and when I first saw it I was like: "You can keep that to yourself!"

I only slept with him twice because the sex was pretty awful to be honest. The first night got abandoned straight away as it was so big the condom wouldn't even fit on. And when we did have sex it hurt a bit,

I don't think I'd like to have one that big ever again.

EMMA: I had a fling with a guy when I was 16 and he had the biggest one I've seen. Unfortunately we never actually had sex because it was eight inches long and I was terrified of it.

Giving him a blowjob was hard enough because I just kept gagging on it. There's no way I could have contemplated having sex with him – he'd have split me in two!

FIRST BUM FUN

SAMMY: I haven't tried anal sex yet. I know one or two girls who have done it and they all say it's much better than you might expect. They say that if you take your time and enjoy some long foreplay beforehand it's really quite horny.

EMMA: I gave it a go with my boyfriend when I was 17. He really wanted to try it and I couldn't see the harm in it. We used lot of lube and I got him to play with my clit while he was up my bum – it took a while but when I came it was so intense!

I dreamed about having sex over his desk...then one day I made it happen

FIRST OUTDOOR ACTION

SAMMY: I was 17 and my boyfriend and I had been on a night out. He walked me home and we were both really horny but wouldn't go into my house and have sex because my parents were at home.

So we nipped into the back garden and did it there. It was a bit cold so it wasn't much fun and didn't last too long and I was a bit paranoid about the neighbours spotting us!

I think maybe I'm a bit too prudish to do it outside again.

EMMA: I was also 17, and did it in a field behind a big boulder. We'd gone for a walk and it was so romantic we got a bit taken with the moment.

We started off having a great time until I realised there were spiders crawling all over me!

It completely ruined the moment and by the time we found somewhere to do it without spiders, there were too many other people around. Next time I do it

just always seem to have been in a relationship, so there's never really been the opportunity.

If I was single and met a really fit guy on a night out then I'm sure I would try it.

It would be nice sometimes to just have sex with no strings attached. But my fear would be that I'd have my beer goggles on and wake up next to a minger the next day.

FIRST ROLE PLAY

SAMMY: I put stockings and suspenders on for my boyfriend last year as a treat for passing his University exams. It was the first time I'd ever tried anything like that.

It certainly had the desired effect though – he became real horny but I was in total control of him. He was like a little besotted puppy, and the sex was brilliant. It spiced things up.

EMMA: I was 17 when I bought a

outside it will be well away from any creepy crawlies!

FIRST ONE-NIGHT STAND

SAMMY: It was just after I'd turned 18 with a friend from college. We met up on a night out, started snogging and I went back to his house party.

We didn't stay with the rest of the guests for long – he whisked me straight upstairs to his bedroom. The sex was pretty crap – it was drunken and really fumbly and it only lasted about five minutes.

I regretted it the next day because I knew I'd keep bumping into him at college.

EMMA: I've never had a one-night stand. I

policewoman's outfit and put it on for my boyfriend's birthday. I loved it because I felt really sexy and in the mood for it.

He was so excited I thought he was going to come in his pants! The foreplay was amazing because we role-played and the sex afterwards was electric.

FIRST BONDAGE

SAMMY: I tried bondage when I was 18. I bought a blindfold because my friend had tried it and said it was really good fun. My boyfriend put it on me and I loved it – the element of surprise made every little touch really intense.

EMMA: The first bondage I tried was when I bought a pair of fluffy handcuffs when I was 17! I used them with my boyfriend a few days later and managed to persuade him to let me handcuff him to the bed.

FIRST FANTASY

SAMMY: Earlier this year I was seeing a guy who had his own office. It had been a fantasy of mine to have sex over his desk and one day I made it happen!

I turned up at his work, drew the blinds, locked his door and we went for it. It only lasted a few minutes but it was absolutely amazing because we knew we might get caught...I'd love to do it again.

EMMA: I got to live out my fantasy last year when I had sex in a swimming pool on holiday in Thailand. There were lots of other people in the pool but none of them realised that under the water we were shagging! It was a danger feeling – and that was a massive turn-on. It felt really sensual doing it underwater, too.

Sony Movie Channel, 9pm, Ray

AUNJANUE Ellis has her boobs out in bed with Ray Charles (Jamie Foxx) at 1hr seven mins.

Sony Movie Channel, 12.05am, Midnight Express THE beautifully-named Irene Miracle (above) pulls off a miracle of her own – flashing her orbs for incarcerated Billy Hayes at 1hr 40.

TUESDAY

True Entertainment, 1am, One Way Ticket

I'M informed that Rachel Blakely has her boobs out in this Aussie TV movie. No timings, though.

Horror Channel, 9pm, Lesbian Vampire Killers

FOR a movie with a name like this, it's a dismal disappointment. But Ashley Mulheron gives us a teeny teat flash at 31 mins.

Film4, 11.10pm, The Girl With the Dragon Tattoo

FOR my money, the best of the adaptations of Stieg Larsson's books. And lovely Noomi Rapace (above) as the gorgeous Lisbeth Salander gives us full-frontal at 1hr 11 mins.

WEDNESDAY

C4, 2.15am, Sorority Row

GET a load of college girls in a dorm and, well, you know what to expect. Debra Kreutzberg (above) at 43 mins is worth a look.

Horror Channel, 10.55pm, Nude Nuns With Big Guns IT does exactly what it says on the tin. Asun Ortega and Sarah Emmons lay on a particularly lovely nun lesbo double act at 1hr 7mins.

THURSDAY

Horror Channel, 9pm, Five Girls

TASHA May's star turn in this teen horror flick. She's boobs-out on the one-hour mark.

Horror Channel, 12.40am, The Wicker Man

THE original and still the best – largely on account of Britt Ekland's lovely parts.

Film4, 1.05am, The Girl Who Kicked the Hornet's Nest AFTER the feast of flesh in the first movie on Tuesday, the nudity's toned down by this one. But we do get to see Noomi Rapace's little busters at 2hr 20.

FRIDAY

Horror Channel, 12.45am, Twins of Evil

MADELEINE and Mary Collinson are the twins from the title and happily both get their boobies out (above).

Film4, 9pm, The Guest

I'VE seen this, all the way through, and for my money it's a bit rubbish. But Tabatha Shaun's breasts at 32mins more than make up for it.

Movies4Men, 10.50pm, Desperado

SALMA Hayek has fantastic bosoms. You can see them – and her flesh trump-box, too – at 1hr 11 mins.

Will Wenger see his Arsene?

Live FA Cup Football: Sutton United v Arsenal – BBC1, 7.30pm (Kick-off 7.55pm)

COVERAGE of the fifth-round fixture, which takes place at the Borough Sports Ground, as the non-league side look to

cause a huge upset against the 12-time winners of the competition.

Sutton have already defeated three Football League teams to reach this stage, with their scalp of Championship high-flyers Leeds United in round four causing the biggest stir (above).

Arsene Wenger will be wary of taking tonight's opponents lightly.

Armageddon a bad feeling here...

Jon Richardson: How To Survive The End Of The World – C4, 10pm

THE comedian is sent on a mission by his wife – fellow comic and worrier Lucy Beaumont – to investigate the things they most fear will result in their deaths. He meets a family in Dorset selling fresh air in jars for £80 to combat lethal air pollution, spends a night in the woods to learn how to protect his loved ones in the event of terrorists setting off a dirty bomb, and encounters a man who tests an "indestructible" suit by strapping himself to a van and driving through a brick wall.

Are Spurs up for Cottaging?

Live FA Cup Football: Fulham v Spurs – BBC1, 1.40pm (Kick-off 2pm)

COVERAGE of the fifth-round match from Craven Cottage as the teams battle for a place in the last eight.

The Cottagers will be full of optimism having vanquished Premier League side Hull City here in the previous round, in what turned out to be a comfortable 4-1 victory (left).

Meanwhile, Spurs will be on their guard having almost suffered a shock defeat at home to Wycombe Wanderers last time out.

There's even time to get comfortably bladdered before kick-off. What's not to like?

Tour in for a treat with Chevy

National Lampoon's European Vacation – C5, 6.25pm

THE disaster-prone Griswolds appear on a TV game show and end up winning a holiday touring Europe.

The trip takes them to Britain, France and Germany, causing mayhem wherever they go, while the final destination in Rome leads to a run-in with a gang of thieves.

Comedy sequel, starring Chevy Chase and Beverly D'Angelo. Edited for language and sexual content – which probably means they've chopped out the bit with Rusty and the German bird with the big tits.

Fritz all a bit scary!

SS-GB – BBC1, 9pm

NEW series. Drama set in an alternate history of the WWII where Germany won the Battle of Britain and has gone on to occupy the UK.

In 1941, two Scotland Yard detectives investigate the murder of a nuclear scientist, under constant surveillance from the SS.

The arrival of an American journalist leaves one of the policemen convinced something more dangerous is at work – while a contact in a resistance movement reveals a threat to his own son.

TUESDAY Tudor Carry On's 'King great

Carry On Henry – ITV, 11.40pm

A WORLD without Carry On films would be a sad world indeed – and this is one of the best.

King Henry VIII plots to rid himself of his new French wife when her craving for garlic becomes too much to cope with.

However, he cannot afford to anger the king of France, and tries to make it look as if his queen has had an affair.

Comedy, starring all the greats: Sid James, Joan Sims, Kenneth Williams, Terry Scott, Charles Hawtrey, Barbara Windsor and Kenneth Connor.

Forces are something special

SAS: Rogue Warriors – BBC2, 9pm

BEN Macintyre concludes his brilliant history of formation of the British Army special forces unit.

With David Stirling locked away in Colditz, Hitler's most secure prison, the leadership of the SAS passed to Paddy Mayne, a man who built his reputation on the battlefield as a warrior of the first rank.

In 1943, the SAS leaves the desert for Europe to enter a darker and far more complex theatre of war, where they face the threat of execution and the trauma of civilian casualties, as well as being the first to witness the nightmare of Bergen-Belsen concentration camp.

The BRIT Awards 2017 – Wednesday, ITV, 7.30pm

IF, like me, you have absolutely no idea about what's "going down" (as I believe the young people say), in the Hit Parade these days, this is a good place to catch up.

It will almost certainly feature nice – if rather shouty – young ladies in very revealing outfits.

Dermot O'Leary and Emma Willis co-host the 37th edition of the British Phonographic Industry's annual pop music awards, staged at London's O2 and featuring performances by Robbie Williams, Emeli Sande, Little Mix, Skepta, the 1975, Ed Sheeran and Bruno Mars.

threatens
judge with
machine gun**By **BRAD CHADWICK**
news@sundaysport.co.uk

A TRANSEXUAL who served prison time for the botched castration and overdose death of her sixth husband has threatened to SHOOT a judge with a machine gun.

Tammy L. Felbaum, 58, who was born a man, is being held in connection with the alleged incident at a courthouse.

Police allege Felbaum claimed to have "guns and an Uzi and also a rocket launcher" in her handbag when she went through metal detectors prior to a scheduled civil court hearing before Judge Chris Scherer.

She is charged with terrorist threats and disorderly conduct.

Felbaum was born Thomas Wyda in Uniontown, Pennsylvania, but she underwent a sex-change operation after self-castration.

County court records show that Wyda was granted a name change to Tammy Lynn Wyda on August 18, 1978.

Testicles

She was convicted of involuntary manslaughter and related counts in December 2001 for the death of her husband, James Felbaum, 40, and was jailed.

She cut off her hubby's testicles in a makeshift surgical laboratory in the couple's mobile home in Butler County.

James Felbaum was a one-time handyman in Westmoreland County.

The latest incident wasn't the first time

Felbaum was accused of threatening a county official.

She was sentenced in April 2008 to 21 months in jail followed by two years of probation on terrorist threats and aggravated harassment by a prisoner while she was incarcerated for her husband's death.

She pleaded guilty to writing threatening letters to a Butler County assistant district attorney and two judges in October 2006.

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

A FEW years ago me and my husband enjoyed taking part in saucy swinging parties and we had amazing sex with several different people.

One time we were at a party that friends had organised and there were about 30 other swingers there. The theme was S&M and me and my hubby arrived wearing our kinky leather gear under our coats.

We had only been there about 15 minutes when I found myself sucking off a well-endowed stranger in the kitchen while my hubby was rimming a rather large lady he'd bent over the sink!

But last week he suggested we get involved in the swinging scene again after more than 15 years of monogamy.

I'm a little worried I'm not in the same shape I was and would be embarrassed. What do you think?

FR, Kent

Ashleigh says...

IF you're confident in your relationship with your hubby, you have nothing to worry about.

Dear Ashleigh,

MY missus is a right kinky sort and I used to love it when she sucked my toes and licked my balls and did all sorts of filthy things like that.

In return, she asked me to penetrate her with fruit and veg. She'd come back from the supermarket with cucumbers, bananas and aubergines which she'd keep in the fridge then bring up to the bedroom.

We'd get warmed up with a spot of oral and that, and maybe a quick shag, then out would come the veg and I'd slip it everywhere it would go while she squealed with pleasure.

But a couple of nights ago, she asked me to pleasure her with a giant German sausage. I drew the line at this and she had a real strop and said I'd have to make my own tea in future.

Which of us is being the most unreasonable?

CF, Strathelyde

Ashleigh says...

SIT down with her and work out what you both want on the sex menu.

DO YOU HAVE A SEX PROBLEM?

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week Ashleigh Gee has been reading through your letters and emails. And here's her advice for you...

Hubby's filthy sex with woman was horniest thing I'd ever seen

Dear Ashleigh,

I'VE been married to my husband for five years and thought we had a really good sex life.

He's 31 and I'm three years younger with long, natural red hair and 36DD boobs.

One day, my fella dropped a bombshell when he told me he wanted to shag another woman – while I watched. And I was even more shocked when I realised how turned on I was by the whole idea.

I started getting wet just thinking about seeing another girl sucking and slurping on his thick seven-incher while I sat and played with myself.

So, I agreed to it and we went online and joined a couple of swingers' sites.

We soon found a willing woman in her late thirties who we both liked the look of.

She was a slim brunette – called Tina – and she arrived at our house one evening looking a bit tarty in a short dress with a low top that showed off her sexy curves perfectly.

I could see my hubby fancied her and that made me feel aroused too.

We shared a few drinks before my man suggested

we move to the bedroom, where Tina kissed him hard on the mouth.

My hubby kissed her back while grabbing at her arse and pulling her little skirt up so that I could see her lacy thong and her peachy arse cheeks.

Then she knelt in front of him and slowly unzipped his fly.

It was like watching a porn movie as she pushed him onto the bed and clambered on top, gripping his stiff cock in one hand.

He was moaning and begging her to go faster with her pumping fist but she stopped, teasing him until he was bucking on the bed.

She then looked over to make sure I was happy for her to carry on and I ordered her to go ahead.

Straddled

So after sucking him off for a couple of minutes, while I sat on the end of the bed and rubbed at the damp patch in my knickers, she pulled her pants to one side and straddled him.

They both let out a gasp as she slid down his thick cock and, I have to admit, it was the horniest thing I'd ever seen.

She rode him until they both climaxed and, after she'd gone, my husband and I had a furious sex session of our own.

We've done it with the same woman a few times since and now he wants me to have full sex with her, but I'm not sure.

What do you think I should do?
DM, Notts

Ashleigh says...

SHE sounds a great f**k – go for it!!

Oi! What the f**k are you doing here in the ladies?

I'm bonking you up the minge, that's what!

IT may seem like a good idea to go to work with no panties on – if only to liven up the deathly drudgery of working in the same office with the same people, day in, day out...

But remember, things need reaching from high shelves. You may need to stand on stepladders (as long as you have had the relevant 'working at height' training). Or you may need to bend over to pick up a dropped paper clip.

And that, inevitably, means that your colleagues will see your pissflaps and that, in turn, leads to a bonk in the ladies' shithouse.

This could be forbidden in the company rulebook – so check before wearing no panties.

Oops! Sorry...it's gone off in your hand there!

ALL THE CHAMPIONSHIP THRILLS AND SPILLS

ON TARGET: Sears

Sears steers Tractor Boys to big point

Ipswich Town	1
Leeds United	1

LEEDS missed the chance to cement their play-off place and go third by dropping two points at an unlucky Ipswich.

Both goals came in the first half and it was Town who opened the scoring after just nine minutes through Freddie Sears who volleyed home well after good work on the wing by Grant Ward.

Leeds levelled through Stuart Dallas who poked home from close range three minutes before the break.

Ipswich had chances to win the game but Rob Green was impressive and David McGoldrick hit the bar when well placed.

Wigan Athletic	0
Preston NE	0

WIGAN earned a very hard fought and fortunate point against a Preston side who have been in good form.

North End had a golden opportunity after 10 minutes to open the scoring when Omar Bogle brought down Callum Robinson and Jordan Hugill failed to find the net as Matt Gilks saved well and then followed that up with a rebound block to keep the scores level.

Wigan rarely ventured forward but Bogle was denied a chance with a last ditch tackle by Cunningham as it stayed deadlocked.

Cardiff City	5
Rotherham Utd	0

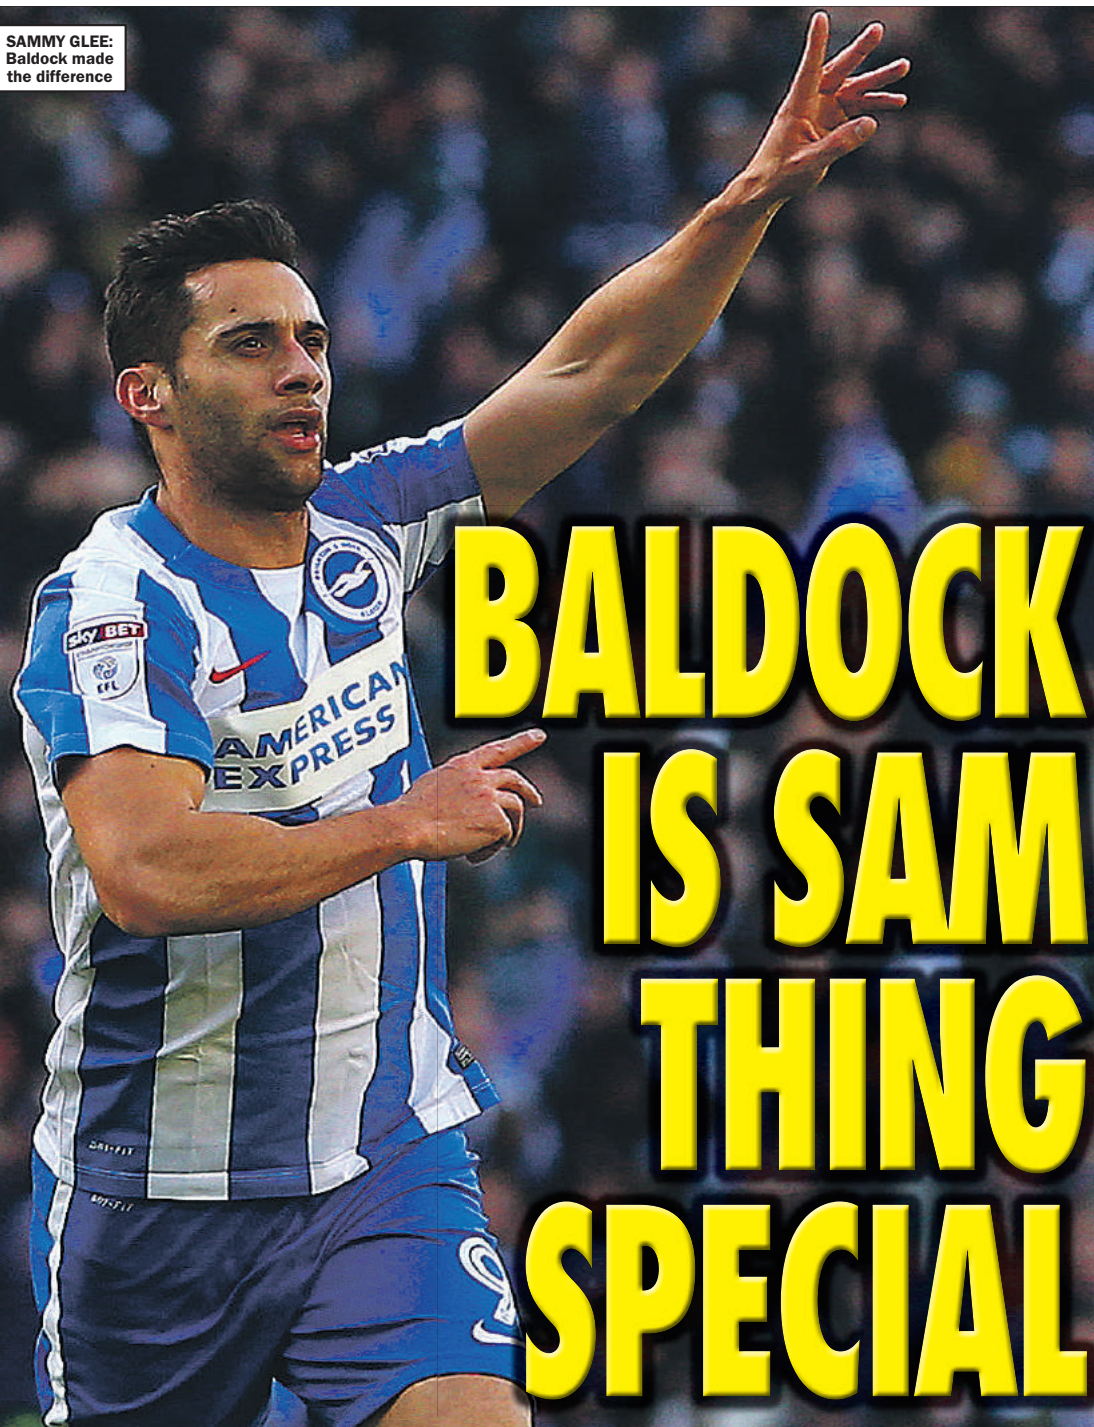

THE ghost of Neil Warnock came back to haunt the Millers as his Cardiff side routed the worst defence in the country.

Kadeem Harris scored the opener and Junior Hoilett added the second right on half time as the home side dominated.

Craig Noone added the third just four minutes after the break.

And the embarrassment continued for the visitors as Kenneth Zohore finished well before adding his second and Cardiff's fifth moving the Bluebirds up to midtable safety and a possible play off dream.

SAMMY GLEE: Baldock made the difference

BALDOCK IS SAM THING SPECIAL

Striker fires Brighton past in-form Tykes

SAM Baldock's second-half double fired Brighton back to the Championship summit.

The Albion striker struck twice in 15 minutes to topple the Tykes.

Barnsley have been in good form and the home side made a bright start with Marley Watkins making a nuisance of himself.

His mazy run needed a strong challenge from Steve Sidwell to stub it out.

Only six minutes were on the clock when Baldock was booked for diving inside the Barnsley box.

Then the home side had their own penno shout when Lewis Dunk appeared to handle — but ref David Coote

Barnsley	0
Brighton	2

didn't give it. Jamie Murphy headed over for Albion when well placed inside the Barnsley area.

Then Robbie Stockdale was sharp for Brighton to keep out a Watkins effort that he should have placed better.

Glenn Murray and Anthony Knockaert both missed fair chances as the visitors dominated for spells.

The second half started with Brighton on the front foot with Murphy the next to be wasteful in front of goal.

Just when it looked like it could be one of those days for

Albion, Baldock broke the deadlock.

It was a cracking finish on the volley from 18 yards out — Adam Davies in the Barnsley goal didn't sniff it.

Former Liverpool player Adam Hammill came on for Tom Bradshaw and he should have squared it with his first touch.

Ryan Kent teed him up 10 yards out and unmarked. Somehow he spooned his shot over the Brighton bar.

And Albion showed their class by quickly making it 2-0.

Baldock got the finishing touch again after Knockaert had upset the Barnsley defence with a good run.

That was enough to take three points down south.

SITTER: Hammill

OFF TARGET: McCormack

Forest pay penalty for early miss

Nottingham Forest	1
Sheffield Wed	2

THE Owls were wise enough to foil a Nottingham Forest comeback and claim all three points.

Kieran Westwood brought down Forest's Ben Brereton and only received yellow.

Ross McCormack saw his penalty saved and four minutes later salt was rubbed in the wound as Almen Abdi put Wednesday in front.

Fernando Forestieri doubled the lead in the second half.

Forest pulled one back quickly through Simon Osborn they could not find a leveller despite plenty of late pressure.

Burton Albion	2
Norwich City	1

THE Brewers came up with the right mixture to see off an inconsistent Norwich and move themselves four points clear of the relegation places.

Burton started well and Cauley Woodrow went close with a header and soon after he made sure by opening the scoring.

The Canaries came out better in the second half and levelled through Cameron Jerome for his 11th of the season.

The joy though was shortlived as Michael Lightly scored the winner from the edge of the box.

Birmingham City	1
QPR	4

BIRMINGHAM continue their freefall down the table under Gianfranco Zola with another defeat that sees them just six points from fourth bottom.

Matt Smith scored the opener after 11 minutes heading home a Freeman cross and it stayed that way until two minutes after the restart as Conor Washington rifled home a second for the Hoops.

Idrissa Sylla headed home the third with six minutes left before N'Gbakota scored a beauty from a free-kick.

Blues got themselves a consolation through Emilio Nsue but it looks grim at St Andrew's.

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

GIANT OF THE GAME: Taylor deserves his Watford statue

TAYLOR STATUE A FITTING IDEA

IT'S great news that Watford are planning a statue as a tribute to Graham Taylor.

Too many club legends are overlooked when they pass, and it's very important to have as many reminders as possible that there was football before the Premier League.

I like Jose Mourinho, mainly

because he is one of the few managers that tends to take all competitions seriously and, since he first arrived at Chelsea, at least appears to want to win over one that his team is in.

So, even though it's probably just another bit of Jose kidology, I was still disappointed to hear him moan that Manchester United were heading for 'problems' with fixture congestion as they continue to compete in three cup competitions and the race for a top four spot in the Premier League.

One of the many advantages to having billions at your disposal at a club like United is that you can build a squad large enough to, realistically, put out a team capable of winning the FA Cup, EFL Cup and Europa League no matter how thick and fast the games come.

Is anyone else fed up with the

Arsene Wenger story?

ROVER & OUT

MAN United make the today and a meeting with Blackburn Rovers in the FA Cup for the first time since the 1984/5 season.

On that occasion, Ron Atkinson's Red Devils beat Rovers 2-0 and went all the way to Wembley where they beat Everton 1-0 in the final – a game famous for a cracking goal from Norman Whiteside in extra time and the fact that United's Kevin Moran was shown the first red card in FA Cup final history.

United are 1/3 to beat Rovers in 90 minutes at Ewood Park, 6/5 to win to nil and 6/1 with BetVictor to repeat the score-line of 32 years ago (2-0).

United march on in Europe and are 3/1 favourites to lift the Europa League in Stockholm in May (Spurs out to 10s) after their 3-0 win over St Etienne on Thursday.

United are 9/2 to win the FA Cup and they are looking very strong at present. We have a number of markets on United including:

To win any major trophy: 1/6
NOT to win any trophy: 7/2

United too strong for Blackburn

League Cup/Europa Lge: 9/2
FA Cup/League Cup: 6/1
FA Cup/Europa League: 16/1
FA Cup/League Cup/EL: 20/1
Premier League/FA Cup/League Cup/EL: 1000/1

It has been a difficult week for Spurs and today's FA Cup opponents Fulham beat the north London outfit 4-0 the last time the sides met in the FA Cup (4th Round 2011) although they have subsequently lost their last three games against tomorrow's visitors to Craven Cottage.

The Whites are 16/5 at BetVictor to reach the last quarterfinals in 90 minutes tomorrow with Mauricio Pochettino's side 4/5 and the draw at 14/5.

Spurs had a chastening experience at Anfield last weekend where they were second best all over the pitch.

They then lost to mighty

Gent on Thursday in the Europa League.

To add insult striker Harry Kane is unlikely to be risked today after injuring his knee in Belgium.

Spurs have now won just two of their last six games in all competitions having won seven on the spin before their recent dip.

Spurs are out to 6/1 to win the Cup ahead of the weekend action with City and Chelsea BetVictor's 10/3 joint favourites.

Fulham are a good attacking side and I can see the Whites giving Spurs plenty of problems but Spurs are taken to regroup and win 3-1, which is 13/1 at BetVictor.

On current form you would think Arsenal and Spurs look the most vulnerable to miss out on a top four spot in the Premier League and the Gunners are 10/11 NOT to finish the season in

the top four with Spurs 13/8.

Arsene Wenger looks sure to leave the Emirates this summer and we have been betting on his replacement, irrespective of the time-scale, for some time now.

Eddie Howe is 4/1 (from 3/1) given Bournemouth have hit a bit of a wall at present and Juve manager Massimo Allegri (9/2 from 6s) and Borussia Dortmund boss Thomas Tuchel (10s from 12s) have been the best backed since the Gunners Munich embarrassment earlier in the week.

I can pass on a good word for Rightdownthemiddle in the handicap hurdle at Navan today for Gordon Elliot.

I am convinced back on decent ground Master Of Finance is well treated off his opening mark at Market Rasen.

My Cottagers are Premier League class

Fulham v Tottenham Hotspur

FA CUP FIFTH ROUND: Sunday, 2pm kick-off

FULHAM boss Slavisa Jokanovic says taking on Spurs is a great chance for his players to show their quality.

The Cottagers have put themselves in the play-off picture after a run of good results.

Now they have the chance to show they are ready for the Premier League.

Jokanovic said: "This competition is famous for its surprises. It's a fantastic chance for us, and isn't a moment for us to surrender."

"We don't need any further motivation. I will choose the best XI for the game in front of us."

"It's one of the top Premier League teams and isn't a time to experiment."

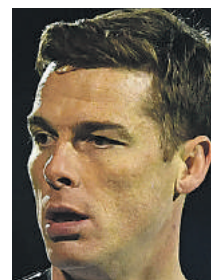

This has become an important game for Tottenham after two defeats in a week.

They were brushed aside by Liverpool on Saturday and Belgian also-rans Gent added to their woes in Thursday's Europa League tie.

Jan Vertonghen is in line for a return should boss Mauricio Pochettino want to risk his key central defender.

Harry Kane picked up a knock against the Belgians and is unlikely to figure at any point.

Pochettino said: "We need to assess some players. Harry Kane got a knock in his knee and different players maybe. If

TEACHER: Scott Parker
we need to refresh the team we will do.

"We will put out a team that aims to win and we will be ready again to compete."

Young Tottenham midfielder Harry Winks is looking forward to taking on his mentor Scott Parker.

The veteran is likely to figure for the Cottagers and he was a big influence on Winks during his time at White Hart Lane.

Winks said: "He was great with me, always giving me advice, and his career speaks for itself and he's a player I'd love to aspire to get one day."

"I think when I first trained with the first team he was near the end of his time at Spurs and I was in and out of the sessions."

"As a young scholar just looking up to someone like Scott and training with him it was more like I was in awe of him."

"Hopefully if I do get the chance to play against him it will be respect on both sides, but I will go out and try to win."

Strong City side held by Championship Terriers

DUCKING
HELL: Pep
on the
touchline

CHAMPIONSHIP high-flyers Huddersfield held Manchester City to a goalless draw in a drab affair at the John Smith's Stadium.

Despite the opposition, the hosts made seven changes to their starting line-up.

And it was one of those who created the first opportunity of the game five minutes in, with Collin Quaner dispossessing Fernando on the edge of the box and squaring for Rajiv Van La Parra.

Yet the Dutchman was only able to fire straight at

By DAVE STACEY

Claudio Bravo who was recalled between the sticks by Pep Guardiola.

City had their first sight of goal on 10 minutes when Diego Nolito wriggled free in the area, but Town keeper Joel Coleman was quickly out to block him and Jesus Navas saw the rebound cleared off the line by Mark Hudson.

Jack Payne then forced Bravo in to a good save, the Chilean tipping a 25-yard free-kick over the bar.

From the resultant corner the ball was in the back of the net only for Town to be cruelly denied by the offside

flag. Hudson's shot was saved by Bravo, with Phillip Billing quickest to the loose ball and slamming home.

Yet Van La Parra was correctly adjudged to have been blocking the view of Bravo.

This warning shot seemed to inspire City, who finally began to get a foothold on the game.

Best

A wonderful through-ball from Sergio Aguero set Fabian Delph through on goal, but the midfielder's touch let him down and his shot trickled through harmlessly to Coleman.

Moments later Nolito had an acrobatic effort deflected

wide of the Huddersfield goal.

There was more good work from Quaner.

This time he beat Aleksandar Kolarov down the right-hand-side and once more teed up Van La Parra, with a rasping 20-yard drive bringing the best out of Bravo.

Right on half-time another terrific through-ball, this time from Fernandinho, sent Aguero through and, despite an unusually poor touch, the Argentinian drew a good save from Coleman.

Just 20 seconds in to the second half Aguero broke through again and drew a

terrific save from the home keeper.

Sadly, this did not set the tone for the remainder of the match, as both teams huffed and puffed without really threatening.

John Stones had two headed efforts well off target for City, whilst Elias Kachunga selfishly shot well wide when better options were available for the hosts.

Pep Guardiola sent for the big guns from the bench, introducing Kevin De Bruyne and Leroy Sane, but they couldn't break the deadlock and the two sides will contest a replay at the Etihad that neither boss wants.

HERO: Shaun Cummings

10-man Millwall stun the champs

Millwall	1
Leicester City	0

MILLWALL stunned Leicester with a last-gasp winner at The Den.

The Lions were down to 10 men but that didn't stop Shaun Cummings from grabbing the winner in the dying seconds.

The League One side had defender Jake Cooper dismissed after 51 minutes for his second yellow card.

And goalkeeper Jordan Archer pulled off a range of brilliant saves to keep Leicester out.

But it was Cummings who hit the headlines as Millwall knocked out their third Premier League side on the bounce this season.

Lee Gregory set up the winner, feeding a precise ball into Cummings.

He rode the challenge of a Leicester defender before firing past Ron-Robert Zieler in the Foxes goal.

Cummings said: "It was a very good team effort, especially since we were down to 10 men. It is another clean sheet and a goal to get into the next round."

"I saw an opportunity to run forward and get in the box and it just opened up for me."

"This is our home ground and you can see the atmosphere."

Any team we get at home, we can do a number on them."

Millwall manager Neil Harris was delighted at the final whistle.

He said: "This sums up the FA Cup as a whole. It doesn't happen by chance. We are on a great run and have great spirit."

"When we went to 10 men it galvanised us. There was more pressure on Leicester."

"I made attacking changes to win the game because neither of us wanted a replay."

"When we needed that bit of quality Shaun Cummings provided it."

"I thought the atmosphere was electric. The noise was phenomenal. These are special days for us. The fans feed off the players and players off the fans. "When you get to the quarter-finals you start to think who knows? If we can get a kind draw at home again."

OXFORD GIVE BORO SCARE

A LATE Middlesbrough winner capped off a five-goal thriller against Oxford, with Cristian Stuani's 86th-minute effort sending the Premier League side through.

Boro had gone into the break two up after Grant Leadbitter's penalty and Rudy Gesteira's bicycle kick, but two second-half Oxford goals in 60 seconds – a Chris Maguire free-kick and an Antonio Martinez tap-in – almost completed an astonishing turnaround for the League One side.

Roared on by their travelling fans, United carved out a

Middlesbrough	3

fantastic chance in just the second minute. Martinez out-strengthened Bernardo Espinosa and found himself through on goal, but his low shot was straight at Brad Guzan.

That early scare was a wakeup call for the home side, who then saw a Leadbitter chance clip the bar on 10 minutes.

The early pace settled,

though, and it was a defensive error which led to the opener in minute 28.

A flowing Boro move ended with Downing taken down by Maguire in the box and with Leadbitter firing the ensuing spot-kick high into the net.

The away fans were dealt another blow in the 33rd minute as Fabio's cross was steered in towards Gesteira, who acrobatically hammered home.

The second half got off to a fast start, with Oxford pushing for a way back into the game and they got their reward after 20 minutes. Traore gave away a

free-kick on the edge of the area, allowing Maguire to redeem himself by splendidly curling the ball into the net.

Boro then gave the ball away straight from kick-off, allowing United to steam forward on the break.

Maguire saw his shot saved from the right, but the rebound fell to Martinez and the striker slotted home from point-blank range.

Both sides pushed hard for the winner, but it was substitute Stuani who dealt the cruel final blow with his back-post strike.

OPTIMIST: Paul Doswell

We've got 1% chance of beating Gunners

Sutton Utd v Arsenal

Monday, 8pm, live on BBC 1

SUTTON boss Paul Doswell hopes Arsenal leave out their big guns — so they have a “one per cent” chance of beating them.

The non-leaguers have the biggest game of their lives when the Gunners head to the tiny Borough Sports Ground.

The home boss knows it would be one of the biggest upsets of all time if Sutton silenced the Gunners.

Doswell knows there's absolutely no chance if Arsene Wenger puts his strongest team out.

But he fancies his chances just a tiny bit if the Arsenal reserves turn up.

He said: “There's two ways of looking at it.

“You either get the likes of Mesut Ozil, Alexis Sanchez and Olivier Giroud — and you can just keep naming them.

“In which case we would lose the game comfortably but the lads would get the experience of having played a Premier League giant.

“If you see Ozil and Sanchez on the team sheet our chance doesn't come beyond nought.

“Or you go the other way and you play a team of under-23s that are still internationals mixed in with one or two of their squad players, and that gives us that one per cent chance that we'd be after.”

Reducers

Sutton striker Craig Dundas is preparing for a real fight against the Gunners.

The 36-year-old is an old fashioned centre-forward and says muscle power is where the non-leaguers have an edge.

He laughed: “That's our league, that's our level. “It's a physical game and you play fair.

“We might try a few reducers early on!”

Dundas is a big Gooner but would love nothing more than to knock his favourite team out on top of their midweek battering by Bayern.

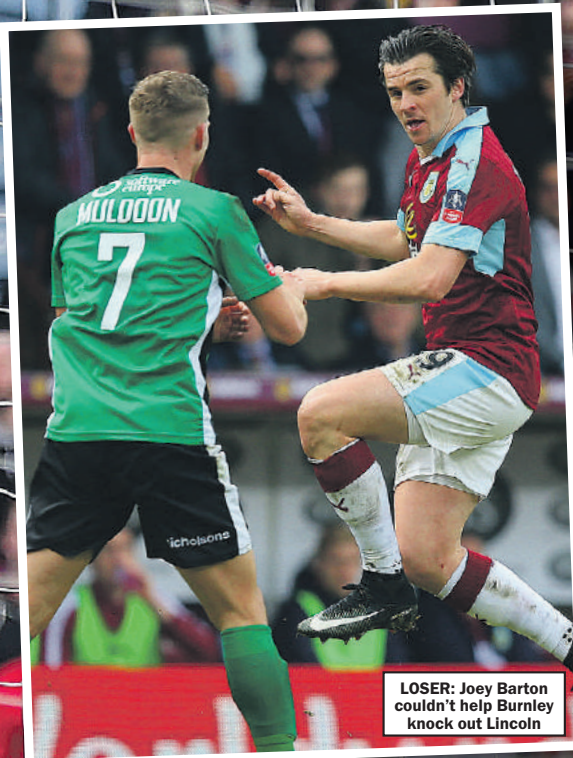

He added: “You have to fear them even more. When a team gets beat 5-1 there's going to be a backlash.

The manager is going to be on them a lot harder than what he usually is.

“Being a game against us they can't afford to take any risks. They have to win the game.”

FA CUP FIFTH ROUND MATCH ACTION:

CRASH

LOSER: Joey Barton couldn't help Burnley knock out Lincoln

Non-leaguers stun Clarets at Turf Moor

LINCOLN City became the first non-league club to reach the quarter finals of the FA Cup in 103 years after they stunned Premier League side Burnley at Turf Moor.

Central defender Sean Raggett's header one minute from time was enough to ensure a historic victory for the Imps.

They became the first side from outside the top four divisions since QPR in 1904 to reach the last eight of the competition.

Sean Dyche made six changes from the Burnley side who performed so

By COLIN MILLAR

well in their draw with Chelsea six days earlier.

Tendayi Darikwa, James Tarkowski and Jon Flanagan came into the defence, Scott Arfield and Johann Berg Gudmundsson came into the midfield and Sam Vokes partnered Andre Gray up front, with Matthew Lowton, Ben Mee, Stephen Ward, George Boyd, Robbie Brady and Ashley Barnes all rested.

Midfield duo Steven Defour and Jeff Hendrick missed out altogether through injury.

Lincoln, meanwhile, matched up the 4-4-2 formation from the hosts,

with Matthew Rhead and Nathan Arnold — whose goal knocked out Championship side Ipswich in the third round — leading the line for the Imps, who were appearing at this stage of the competition for the first time since the 19th century.

The National League side nearly shocked Burnley within five minutes as a long ball forward was not dealt with by the new-look Clarets backline, with Arnold finding space and holding up the ball before cutting inside and finding Jack Muldoon, who timed his run into the area perfectly. Yet his finish was wild and went harmlessly over the bar.

The home side were forced into a

change in the 20th minute as Gudmundsson was clattered by former Republic of Ireland youth international Alan Power — who was booked — leaving the Icelandic midfielder unable to continue, with Boyd coming on in his place.

Break

Lincoln more than matched their top-flight opponents, for whom it took 25 minutes to register their first shot of the game.

Arfield's clever ball found Gray, who used his pace to create the chance, only to see his shot well stopped by goalkeeper Paul Farman.

Six minutes before the break and

BURNLEY 0 LINCOLN CITY 1

ND BURN

again the Clarets looked to force the issue. Darikwa showed neat footwork to dance round two defenders before standing up a cross to the back post, which was cleared to the edge of the area and Joey Barton's stinging volley went straight into the arms of Farman.

Burnley's best chance of the half came seconds before the half-time whistle as a long free-kick was launched into the area and Tarkowski did well to set up Arfield on the edge of the area, but the Canadian international could not direct his effort on target.

The hosts again fashioned a great opening five minutes after the break

as Gray got in behind the Lincoln defence from a free-kick, but he could only skew the ball wide with an outstretched leg.

As the hour mark approached the game started becoming much more heated, with words exchanged between players, and the first real flashpoint came as Barton led with his arm on Power.

However, no decision from the referee was forthcoming and coaches from both benches on the touchline had to be separated.

Five minutes later and Barton was again in the thick of the action after he appeared to stamp down on Lincoln striker's Rhead leg before going

down holding his face after a non-existent arm movement from his opponent, with the officials again deciding to take no action either way.

The former Manchester City and Glasgow Rangers midfielder was eventually booked with 20 minutes to go as he aimed a slap at Terry Hawkridge after a free-kick decision, with Flanagan then pushing the Lincoln player to the ground, but the full-back was not punished.

With less than two minutes of regulation time remaining on the clock, Lincoln forced successive corners after enjoying a spell of pressure inside their opponents half.

A looped delivery found an un-

marked Luke Waterfall, with the captain's header finding his centre-half partner Raggett, who was surrounded by a cluster of defenders.

He forced a historic header over the line despite Tom Heaton's best attempts.

It wasn't a pretty goal, but it is one which will be replayed thousands of times over in Lincolnshire and it was made even sweeter as it came in front of the Imps' travelling fans.

Burnley threw everything at attempting to rescue an equaliser in the five minutes of stoppage time, but could not create a chance as they exited to one of the greatest cup shocks of the modern era.

UP FOR CUP: Mourinho

Jose wants Mour FA Cup glory for United

Blackburn v Man Utd

Sunday, 1pm kick-off, BT Sport

JOSE Mourinho says he won't gamble with United's FA Cup future.

The Reds boss has always had maximum respect for the old competition — well almost always.

He once dropped too many of his Chelsea stars and paid the price by being knocked out.

The Portuguese is determined not to let that happen again.

He said: "I threw the FA Cup away at Chelsea.

"In the same week was Champions League against Barcelona and was the cup final against Liverpool, and in the middle of it we had FA Cup against Newcastle and I threw it away. I gambled too much.

"I focused too much on Barcelona and Liverpool. It was good because we beat Barcelona and won the final against Liverpool. So it was good.

"But the feeling that I threw it away was not good.

"So I don't throw it away. If I lose, I lose because the opponent was better or because we didn't play well but I am not going to throw it away.

Culture

"So I go serious. I'm going to change a few players obviously.

"But I'm going with a good team and I respect the competition a lot. Man United demands that you go serious to every game."

Mourinho's men could play 66 games if they go all the way in the Europa League and FA Cup this season.

But he says that's just part and parcel of being a boss in England.

He added: "Not everybody studies and understands the culture of this country.

"In my case, I had immediately in my first time, that situation with the match at Newcastle. So for me it was a lesson.

"With Chelsea, I lost against a League One or League Two team, but I never threw it away.

"We lost because we lost. So I try always to go serious. I like Wembley. I like the FA Cup. So I have to try to get the second one."

Wayne Rooney and Michael Carrick will have late fitness tests ahead of the trip to Ewood Park, while Marcus Rashford is expected to start.
