# DID HE KILL MORE THAN THE RIPPER?

**MASS KILLERS:** Peter Sutcliffe (right) may be surpassed by Chris Halliwell (far right)

## Cops searching vile Halliwell's house for 12 other bodies

By COLIN HURST  
news@sundaysport.co.uk

**COPS fear killer Chris Halliwell may turn out to be one of Britain's most prolific serial killers whose gruesome body count exceeds even that of the Yorkshire Ripper.**

The 52-year-old has been convicted of killing Becky Godden back in 2003 and also admitted killing Sian Callaghan in 2011.

But police are now digging up his house in Swindon in a bid to find more bodies.

Investigators have no idea how many victims they might

find beneath the soil of the terraced house but some reckon it could be as many as 12 – beating Peter Sutcliffe by one.

Halliwell lived in the house on Broad Street with his ex wife Lisa and cops think he used the property to hide evidence of his killings.

One of the unsolved crimes linked to him is the disappearance of Sally Ann John in 1995.

She was 23, living near the house and working as a prostitute when she went missing. Her body has never been found.

Other missing women linked to him are mum-of-four Linda Razzell, 41, missing since 2002, 21-year-old Sandra Brewin and missing Vietnamese woman Thi Hai Nguyen, 20.

### Bastard

And the mum of missing chef Claudia Lawrence who disappeared from York in 2009, could be linked to him.

A police source said: "We don't know how many people Halliwell may have killed."

"He could be one of Britain's

**DIG:** Homes in Broad Street are being searched (left) and (right) Halliwell's victims Sian Callaghan & Becky Godden

worst serial killers. "We are all braced for some sickening revelations. There could be as many as 12 bodies under there."

"This is one vile, heartless bastard. He gets a kick out of teasing the investigators and he won't tell them a thing."

Det Ch Insp Jeremy Carter added: "Searches are being conducted in the gardens and garages of two properties in Broad Street this week."

"While we don't have plans at this stage, to search inside the properties, there'll be some disruption to the occupants."

"I would like to make it clear that those living at the addresses have no involvement in the investigation and we thank them for their understanding and patience."

Halliwell is currently serving a life sentence with a minimum tariff of 25 years.

Yorkshire Ripper Peter Sutcliffe was jailed for life in 1981 after the murder of 13 women.

# Michelle Keegan in spunky sex claim

DudleyLad, Dudley, United Kingdom, 15 hours ago  
 I've always had a soft spot for Michelle Keegan. Actually, "soft" is completely the wrong word :-)

I have choked my chicken over her so many times

I would give her my juice

**CHEEKY:** Some of the saucy comments

**GORGEOUS Michelle Keegan is at the centre of a wanking spunk scandal, thanks to readers of the snooty Daily Mail.**

The busty actress was interviewed about how 'haters' have been attacking her online whenever she posts on social media.

She said the best way to deal with criticism is to ignore it saying: "I don't really take notice of haters or trolls, I don't really read them."

**By GARY DORAN**

## Choked

But the readers of the nip-censoring showbiz site ignored that, as they wanted to tell Michelle they liked knocking one out to her pictures and would love to SPUNK up her love tunnel!

User Crimsonraven1 posted: "I have choked my chicken over her so

many times." While Ron Cruz said: "I would give her my juice," and DudleyLad added, "I've always had a softspot for Michelle Keegan. Actually 'soft' is the wrong word." A pal of Michelle's said: "Trolling is one thing, messy spunk showers is another."

The 23-year-old Arsenal midfielder has been inspired by his Little Mix missus and wants to start penning his own tracks.

He said: "I'm into an eclectic mix of music. Maybe we'll write together...it's going really well."

Anyway, if Wazza was ever going to play in Asia he'd probably go for India. We all know how much he enjoys a hot, spicy nan.

**CELEBRITY** offspring Brooklyn Beckham is apparently desperate to chuck his muck up Pussycat Doll beauty Ashley Roberts.

The 17-year-old (below), who is famous for being the eldest son of footballer David Beckham and fashionista Victoria Beckham, was spotted canoodling with the 35-year-old entertainer at a post BRITS party.

Sadly for young Becks the pair left separately but the I'm A Celebrity stunna – who was once rumoured to be dating Dec out of Ant and Dec – showed she's not shy when it comes to flashing her privates.

The lithe singer and dancer once flashed a bit more than planned at a concert.

And she ended up showing off her clacker to our photographer – and most of the front row of the audience – when her tiny shorts rode up during a dance move.

An onlooker at the time said: "You could almost see what she had for lunch!"

**FROM HERO TO ZERO:** Ranieri guided Leicester to the title last season (above) but suffered poor results this season (left)

**LIFE OF RILEY:** How we reported Alan's success with the ladies

# Now I'm cadging tab ends on the streets!

**FORMER Leicester City boss Claudio Ranieri is still licking his wounds – and counting his compo money – after being sacked by the club.**

But the 65-year-old isn't the only victim of the reigning Premier League champions' dramatic fall from grace.

Because his lookalike Alan Ashcroft has also been hit by the East Midlands side's disastrous slump from top of the league to relegation contenders.

Only last May the 57-year-old cashed

By REX ROWLANDS  
rex@sundaysport.co.uk

in on his remarkable similarity to the Italian football boss by upping sticks and moving from his native Glasgow to Leicester after the side's unlikely Premiership title win.

Because the move was an immediate success for Alan – within two weeks of being in his new town he'd shagged 26 women, and he told *Sunday Sport*: "I feel like I've won the genetic lottery!"

But while the good times continued for a while, Alan has now seen his fortune nosedive at the same rate as the manager he's the double of.

Ten days ago unlucky Alan lost his

digs and has been sleeping rough on the streets of Leicester ever since.

Our reporter caught up with the former electrician as he begged for money and cigarettes just yards from the Travelodge hotel where he had bedded so many women.

Sighing deeply, the forlorn-looking Scotsman sat on a street pavement and said: "I didn't see this coming."

"I was a fool and I thought my good fortune would last forever."

"I was only supposed to come down here for a few weeks, like. I thought I'd get my dick wet a few times and then head off back to Glasgow."

"But the action was so good I ended up staying."

### Clunge

"I lived in the Travelodge for six weeks and then the money started rolling in from doing public appearances and that so I rented a lovely wee flat nearby."

"For six months I lived the life of Riley. I had clunge coming out my ears and was making around £600-a-week."

"But after Christmas the work started to dry up."

"And suddenly Claudio wasn't so attractive to the Leicester ladies. Before, I had barely been able to walk down the street without being accosted by fans wanting a selfie."

"By January I could leave my front door in the morning and walk the two miles to Wetherspoons without even getting a hello or a nod."

"I didn't get a single appearance fee for all of January and didn't bang a single bird either."

"I knew something was up. Then when Leicester were knocked out of the FA Cup last week I feared the worst."

"But in my heart I was still confident Claudio would turn it around – he's a great manager."

"Sadly he couldn't do it quickly enough for me and I ended up missing two months rent and the landlord kicked me out on the street."

"I haven't even got enough cash for the train fare back to Glasgow."

"I'm having to beg for the money to eat and for old tab ends that I can roll up into new fags."

"It's not the life I imagined for myself in those heady days nine months ago."

But selfless Alan says despite his situation he feels more sorry for Claudio.

He said: "I know he'll get millions in compensation and probably walk into another job but he has it worse than me."

"He's been betrayed by the club who should have shown him loyalty, but I guess that's the fickle nature of footie."

"But the bigwigs don't think about the trickle-down effect of their actions."

"I bet not one person who decided to sack Ranieri spared a thought for how it might affect me."

"I'm finished in this city and it's all their fault. I just want to go home. Can you lend me fifty quid?"

## THE VOICE OF YOUR BRITAIN

### We Trump the world with our news exclusive

**OCCASIONALLY a single news report can change the world.**

Michael Buerk's moving report on all those starving African kiddies led to Live Aid.

The Washington Post's probe brought down President Richard Nixon with Watergate.

Now the Sunday Sport is about to enter the history books with an exclusive so explosive it could mean the end for Donald Trump.

Because thanks to a whistle-blowing Lithuanian we have revealed that The Donald is in fact bald.

Make no mistake this is one of the biggest stories ever in newspapers and the name of our reporter Simon Dean will go down in history.

This is proof that the President is a liar and will completely destroy all his credibility.

As the man himself might well say it's "Sad!"

Even die-hard supporters will turn against their hero thanks to the Sunday Sport's shock investigation.

**So politicians around the world be warned - our eyes are always watching!**

### Time to spare Michelle Mail's spunk showers

WHAT an earth is wrong with the readers of the tawdry showbiz outlet the Mail Online?

A lovely girl like Michelle Keegan can't appear on the website without being deluged with talk of spunk, shagging and what her love tunnel feels like.

The poor love is only trying to promote her frock business - she doesn't deserve to have people talk about furiously wanking their cocks over her pictures.

**It's time that someone somewhere takes control of this situation because it's not on that a big-busted beauty like Michelle is subjected to talk of her jizz-soaked boobs on a daily basis.**

### Wat's Em like nude?

## MARNIE: WEE DON'T DO SQUIRTING

GEORDIE Shore stunna Marnie Simpson said she won't ever SQUIRT in her fella's face again.

The 25-year-old babe said she was disgusted by it after finding out she might be PISSING on her bloke.

Her kinky confession came on Channel 5's *Celebrity Sex Pod* and the brunette beauty didn't hold back when it came to squirting.

She said: "I can't believe that when girls squirt, they literally piss on someone. Now I don't really want to do it."

"That must be disgusting - it must stink! Why would boys ever find that sexy? I don't fancy pissing on my boyfriend."

"I can't wait to tell him, too, that all the times in the past he's maybe made girls squirt that

they were actually just pissing on him!"

Marnie is newly-single after dumping her on-off boyfriend Lewis Bloor, 27, when a video surfaced online of him in bed with another girl.

Fans can find out exactly what Marnie is like in the bedroom when *Celebrity Sex Pod* airs on Thursday, March 2, at 10pm on C5.

## British jihadi was driven by 'paedo' jibes

A BRITISH jihadi who blew himself up in Iraq after getting £1million compo from taxpayers was radicalised because pals nicknamed him KIDDY FIDDLER!

Jamal al-Harith (above) received the dosh from the British government after being freed from Guantanamo Bay back in 2004.

He later joined ISIS and blew himself up in a suicide attack on an Iraqi army base in Mosul last week.

But al-Harith – who was born Ronald Fiddler – would not have become a terrorist if schoolpals in Manchester had not teased him years ago.

A former friend said: "Obviously, if you have a boy in your class called Fiddler, you're going to call him 'Kiddy' Fiddler."

"Ronald didn't take it well. One day he snapped and said, 'Right, you bastards!', stormed off to read the Koran and went on to be a jihadi."

**BALD-FACED LIE:** Photo exposes President as a slaphead

# THE PRESIDENT'S HAIR IS MISSING!

## Secret snap outs Trump as closet **BALDY**

**REMEMBER that magical faraway time when the most bizarre thing about Donald Trump was his hair?**

Back then it was all: "Oh look, the man with the silly hair reckons he can be U.S. President!"

And then, of course, he won. Now he's busy ruffling liberal feathers and upsetting Meryl Streep, fewer people are fixated on Trump's extraordinary barnet.

Well that's about to change... Because today *Sunday Sport* can reveal that Donald Trump is a 100 per cent fully-paid-up member of the slaphead community.

A photo taken through the Oval

By **SIMON DEAN**

simon@sundaysport.co.uk

Office window shows Commander in Chief Trump on the phone – without a single hair on his head.

The astonishing picture was taken by a member of a Lithuanian trade delegation who became lost on the way back from having a poo.

The photographer, who asked to remain anonymous for fear of reprisals, asked *Sunday Sport* to publish the photo and expose the President's baldness.

Norman Lavington, professor of U.S. Studies at the University of West Lancashire, said: "On the

face of it, the President hiding the fact he is bald is no great scandal. "After all, Franklin Roosevelt hid the fact he was a cripple.

"The trouble for Trump is that he has made a point of telling people he was a straight talker. This could demolish his credibility."

The day before his inauguration, Trump explicitly denied being a baldy, saying: "Tomorrow we have a speech, probably around 12 o'clock. It may rain, it may not rain, I don't care. The truth is, if it really pours, that's OK because people will realise it's my real hair, and that's OK, that's OK."

"It might be a mess, but they are going to see that it is my real hair."

**FAKE NEWS:** Trump's 'hair' is phoney

# IT'S BORIS SORE JOHNSON

FOREIGN Secretary Boris Johnson is risking a painfully chafed cock and balls by jogging in swim shorts, say experts.

The posh politician, 52, was spotted in a bizarre outfit pounding the pavements of London in a bid to get fit.

But his choice of shorts worries fashion presenter Naomi Isted – because they could leave him with serious knob pain.

She said: "It looks like these swim shorts are from high-end brand Vilbequin, which wouldn't look out of place in a five-star holiday resort but are less suited to pounding the streets of London."

"Without the support or breathable

fabric of typical running shorts, these will chafe and leave the wearer sweaty and uncomfortable."

Celebrity personal trainer Cornel Chin reckons the millionaire is also at serious risk of developing pronounced man boobs if he doesn't wear a bra while out running.

## Saggy

He explained: "Jogging may pull chest muscles downwards."

"Even men can develop saggy boobs if there's no muscle to support them."

A Whitehall insider said the Foreign Secretary (left) has been told to buy some

serious running gear if he wants to carry on jogging.

She said: "Theresa May is concerned that he could leave the nation vulnerable if he has a chafed cock."

"Because if he's all uncomfortable in the trouser department, how can he concentrate on negotiating with foreign powers?"

"You have to be on the ball when you've got Vladimir Putin on the phone. If you've got half a mind on your painful meat and two veg, you're putting the country at risk."

"Boris has been told in no uncertain terms to buck his ideas up."

Teen attacked  
ex with knives  
hidden in bra

A FURIOUS teenager hid a set of knives in her sexy lingerie before stripping off and attacking her ex-boyfriend with them.

Loren Smith (above) turned up at Robert Dickerson's house and tried to seduce him – but he turned her away.

The 19-year-old, of Bay County, Florida, then returned with weapons hidden in her bra and launched herself at Dickerson, slashing his hands.

He fled to a neighbour's house, but Smith chased him and started attacking him with a screwdriver.

Witnesses managed to disarm Smith and restrained her until cops arrived.

She was arrested and put in Jail.

Smith is charged with trespassing, aggravated assault, armed burglary and aggravated battery.

**EASTENDERS bad boy Danny Dyer begged one of Britain's top porn stars to let him stick his HEAD up her chuff – after meeting her at a XXX movie awards ceremony.**

Dyer has recently agreed to take a break from the BBC soap after his behaviour was described as "erratic".

But when the 37-year-old turned up at the Shaft Awards he was more interested in the EROTIC – and confessed how much he loved cracking one off to GROT.

Danny was there to interview Scouse superstar Tanya Tate and ask her some sexually-charged questions.

Tanya gleefully lets well-endowed adult movie actors stick their huge Johnsons up her clacker in films like *Seduced by a Cougar*, and *Moms Bang Teens* and she was thrilled to chat to the soap legend.

## **Pussy**

She told the *Severance* star how sex toy makers took a mould from her privates adding: "You can't see it, but down there is my little pussy. They've made a fleshlight out of it. I'll have to let you stick your finger in it."

Danny then blurted out: "Do you reckon I can stick my head up it? You got a nice little nunny?"

And at the same event Danny bumped into stunning porn star Megan Cox who he described as "f\*\*king beautiful".

Megan said: "He was lovely – really friendly and so down to

earth. We had a right laugh and he loved my boobs because they're quite small.

"He leaned in to me, grabbed his crotch and said, 'I bet you're proper naughty. You're f\*\*king beautiful!'"

"I told him I am – and that he should look at my films!"

Danny had the time of his life mixing with a host of the UK's finest professional sex stars at the event held in London's Platinum Lace strip club.

The party, back in 2012, saw Tanya named MILF of the Year.

## **Baggy**

And Danny, who presented an award for Best Female Performer, even grabbed a cheeky kiss from the stunning actress before telling her how much he loved knocking one off to porn.

Interviewed at the event Danny said: "I love porn. I love wanking...obviously."

"What you do is put your iPad on and go to Pornhub, right, and then it depends how much I'm off my nut which categories I search through."

"Sometimes I go amateur, sometimes I go BBW when I'm on a right nutty one, but my favourite is mature. I like a mature bird. I love a big c\*\*t. Not baggy, I just wanna know it's been served."

"I love wanking it keeps my relationship strong. Without porn I'm out there, f\*\*king about."

**STUNNING** Emily Ratkowski has been hit by evil web fakers who digitally placed a dildo in her sink.

The busty model-turned actress posted a snap of her in the buff on social media that showed off her peachy bottom.

But online pranksters took the snap and used space-age technology to place a bright pink sex toy in the 25-year-old's kitchen sink.

But we have carefully analysed the picture using techniques pioneered by the FBI and discovered the plastic dong was added by computer.

A source said: "Emily definitely does not keep her dildos in the sink with her dirty plates."

"That's unhygienic. Everyone knows sex toys need specialist antibacterial cleaning products to keep them clean and your mimsy free from bacteria."

"This has been placed there by sick internet sex people who are trying to make here look like a right dirty mare."

"They're very naughty."

**Pie robot uni boffin sacked**

A UNIVERSITY boffin has been sacked after blowing £750,000 building a robot to find out the best way of eating a pie.

Prof Rick Haywood was inspired by an argument he had in the pub when he suggested turning a pie upside down was the safest way to eat it without spillage.

To prove his point Prof Heywood spent taxpayer's money on a robot to replicate a pie eating motion 500 times and measure scientifically the least messy way to eat it.

But before he could get his results management at the University of West Lancashire discovered what he was up to and he was sacked.

A spokesman said: "Prof Haywood wasted university funds for his own ends. This was not a valid experiment."

## Cider with Ruskies as Putin spies invade UK

SOME of Britain's top scrumpy makers fear Russian spies have infiltrated their ranks and are engaging in CIDER warfare.

The Cornish Society for the Promotion of Cider, Scrumpy and Apple Drinks reckon dozens of sleeper cells have been buying up orchards in the county.

And they are worried that at any moment they could slash production of apples and deprive the UK of cider – sapping our morale and making it easy for an invading army to take control.

Secretary of SPCAD Larry Magellan said: "Lots of orchards have been bought lately by some very dodgy types who are definitely not from round here."

"There's not a trace of West Country in their accents so I can only assume they are Russian spies who are ready to destabilise the cider making industry, to hit at Britain."

"It stands to reason doesn't it?"

"If the Russians decide to, they can now turn the cider tap off whenever they want, and that would leave the UK bugged if an invading army came in."

"Without cider Putin could overrun Britain in just 10 hours."

## Kids' fascist ball scrapped

A SCHOOL in Rome has scrapped a fascist-era themed ball after parents complained.

The event would leave students with a "unique memory" of a "special event", the Istituto Via P. A. Micheli school promised in flyers.

The 'Grand Fascist-Era Ball' had promised music from the period of Benito Mussolini's rule, as well as decorations and photos from the time.

Mussolini (above) seized power in Italy in 1922 and became an ally of Hitler during WWII.

Fabrizio de Sanctis, a spokesman for trade union group Anpi, raged: "It was a terrible idea."

"You absolutely shouldn't try to create a party atmosphere with a fascist theme – especially in a school."

# TEACHER WHO NOSSED LAD, 16, TALKS TO

**SUNDAY Sport**

# One thing led to another & we performed ORAL SEX on each other in my car

**REGRET:**  
Former teacher Melinda lusted after student from her school

By **BRAD CHADWICK**  
news@sundaysport.co.uk

**SCARCELY** a day goes by without a report of a lady teacher – usually in the United States – being locked up for shagging a student.

For most of us, our reaction is: "The lucky bastard" as we cast our minds back to the more comely schoolteachers of our youth.

But what drives these women – many of whom are married and some with children of their own – to risk their relationships, jobs, liberty and public reputation for a quick scuttle with a firm, hard-cocked youth?

## Romp

*Sunday Sport* spoke to Melinda Bright, who served 12 months in jail after an oral sex romp with a 16-year-old student in her car.

The lad, a student at George Washington High School in Westport, Connecticut, had come to Melinda with a personal problem. The pair talked and the teacher offered to drive the lad home.

It was on the way back to his house that the conversation got fruity and this, in turn, led to the pair parking up behind a shopping centre for sucky-licky sex fun – and that led to Melinda's spell in jail.

Released six months ago, she now lives on welfare and is divorced from her husband Michael.

Melinda was forced to move out of the £300,000 marital home and now lives on a caravan park, which she shares with other ex-offenders.

She'll be forced to sign on as a sex

offender for the rest of her life and must inform the authorities when she moves house.

In turn, thanks to what's known in the United States as Megan's Law, wherever she goes, all her neighbours will be told what she did.

Was it worth it?

## 'Cops asked if I climaxed when he licked my vagina'

Speaking quietly, 35-year-old Melinda said: "It was, without doubt, the biggest mistake of my life and if I could go back in time I would change everything."

"The trouble is that I could not help myself. I hesitate to use the expression, because it sounds so corny, but I was overcome with lust."

Melinda's crime came to light when her young conquest boasted to a pal they had enjoyed a mutual oral sex session in her Toyota Camry.

Within hours, the rumour caught fire at George Washington and it eventually came to the attention of the principal, who called in police.

Melinda said: "When the police came to my door, it was completely

forced to give a blow-by-blow account of the pair's illicit affair."

She said: "I confessed straight away, even before my lawyer got there. I reckoned I may as well come clean."

"The detectives asked me all about what had happened in great detail. They asked me if I'd taken down the boy's trousers. They asked me if he was already erect."

"They asked me about the size of his penis. Asked if I masturbated him and sucked his dick. They wanted to know if he ejaculated in my mouth and whether I swallowed. Then they asked if I climaxed when he licked my vagina."

"They wanted to know how many fingers he put inside my vagina and how wet I was. It was utterly humiliating. As I pleaded guilty, the details did not come out in court."

"Prison was horrible – the other prisoners called me a paedophile and a pervert. I learned how to defend myself."

"Have I learned my lesson? Well, I won't have sex with a student again. I can't, because I'll never be a teacher again."

## 50 Shades perv tugged next to wife in cinema

A MAN was nicked after he was caught furiously masturbating during a screening of *Fifty Shades Darker*.

The 45-year-old was attending a showing of the sexy movie with his wife, when he was overcome with the need to spank the monkey.

Within minutes the unnamed pervert was pleasuring himself in a 'dark corner' of the cinema in Cholet, in the Maine-et-Loire part of western France.

The wife's reaction to her fella having a tug has not been revealed.

Unfortunately for the dirty cinema-goer he was sitting in the same row as a couple who were both members of the local Loire military police.

Cops were quickly called and the tosser was booted out of the cinema – before being arrested on charges of public indecency.

He "immediately acknowledged" what he had done, and made a statement at a local police station.

## Letterbox w\*\*k driver quits

A DELIVERY driver has resigned after he was caught WANKING through a customer's letterbox.

David Camblin, 52, was caught after the owner of the house got suspicious when he spotted an odd 'puddle' in his hallway.

He then set up CCTV which caught Camblin getting out of his van, placing his COCK through the letterbox and then masturbating into the gap.

Camblin, from County Armagh, Northern Ireland, admitted to performing the lewd act and although he'd jizzed through it, he insisted he'd never pissed through the letterbox.

Parcelforce is part of the Royal Mail Group and Camblin resigned from his job with the company in October last year, after being caught red-handed.

At Fermanagh Magistrates' Court, Camblin admitted three counts of damaging a door and a floor between February and August last year and was ordered to carry out 100 hours of community service.

# It's not THAT Savile, you cretins!

DIM-WITTED vigilantes have defaced one of Britain's most famous street signs – believing it commemorated meganonce JIMMY SAVILE!

Vandals scrawled NONCE, COCK and PERV under the sign for Savile Row in London – home to the capital's posh suit trade.

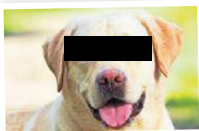

In fact, Savile Row is named after Lady Dorothy Savile, wife of the 3rd Earl of Burlington, not the charity fundraising kiddy-fiddler who was outed as a prolific nonce after his death in 2011.

It's believed the hooligans defaced the Savile Row sign as a reaction to news that councils have been ordered not to name streets and parks after real people, in case they are later revealed to be sex cases.

The Local Government Association told councils that places should not be named after individuals – including fallen soldiers – in case they are later linked to "inappropriate activities".

Hundreds of streets named after Jimmy Savile had to be renamed after he was found to be a serial sex offender.

# WOMAN FILMED HERSELF SHAGGING LABRADOR

COLLARED: Amy Graves

A WOMAN has been arrested for allegedly having sex with a pet DOG – and FILMING it.

Amy Nicole Graves, 43, was arrested and charged with unnatural intercourse with a dog.

Sheriff Danny Rigel said the incident occurred within the last year, and the dog involved is believed to be a lovely Labrador.

The Sheriff explained: "We got

some visual documentation off social media that led to a search warrant and an arrest.

"Why anyone would do that kind of thing is beyond me, never mind film it and put it on social media for the whole goddamned internet to see!"

Graves, who is a photographer, was booked into Lamar County

Jail in Hattiesburg, Mississippi, where she is awaiting her first court appearance.

The original information came from an anonymous tip-off.

## Rare

If convicted, Graves faces up to 10 years in prison and would have to register as a sex offender.

Sheriff Rigel said it was not the first time he has seen such a case, but it is a "very rare" occurrence.

# HAIR WE GO EMMA

## Babe to strip for hippy musical film

By GARY DORAN gary@sundaysport.co.uk

STUNNING *Harry Potter* babe Emma Watson is set to reveal her minge for the cameras by starring in a new film version of the 60s musical *Hair*.

Film bosses have been impressed with her singing performance in the Disney live action flick *Beauty and The Beast* and have lined her up to be the leading lady in an update of the hippy stage show.

*Hair The Musical* is 50 years old and to celebrate the anniversary movie producers are remaking it for a new generation of fans.

The show traditionally features bags of nudity and the cast will be contractually obliged to grow their pubes for a true retro vibe.

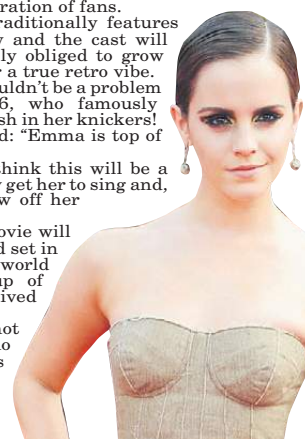

But that shouldn't be a problem for Emma, 26, who famously keeps a full bush in her knickers!

A source said: "Emma is top of their hit list."

"Producers think this will be a huge hit if they get her to sing and, of course, show off her hairy minge."

"The new movie will be updated and set in a post-Trump world where a group of hippies have lived in isolation."

"Emma's not said yes or no yet but execs still hope to convince her to strip off."

## 'Alien' monkeys slaughtered at Japanese zoo

KEEPERS at a Japanese zoo massacred 57 monkeys because they were not "racially pure".

The native snow monkeys were killed by lethal injection after tests found they carried genes of an "invasive alien species".

The Takagoyama Nature Zoo, in the city of Futtsu in Chiba prefecture east of Tokyo, housed 164 simians which it believed were all pure Japanese macaques.

But local officials discovered about one-third were crossbred with the rhesus macaque – which in Japan is designated an "invasive alien species".

Japanese monkey racial purity laws ban the possession of so-called "crossbreed" monkeys – which it's feared will "pollute the national gene pool".

The zoo said that keepers who took part in the killing attended a ceremony at a local Buddhist temple to cleanse their blood-soaked souls.

**TUBBY** despot Kim Jong-un ordered minions to steal the dead body of his murdered brother – so he could STUFF it and keep it in his office.

The North Korean dictator is believed to have had Kim Jong-nam assassinated by two women at an airport in Malaysia.

Police say they have had to employ extra security because people are trying to steal the 45-year-old's corpse from the morgue where it is being kept while investigations into the murder are carried out.

And *Sunday Sport* can reveal the thieves were trying to steal the body on the express orders of their leader.

A Pyongyang insider said: "The boss wanted to preserve the body of his dead brother and keep it in his office so everyone who came to see him

knows what happens when you cross him.

"It's pretty sick to be honest, but he's mental. When he wants something, he gets it.

"So far, 200 people have been despatched to Malaysia to get the body.

"No one has been successful, but I'm sure it will happen. Failure is not an option."

Kim Jong-nam had spent the last 15 years in exile after a fall-out with his younger brother.

Last week, *Sunday Sport* exclusively revealed how the pair rowed over an episode of ITV soap *Emmerdale*.

## Uni professor 'masturbated with a snake'

A THEATRE professor has settled a bizarre lawsuit that included claims he "masturbated with a snake".

Randy Matthew Maguire (above) is still at Fordham University in New York despite the alleged sexual shenanigans, but his accuser, assistant professor Kris Stone, is barred from working for Fordham.

The £16K settlement includes a gag order that bars Stone from discussing the claims.

Stone, 45, was let go in 2014 after complaining to the department chair about Maguire's behaviour, which included requiring students to perform acts of rape and masturbation in class.

The suit lists other crude details like the time Maguire, 64, allegedly "volunteered on at least on occasion to Ms Stone that he had 'masturbated with a snake'."

The agreement includes no admission of guilt by Maguire or the university.

## Gun dog blasts owner's missus

A DOG owner told police his pet pooch was responsible for shooting his girlfriend while she slept in their bed.

Brian Murphy told cops he'd let his dog Diesel outside after the mutt woke him up, and when they came back to the bedroom, the room was completely dark.

As the dog walked in before him, he saw a flash and heard a loud bang as Murphy's girlfriend, Summer Miracle, had been shot in her sleep.

Murphy claimed that Diesel jumped up on the bedside table where his gun lay, and it went off – shooting Summer in the right leg.

Miracle told authorities she was asleep when the bullet struck her and she wasn't sure how she had been shot.

She was later treated for non life-threatening injuries in a Florida hospital.

# Girl bashed with dildo by floppy fella

A WOMAN claims her boyfriend attacked her with a DILDO after she called him a total FLOP in bed!

According to cops Eric Pritsch, 42, and Carol Favuzza, 58, were both "under the influence of alcohol" during the scuffle at their trailer home in Stuart, Florida.

Favuzza told police that she told her boyfriend, "you're not a man, you're a mouse", while the two were having sex.

### Flagged

That's when Pritsch reportedly punched her in the face, bit her arm, and "struck her in the back several times with a plastic dildo and some type of cord".

Favuzza reported the incident to a police officer she flagged down in the street near her home.

He observed the smell of alcohol on her breath and noticed her face swelling, for which he took her to the hospital to be treated.

Pritsch was also later taken to same hospital due to his "high level of intoxication".

Police did not locate the dildo in question.

## Suit 'cock-up' tailor's penis shirt revenge

A WOMAN involved in a legal spat with a tailor over £1,000 suit was delivered a shirt emblazoned with dozens of ejaculating COCKS as a "gift" from the company's boss.

Lawyer Francesca Bucolo received the shirt at her office after suing LGFG Fashion House over a suit, which she said did not fit despite returning to the tailor eight times.

Ms Bucolo of Perth, Western Australia, sued the Canada-based company, claiming it failed to meet consumer guarantees.

Last week, a package of five shirts arrived at her office, along with a sixth tailored shirt covered with images of multi-coloured penises.

"Everyone was absolutely outraged," Ms Bucolo said. "It's pretty disgusting."

LGFG Fashion House president Dmitry Toukhcher admits to sending the shirt, claiming Ms Bucolo bullied his staff during the suit-fitting saga.

A PERVERT was wearing girls' knickers when he was arrested on suspicion of slapping a woman on the arse.

The victim told cops she was walking along a street when 52-year-old William Walsh smacked her on the backside and said 'Hey, let me get some of that'.

Police were called and Walsh was stopped after being seen riding his bike in the area and fitting the description of the bum slapper.

Walsh had two plastic bags hanging from the handlebars of his bike and one of the officers could see three pairs of girls' underwear in plain view.

Walsh claimed he bought them for a girl, but could not provide the girl's name.

It was discovered during a search that Walsh was also wearing girls' underwear.

**TROUBLE IN SORE:** Paxman split from wife (left) to take up with his new younger lover

**UNHAPPY** Tony Ludlow has a stark warning to lothario newsman Jeremy Paxman – don't shag your younger lover too much or your COCK might FALL OFF!

Just like the former *Newsnight* host, who has left his partner of 34 years, Elizabeth Clough, for Jillian Taylor, 37, Tony dumped his wife and took up with a woman in her 30s.

And while the romance gave him nothing but joy to begin with the non-stop sex eventually led to the 67-year-old losing his bellend when he developed a friction sore.

### Fester

Embarrassed at what had caused his injury, he ignored the wound until it began to fester.

The retired farmer from Preston, Lancs, said: 'I met Hannah when she started working for me as a farm manager. We immediately hit it off and began to flirt.'

'One thing led to another and we were soon banging in one of the polytunnels. The sex was amazing, her body was all tight and her breasts weren't down by her stomach like the wife's.'

'I felt like a new man. Everything was wonderful. Within months I'd left my missus and moved in with Hannah.'

"It was the best time of my life but it didn't last long.

"She wanted it two or three times a day. I was necking Viagra like they were sweeties to keep up.

"One weekend we had sex 15 times and I developed a friction sore on my bellend. I didn't see the doctor because I was too embarrassed. I'm of an older generation who don't talk about our bits to folk.

"I wish I had though because the sore became infected. By the time I turned up at casualty I developed a flesh-eating bug and they had to lop off my cock to save my life."

Now Tony is warning Paxo, 66, to take care of his fleshy love pole as he embarks on his new life with a nubile young lover.

He said: "Don't be like me. If you develop a friction sore on your bellend because you're shagging so much, get it checked out.

"I don't want Paxo to end up cockless like me. Because for one thing your new lover won't stick around if you're like a Ken doll down there, no matter how many rampant rabbits you buy her.

"Even now, three years later, my ex-wife rings me up and cackles down the phone at me.

"It's no life for anyone."

POLICE are hunting a man, who hid in the roof to perv on women using the LOO.

Juan Prieto is accused of filming women in the toilets of a pizza restaurant.

A female diner spotted the 42-year-old Peeping Tom, from Pennsylvania, USA, in the ceiling after she 'looked up and saw a man's hand'.

The terrified woman ran

out and told her husband, but Prieto (left) escaped through an open window.

Police reckon Prieto, who worked at Luigi's diner at weekends, recorded around 40 videos of women and girls using the bathroom.

More than 20 charges, including invasion of privacy and child pornography, have been filed against him.

# CAR BLIMEY!

## Babes flash in motors for new craze

By **BARNEY SAMUELS**  
news@sundaysport.co.uk

**OCCASIONALLY, if you're very, very lucky – a bird travelling in a car alongside you on the motorway may flash her boobs.**

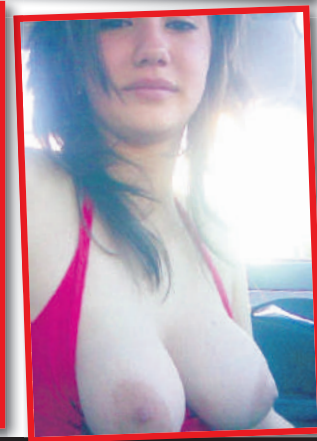

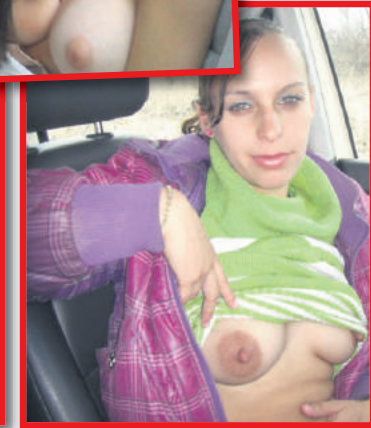

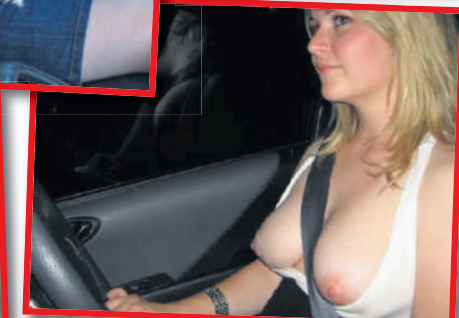

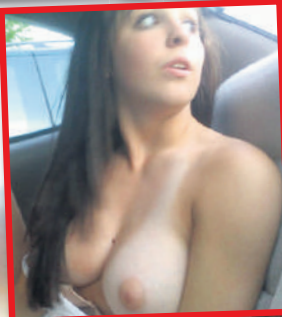

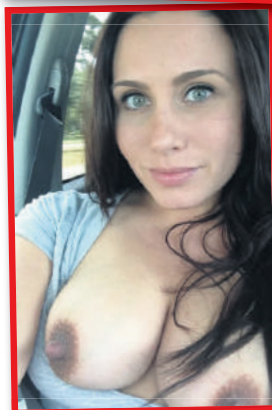

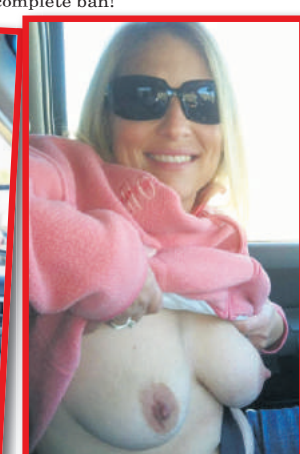

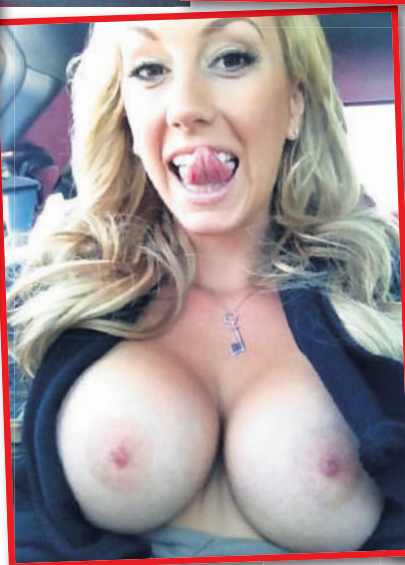

It is, experts agree, just about the most wonderful thing that can happen on our congested hell-roads.

The phenomenon may soon become more common thanks to a new craze where babes flash their boobs and pose for snaps in the front seat of their cars.

Happily, the results are shared on social media.

But not everyone is delighted hooters on the highways.

John Kellaway, of the UK Safety Forum, raged: "Bare busters in cars! It's a recipe for carnage. If these photos are taken in moving vehicles then a crime has almost certainly been committed. We'll be calling for a complete ban!"

# Sexy nurse jailed for lapdance on 100-year-old

## SHE RUBBED HER CROTCH IN HIS FACE

By JESS GALLEY  
jess@sundaysport.co.uk

**A FEMALE carer was struck off after rubbing her CROTCH in a dementia patient's face during a racy lapdance that was being filmed.**

Pretty blonde Brittany Fultz was sacked after she put on a sexy performance for the 100-year-old resident at the care home she worked at.

And the 26-year-old didn't stop

there, as she also flashed her bare BOOBS and ARSE at the elderly fella. Fultz (above) was charged with gross sexual imposition for the act and no longer works at the assisted living home in Ohio, USA.

Sexy Fultz pleaded not guilty earlier this week and said the dance was meant purely as a joke to cheer up the centenarian.

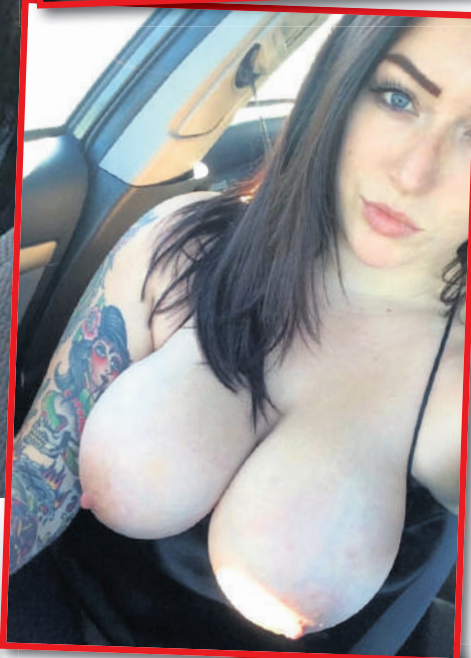

And her lawyers are now pleading for her to be exonerated and claim that the old bloke had the capacity to say no, but chose not to.

Another care worker also lost their job at the home after filming the saucy incident – before later reporting it to bosses.

## Flasher w\*cked on bus

**A PERVERT convicted of flashing masturbated on the bus – while on the way home from COURT.**

The 59-year-old Aussie – who cannot be named for legal reasons – had just been handed a suspended sentence for an earlier indiscretion, but now faces a jail term after having a tug on the bus in Maitland, New South Wales.

# DEANO ON SUNDAY

## Why don't these PC tw\*ts tackle real, modern-day ills?

I'M starting a petition: I want the months of July and August banned.

July, as we all know, was named after the Roman Julius Caesar – who was guilty of waging aggressive war and sending thousands into slavery.

And August, we remember, is named for the Emperor Augustus, who massively expanded the Roman Empire.

Huge swathes of Africa were conquered and millions of African people came under ruthless Roman rule...

I am, of course, talking bollocks.

I'm not campaigning to get July and August banned. So far as I know, nobody's trying to get the names of the months banned.

Julius Caesar and the Emperor Augustus lived a long time ago. Whatever they did as men, they are long dead.

We accept that it would be folly to rename July and August just because the men the months were named after were a little robust now and again.

That sort of acceptance does not

extend to Bristol, it seems.

Because campaigners there are demanding that the city's Colston concert hall (above) be renamed to remove its association with one of Britain's most notorious slave traders.

The campaign has led to a bitter row which is threatening to split musicians and audiences alike.

Colston Hall is named after Edward Colston – deputy governor of the Royal African Company which between 1672 and 1698 transported 100,000 enslaved Africans to plantations in the West Indies and America.

Now, nobody would argue that slavery was not a very bad thing indeed.

But look at the dates.

Edward Colston was involved in the slave trade more than 300 years ago. He's a very, very long time dead.

Will changing the name of the Colston Hall improve the lot of the slaves he transported? No. Because they're all long dead, too.

I imagine that, like all cities, Bristol has its fair share of troubles: crime, drugs, homelessness.

The busybodies trying in vain to right the wrongs of the past would be better served righting the wrongs of the present.

Rather than posturing like silly little guilt-ridden middle-class twats.

# PALS MADE £300K IN HONEYTRAP W\*\*K SCAM

**TWO pals are believed to have fled Britain as they were about to be arrested over a £300,000 online honeytrap sex scam.**

Pretty Maria Balan and Micaela Constantin targeted married men on the internet and performed what have been described as "explicit lesbian acts" while encouraging their victims to MASTURBATE.

What the men did not know, however, was the pair – both 23 – were recording them as they enjoyed a vigorous tug.

Later, the girls – who are originally from Bucharest in Romania – threatened to tell the men's wives or employers about their online antics, unless cash was handed over.

## Trial

A source close to the investigation said: "As far as we know, this pair targeted around 500 male victims and around 80 percent of those blackmailed coughed up."

"We are looking at a total figure of around £300k extorted from these men. Of course, there are probably even more victims out there who have not yet come forward for whatever reason."

"We are asking anyone who

knows these two young ladies or has been in contact with them to get in touch with us.

"We will naturally treat the

## 'Pair performed lesbian sex acts while encouraging victims to tug on webcam'

matter with great discretion."

It's believed authorities have applied for a European Arrest Warrant which would allow cops in Romania to find and arrest Balan and Constantin, then send

them back to the UK for trial.

Our source said: "We are not holding our breath. The police and justice system in Romania are hopelessly corrupt. It's like dealing with a Third World nation."

The National Crime Agency says that webcam blackmail, or

front of their webcam, often by using an attractive woman to entice the victim to participate.

"These webcam videos are recorded by the criminals who then threaten to share the images with the victims' friends and family."

"This can make the victims feel extremely ashamed and embarrassed and, sadly, here in the UK at least four young men have taken their own lives after being targeted in this way."

Even celebs have been lured into performing sex acts online, only to end up red-faced.

A clip of Olympic boxer Amir Khan wearing a T-shirt and boxer shorts while performing a sex act on himself was released online in January, though there is no suggestion that blackmail was involved in that case.

# GIVE WORKERS A SEX BREAK!

**RANDY** workers should get **SEX BREAKS** to improve productivity and improve their home lives, a top politician has suggested.

Workers could be offered the chance to have sex during work hours – without losing any pay – if local councillor Per-Erik Muskos gets his way.

Muskos, a 42-year-old city councillor for the town of Övertorneå, Sweden, said: "There are studies that show sex is healthy."

"Couples are not spending enough time with each other in today's society."

"It's about having better relationships." He admitted there was no way to verify that employees do not use their hour for other purposes than spending time bonking their partners or spouses or even colleagues.

"You can't guarantee that a worker doesn't go out for a walk instead," Muskos said, adding that employers needed to trust their employees.

# BBC BUILD ROBOT ATTENBOROUGH!

Telly legend's voice copied by boffins  
so he can narrate shows **FOREVER**

By **SIMON DEAN**  
simon@sundaysport.co.uk

**BOFFINS** at the Beeb have spent millions creating a robot version of presenter Sir David Attenborough – so he can narrate their nature shows after his death!

The 90-year-old has voiced the channel's natural history shows for more than 60 years.

But BBC bosses are worried he might die at some point.

## Clogs

Last year Sir David lent his softly-spoken tones to the smash hit *Planet Earth 2* that saw nearly 11 million viewers tune in.

And producers reckon there is NOBODY in the world that can replace the silver-haired star if he does pop his clogs.

So they have enlisted some of the finest minds in the country to create

a digital version of the sprightly TV legend.

And executives hope this will keep viewers watching for decades.

A source told *Sunday Sport*: "We have to face facts that Sir David Attenborough will die one day."

"We just don't know what might happen and we need to be prepared."

"Tarquin suggested David Walliams as a replacement, but we all told him to f\*\*k off."

"So when the idea of a robotic Sir David was mooted, it seemed the natural solution."

"He'll be like Tupac the rapper who got shot to death and then kept on making records."

"Some might say it's disrespectful but we see it as the ultimate tribute to the voice of mother nature."

ZOMBIE fans got a glimpse of a new babe on this week's episode of *The Walking Dead* when Pollyanna McIntosh made her debut.

The 37-year-old Scottish actress stars in season seven of the gory franchise as Jadis, a female leader of a new group of survivors.

However, horror fans might recognise her from grim slasher movie, 2011's *The Woman*.

In the flick, Pollyanna plays a feral woman who's tortured and raped her before feeding her captors to their own dogs.

Pollyanna is mostly topless or nude throughout the film.

And she has a lesbian love-in with fellow hottie Jessica Kiper in 2007's *Sex and Death 101*.

# ETS MILE IER CAR!

By WENDY THOMAS  
news@sundaysport.co.uk

**STUNNING** Sophie Howard says she would love to join the Mile High Club – but lives out the fantasy in her car instead!

The 32F babe loves nothing more than parking up near the huge beach at her hometown and hopping on her fella in the passenger seat.

## Bouncing

And if the weather is good, Sophie, 30, will even venture onto the bonnet!

The Southport stunna said: "I'd love to join the Mile High Club but it would be too cramped, so instead I like to have sex in my car."

"I'm pretty noisy when I climax, so it's best in a car with just me and the guy! I love going on top and bouncing around."

"He gets a great view of my big boobs and I get to have an amazing orgasm!"

**#69 BIANCA GASCOIGNE**

By **SIMON DEAN**  
simon@sundaysport.co.uk

**YOU** wouldn't think having fallen footie hero Gazza as a stepfather would be a springboard to a particularly glittering life.

But thanks to gorgeous looks, a stunning body and stoic perseverance, lovely Bianca Gascoigne is now a star in her own right.

In September 2006, Bianca was on the front cover of now-defunct lads' mag *Loaded* and her road to the top became clear.

In January 2007 she was on the cover of *Nuts* and in August 2008, *Zoo Weekly*. She's also been featured in *Maxim*, *FHM* and *Sunday Sport* (the one that's still going).

Earlier this month she broke down on *Loose Women* as she revealed how she feels about being labelled "a cheat" for her romance with footballer Jamie O'Hara.

But while romantic entanglements may interest the drooling *Loose Women* audience, blokes just want to see her tits. So here they are...

**Lots to see here!**

# CARRINA'S BIG ON THE BUS-T!

By **WENDY THOMAS**  
news@sundaysport.co.uk

**GORGEOUS** Carrina's car was in the garage last week and so she had to take the bus – to the delight of other passengers.

She said: "I get used to truckers staring at me when I've got the top down on my car on sunny days.

"But on the bus EVERYONE was staring at my boobs."

And little wonder, the Hungary-born beauty has 34HH whoppers.

Carrina, 24, said: "One sexy woman came and sat next to me and said 'Are they real?' I said 'Sure, you want to feel?'

"And she did!"

# MY FIRST TIME

● **THEY** always say you remember your first time... well, we've taken to the streets to find out if it's true.

Each week we'll be asking Britain's babes to spill the beans on when they popped their cherries – and sharing the spicy details of some other kinky 'first times' too!

Here we kick off proceedings with two saucy stunnas from Manchester.

They were happy to tell all – and you'll be happy when you've read it!

## FIRST HANDJOB

**CARRIE:** Giving a handjob was my first sex experience! I was with my boyfriend in the park when he guided my hand down his pants. He had a stiffy and I realised what he wanted me to do.

It went on for ages. He came after about 10 minutes and covered my hand in jizz – it was really sticky!

**SHANICE:** My first handjob was in a field with my boyfriend, we were kissing and I was feeling horny and he'd had his fingers in me for quite a while.

It took about five minutes to make him come and he shot it over my shoulder and then all over my hands. It was a huge a turn-on.

## FIRST BLOWJOB

**CARRIE:** I gave my first blowjob when I was 17. I went to college with. We were in a church hall near where we lived and were messing around behind some curtains when he whipped it out.

I loved doing it and he clearly liked it as well because he came quickly. There was a lot of it. I wasn't too struck on the taste.

**SHANICE:** I was having a bit of a fling with a lad when I was 16 when I sucked my first willy.

I'd heard from friends that it was nice so I asked him to let me do it one day when he was at my house. Naturally he agreed!

I loved the feeling of his willy in my mouth – it put me in the mood. It took minutes for him to come. Then he returned the favour. That was a first too.

## FIRST SHAG

**CARRIE:** I was at a friend's house party when I lost my virginity to my boyfriend. We were both 16 and had been going out a few months so we just seized the moment and jumped into one of the beds!

It was all over in under 10 minutes but I still enjoyed it, it wasn't anything special but it wasn't as bad as some of my friends' experiences.

**SHANICE:** I had sex for the first time when I was 16. I felt ready, so when my boyfriend came round to my house one night when my parents were out we did it.

It went on for about 20 minutes but was pretty rubbish, he could hardly find where to put it. My expectations had been a lot higher so I was pretty disappointed.

## FIRST HUGE WILLY

**CARRIE:** I couldn't believe my eyes the first time I was faced with a huge willy. I was 17 and started dating this guy who I'd known for a while. The first time he got it out I nearly fainted when I saw it.

I'd heard big ones are great so I was really looking forward to having sex with him. It was a huge let-down though, it was too big and it hurt. I prefer average-sized ones or small ones you can't feel.

**SHANICE:** The biggest one I've had was

when I was 18. It was about nine inches and it was so good I'm still with him now!

I didn't know if it was going to fit when I first saw it but after a few minutes I was in heaven. He has to be quite careful not to push it all the way in for some positions because it can hurt but on the whole it's brilliant. Size is important to me for a good sex life.

## FIRST TIME BUM FUN

**CARRIE:** Last year I had anal sex for the first time with my boyfriend. He harped on about it for weeks and in the end I agreed to try it just to shut him up.

I don't do it that often now, just now and again.

**SHANICE:** I first tried it with my boyfriend when I was 17. He was keen to do it and I was curious about what it would be like. I didn't think it was that bad either.

After a while we had normal sex so that was good too. I do it quite often with my bloke. I think he almost prefers it to normal sex so it's nice to make him happy.

**We had sex within seconds of my fella coming in, it really turned him on!**

## FIRST TIME OUTSIDE

**CARRIE:** When I was 16 I had sex outside with my boyfriend. We'd managed to get served in our local pub and were a bit tipsy and horny.

We nipped out of the fire escape and had a quickie at the back of the pub. It was exciting because we had to be quick in case anyone saw us. Sex outdoors is great.

**SHANICE:** My first time was when me and my boyfriend nipped behind one of the college buildings one afternoon and did it there. It was really exciting knowing we might get caught at any moment.

Since then I've done it in some weird places, including a few times in bar and

restaurant toilets. It's exciting doing it somewhere near other people.

## FIRST TIME DRESSING UP

**CARRIE:** I was 18 when I tried dressing up to put my fella in the mood for sex. I bought some sexy knee-high boots, a skirt that was more like a belt and a sexy little top and waited in his bedroom.

We had sex within seconds of him coming in, it really turned him on. I just pretended I was someone else and that put me in the mood too. We had sex for five hours!

**SHANICE:** I wore a nurse's outfit for my man. We'd been seeing each other for a year, so I wore it for him as a treat.

about 15 minutes but wasn't nearly as good as my boyfriend.

**SHANICE:** I got my first vibrator when I was 17. My boyfriend whipped it out one night and stuck it in me without warning. I wasn't disappointed though, it made me orgasm within about 30 seconds and then the sex we had afterwards lasted hours.

## FIRST ONE-NIGHT STAND

**CARRIE:** I had my first one-night stand when I was 17. I went to a nightclub and got off with a really fit bloke. At the end of the night he invited me back to his place, and the inevitable happened.

The sex was quite good, he was clearly experienced and knew exactly how to please me. I had no regrets the next day because I'd had a good time.

**SHANICE:** My first one-nighter was with a friend of a friend when I was 16. We were at a party together, had a few drinks and within a few hours we were in bed.

The sex wasn't very good, we were too drunk. I still enjoyed it though.

## FIRST TIME FANTASY

**CARRIE:** Last year I lived out my fantasy when I tied my man up and blindfolded him one night. He wasn't so sure about doing it but I managed to convince him.

It was amazing being in total control and being able to do whatever I wanted.

**SHANICE:** I lived out my fantasy when I was 18. My boyfriend and I met up in a bar pretending we didn't know each other.

It was exciting because I knew it was going to lead to a great shag! It felt naughty having sex with him on the "first date".

# AMBRA'S LOVIN' SUNKISSED SKIN

By **WENDY THOMAS**  
news@sundaysport.co.uk

**TWO famous things come from Lincolnshire – cauliflowers and the gorgeous Ambra.**

Unfortunately, the flat Fenland of the county does not make for a particularly stunning glamour location, so we flew the lovely Ambra to the sun-kissed Caribbean for her photoshoot.

## Naked

The 32D stunner said: "I love where I come from but at this time of year the east wind does blow up your trouser leg a bit.

"I prefer the warmer weather – it makes me very horny.

"I love getting naked and feeling the sun on my skin. It makes me wet. Wet in the fanny, in case I did not make that clear."

**Horror Channel 10.50pm Hatchet II** – Alexis Kendra whips out her wonderful busters (above) just short of the one hour mark.

**Horror Channel 2.15am Don't Look Now** – Back in 1973, Julie Christie became the number one wank fantasy for millions of young men when she appeared in this. Boobs, bum, bush, the lot. The action kicks off at 27 minutes.

## MONDAY

**C5 11.50am War** – There are many, many fantastic breasts in the world of movie nudity. Few are better than Meghan Feather's beautiful boobs on display at 35 minutes (right).

**ITV4 9pm Double Jeopardy** – We get a little peek at Ashley Judd's firm mounds of joy in the first few minutes. No exact timings, I fear.

## TUESDAY

**ITV4 10pm Total Recall** – Forget the half-arsed 2012 Colin Farrell remake. This is the original and the best with Sharon Stone's jubbies at four minutes and the three-titted alien bird at 55 minutes.

**Sony Movie Channel 11.20pm Pacific Heights** – Beverly D'Angelo gives us a tiny glimpse of her bits at two minutes.

**Sony Movie Channel 1.45am Pistol Whipped** – The gloriously-named Fast Ali has them out at 46 and 49 minutes (above). As her name suggests, she's moving quite fast at the time.

## THURSDAY

**ITV4 11.10pm Red Heat** – Grethen Palmer has her boobs out during a shoot-out at one hour 21. Not really the ideal time to her whipping your norks out but, hey, it's America.

**Horror Channel 9pm The Tattooist** – Mia Blake gets her boobs out in this flick based at a tattoo convention in Singapore. You'll need eyes like shithouse rat to catch the nips, though. No timings, I'm afraid.

**Horror Channel 2.45am Frankenhooker** – Pickings are a bit thin on the movie nudity front this week but *Frankenhooker* more than makes up for the shortage (above). Boobs, bush and even a bit of steamy lesbo doings at 36 minutes.

## FRIDAY

**ITV2 9pm American Pie** – If you don't Yank the end clean off when you see Shannon Elizabeth fingering herself at 44 minutes (above), there's something very, very wrong with you.

## TODAY

## MONDAY

## Oh Lord, here's what they do

**Meet the Lords – BBC2, 9pm**

WHAT do they do in the House of Lords, apart from fall asleep and wet their tweed trousers?

This documentary, filmed over a year following life at the House of Lords – one of Britain's oldest, most

idiosyncratic and most important institutions – goes behind-the-scenes during a turbulent 12 months.

The opener introduces the larger-than-life characters that populate the House – including new people's peers, hereditaries and political grandees – as they try to change legislation and follow their personal passions.

## Can you take a good stuffing?

**The 2,000,000 Calorie Buffet – C4, 10pm**

DOCUMENTARY about the growth in the number of all-you-can-eat restaurants offering limitless servings of food for a fixed price.

It features interviews with diners who can eat four days of calories in one sitting and the canny restaurateurs who know every trick going to fill people up quickly.

Narrated by noted grub-lover Johnny Vegas.

And if you're not itching for at least a carvery by the end, there's summat up with you.

Tasty stuff.

# OF THE TELLY

## England expects 17th win in row

**Live Six Nations Rugby Union: England v Italy – ITV, 2pm (kick-off 3pm)**

DESPITE struggling to find their best form so far in this year's tournament, England remain the dominant force having won both matches so far, at home to France and away to Wales, thus extending their unbeaten run under Eddie Jones to 16 matches.

Presented by Mark Pougatch, with studio analysis by Jonny Wilkinson, Clive Woodward and Lawrence Dallaglio, pitchside analysis from Martin Bayfield, Maggie Alphonsi and Mirco Bergamasco, and commentary by Nick Mullins, David Flatman and Ugo Monye.

## Watch what he does to sheep!

**Rivers with Jeremy Paxman – C4, 8pm**

NEW series. The presenter and fishing enthusiast travels along four of England's greatest rivers, exploring their history, traditions and wildlife.

The first episode follows the Tweed along the English-Scottish border, where Jeremy helps to shear Cheviot sheep, tags osprey chicks, goes in search of Merlin's grave and discovers the origins of famous border ballads.

## Resisting sour Krauts

**SS-GB – BBC1, 9pm**

SECOND episode of this thriller about an overbearing European superpower taking over Britain.

Hmmm... Archer rushes to the rescue after learning of a resistance plan to kidnap his son.

But he is trailed every step of the way by Huth and may be placing the boy in even greater danger.

Archer also finds himself morally torn as Huth demands his help in crushing the resistance, who have a plan to free the country from occupation at a terrible price.

## TUESDAY The race to be our king

**1066: A Year to Conquer England – BBC2, 9pm**

DOCUDRAMA in which Dan Snow explores the political intrigues and family betrayals between Vikings, Anglo-Saxons and Normans that led to the Battle of Hastings, where an overbearing European superpower invaded England and took over. Hmmm.

The first edition reveals how the death of Edward the Confessor without an heir – he was such a prude he never even shagged his own wife – triggered a bitter race to succeed him as king of England, with Earl Harold successfully taking the crown.

However, William of Normandy believes the throne has been promised to him and decides to invade, while Viking king Harald Hardrada also fancies himself as monarch.

## Horror story not over yet

**Shannon Matthews: What Happened Next – C5, 10pm**

THE disappearance of Shannon Matthews first gripped and then appalled Britain. Nine years on, this documentary examines her kidnapping and why people close to the case believe the police should reopen their investigation.

Featuring the insight of some of those closest to the case, the programme charts the impact on an innocent girl caught in the lies and greed of those who were supposed to be caring for her.

**DON'T MISS THIS!!!**

**Benidorm – ITV, 9pm**

NEW series. The package-holiday comedy returns, as the Dawsons' holiday starts with a bang when Eddie has an accident.

Meanwhile, Kenneth is having financial problems, but interest in an old inheritance from local dentist Stanley might be the solution.

Kenneth and Liam pay him a visit, and walk away with a smile on their faces.

Later, the boys are in the mood to party as Sam, the new holiday rep, takes them under her wing.

**A RANDY female prison screw has been nicked over allegations she had kinky sex sessions with a lusty teen inmate.**

She was caught when the con she was bonking let other lags SNIFF his FINGERS after their sticky romps!

Cops were called in to investigate rumours that Sydney Kia Highbaugh had enjoyed "inappropriate sexual relations" with a male prisoner at Pendleton Juvenile Correctional Facility in Indiana.

Indiana State police turned up evidence suggesting correctional employee Highbaugh had engaged in inappropriate sexual contact with an 18-year-old inmate at the juvenile facility.

**Sniff**

A warrant for Highbaugh's arrest was issued and she turned herself in at Madison County Jail.

Highbaugh, 22, of Anderson, faces charges of sexual misconduct as a service provider, official misconduct as a public servant and an trafficking with an inmate.

A jail insider said:

**STICKY SITUATION:**  
Sydney Highbaugh

"The dude she was f\*\*king let the other boys sniff his fingers for, like, 10 dollars.

"Hell, those guys locked in there... 10 dollars is a small price to pay for a smell of pussy."

# THE WORLD FAMOUS AGONY Page

**Dear Lexi,**

LAST summer I met a stunning older woman while on a lads' golfing holiday in the Algarve.

She was one of the local cleaners at the hotel where we stayed. I'm 22 and she's more than twice my age but once stripped off to her skimpy undies, it didn't matter.

She was very athletic in bed, and got herself into all sorts of weird but wonderful positions.

I want her to come over to meet my folks - I've told them about her and they're fine about her age and background, but she says she wants me to move out to Portugal and get a job.

What do you think?

GH, West Yorks

**Lexi says...**

WHAT are you waiting for?

**Dear Lexi,**

I'M a male dance instructor and have been shagging quite a few of my fit female pupils.

The first one I boned was a pretty brunette aged 19 with a fantastic body. After her second lesson she told me she couldn't afford to pay the tuition fees, but offered me sex instead.

So every week I'd do her on the back seat of my car after offering to give her a lift home.

I'd park up in a country lane and she'd give me a gobble before I'd do her doggy-style.

The problem is she's not the only pupil who pays with sex, so I'm not making that much money and the missus is getting suspicious.

What should I do?

JP, Liverpool

**Lexi says...**

WHY not give your wife one - and keep the cash from the dance lessons?!

# Taboo sex with wife is pain in the arse

Dear Lexi,

**I KNOW that lots of people rave about sex up the WRONG 'UN but I can't see what the fuss is all about really.**

My missus let me stick my cock up her tight bumhole on our wedding night.

In fact, it was the promise of doing the dirty deed that was the main reason I agreed to marry her in the first place. But thinking back on that night I have to say it was a bit of a disappointment.

## Ring

Although her ring is nice and tight, the rest of her arse is like a ruddy cavern, so there wasn't much to grip around my knob.

We spent quite some time easing into it – so to speak – and used lots of lube on both her arsehole and my willy, before I slid my rock-hard dick into her butt.

She seemed to love having a cock in her arse, as she was wailing away like a banshee and rubbing her clit as I pounded away at her.

But it just did nothing for me.

When I shag her in her tight, warm pussy, every inch of my cock is massaged by her intimate muscles.

So why would I want to shag her up the wrong 'un when her right 'un is perfect for me?

Well, I believe I have the answer. I think that it's just having dirty thoughts about bum sex that gets most of us lads going.

It's about a woman being sexually taboo enough to let us put our rods of steel somewhere they're not really meant to go.

In reality, it seems to me that bum sex is all a bit rubbish and not what it's cracked up to be.

Which is why I never really wanted to try it a second time, just that one night was probably enough for me.

Anyway, now my missus has said I can try it again for our wedding anniversary.

But I haven't got any particular interest in sticking my member up there – even if it is a special treat.

Frankly, I'd much rather try some *Fifty Shades of Grey*-style bondage or get the missus to dress up in some fetish gear.

What should I tell her? I don't want to offend or upset her.

NH, Notts

Lexi says...

**WAS your first normal shag any good? Lots of people are disappointed by the first time...but they carry on shagging and discover it can be amazing.**

Yet you're willing to completely write off bum sex after trying it just the once.

Back when you first got married you were both probably a bit naive in bed.

So this time round might be quite a magical experience – for you both.

As for bondage and fetish sex, why not suggest them both to her – she might be up for trying them, too.

And you could always try slipping her one up the arse at the same time.

Aston Villa **1**  
Derby County **0**

STEVE Bruce was a happy man after seeing his Villans win for the first time in five games and move eight points clear of the drop zone.

Nathan Baker hit the post for Villa following a corner and pressure paid off after 25 minutes for the home side as they finally got their breakthrough via a James Chester header.

Andre Green hit the post for Villa right after the restart and although Derby huffed and puffed they could not find a way through a strong rearguard that was weakened in the dying moments by a sending off for Bacuna.

Barnsley **1**  
Huddersfield **1**

HUDDERSFIELD were denied a seventh straight win by a magnificent goalkeeping performance from Tykes Adam Davies.

The Terriers took the lead through Michael Hefele who headed home from a Mooy corner after 18 minutes.

Barnsley equalised through Marley Watkins who volleyed home brilliantly at the near post from an Adam Hamill cross.

Davies produced saves from Mooy, Isalah Brown and Colin Quaner and when he was beaten twice by Brown his defenders cleared off the line twice to secure the draw.

Brentford **4**  
Rotherham **2**

THE Bees cemented their midtable slot after a Jota hat-trick helped his side to a late win over strugglers Rotherham.

The Spanish striker opened the scoring by finishing well from a tight angle and it stayed that way until the break.

The Millers levelled through Aimen Belaid but Yennaris restored the lead before Anthony Forde hit a 20-yard screamer with three minutes left.

Late drama then saw Jota score from the spot and then complete his trick after a quick counter.

Cardiff City **2**  
Fulham **2**

AN entertaining game saw both sides have to settle for a point apiece despite some excellent attacking from both teams.

Stefan Johansen broke with lightning speed and finished well to put the Cottagers in front.

But the lead didn't last long as Kenneth Zohore sprinted clear to level matters.

The restart showed the same intensity and Zohore put Cardiff in front with a super volley for his fourth in two games but sub Kebano deflected effort bobbled home to give the visitors a point.

ON TARGET:  
Chris Wood

## WOOD YOU BELIEVE IT?

## Chris scores but Rob Green is Leeds hero

**CHRIS Wood's goal gave Leeds a vital win against Wednesday — but goalie Rob Green was the real hero.**

The Leeds stopper saved a second-half Owls penalty that was well hit by Jordan Rhodes.

That meant Wood's 23rd goal of the season was enough to settle the Yorkshire derby.

Green rolled back the years to tip Rhodes spot kick — awarded after a foul by Souleymane Doukara — on to the post.

The former QPR goalie said: "It was a case of getting down to it on the penalty. I did my homework and thankfully it paid off."

"It was a tight game, I

Leeds United **1**  
Sheffield Wednesday **0**

think the penalty was the only shot they had on target. The fans have been great for us here."

Wood was delighted to get the win over one of Leeds' play-off rivals.

He said: "You can see how massive this three points is. 'We've done the double over them, which is great but we have loads more games to go.'"

Wednesday boss Carlos Carvalhal refused to blame Rhodes for his side leaving Elland Road with nothing.

He said: "We didn't come here to try to protect our goal

and achieve on the counter attack."

"We tried to play out football and I think we did well."

"Our goalkeeper Keiren Westwood didn't have much to do and one mistake that we did, Leeds scored the goal."

"After this there were positives, we tried and tried, achieved a penalty and had a few chances before that but we missed the penalty."

"That we didn't win wasn't because we didn't try, because we didn't fight or create chances, it was circumstances in the game."

"We missed a penalty, that is a part of the game. We win together and lose together and the responsibility is mine."

STAR MAN: Rob Green

NOT HAPPY: Benitez

## Benitez in rage at his Toon flops

Newcastle United **2**  
Bristol City **2**

RAFA Benitez almost blew a gasket as his Toon had to rely on a late Claran Clark strike to nick a point.

Lowly Bristol City stunned a pack St James's Park by racing into a 2-0 lead.

Aaron Wilbraham nodded home the opener after 11 minutes and David Cotterill doubled the advantage after a defensive mix-up.

It looked grim for the Toon until Korey Smith scored in his own net just short of the hour mark.

That prompted a rally and Clark squared it with his head eight minutes from full-time.

Preston NE **2**  
QPR **1**

PRESTON'S unlikely play-off charge keeps going after they beat 10-man Rangers.

The Londoners kept up their good form in the early stages and went in front thanks to a cheeky backheel by Chris Maxwell.

But North End went into the break all square thanks to Aiden McGeady who blasted home from range.

Jordan Hugill put the home side into the lead with 19 minutes left.

And North End were helped when Luke Freeman was shown a second yellow card shortly afterwards.

Wigan Athletic **0**  
Nottm Forest **0**

TWO struggling sides had the crowd yawning in a bore draw at the DW Stadium.

There was a single shot of note in the first half and Forest winger

Mustapha Carayol didn't trouble the home keeper.

Things livened up — slightly — after the break.

Dan Burn went closest for the Latics when his shot was blocked by the Forest defence.

Eric Lichaj had a decent effort for the visitors as his shot went just wide.

Carayol had another effort in the dying minutes as both sides settled for a hard-earned point.

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

# STRANGE TIME TO BIN RANIERI

**THERE are so many questions surrounding the sacking of Claudio Ranieri.**

For starters, the main reason they gave was their poor league form. That's understandable enough given how awful they've been this season, but if the decision was based on league position, why wait until after FA Cup and

Champions League defeats to give him the push? In fact, I think the last time Leicester were in league action Claudio had been given the owners' equivalent of a vote of confidence.

So what changed between their last league match and almost two weeks with no league game?

Clearly they took the decision a while ago and were getting their replacement lined up.

They could of course have taken a leaf out of Burnley's book and stuck with their manager.

Burnley have learned that relegation from the Premier League is part of football's journey, not the final destination and, FA Cup exit aside, Sean Dyche's team have bounced back stronger.

★ Almost as embarrassing as the way manager is their fans whinging about their "treatment" in their FA Cup defeat at Millwall.

These guys have clearly been in the

comfort of the Premier League too long. It's called passion folks and, while the Millwall fans' pitch invasion wasn't ideal, they weren't the only ones to do it (as we saw with Sutton United fans 48 hours later).

Yes Millwall have previous, but on this occasion all they were guilty of was being ungracious winners!

★ Talking of Sutton, what should have been a great example of the last few remnants of 'the magic of the FA Cup' was spoiled by a certain tabloid newspaper and sports bookmaker. Piegate as it has now become known turned a great football story very sour.

When the rules on football betting were opened up a few years ago I said there'd be trouble, and so it's proved.

When you can bet on a player being caught eating a pie on TV you have to wonder where it's all

leading. It's so obviously open to abuse. But the biggest abusers are the bookies themselves. Gamble responsibly my arse.

★ And while I'm on the subject of betting on football, Tottenham fans must be shitting themselves at the prospect of playing all home games at Wembley next season if their record at the place in European competition is anything to go by.

What odds on them not winning a single home game next season. Well, if you can't beat 'em...

## Burnley park bus to deny Silva gold

Hull City	1
Burnley	1

MARCO Silva's Hull again looked an improved team — but they had to settle for a point against Burnley.

Tom Huddlestone had put the home side ahead with a second-half penalty, but Michael Keane responded almost immediately for the Claret.

With three points meaning a great deal to both sides, the opening exchanges were unsurprisingly cagey and reminiscent of an old school relegation battle. As Burnley sat deep, it was the home side who took control, but there was little in the way of chances in the first half hour.

As the away side absorbed continuing pressure, Robbie Brady started to find space out left and the occasional counter attack was launched, but the Tigers had tabs on Andre Gray at all times, forcing Burnley to shoot from distance.

A rejuvenated Hull pressed higher after the restart in a bid to throw their opponents off their game, but the Burnley wall didn't budge and, by the 50th minute, the slow pace of the first half returned.

### Diving

Kamil Grosicki forced corner after corner for Hull and, after failing to break through with several attempts, a whipped cross from the Polish international forced a hand ball from Keane and a penalty was awarded.

The impressive Huddlestone duly dispatched the spot kick, despite Tom Heaton getting a hand to it.

However, just minutes later the former Manchester United man Keane went from zero to hero as he controlled a corner on his chest and fired low past home goalkeeper Eldin Jakupovic to draw level.

With Ashley Barnes sent off in stoppage time, Hull's belief returned and the pushed for what would have been a very late winner, but they couldn't break through a ten-man Burnley side which parked the proverbial bus, meaning the spoils were shared.

## Baggies bite back to stone Cherries

West Bromwich	2
Bournemouth	1

BOURNEMOUTH took a very early lead at The Hawthorns but West Brom quickly fought back to extend Eddie Howe's winless run to seven Premier League matches.

Joshua King had converted a penalty before many fans had even taken their seats, but the Baggies were able to respond with goals from Craig Dawson and Gareth McAuley.

For the struggling Cherries, this match could hardly have gotten off to a better start, with Allan Nyom hauling down Ryan Fraser in the box in just the fourth minute.

The Saudi Arabia-bound Mark Clattenburg immediately pointed to the spot and King stepped up to send the goalkeeper the wrong way and to send the travelling fans crazy.

Tony Pulis didn't have to frown for long, however. Chris Brunt tired his luck from distance one minute after the goal and missed by just a whisker, before Dawson had more luck with his long-range strike in the tenth minute, aided by a significant Charlie Daniels deflection.

### Smart

Another slice of good fortune fell the Baggies' way in the 22nd minute when an Artur Boruc punch somehow spun backwards at a corner and McAuley blasted in the easiest goal he'll score this season.

The Polish goalkeeper did slightly redeem himself with a smart save from a point-blank Jonny Evans header, but his error allowed the home side to head into half-time with a 2-1 lead.

Nacer Chadli then thought he'd extended the lead to 3-1 at the start of the second half, but he headed in from an offside position.

An end-to-end half of football then broke out as both teams searched for the fourth goal, with Salomon Rondon and James McLean both fluffing decent opportunities.

Their misses almost proved costly, but the Baggies held on thanks to two stoppage time Ben Foster saves.

**JOSE Mourinho is bidding to become only the third manager to win the League Cup four times (alongside Brian Clough and Sir Alex Ferguson) at Wembley later today.**

But United are likely to have to do without the injured pair of Michael Carrick and Henrikh Mkhitaryan.

The latter has been influential of late and his absence will be a huge blow to United who may have to be patient to break down a very good Southampton side.

The Saints are 4/1 to win the tie in 90 minutes with United 3/4 and the draw at 5/2.

Zlatan Ibrahimovic scored four goals in four domestic Cup finals when with PSG and the Swede is 7/2 to open the scoring and 23/20 to find the back of the Saints net during normal time.

I think United will win in 90 minutes but they may have to be patient and the recommendation is draw half-time and United full-time at 16/5.

Spurs were knocked out of the Europa League on Thursday and this term is beginning to mirror last season when they

## United to win Cup — in second half

played some beautiful football but ended up empty handed.

They still have the FA Cup and a home game with Millwall in the last eight, but they can't afford any slip-ups against Stoke this afternoon at the Lane after their Wembley woes.

Spurs have beaten Stoke 4-0 in their last couple of PL games but both fixtures were in the Potteries and I wouldn't be in too much of a rush to back the hosts at 4/9 with the draw 19/5 and Mark Hughes's side at 7/1.

At the time of writing Roberto Mancini remains uneasy 6/4 favourite at BetVictor to be next permanent manager of champions Leicester.

The money on Friday was for Nigel Pearson (4/1 from 12s) and Alan Pardew (6 from 12) although the timing of the sacking is such that you do wonder if the owners have really thought

their decision through. The Leicester players over-achieved winning the title last season and I'm not even convinced they have under-achieved this season.

The Foxes haven't scored a PL goal in 2017 and are likely to be in the relegation zone by the time they take the field against Liverpool tomorrow night.

The Reds haven't played since their excellent 2-0 home win against Spurs a fortnight ago and are 3/5 to take three points with the Foxes 5/1, the draw 16/5.

Leicester began the weekend 7/4 to be relegated and 2/5 to maintain their PL status this season. If Liverpool score first I can see the Reds giving them a chasing and I hope they do.

Foxes fans are sure to get behind their side but I wonder if they will do so with the same gusto post Ranieri as this time last season.

Media speculation sug-

gests player power was behind the owner's decision and there is a feeling that the party is well and truly over at the King Power.

I expect to see Jurgen Klopp's side have too much pace and skill for the hosts and the recommendation is for Liverpool to win and both teams to score at 9/4.

★ The Grade 2 National Spirit Hurdle is the feature race at Fontwell Park today and Nicky Henderson can saddle the winner but with which one of his two runners Different Gravey or L'Ami Serge?

Marginal preference is for the latter who was given a poor ride by Daryl Jacob at Haydock last time and has been called some rude names in the past.

Different Gravey reverts to timber after a terrible run at Cheltenham over fences last time and has something to prove back over the smaller obstacles.

## Plucky Swans can't stop Chelsea surge

**COUNT THE COSTA:** A subdued striker celebrates his goal

**BOOM:** Pedro fires Chelsea back ahead

**CHELSEA are 11 points clear at the top after a battling win against Swansea.**

An early Cesc Fabregas goal looked to have started off a comfortable afternoon for the Blues, but Paul Clement's in-form Swansea fought back and Fernando Llorente levelled before the break.

Second half efforts from Pedro and Diego Costa completed the all-Spanish scoresheet and allowed Chelsea to keep marching on at the top.

Unsurprisingly, it was the Blues who dominated the early stages of the game,

By **BARNEY LLOYD-WOOD**

although a half-chance fell for Swansea's Federico Fernandez from a corner.

Chelsea then opened the scoring on 19 minutes when Fabregas picked up the ball on the edge of the area, after some good work from Pedro in the box, to control and volley home.

The Blues had won 14 of their last 15 matches and it showed in the way they dominated after taking the lead, looking ominous whenever they went forward.

Six minutes after the goal Lukasz Fabianski had to deny Fabregas a second after he got on the end of a

well aimed cross from Victor Moses.

With as many points won under Paul Clement as they had in their opening 19 matches, the Swans looked organised and resolute.

But their boss didn't look happy on the touchline with the Welshmen's inability to bother the Chelsea defence.

Yet the visitors picked up an unlikely equaliser on the brink of half time.

A Gylfi Sigurdsson free-kick was brilliantly headed home by Llorente against the team who courted him in January.

With the sides level at the interval, whatever heart-on-the sleeve advice Conte

gave his side at half-time looked to have the desired effect as they nearly retook the lead just three minutes into the second half.

However, Fabianski saved Eden Hazard's drilled shot, before the Belgian cut the ball back for scorer Fabregas, whose first-time shot cannoned off the bar.

There was then plenty of frustration when referee Neil Swarbrick waved away a potential Swansea penalty for handball.

Cesar Azpilicueta clearly handled the ball but the whistleblower bottled it.

And just seconds later, Chelsea took the lead. Pedro's curled effort went right

under Fabianski as Chelsea showed the stuff of champions, albeit with a combination of quality and a bit of luck.

The visitors did not look out of the game by any means at that point, as Thibaut Courtois almost gifted another equaliser when he dropped Sigurdsson's free kick.

But any nerves were soon put to bed when Diego Costa slammed home the clincher to make it 3-1 after some good work from Hazard.

That meant that Conte and Co picked up their 12th straight home win and look uncatchable at the Premier League summit.

**60 UP:** Romelu Lukaku

## Lukaku equals record as Cats crash

Everton	2
Sunderland	0

**ROMELU** Lukaku scored his 60th Everton goal to drop former boss David Moyes and Sunderland into even deeper trouble.

The Black Cats missed chances as counter-attacking goals from Idrissa Gueye and Lukaku settled it.

The Mackems welcomed back Jordan Pickford between the sticks for his first game since Boxing Day and he was called in to action, Leighton Baines squaring for Ademola Lookman.

The stopper spilled the shot behind him, but was able to recover before it crossed the line.

Bryan Oviedo had the visitors' first chance against his former club, but his drive was deflected behind.

The immense Gueye then went close, forcing a save from Pickford from a narrow angle. He wasn't to be denied twice, though, as Everton took the lead on 37 minutes.

### Pawed

Tom Davies played a through-ball that found Coleman and the full-back's cross picked out Gueye, who smashed home from the edge of the box.

Ross Barkley then almost embarrassed Pickford further, but his effort from 25-yards was pawed just wide by the keeper.

Sunderland started much the brighter in the second half and should have had a penalty when Ashley Williams handled Lamine Kone's header.

Jermain Defoe also had a shot well blocked, before Oviedo put one wide.

The pivotal moments of the game came halfway through the second period.

Darron Gibson won the ball inside his own half and found Adnan Januzaj, who travelled 25-yards upfield and set Defoe free, but he could only thunder against the bar.

His despair was compounded in the next attack as Lukaku burst through and, via a deflection off Oviedo, lifted the ball over Pickford to double the lead and equal Duncan Ferguson as Everton's top Premier League scorer.

# PALACE FOLLOW THE VAN

**PALACE** side recorded their first home Premier League win since December, thanks to Patrick van Aanholt's opening goal for the club.

The result lifts the Eagles out of the relegation zone, with Leicester slipping into the bottom three for the time being.

Defeat for Aitor Karanka's team meant a ninth successive Premier League game without a victory and they are now are only ahead of Palace on goal difference.

The Eagles had the far better chances in the first half, with Christian Benteke missing two

Crystal Palace	1
Middlesbrough	0

headed opportunities in the opening half hour, before van Aanholt's breakthrough goal eventually arrived on 34 minutes.

The Dutch defender finished crisply from inside the area following a pass from Yohan Cabaye.

Jason Puncheon almost added to the hosts lead a few minutes later, but he was denied by Victor Valdes in the

Boro goal. Middlesbrough started on a stronger footing after the break, with Gaston Ramirez registering their first attempt on target, but the Uruguayan was comfortably stopped by Wayne Hennessey in the 54th minute.

Defender Ben Gibson was also denied by the Welsh international, who saved well from his long range effort on 66 minutes.

The visitors continued to press for an equaliser and substitute Adlene Guedioura came close as the clock read 73 minutes, but again

Hennessey was on hand to make a save.

Benteke then almost sealed the win for Palace a few moments later with a close-range strike, but he was unable to get his effort on target.

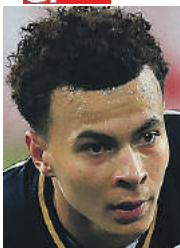

Goalscorer Van Aanholt's afternoon ended early following an injury on 87 minutes and Palace were made to sweat.

Andros Townsend had another opportunity to wrap up all three points in added time, but the former Tottenham man blazed his effort high and wide of the visitors goal, although it wouldn't ultimately matter.

NAUGHTY BOY: Alli

Del boy will learn from his red end

Tottenham v Stoke City

Sunday, 1.30, on Sky Sports 1

**HARRY Kane** says Dele Alli will learn from his first ever red card.

The midfielder was ordered off against Gent on Thursday after a horrendous challenge.

Tottenham's modest form continued as the Belgians knocked them out of the Europa League.

Alli is allowed to play in domestic football and Kane is expecting a fast response from his England team-mate against Stoke today.

He said: "Dele will learn from it."

"Obviously in European football when tackles like that go in you are more likely to get a red card."

"He is obviously gutted and feels like he has let us down a bit but Dele has been great for us this season. We fought hard for him to turn it around."

"It is something he will learn from and get experience from for the future."

Stoke have been boosted by Xherdan Shaqiri's return to full fitness.

The Swiss winger has missed the past three games with a calf strain.

### Poor

Geoff Cameron is also in line for a return after missing almost four months with a knee issue.

Stoke boss Mark Hughes said: "Xherdan Shaqiri is OK again now and available for selection and Geoff is very close too — the game may come a little too soon for him but at the moment he is in my thoughts."

The Potters have recovered from a poor start to the season — that included getting spanked 4-0 by Tottenham — and now sit ninth in the table.

Hughes hopes his players are confident heading to the Lane.

He said: "It's a challenge, as it always is, and will do our best."

"We've gone to the likes of Chelsea, Liverpool and Man United and done OK."

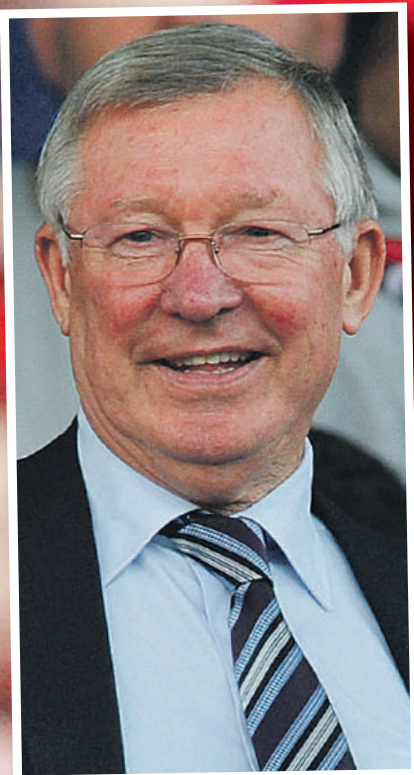

"Obviously, against Liverpool and Chelsea we conceded too many goals but, on the day, we started really brightly and that's what we will do again."

"Their home form is excellent, that's the difficulty for us, but we will go there in good heart."

"We won't go there with the intention of just trying to block them out."

**ROO CAN DO IT:** The United skipper may get a rare start as Mourinho tries to better Fergie (left)

# United gaffer on verge of beating Busby and Fergie

### JOSE Mourinho has a chance to make Manchester United history today.

The Reds boss could do something that not even Sir Alex Ferguson or Sir Matt Busby managed — by winning a trophy in his first season.

United take on Southampton in the EFL Cup final at Wembley with Mourinho knowing how important it is to grab some early silverware.

Winning this competition kicked off his era of success at Chelsea and the 54-year-old is desperate to lift his first trophy at Old Trafford.

Given that it took Fergie four years to lift a trophy and Busby three

seasons, that wouldn't be a bad start for Mourinho.

He is expecting his players to treat the competition as though it is the most important and not one that is often dubbed the "Mickey Mouse Cup".

Mourinho said: "If is a big thing in football, but if we win then I think it's more important that it's about the club and not myself."

"I have so many good things in my career that I wouldn't be influenced by a little detail."

"But the most important thing is the club and the club won a trophy

last season, so let's try to win another one this season."

"There's also the quality and dimension of our football which is very important and I realise that by the fans' reaction that it's very important."

### Personal

"Their happiness, their connection and their empathy with the way the team plays, so it would be good for the group and good for the club."

"It would be also good for me obviously, but at the beginning of my career I was looking more to myself and my personal achievements, but now I'm in a period where I'm

more and more and more a club man."

Mourinho is warning his United stars not to take Southampton lightly.

He added: "If they want it more than us, they win, so we have to be sure they don't want it more than us."

"That's the point. They want it a lot, of course they want it a lot. But I don't think they want it more than us."

"So I think the best team on the pitch will win and it won't depend on motivation."

FAREWELL: Ranieri

## Schmeichel says thanks as Ranieri clears desk

Leicester v Liverpool

Monday, 8pm, on Sky Sports 1

**CLAUDIO** Ranieri has bid a tearful goodbye to his Leicester players — and one of them has finally come out and thanked the Italian.

Player power is thought to have been behind his sacking just months after winning the most amazing Premier League title of all time.

Ranieri was at the club's training ground yesterday morning to clear out his desk.

He said: "I feel good now, because of what we achieved at Leicester."

"I hope it happens again but it will be very difficult."

Kasper Schmeichel has made a public thank you to the Italian.

The goalkeeper said: "I would like to thank Claudio for everything he's done for Leicester City and for me personally."

"He deserves massive respect and huge credit for what he achieved here with us. Thanks boss."

Leicester face a tough start to life without Ranieri as Liverpool head to the King Power on Monday.

Reds boss Jurgen Klopp has said sacking the Italian was crazy. But he understands that there's pressure on him to deliver success at Anfield.

### Difficult

He said: "Liverpool as a club wants to have a long relationship with its manager but as always it all depends on success."

"If we cannot win anything or even come close to big things over the next few years then it will be difficult to go in."

"But in this moment everyone is absolutely convinced about going for it with this manager, this team and these coaches."

"With a few changes we believe we can reach the highest and that is what we are all working for. We think we know that it will happen."

"But we have to fill the period between now and then with as many wonderful performances as possible. That will make it easier for the people to wait."

"When someone thinks that if a manager cannot reach the targets they think about changes — that is not new."

"But in this specific Leicester case it is very, very special because I think it was one of the nicest stories in world football of all-time."

## £180M NEY IN JOSE'S SIGHTS THIS SUMMER

MAN United will make a sensational summer swoop for Neymar — with Jose Mourinho already trying to persuade the Brazilian to move.

The Barcelona hitman has an £180million release clause — and the Reds are willing to shell out mega money to get the deal done.

Neymar's release figure goes up at the end of each season — so United have to act fast or he will get even more expensive.

Reports in Spain say Mourinho has been selling Old Trafford to the 25-year-old who's scored 95 goals in 171 games for Barca.

The Reds boss needs to act as Zlatan is still stalling on the one-year extension to his contract.

It was thought that Antoine Griezmann would be signing from Atletico Madrid. Mourinho is worried about how he will fit in having flopped next to Paul Pogba for France.

big talking point. The Old Trafford skipper has just committed his future — until the end of the season at least — to the club amid talk that he'd be heading to China.

With Henrikh Mkhitaryan on the sidelines, there's every chance that Rooney will play some part against the Saints.

### Best

Mourinho said: "Only the best 11 players will play. We win all together. It doesn't matter if you play or didn't play, if you play a lot or don't play much."

"I go for the best possible team. I have to make a decision. You know

that we normally play two different systems.

"Sometimes we play with two mid-field players and a 'Number 10', if you want to call it that."

"A final is a special match and he's an option for me."

Southampton have some big players of their own missing — but boss Claude Puel has every faith in his squad.

One man in particular — centre-back Jack Stephens — has a big responsibility.

He's standing in for the injured Virgil Van Dijk and looks set to play at Wembley.

Puel said: "For the moment I didn't

give the team as the start. We'll see if Jack starts this game."

"But for me of course I'm confident all my confidence with the player, with the squad."

"I saw the training camp in Spain, very good concentration, very good spirit, quality in the training sessions."

### Result

"Big attention, for Jack, for all these young players. They need to stay calm and focus about what they have to do."

"It's the most important for me to keep them in this good attitude and not just to think about speculation

about a good result or bad result. The most important thing is to just play this game."

Martin Caceres is another defender who is lacking experience of the English game. But the former Juventus and Barcelona stopper is another who could play at Wembley.

Puel added: "I was surprised by his good physical fitness, because he came on the training camp in Spain with a good level, good quality."

"He worked hard along on his fitness during his injury. I don't know if he can participate at the beginning of this game but he can give good opportunities and solutions for us for the future."
