Swiss soldiers may be jailed for Nazi salute

SIX Swiss soldiers face a criminal investigation after the group were photographed making a Nazi salute in front of a swastika drawn in the snow.

Army spokesman Walter Frick confirmed disciplinary action was being taken against the disgraced soldiers, who have been detained for an unspecified number of days.

An investigation has begun to determine if the soldiers have broken laws on racism.

If that is found to be the case, they could face up to three years in jail.

Martine Brunschwig Graf, President of the Federal Commission against Racism, said

that regardless of the legal situation, "the behaviour of these young men was scandalous", especially so because they are members of the army. Switzerland sat out

the battle against Nazism in the Second World War, preferring to profit from hoarding Nazi gold.

A shameless people, they have never apologised.

WHO'S A PRETTY HOT BOY?
Budgies are dying at HMP Grendon

Lags gripe too-hot cells are roasting their BUDGIES

By **STIAN ALEXANDER**
news@sundaysport.co.uk

LOCKED-UP lags are getting hot under the collar over overheated cells – which they claim are killing their BUDGIES!

They say a faulty heating system makes the cells too stuffy for their sensitive caged birds, which are shuffling off the perch.

Many inmates at HMP Grendon in Bucks – home to 235 category B prisoners – are serving life sentences, which means they are allowed caged birds in their cells.

Inmates have said their budgies are becoming ex-budgies

because of a "defunct heating system", which needs fixing. Budgies are prone to suffering from heatstroke, with experts saying that it was a "real danger" to pet birds if they get "too much supplemental heat".

Problems

Inmates have complained to bosses about the "searing heat" in some of the wings, as well as the dodgy plumbing, which leads to some cells being flooded.

Writing in this month's edition of lags' mag *Inside Time*, out this week, one inmate said the

problems had been going on for months.

Sex beast Jamie Disley, jailed for seven years in 2013, said problems in jail were mounting, leaving inmates fuming at the death of their pets.

The 26-year-old wrote: "There is a defunct heating system on the 6 wings, so hot budgies are dropping dead from it."

It is believed that a string of prisoners have complained about various problems at the prison – with around 240 complaints in a six-month period.

Suspected burglar was a switched-on vibrator in bath

A WOMAN called cops when she heard a mysterious "drilling noise" late at night – only for officers to find her VIBRATOR rattling away in the bath!

Two squad cars turned up at the scene, expecting to find an intruder.

But after searching the premises, they found no burglar and no sign of a potential break-in.

When police entered the building though, they also heard the drilling sound.

They went to the upper floor of the house with the woman and localised the sound to her bathroom.

When they opened the door, they discovered the noise was being made by a sex toy "vibrating out of control" in the empty bath.

A police spokesman in Bremen, Germany, said: "Upon seeing the toy, the woman cried 'that's my vibrator!'"

"She was extremely relieved that there was no intruder."

Police have now asked Bremen people not to call them if they hear suspicious sounds, directing them instead to their website for information on how to protect themselves against real burglars.

COUNTDOWN'S Dictionary Corner brainbox Susie Dent is "filth in bed" and has a "right dirty mind".

They are not our words, they are comments made by the grubby readers of a downmarket London-based newspaper.

When the Daily Mail reported that Susie, 52, had come up with the word "shithead" as part of the Countdown Conundrum segment, the floodgates of SMUT yawned open.

Reader Tsui Giri of Okinawa, Japan, said: "You just know that Susie Dent is absolute filth in bed."

And she mainly works Saturday nights.

BENT BANKE THE LESBO BUM ORGY

£1,500-a-night vice
girl is TABOO sex specialist

SCAM: Scourfield

PAL: Mills

JAILED: Bancroft

BEST IN CLASS:
Suzie is legendary at taking a length

THE hooker at the centre of a £1BILLION bank scam is a TABOO sex star who can swallow up to TWELVE INCHES of cock in her hungry bumhole!

Kinky Suzie Best romped at sex parties with bent banker Lynden Scourfield who with his associates was found guilty this week of running their megabucks racket.

Senior HBOS worker Scourfield, 54, forced struggling clients to use a pal's firm and in return was treated to hookers and X-rated fun with girls including

By **SIMON DEAN**

simon@sundaysport.co.uk

porn star Suzie.

Suzie, 31, romped with fellow escorts for the fraudsters at sex parties which involved wads of cash and stashes of Viagra.

She met up regularly with Scourfield and his friends — who she dubbed "the posh twat bankers" — in a rented west London apartment.

Spanking

Hooker Suzie, whose horny services include spanking and humiliation, told Southwark Crown Court how she did girl-on-girl shows for them and also performed sex acts on some of the men.

In her evidence Suzie, who features on porn websites,

said that Scourfield had a hairy back and suffered from premature ejaculation.

Another hooker — not named in court — kept a diary. One entry read: "Chinese meal. Then drinks at flat and quick shag. Easy £1,500."

But having sex with hairy bankers with hair-trigger cocks was a walk in the park for Suzie, who specialises in deep-penetration anal porn.

What's more, mucky Suzie doesn't mind if it's a man shoving a COCK or a woman sliding a DILDO into her arse.

In one of Suzie's best-loved scenes, she stars with sex queen Lolly Badcock in a frenzy of Sapphic bum-love.

The 20-minute scene has both Lolly and Suzie clad in PVC fetish gear.

The action starts when Lolly licks her finger and then slides in into Suzie's

tight bumhole, which has clearly been scrubbed clean for the occasion.

Lolly then holds Suzie's bum cheeks apart and slips her tongue into her co-star's puckered balloon-knot – an activity known as “rimming” by sex people.

Lubricated

Suzie then returns the favour by lapping at Lolly's sodden private parts, while working her own vagina with three well-lubricated fingers.

The couple then move onto some grubby stairs where the action steps up several gears as Suzie pulls out a GIANT dildo and slides it up Lolly's bottom.

There then follows more than quarter of an hour of extreme anal and vaginal dildo penetration, with the highly-stimulated ladies

yelping like excited puppies.

Suzie continues her bottom theme in the acclaimed 2009 movie *Anal Finishing School* – which also features Emma Butt and Sahara Knite.

She can also be seen in movies including *Bukkake 7*, *Cum Crazy Brits 2*, *Sneaky Pee Volume 24* and *Squirters and Gushers*.

Last week the court heard how Scourfield targeted 200 failing businesses – and forced them to use a consultancy company run by his pal David Mills, 60.

High-risk loans of £245m were agreed which would never be repaid.

Mills treated Scourfield to business-class trips to Bangkok, Moscow and Barbados, a Med cruise and the use of an Amex credit card.

A £2m, 100ft yacht called Powder Monkey was also

purchased, along with properties around the world.

Mills' firm Quayside Corporate Services hit businesses with hefty fees – forcing many to go bust.

HBOS, which left taxpayers with a £20.5bn bill during the 2008 credit crunch, eventually wrote off debts estimated at £245m.

However, sources close to the investigation say the total value of the fraud could be close to £1bn.

Mark Dobson, Mills and Michael Bancroft, were also convicted of the scam.

Scourfield was jailed for 11 years and three months, while Mills got 15 years. Bancroft, 73, was given 10 years, Dobson, 56, four-and-a-half years and Cartwright, 72, three-and-a-half years.

Fifty Shades is a disaster for me, moans Dakota

FIFTY Shades Darker stunna Dakota Johnson says everyone reckons she's a sex person – just because she appeared in a kinky S&M bondage fetish fifth flick.

Appearing on US talk show *Late Night With Seth Meyers*, Dakota explained she has to watch every word she says while promoting her role as Anastasia Steele.

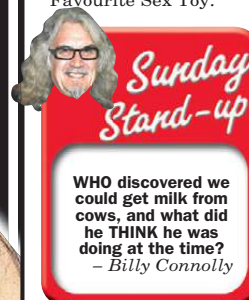

She wailed: “It's a disaster. It is truly, categorically impossible for me to get it right, even when I'm not wildly taken out of context.”

The 27-year-old (above) said: “The other day I had someone ask me what my favourite sex toy was, which is like inappropriate.”

“I was like, ‘That's an inappropriate question.’ I can't answer in the right way.”

“I said, ‘I don't have one. Let's move on.’”

“But then the headline was like: ‘She Doesn't Have One Favourite Sex Toy.’”

Hooker nicked client's car to pick up drugs

A HOOKER pinched her client's car after writing a message in lipstick on a mirror telling him “I've borrowed your car – won't be long.”

Sharon Wells scrawled the message after spending the night with the man at a Travelodge in Huddersfield.

A court heard she took the car to collect her next drugs fix.

Kirklees magistrates also heard details of a string of thefts the 42-year-old committed to fund her habit.

Wells pleaded guilty to taking a vehicle without the owner's consent, driving without a licence or insurance, drink-driving and possession of cannabis.

Magistrates adjourned sentencing so that Wells can be assessed for drug rehabilitation.

She was banned from driving in the interim.

THE VOICE OF YOUR BRITAIN

Make Trump happy, Kate - it's your job!

THE word from Kensington Palace is that Princess Kate is unhappy at the prospect of sitting next to Donald Trump when the American President visits later this year.

It's said she's unhappy that Mr Trump saw "those" pictures of our future queen's busters.

Well, sorry Kate, but we've got news for you...

You are Britain's finest bit of window dressing.

When the boss of our biggest trading and military partner comes to visit, you'll sit next to him at teatime.

You'll bloody well sit on his face if that's what it takes to keep the nutter happy!

We don't keep the Royals in diadems and fine palaces out of the goodness of our hearts.

They're there to impress the foreigners and dance to our tune.

Possibly, Princess Kate - who is a commoner by birth - has not yet accepted this truth of Royal life.

Suzie's sexpertise on hole new level

MUCH has been made of the beauty and skill demonstrated by prostitutes from Russia and the other countries of the former Soviet Bloc.

And indeed the various Olgas and Svetlanas - with their good, strong teeth and sturdy peasant backs - perform bedroom exploits that put many of our own home grown whores to shame.

But we must remember that when it comes to elite prostitution, this country produces some of the world's finest.

Look at remarkable courtesan Suzie Best, who provided services for a group of fraudsters.

Her sexual athleticism and willingness to use every hole to delight clients is a thing to behold.

With Brexit around the corner, let's not be shy about saluting our nation's talents!

Doctor Who-oops!

SINCE shooting to fame after stripping off for Robin Thicke's *Blurred Lines* video, Emily Ratajowski certainly hasn't been shy about flashing her amazing bod.

The 25-year-old, who regularly shares naked pics to Instagram and went topless in *Gone Girl*, has got them out again.

Emily was enjoying a holiday in Cancun, Mexico, with a few of her friends and confidently showed off every inch of her natural figure on at the seaside.

One onlooker said: "I couldn't help myself - I had to touch my tinkle. But then the police came and I got a severe beating."

'Togs ran off,' claims naked car wash man

COPS arrested 52-year-old Charles William Raulerson after getting a call about a naked man dancing in a car wash.

Officers reported seeing Raulerson (above) standing next to his car, without trousers or pants, with music blaring from his vehicle.

When deputies asked him where his clothes were, he replied: "They took off running by themselves without me."

Officers, who suspected drugs may have been involved, asked him to sit in his car.

Raulerson then threatened an officer with a screwdriver, so the cop shocked him with a Taser.

Raulerson was charged with assault on an officer and is currently being held at the Escambia County Jail in Pensacola, Florida.

Jump Josie: I shat myself in ASDA

THE Jump star Josie Gibson revealed she once SHAT her pants in the middle of a busy supermarket.

Former *Big Brother* star Josie confessed she emptied her bowels during a shopping trip to Asda - thanks to a bizarre weight loss fad.

The 32-year-old reality star said she tried everything to beat the bulge, and was left with shitty knickers after drinking Aloe vera to try to clean out her tubes.

She said: "You name it, I've tried it. I took slimming pills, but they had horrible side effects. And I really mucked up my metabolism on fat-burning pills."

"Then I tried drinking Aloe vera to clean out my colon, but it made me shit myself in Asda."

Wildlife boss caged as tiger scoffs girl, 9

THE boss of a wildlife park has been jailed after one of his tigers escaped and ate a child.

Amr Sa'ad Eddin was found guilty of manslaughter and handed a two-year sentence. He was also fined £4,000 after the big cat got out of his park near Cairo, Egypt.

The case dates back to September last year when a tiger escaped from the farm in the city of Giza and ate a nine-year girl.

An elite police force was called out and eventually shot dead the deadly beast.

The attack sparked anger amid accusations that lax safety measures in the park allowed the tiger to escape to a nearby residential area, where he attacked the victim while she was playing.

Furious residents tried to storm the farm and kill other animals there, but were stopped by police.

Investigations revealed that the five-acre farm had a licence from authorities to breed wild animals – including lions, hyenas and reptiles.

When he had a gun pointed at him, Bruni began masturbating before falling to the ground jabbering.

Bruni was charged with two counts of criminal mischief and one count of battery, occupied burglary and obstructing/resisting an officer.

He is being evaluated by doctors.

SCRATCH 'N' SNIFF: Alan gets to grips with his willing twins

OAP ALAN, 68, SPLASHES OUT ON TEEN NYMPHOS

By SIMON DEAN

simon@sundaysport.co.uk

WHEN randy pensioner Alan Lewis scooped £100,000 on a scratch card he knew immediately what to buy...

A brace of willing Albanian twin sisters who would pander to his every whim – including SEX STUFF!

Alan, 68, jumped for joy when he uncovered his jackpot outside a newsagent's near his home in Hoylake, The Wirral.

Staggering

He told *Sunday Sport*: "I was staggering home from the pub after a few scoops and I thought 'Hello – let's try my luck on a scratchie'."

"I scratched off the foil and there it was...a hundred grand!

"I started whooping and ran off to claim my prize."

With a fortune in the bank, Alan then started to make his dreams come true.

He added: "I got on the internet to find out where to buy a couple of

18-year-old twin sisters who were, you know, 'broad-minded'.

"Three days later, I met Elena and Maria at Manchester Airport. They were a bit stand-offish until I showed them the balance in

my bank – then they couldn't do enough for me.

"And I mean that literally. I've had to spend a bit of my money on Viagra to keep up with them."

"Dirty, dirty girls. Anal, ATM, Belgian Biscuit, groving, damp lettuce – you name it, they'll do the lot."

And the crafty codger has found a way to make sure the good times keep rolling.

Deported

He winked: "I've told them that, because of Brexit and Trump getting elected in America, I can have them deported at any time."

"That certainly keeps them on their toes, I can tell you!"

Elena grimaced: "Alan is good man. He make very sexy."

Maria echoed, glumly: "Yes, Alan is good man. He hardly smell at all."

'BIG ARSE' JAIL SMUGGLER CAGED FOR TWO YEARS

BRITAIN'S most prolific prison smuggler has been caged for two years after what cops believe was a TEN-YEAR career sneaking contraband behind bars – up his ARSE!

Harry 'The Hole' Martins charged up to £1,000 an item, which he anal smuggled into lockups across Britain.

The sneak then used what was described as "elaborate deception" to deliver the goods to lags during visiting hours.

He managed to evade capture for so long because he would wear convincing disguises and special effects make up so

By GARY DORAN

gary@sundaysport.co.uk

he never looked the same on any two visits.

But the 58-year-old was caught – quite by chance – when a mobile phone popped out of its anal hiding place during a routine search.

At his court hearing in Manchester, prosecutors described Martins as having a 'larger-than-average anal cavity'.

When he was caught, he had five phones and two phone chargers up his trumper. But his defence lawyer told the jury:

"My client was a victim here."

"Dangerous criminals heard about his unique physiology and forced him to commit these crimes."

"He is the victim of biology, not a criminal."

But the jury dismissed the claims and Martins was found guilty of 45 counts of smuggling prohibited items into a jail.

Cops reckon he may have smuggled up to 1,000 restricted items into prisons during his career – including phones, electric toothbrushes and hand-held gaming devices.

CHARLIE: I WANT MILE H SEX WITH A STRANGER

By **WENDY THOMAS**

KINKY Charlie Rose says her naughtiest sex fantasy would be having **NO-STRINGS** nookie with a complete stranger at 30,000ft.

The 24-year-old glamour girl admitted she hasn't yet joined the Mile High Club.

But the thought of a mid-flight romp with a mystery passenger really turns her on.

Charlie, from Islington, north London, said she is always eyeing up potential conquests while she waits in the departure lounge at the airport.

The 34D stunna said: "I think my biggest fantasy is joining the Mile High Club. I know it's a bit of a cliché, but it's a real turn-on. "I do a lot of travelling, so I always find myself getting bored during flights, or at the airport.

"I think it would be a really fun place for no-strings-attached sex.

"At airports, I always see quite a few attractive guys. And I often think, 'Wouldn't it be really naughty just to have a flirty and see what happens?'"

SAFETY ZEALOTS DEMAND ALBERT SQUARE SPEED BUMPS

SOAP EXCLUSIVE
by BARNEY SAMUELS

ROAD safety campaigners have called for traffic calming measures to be installed in Albert Square – claiming that the home of *EastEnders* is a “death trap”.

Harriet Mountjoy, chair of Traffic Eco-Peace, said the latest accident – in which a bus smashed into the Albert Square market – is living “proof” that “sustainable traffic management measures” are needed.

Ms Mountjoy, 34, who has a degree in sustainability from Keele University, said: “Albert Square is an absolute death trap. And that’s just totally unacceptable in a modern, diverse city like London.”

“When you look back, the first road fatality on the show came in 1986

when Andy O’Brien was squashed flat by a lorry.

“Nigel’s wife Debbie was run over and killed in 1995, Tiffany was run over by Frank Butcher in 1999 and as recently as 2014 a tramp was run over and killed by Abi Branning.”

“So we are calling for speed bumps, chicanes, car free areas and wider pavements on Albert Square, moving towards a point where hopefully Albert Square is totally traffic-free and people use public transport or bicycles.”

Asked if she was aware that *EastEnders* is not real and only a soap opera on BBC1, Ms Mountjoy snapped: “Obviously! Typical of a man to ask a stupid question like that.”

Cops conned by lying bummer

A TEENAGER who claimed he was robbed in New York’s Central Park has admitted making the whole thing up – because he was a-bumming!

Police chiefs sent dozens of officers to search for the “suspect” – described by 18-year-old Dorian White as in his 30s who simulated having a gun during the robbery.

At one point, as he helped cops look for his “robber”, White even pointed out an innocent member of the public, who was arrested.

It was only then, when he realised his fairytale had gone too far, that White came clean.

He admitted that he had not been robbed but has mislaid his bag after scampering into the bushes for a bumming session at a notorious cruising spot.

He faces a rap for wasting police time.

Balcony smoking woman faces jail

A WOMAN faces six months in prison if she lights up a ciggie on her flat’s balcony.

A court banned Uta Friebourg, 52, from smoking on her balcony between 8pm and 6am.

Her upstairs neighbour took her to law because he said the cigarette smoke coming from her balcony was blowing into his apartment and bothering him.

Nurses 'nick patient food'

DOCTORS and nurses at a Third World hospital are in trouble – after they NICKED five tons of food aid because they hadn't been paid promised bonuses.

The food was donated to the Gwanda Provincial Hospital in Zimbabwe by the Chinese government to the country's Presidential Feeding Scheme programme.

Staff have now been ordered to return the "stolen" rice so that it can be redistributed to patients, who have had to live on cabbage.

Gwanda hospital, like others across the country, rely on donations to keep operations running as Government has failed to adequately fund them.

YARD WORK: Emily and Mark in raunchy drama

By **BARNEY SAMUELS**
news@sundaysport.co.uk

BBC drama *Apple Tree Yard* has hit the ground running, stirring up a storm with a graphic sex attack scene.

It tells the story of a lusty affair between a character called Dr Yvonne Carmichael, played by Emily Watson, 50, and Mark Costley, played by former *Game On* star, Ben Chaplin.

Critics love the idea of a fifty-something woman having a passionate affair and the series has been touted the steamiest ever on Sunday night TV.

But while Emily refused to get her kit off for *Apple Tree Yard*, she has happily shown off her cracking boobs in previous roles.

Co-star Susan Lynch, 45 – who plays Susannah, Dr Yvonne's friend – is also no slouch when it comes to getting them out.

One fan said: "It's raunchy but a shame Emily's not naked."

25-stone woman held over 'sex with teen lads'

A 25-STONE woman has been arrested on suspicion of having sex with two teen boys.

Lindsay Anne Lang, 33 (above), has been charged with a string of molestation charges and is being held in jail.

The alleged sex antics came to light after a 14-year-old boy was brought to the police by his mum to report the alleged child molestations.

Cops said Lang allegedly began having sex with the teenager shortly after his 14th birthday in August last year.

The lad told police he had five sexual encounters with her between August and October, and one of the boy's 14-year-old pals also participated.

According to police, the boy's mother confronted Lang about the alleged sexual encounters and she then agreed to turn herself in.

After a week, she hadn't done so, and the mum went to cops.

Lang was arrested by police in Red Bluff, California, and booked into a local jail.

Sex snub hubby 'killed by wife'

A RANDY 43-year-old woman battered her hubby to death after he refused to have sex with her, a court was told.

Nkosilathi Ncube, 38, and wife Florence had returned from a drinking spree on January 24 when the incident occurred.

A misunderstanding reportedly ensued after Nkosilathi "refused to be intimate" with Florence, who then attacked him.

The following morning, she was seen by their landlord washing her hubby's dead body.

He had blood coming from an ear and froth oozing from his mouth.

The landlord notified the police, leading to Florence's arrest in Bulawayo, Zimbabwe.

A postmortem showed Nkosilathi suffered a fractured skull.

Florence denies murder and the case continues.

Gardener leaves Snowdrop expletive for 'whingeing arsehole' customer John

WHEN householder John Marshall hired a gardener to tidy up his front lawn and borders last summer, he was keen to make sure he got his money's worth.

So the 45-year-old council auditor made several helpful suggestions as the £10-an-hour freelance groundsman went about his business.

But it seems the gardener was not grateful for John's advice – as the word "C**T" has just appeared in SNOWDROPS on his lawn in Blackpool, Lancs.

HORSE COP SENT COCK VID TO TEEN

A MOUNTED cop is in trouble after he sexed a 16-year-old girl and also sent her a video of himself MASTURBATING.

David P. Stagliano, 38, (left) was arrested and suspended from the department without pay.

The officer was charged with disseminating indecent material to minors and endangering the welfare of a child.

The policeman, who chased a robbery suspect through central New York on horseback last year, allegedly sent the salacious 21-second video to the teen girl's mobile phone.

His attorney, Craig Hayes, said Stagliano has "an impeccable service record" and added that the allegations against his client are "completely out of character."

Revealed — woman who sucked off a man in court

A WOMAN who filmed herself SUCKING OFF a man inside a court before posting it on Twitter has been named.

Cops are investigating after Brittney Jones (above) shared the video when she was facing a judge on unrelated charges.

The 26-year-old, who has since deleted the footage from Twitter, boasted about the explicit video on social media and joked that it was her way of getting her charges dropped.

She filmed herself scanning the empty corridor outside the courtroom before she performed the sex act on a man sitting on a bench at Duval County Court in Jacksonville, Florida.

She wrote alongside the video on Twitter: "Had so much fun at court today. Found a way to get my charges dropped.... Sssssh don't tell."

Authorities said the incident occurred during working hours and security cameras recorded the sex act.

Stripper Jones was at the court to face drugs charges and was sentenced to time served and was fined.

It is unclear if Jones or the man being blown will be charged.

Cyclist pulled his pud on bike

A PERVERT who wanked off his cock while riding a bike was this week being hunted by police.

The incident took place near a viaduct at the Union Canal in Linlithgow, West Lothian.

A man was seen to be committing what cops described as "an indecent act" before he left the area on a dark-coloured bicycle.

He is described as white, with grey hair, five feet seven or eight inches tall and was wearing a dark clothing and a black cycle hat.

He also had his cock out, which sources believe may make him easier to recognise.

Anyone who spots a man pulling his pud while riding a bike are asked to call cops immediately.

Lookalike fan claims MEXICANS stole his legs

A **HARD-LINE** supporter of Donald Trump – who bears more than a passing resemblance to the President – last night threw his support behind plans to build a wall between the USA and Mexico.

And Chuck Nightingale says he has good reason to back the controversial project, claiming that illegal immigrants from Mexico stole his LEGS!

Chuck, 58, a leading member of the pro-gun National Rifle Association pressure group, claims that immigrants crept

onto his ranch near Shafter, Texas, with the aim of swiping his lower limbs.

He said: "Down this way I'm well known for taking a strong line on these goddamned wetbacks creeping into the United States of America."

"The cartels or whatever they call themselves must have put a bounty on my legs. All I know is that I woke up one morning last April and my goddamned legs were missing."

"I knew straight away that they'd been

took by what the President calls 'bad hombres'. So, yes, I'm all for the wall."

Local newspaper reports from last April, however, seem to cast some doubt on Chuck's story.

The *Shafter Star* reported last year that Chuck SHOT his own legs off while drunk and raging about "Catholics and Commies and perverts and Jews."

Last night Chuck insisted: "That's fake news invented by a biased media controlled by shadowy forces"

A **HOOKEE** lured a man back to her flat then jumped on him and had sex – even though he said no.

A court heard that Irene Muringani was standing at a bar when she saw the complainant passing by.

It is alleged that she then called out to him and asked him to accompany her to home.

Prosecutors claim Irene then asked the complainant to engage in sex with her, an act which he declined.

The complainant claims that Irene "then forced herself on top of him and had sex".

Muringani appeared before Harare, Zimbabwe magistrate Rumbidzai Mugwagwa charged with aggravated indecent assault.

She'll appear again next month.

Centipede on a plane hits flight to London

A LONDON-bound flight was delayed after one of the passengers was bitten by his pet **CENTIPEDE**!

An ambulance was called when the passenger collapsed after the poisonous creepy-crawly attacked as the Oman Air flight boarded in Muscat.

The airline said the centipede was in the passenger's jacket pocket.

A spokesman said: "Immediately after the incident, an Oman Air team requested medical attention and the affected guest was taken for treatment, accompanied by his family."

The passenger was in transit in Muscat after arriving from a south east Asian country.

The flight departed after a 78-minute delay.

Although centipede bites may be painful, they are rarely fatal. Their symptoms vary depending on the degree of allergic reaction and the size of the centipede.

Bite victims have severe pain, swelling and redness at the site of the bite, but symptoms usually last less than 48 hours.

A PERVERT killed a pregnant woman after she caught him wanking into her underwear.

Matthew Brush, 28 (above), has admitted breaking into Cassandra Kaake's home intending to steal her underwear and masturbate – saying he has a lengthy fetish with women's underwear.

While in the home, Brush was interrupted by Cassandra when she returned unexpectedly. He killed her, cut off her fingers to hide DNA evidence and then set her home in Windsor, Ontario, on fire.

She had 45 different injuries on her body, including the gash on her neck where Brush cut her with a knife.

After the killing, Brush left the home and hatched his plan to hide evidence.

He later doused Kaake in petrol and set the house on fire, before driving around Windsor dumping evidence in various locations.

But police later found Brush's DNA on a fingertip left at the home.

Brush, who pleaded guilty to second-degree murder and arson back in November, was sentenced to life in prison.

End-of-world sirens don't fall on deaf ears

ANGRY deaf people have complained that air raid sirens warning of a nuclear holocaust are "discriminatory".

The unhearing have pointed out the sirens – which give a four minute warning of complete destruction of the human race – exclude them.

The Swiss Federation for the Deaf staged protests in four cities last week as their government carried out the annual testing of 7,200 sirens.

Protests were held in Lausanne, Basel, Bern and Lugano in order to raise the public's awareness of the issue.

The deaf "continue to risk their lives because they are excluded from alarm systems warning of potential catastrophe and can't listen to subsequent information on the radio", the Federation said.

When the alarms sound, citizens are advised to listen to the radio for information on what to do.

A spokesman for the Federation said: "We demand a system that's accessible to everyone."

DOCTOR WHO'S THAT GIRL?

The leading ladies for Capaldi replacement TOPLESS

By GARY DORAN gary@sundaysport.co.uk

BRITAIN'S nerds are in mourning after Peter Capaldi announced he is leaving *Doctor Who*.

His stint in the Tardis has been a ratings flop, but he has been a hit with diehard fans who thought it was a return to Tom Baker-style 'Classic Doctor' of the 1970s.

But BBC bosses want to make the sci-fi show as popular as it was when David Tennant was in the lead role, back in 2013.

And some reckon hiring a lady actor is the best way to bring back viewers.

Sunday Sport has a look at the main contenders to take over the role...

GEMMA ARTERTON

AS a former Bond Girl, Gemma knows all about the pressure of fame. She's also just 30, so could draw in those much-needed younger viewers.

Gem has been linked to the role of an assistant in the past and once said on Twitter that she would love to appear on the show. She has quite a big pair on her, too!

OLIVIA COLMAN

OLIVIA, 43, has worked with show boss Chris Chibnall on his huge hit series *Broadchurch* – so she's bound to be in his mind for the part.

And fans reckon she has the acting skills to pull off becoming the first-ever female Doctor Who.

She's also a darling of the Beeb, having starred in the sitcom *Fleabag* and spy drama *The Night Manager*. Nice knockers, too!

EMMA WATSON

SHE HAS made her name as Hermione in *Harry Potter* and sci-fi fans may see gorgeous Emma as the perfect first female Doctor.

At 25, she's the perfect age to bring in more younger viewers and her stint in *Potter* will give the show an international boost.

Plus she as a lovely pair of pert boobies.

KATE BECKINSALE

AT 43, like rival Olivia, Kate is getting on a bit, but after tackling vampires in Hollywood blockbuster *Underworld* she's good at fighting baddies.

And with her tragic dad Richard being a TV stalwart through his appearance on hit sitcom *Porridge* she's well in with the BBC.

Her bouncing breasts would look fine bouncing up and down corridors.

KEELEY HAWES

SHE already knows a bit about time travel, having starred in the hit sci-fi cop show *Ashes to Ashes*.

And like Capaldi before her, she has already appeared in *Doctor Who* before taking on the main role.

Keeley also has lots of geek cred from her stint as the voice of Lara Croft in the latest *Tomb Raider* games. And the 40-year-old has a delightful set of knockers to boot!

DALEKTABLE TITS!

Wk prowler spied on sleeping girl**

A MAN was arrested after he was found with his COCK out while peering into a woman's window as she slept.

Cops arrived on the scene after being alerted to a prowler by neighbours.

Benito Cecenas, 46, was found walking away from the area when police arrived.

But officers saw his trousers were undone and his genitals were exposed as he spoke with them.

He could not provide a legitimate reason to be in the area, so cops spoke with the resident of the apartment where Cecenas was last seen.

The 36-year-old female victim was unaware Cecenas, of Manchester, New Hampshire, was outside of her window while she slept and that he'd been peering in through her window.

Cecenas was taken into custody and charged with prowling, indecent exposure and violation of privacy.

He is scheduled to appear in court on March 7.

Drunk skier treated after boot in balls

A SKI wanker is being treated in hospital after a fellow skier kicked him in the BOLLOCKS while wearing hefty ski boots.

An après-ski session at a restaurant in Salzburg, Austria, turned into a drunken brawl between a group of pissed German tourists – which ended in a hospital visit for a 23-year-old man.

Cops are investigating the incident but have not yet identified the drunk assailant.

The young German collapsed in agony after the kick to his nether region and was taken with what were described as "serious injuries" by a Red Cross team to the urology department of Zell am See hospital.

Skiers are banned from wearing their ski boots in the town centre in the evenings due to previous incidents where people have been injured.

Guilty of outraging public decency... but escapes jail

A BUSTY lady cab driver faces losing her taxi licence after she was found guilty of SUCKING OFF two teen lads in her Ford Mondeo.

Police were called when Sally Bishop was seen hungrily gulping down the stiff members of two of her fares, while parked up outside a pub in Rochdale, Gtr Manchester, on January 7.

The divorced mum of one passed a breath test but she was then arrested for outraging public decency.

And after refusing to accept a police caution, the 40-year-old was hauled before magistrates where she denied the offence.

The court was told that "traces of ejaculate" were still around Sally's mouth when officers arrived on the scene.

But after hearing that she'd agreed to give the teenage lads a free ride to the boozier in return for sucking them off, magistrates

found her guilty.

The two lads – who are believed to have been aged around 18 – fled the scene when cops arrived.

They have not been traced so were not in court to face charges.

After Friday's court case, Sally posted on Facebook: "Male taxi drivers have been giving free rides in return for blowjobs for absolutely years."

"I do it once – OK, for two lads at the same time – and I get ruddy well prosecuted. "It's sexism!"

Emma's La La loverly panties

IS that Emma Stone showing off her La La Labia?

Alas, no folks – but several onlookers thought the 26-year-old actress was flashing her undercarriage when she accidentally gave onlookers a glimpse of her flesh-coloured PANTIES at a swanky Hollywood bash.

One onlooker said: "I really thought she was showing off her wares. I feel like I've been cheated of a massive deposit in the wank bank."

Emma has received a Golden Globe Award and an Academy Award nomination for Best Actress for her role as an aspiring starlet in the highly praised musical film *La La Land*.

Town's folk tearing their Eire out over sex line calls

RESIDENTS of a tiny town are being swamped with phonecalls from randy sex people – because their numbers are similar to that of an adult TV channel!

Numbers for Westport in Co Mayo, Ireland, and the premium-rate “Babestation” hotlines both start with 098, but many callers omit the international code for the UK, where the channel is based.

Ireland's regional development minister, Michael Ring, said his constituents were “aggravated” over the late night calls from people believing they were ringing a sex line.

He said: “They are getting these calls in the middle of night. One of those people has an elderly mother and family members all over the world and there could be a call at any time that they would have to take.”

The politician said he did not see why people in Westport should have to change their numbers instead of the TV channel.

Ireland's regulatory Broadcasting Authority said they have no power of their own to compel any change but are said to be lobbying UK counterparts on behalf of Westport.

Senator resigns over pussy row

A POLITICIAN has quit after he suggested three women on an anti-Trump protest march were TOO UGLY to be “grabbed by the pussy”.

Bill Kintner, a Republican senator in Nebraska, retweeted a post by DJ Larry Elder.

In it, three women are pictured holding signs referencing Donald Trump's “grab them by the pussy” comments.

Elder said: “Ladies, I think you're safe.”

Following online outrage, Kintner said: “By retweeting a message, I was not implying support for putting women in fear of their personal safety.”

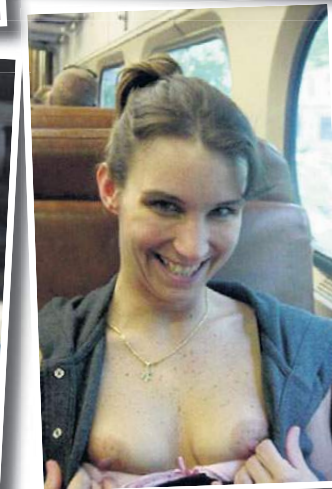

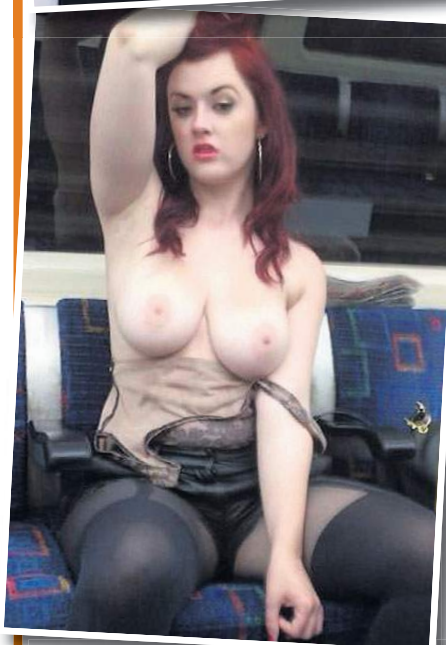

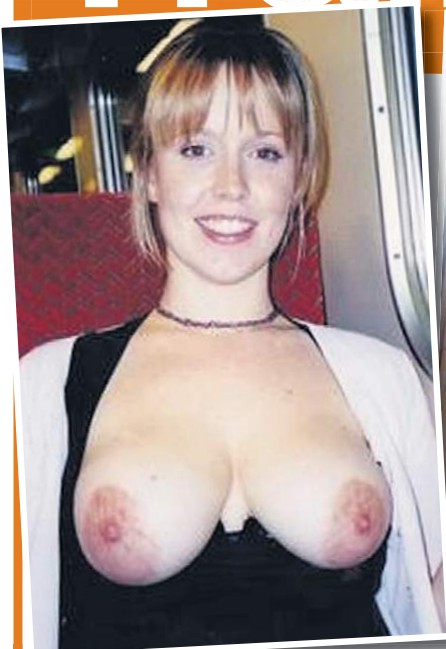

“I took down the retweet as soon as I became aware that it was being misconstrued.”

He then jumped shortly before he was pushed.

AS MOVIE SEQUEL WOWS FANS, WE BRING YOU Trainflashing

IT'S more than 20 years since the first *Trainspotting* and now the Edinburgh junkie antiheroes are back with a much-anticipated sequel.

Fans of locomotives were disappointed back in 1996 because there was no actual trainspotting in the film.

Trainspotting 2 is similarly lacking in trains, so today we're putting that right with train FLASHING!

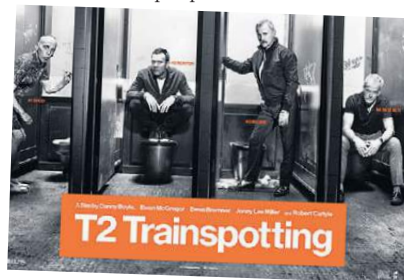

For some reason best known to themselves – but which we're not questioning – many young ladies love to flash the second they get on

a train. One trainspotter said: “I've been on the platform for 30 years. But I've never seen a lady with her boobs out on a train.”

“Truth be told, I've never seen a lady's busters for real, full stop. Apart from Mother's.”

FANNY-FLASH ARTIST CLEARED OF INDECENCY

A FANNY-FLASHING artist who appeared partially naked in performances at posh galleries has been acquitted of charges of indecent exposure.

A court in Paris cleared Deborah de Robertis, finding "the artist's gesture was not indecent exposure, given current moral standards".

Breasts

The French artist staged one of her performances at a 2016 exhibition of Barbie dolls at Paris's decorative arts museum, appearing in a blonde wig, a flesh-coloured outfit revealing her breasts and fake pubic hair.

Her aim was "to show the body of a real woman", she told the court, pointing out that "Barbie has no nipples and no sexual organs".

She was also prosecuted for another half-naked appearance at the French capital's European photography museum.

The verdict "is to the credit of the legal system's judgement of artists", her lawyer Tewfik Bouzenoune said.

De Robertis also declared herself "satisfied" with the decision.

De Robertis hit the headlines in 2015 when she exposed her vagina in front of Gustave Courbet's *The Origin of the World*, which is a painting of a lady's front bottom.

She said: "I quite like my boobs. And I've got lovely feet. "It would be great to put my boobs on top of my feet and just walk around!"

Blowjob medic struck off after blackmail trial

A DOCTOR has been struck off after a female patient gave him a blowjob in his surgery.

Medic Vipin Lal had been Anna Ridley's doctor for three years when, in November 2013, she gave him oral during a consultation.

Lal had previously been "flirtatious" and "overly affectionate" with Ridley (above) – hugging and kissing her and using sexually explicit language.

After the incident, he falsely recorded in his clinical notes that he had examined her for lower back pain.

The woman visited him again four days later to allegedly demand he pay her £10,000 to "keep quiet".

Lal complained to police about the alleged blackmail, and Ridley was acquitted of extortion after a trial in Perth, Western Australia, last year.

An administrative tribunal then took action against Lal.

AS POP PERTLET SUFFERS YET MORE HEARTBREAK...

I'M STILL WAITING FOR YOU, KYLIE!

WOMAN OF HIS DREAMS: Gavin has picture of Kylie on computer

KINDLY Gavin King reckons he can heal Kylie Minogue's broken heart after the pop pixie split from toyboy Brit actor Joshua Sasse.

The Australian singer was said to have thrown 29-year-old Sasse out of her West London home after reports he grew too close to Spanish actress Marta Milans, 34.

Now 45-year-old singleton Gavin says he is more than happy to dry Kylie's tears and "make her happy".

Former swimming instructor Gavin, who is on the sick with stress after a recent court case, has been a fan of Kylie since her days playing Charlene in Neighbours.

He said: "I wept buckets when she

married Scott (Jason Donovan) and I keep a photo of the occasion as my screensaver on my computer.

"I think that is the last time I saw my love truly happy. I'd like to make her happy again, if she'll let me.

"I'd like to show Kylie that not all men are bastards. Well, I'm not, anyway."

Gavin says he's happy for Kylie to stay in the spare room of his modest flat in Runcorn, Cheshire, "until she's happy to move their relationship forward."

Although he's tweeted Kylie with his offer, Gavin is yet to get a response from the 48-year-old.

I SHOULD BE SO UNLUCKY: Kylie's love life in tatters after split from Sasse

Serial lawn w**ker flashes neighbours

A PERV dropped his trousers and tossed off on his front lawn in full view of his neighbours.

The 50-year-old – who cannot be named for legal reasons – is alleged to have masturbated on his lawn in view of neighbours on December 23 last year and again on January 24.

He has also been accused of pressing his naked body against a window in front of neighbours on January 24.

Police said he had also stood on his front lawn without clothes on a number of occasions throughout December and January.

He was charged with three counts of wilful and obscene exposure.

The man has been granted conditional bail and will appear in court in Cessnock, Australia, on February 15.

DEANO**ON SUNDAY**

Are airport shops REALLY at the top of MP's in-tray?

WHAT do you reckon is the biggest issue facing the UK at the moment?

Brexit? Islamic fundamentalism? The threat from resurgent Russia? The threats to our countryside? Overcrowding? Drugs?

Well, not for Angus Brendan MacNeil, MP for Na h-Eileanan Siar – what the rest of the world and, I'd guess most of the locals – call the Western Isles.

Mr MacNeil (*below*) who, like most Scottish MPs takes the SNP whip, used his moment in the sun during transport questions last week to tackle the burning problem of, er, airport shops.

Angus reckons there should be a fast-track route for passengers who want to dodge the shopping mall that stands between the security check and departure gates at airports.

He told the Commons: "Glasgow Airport, for example, has a quarter of a kilometre meander, hindering not only those needing to travel but inconveniencing those with mobility issues."

Boast

A quarter of a kilometre, eh? That's about 270 yards. We're not talking walking all of Oxford Street during the January sales here.

And from what I can see, Mr MacNeil's local airport – Stornoway on the Isle of Lewis – does not boast the world's biggest mall.

The airport's website states the facilities include: "Shop – including daily and weekly newspapers, books, and last minute toiletries and supplies".

Yes, Mr MacNeil has a point. Trailing through endless shops at the airport can be a ballache. The stench of the perfume counter has you praying for the sweet, fresh air of a mustard gas attack.

But is bellyaching about it *really* the job of a Member of Parliament who, let's not forget, we indulge with an annual stipend close to 75 grand?

At Mr MacNeil's constituency surgeries, was the shopping mall at Glasgow Airport really the burning issue? I'm sure there are more pressing problems in the Western Isles.

Maybe Angus Brendan MacNeil's intervention suggests that – whisper it – we have too many MPs, with not enough to do and a small cull is in order.

AGE GAP: Jake and Beryl are an odd couple

JAKE, 21, AND BERYL, 90, DEFEND THEIR UNUSUAL RELATIONSHIP

A 21-YEAR-OLD student last night declared "age is just a number" as he defended his relationship with a great-granny aged 90!

Jake Phillips fell for doddery Beryl Green when he picked her up outside a branch of Lidl after she suffered a fall.

He laughed: "She went down like a sack of spuds and I fell for her just as hard. When she said 'Oh...

By **BRAD CHADWICK**
brad@sundaysport.co.uk

I've had a funny turn' I knew just what she meant. I'd had a funny turn, too. It was love at first sight."

Smooth-talking Jake, who's studying engineering, persuaded Beryl to go for a cup of tea to calm her and in a week he'd moved into her five-bedroomed house.

He explained: "She told me it was lonely rattling about in that big house so I offered to move in to help

with odd jobs and suchlike. "Our feelings developed and soon we were not just sharing a house, we were sharing a bed. Despite our age difference we have a full and varied sex life. Beryl has taught me a lot."

Beryl agreed: "A lot...yes." Not everyone is happy at the Baltimore, Maryland, couple's joy.

Beryl's granddaughter Hayley told *Sunday Sport*: "He's just after our inheritance, the dirty, granny-shagging twat."

THAT'S A FANNY-LOOKING NECKLACE

REGULARS on the electrical internet will be aware of the online shopping site Etsy – which sells "quirky" and "craft" goods at premium prices.

Call it eBay for the "they saw you coming" generation.

Etsy member Emily Fitzgerald has taken quirky to a whole new level with a range of necklaces shaped like ladies' FANNIES!

Emily said said that when she made her first "yoni" necklace (Yoni is Sanskrit lady parts), her daughter called her "a freak."

But she began selling them on Etsy and now her *Moonflower Creations* online shop is becoming a HUGE hit.

Emily sold out of her necklaces quickly and got feedback ranging "from grateful to disgusted".

Reich scare as Führer's phone rings

AUCTIONEERS dived for cover when a phone that belonged to Adolf Hitler started RINGING – even though it hadn't been connected for more than 70 years!

The red phone is being sold in the US by Alexander Historical Auctions of Maryland later this month and is being kept at the auctioneer's premises in Chesapeake.

A member of staff told *Sunday Sport*: "That phone has been used to order some of the greatest crimes in history. When it started ringing, we totally SHAT ourselves."

"We checked that some joker had not wired it up for a joke but the wire was loose. It's cursed, that thing."

"I'll be glad when some sick f**k buys it and gets it outta here."

The item, "virtually unequalled in historical importance," was recovered from the "Führerbunker" beneath Berlin in 1945.

DENIAL, IN CINEMAS NOW

There's no Denying it... she's got great boobs!

By BARNEY SAMUELS

IF you're after a bright and breezy movie to take the missus to, why not trot along to your local Odeon to catch new flick *Denial*.

It's a cheerful little romp about the courtroom battle between Holocaust-denying David Irving and fellow historian Deborah Lipstadt.

OK, to be honest, it's not packed with laughs, on account of the rather serious subject matter.

But it's not all doom and gloom because acclaimed scholar Lipstadt is played by the lovely Rachael Weisz.

The 46-year-old actress,

HISTORIAN: Rachael in *Denial*

who is married to Bond star Daniel Craig, has never shied away from nudity.

She went topless in 1996's *Stealing Beauty* and showed off her fanny in the 1998 film *I Want You*.

A THEATRE studies teacher faces her own drama – after she was arrested for having a sex romp with TWO of her teen pupils.

And Maria King, 39, was so pleased with her performance with the hard-cocked 17-year-old lads, she filmed it – and put the clip on a porn sharing website.

Attention

The two-minute vid soon became a hit at Arthur Stanley High School in Baldwin, Louisiana, and it came to the attention of the principal, who called in the police.

King, who is married with two kids, has been charged with educator sex – a law specifically

enacted in Louisiana in 2015 to deal with the spate of randy teachers bonking students.

A source at the school said: "I can't understand why she filmed it, let alone posted the footage on the internet."

"She made no attempt to hide her identity or those of the students."

King will appear in court next week.

FLASHIN'

#66 NAOMI CAMPBELL

By SIMON DEAN
simon@sundaysport.co.uk

LAST month Brit supermodel Naomi Campbell revealed she was attacked in Paris, just like Kim Kardashian.

And in her case, the robbers threatened to KILL her during the terrifying ordeal.

This gave many people a deeper respect for Parisian street criminals – as anyone with the bollocks to go toe-to-toe with the famously-stroppy catwalk queen clearly has bottle.

Naomi, 46, was born in Streatham, south London, but made it via the fashion industry to the poshest salons of the world.

But while you can take the girl out of Streatham, it's rather harder to take the Streatham out of the girl.

Campbell's been convicted of assault four times and has faced accusations that she twatted her staff 11 times.

That said though, nice tits...

**Check out
randy sluts
who can't
get enough**

EVER been with a next door whore?

What's better than moving to a new town and realising it's full of hot women?

Answer: Finding out they're a bunch of randy sluts who can't get enough of it!

The girl next door fantasy has been stuck in the minds of red-blooded blokes for as long as time, but who has actually managed to get busy with the tantalising temptresses?

The fit bird who works in your local corner shop, the barmaid you always try to get served by so you can perv on her massive breasts, or the horny MILF next door who would love a good seeing too!

Filthy

Television X are here to show you exactly what happens when this dream comes true.

New series *Next Door Whores* follows the filthy antics of Pete, a guy stringing along a bunch of local girls, only to realise they all share a house and none of them have a clue that he's doing the naughty on them all! What could possibly go wrong?

If you like the sound of that – and would rather watch someone else living the dream rather than risk it all for a feel of your neighbour's knockers – then call 0871 075 6969 or head to www.TelevisionX.com now to get involved with the best of British porn today!

OLIVIA'S BOOBS ARE FOR YOUR EYES ONLY

By **WENDY THOMAS**

news@sundaysport.co.uk

BUSTY Olivia Berzinc might have no qualms about going topless in *Sunday Sport*.

But it's a different case when she's away on holiday...

Because the brunette model, from Derby, has just got back from a trip to Lanzarote in the Canaries, and said she was too shy to sunbathe with her boobs out.

Private

The 21-year-old adult telly star, who boasts a cracking 32F top rack, said: "When I'm modelling, I've got no hang-ups at all about taking my top off."

"But I actually get quite shy about it in my normal day-to-day life."

"I've come home from the Canaries with tan lines and white bits - which I can't wait to show off on the telly!"

"I know it sounds a bit crazy, but I like to keep things pretty private when I'm out in public."

MY FIRST TIME

● THEY always say you remember your first time... well, we've taken to the streets to find out if it's true.

Each week Britain's babes will spill the beans on when they popped their cherries – and sharing the spicy details of some other first-times, too!

This week we get some capital info from two saucy stunnas from London...

FIRST HANDJOB

HANNAH: I first gave my boyfriend a handjob when I was 16. I thought my arm was going to drop off it took so long for him to come! We were in my room and he just lobbed it out and asked me to tug him off. I was keen to learn, so I did it. It took about 15 minutes and I was bored rigid! When he came it was like a spunk explosion, it went everywhere. We even had to wash my sheets so my mum didn't see the stains.

LACY: I asked my boyfriend if I could tug him off when I was 16 and he couldn't get his willy out fast enough! We were in his bedroom, his parents were out shopping. It was really easy to do and I must have had a good technique because he came in about 30 seconds. One of my friends got spunk in her eye the first time she gave a handjob, so I made sure I pointed his dick away from me when he came.

FIRST BLOWJOB

HANNAH: I remember giving my first blowjob when I was 16. I was sitting on my sofa at home messing around with my boyfriend. We started kissing and touching and next thing I knew he pushed my head downwards! I loved doing it though, it felt naughty and was a real turn-on. He came in my mouth after about 10 minutes. I swallowed it all, even though it tasted like gone-off food.

LACY: I gave my first blowjob in my bedroom when I was 16. My mum and dad were out and I noticed my boyfriend had a hard-on, so asked if I could have a go at sucking him off. I wished I hadn't though, it tasted horrible and it took about 10 minutes to make him come. I swallowed as well because I didn't want his cum in my mouth any longer than necessary!

FIRST SHAG

HANNAH: I lost my virginity on my mum and dad's living room floor when I was 16. My boyfriend was a virgin as well and we planned it for six months before we did it. It wasn't very nice at all, he had quite a big willy and it hurt a lot when it went in. Luckily, he only lasted four or five minutes but it was a relief when it was over. I had no idea it would hurt so much.

LACY: I lost my cherry when I was also 16 to my boyfriend. We'd been seeing each other a while and the time seemed right. We did it in my bed at home one night while we were watching a romantic movie. He was a virgin too and neither of us had a clue what we were doing. It lasted about 15 minutes and didn't really do much for me, it was a bit of a letdown.

FIRST HUGE WILLY

HANNAH: When I was 19 I had a one-night stand with a guy who had the biggest willy I've ever seen. It was nine inches long and looked really impressive. I couldn't believe my luck when he took his kit off. The sex was really good, I'd fancied this guy for

ages and his big willy was a bonus! He had all the moves and we had sex for four hours non-stop, it was really satisfying. But I don't think size matters that much.

LACY: My first huge willy was when I was 19. I was going out with a guy who had a 10-incher. The first time we slept together and I saw how big it was I thought I'd be in for the time of my life, but it was pretty average. The size didn't improve things at all, which was really a big disappointment because I'd heard big ones were brilliant.

FIRST BUM FUN

HANNAH: I haven't tried bum sex before because I think it will hurt too much. One of my friends has done it and she could hardly walk for a week afterwards. But I'm sure I'll try it one day.

LACY: I had it last year with my boyfriend. We were having sex when he slipped it in my bottom by accident! I just went with the flow and we both found it incredibly exciting. He gave me a good pounding and when we came, we screamed the house down!

He slipped it in my bum, gave me a good pounding and we screamed the house down

FIRST DRESSING UP

HANNAH: I first dressed up for sex when I was 19. My boyfriend told me it was his fantasy to have sex with me dressed as a nurse, so I bought the costume! The night I wore it we had a great sex session. I pretended I was someone else and the sex was hot and passionate. It's definitely an experience I want to repeat.

LACY: I dressed up for the first time when

I had just turned 20. I wore a Miss Massage costume for my boyfriend for Valentine's Day. I'd never seen him so turned on, he couldn't keep his hands off me. The only complaint was that he got a little bit too excited and hence the sex didn't last very long. I'd still do it again though because it was fun.

FIRST SEX TOY

HANNAH: I got my first sex toy a couple of months ago. It's a vibrating willy ring that a friend had recommended to me. She told me it would give me multiple orgasms – and she wasn't wrong! The first time we used it, my legs turned to jelly it was so

boyfriend using it on me. I still prefer the real thing though.

FIRST BONDAGE

HANNAH: I tried bondage for the first time about six months ago with my boyfriend. I bought a pair of handcuffs to use with him in order to spice up our sex life a bit. I let him put them on me and let him do whatever he wanted to me. It really turned me on, I loved being really submissive and not being in control. It was great fun.

LACY: The first time I tried bondage was when I was 19. I used my boyfriend's tie to blindfold him and took control. It made the sex much more interesting than normal and I found that I loved being in charge during sex. I'd like to try more things, but nothing too extreme.

FIRST FANTASY

HANNAH: When I was 18 I lived out my fantasy with a lad I met on holiday. I'd always wanted to have sex outside and we did it on the balcony of my apartment one night. I loved knowing that someone may spot us doing it and I found that a really big turn on. No-one spotted us, but the excitement was enough to give me several great orgasms.

LACY: My first fantasy was to have sex on a beach at sunset. I had a fling with a guy I met in Zante and on our last night he made my fantasy come true by taking me to a secluded beach, where we stripped off and had sex under the stars! It was amazing, he was really good looking and the setting was perfect.

with **SIMON DEAN**

TODAY

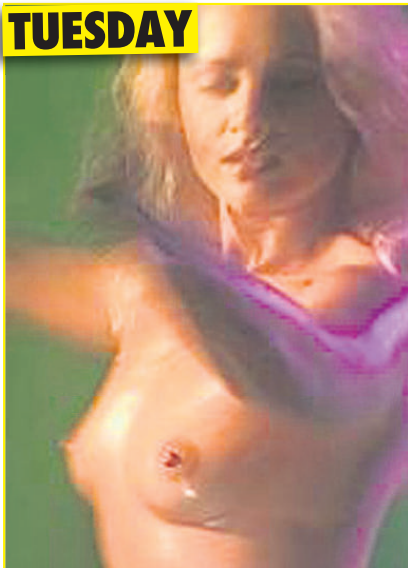

C4, 11pm, *Magic Mike* – Although it's about a male stripper, there's plenty of ladyflesh to keep us happy. Look out for Olivia Munn's boobs and bum at one hour 46.
ITV3, 10.30pm, *Captain Corelli's Mandolin* – A brief look at the glorious Penelope Cruz's fab breasts at one hour eight minutes.
5*, 11pm, *Good Luck Chuck* – Absolutely crammed with top-flight blart. No, honestly... **CRAMMED!** Especially notable are Yasmine Vox's big 'uns (above) at 15 minutes.

MONDAY

Movies 4 Men, 10.55am, *Wake of Death* – Joon Chong gets her lovely Oriental boobs out at three minutes (right).
Film4, 9pm, *It Follows* – Brief bits of boob starting at 17 minutes thanks to the lovely Maika Monroe in this indie horror chiller.

TUESDAY

ITV4, 11.15am, *Driven to Kill* – It's a good week for Yasmine Vox. We've seen her chubbies on Sunday in *Good Luck Chuck*, now they're out again at 49 minutes.
Spike, 11pm, *The Colony* – Jennifer O'Dell provides the boobs (above) in this sci-fi horror, beginning at just 50 seconds in.
Film4, 11.15pm, *Resident Evil* – Milla Jovovich has boobs and bush out in this futuristic thriller. One hour 30 is the point to watch.

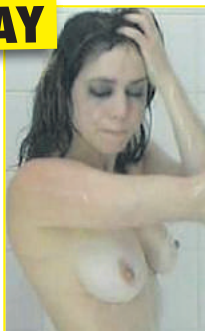

WEDNESDAY

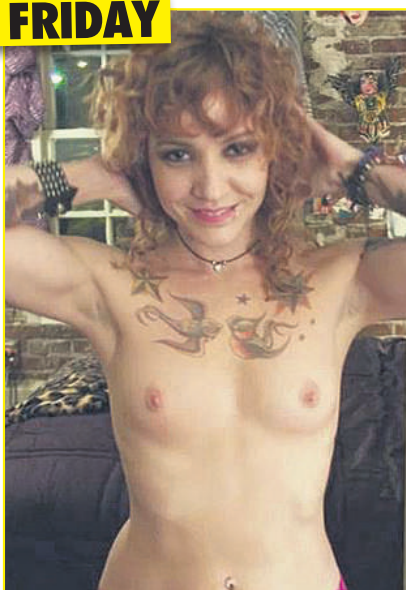

Horror Channel, 10.55pm, *Saw III* – Debra McCabe's chained to the ceiling and gets hosed down in a freezer. Not the most romantic scene but you get to see beaver.
Film 4, 11.05pm, *Resident Evil: Apocalypse* – Little Milla has them out again, and Ana Danilina gets them out at 28 minutes.
Sky Greats, 12.10am, *New Jack City* – Bit of a boob shortage on council telly tonight, but if you've got the Sky there's Tracy Camilla Johns with them out (above) for Wesley Snipes at 53 minutes.

THURSDAY

Horror Channel, 12.35am, *Cradle of Fear* – Lovely Emily Booth shows the lot in the shower at 11 minutes (right). Then she throws up. So something for everyone, really.
Horror Channel, 3am, *Haunted* – Kate Beckinsale's character goes naked at one hour 13. It's a body double, mind.

FRIDAY

Horror Channel, 10.50pm, *The Human Centipede* – Plenty of naked flesh in this creep-out movie but most of that flesh ends up sewn onto some poor f**ker's arsehole. Strange, strange film.
Film4, 2.20am, *Maniac* – That Elijah Wood off of the Hobbit films gets to play a serial killer. There's plenty of bare boobs, as well as killing. Megan Duffy (above) at 17 minutes is a good one – boobs-wise, that is.

MONDAY

Bravo to heroes of Brit army

SAS: Rogue Warriors – BBC2, 9pm

NEW series. Ben Macintyre uses the SAS archives to examine the history of the British Army special forces unit, combining documents, unseen footage and interviews with its founding

members to tell the remarkable story behind an extraordinary fighting force.

In the first edition, he looks at its formation in the heat of the north African desert in 1941, when eccentric young British Army officer David Archibald Stirling had a vision for a new kind of war in which the enemy was attacked from behind their own lines.

Sneak peek at sneaky peeker

Confessions of the Paparazzi – C4, 9pm

DOCUMENTARY following freelance photographer George Bamby and his apprentice Bilko in pursuit of celebs including Britney Spears, Little Mix, Wayne Rooney, Dawn French and Katie Hopkins.

Cameras reveal how he has become a master of deception, distraction and disguise to enter an area where public interest, morality and privacy laws collide.

George also shares colourful anecdotes that may help explain why many famous faces view him with such disdain.

He's not a patch on our dwarf photographer, Papararsey Pete.

Scrum and have a go!

Live Six Nations Rugby Union: Italy v Wales – ITV, 1pm (Kick-off 2.00pm)

THE opening weekend of the competition reaches a conclusion at the Stadio Olimpico in Rome, where the hosts are aiming to cause an upset.

The Azzurri lost all five of their matches last year to finish bottom of the table once again and, while Wales were far from their best during the tournament, Warren Gatland's men still managed to finish second behind Grand Slam winners England.

Presented by Jill Douglas, with analysis from Shane Williams, Ugo Monye and Maggie Alphonsi, and commentary by Miles Harrison and Ben Kay.

Give Jump stars a break

The Jump – C4, 7.30pm

DAVINA McCall presents the celebrity leg-breaking show, with contestants Bradley Wiggins, Spencer Matthews, Robbie Fowler, Caprice, Jade Jones, Louis Smith, Kadeena Cox, Lydia Bright, Mark Dolan, Amy Willerton, Jason Robinson, Gareth Thomas, Josie Gibson and Emma Parker Bowles risking life and limb.

The first challenge they face is a gruelling parallel slalom down a mountain course, with the losers of each head-to-head race facing the jump to see who will be eliminated.

The lions are bewitching

Lion Country: Night and Day – ITV, 8pm

NEW series. Cameras follow two prides of lions in their territory of Zambia's South Luangwa National Park over the course of six months.

A cub's curiosity gets the better of him when it strays from the pride's territory, and becomes easy prey for leopards and hyenas.

A lioness tries to rejoin a pride, but many of the males in the group are resistant to the idea. The camera crew gets closer to the big cats than they bargained for, and are forced to make a hasty retreat.

TUESDAY When mums go bad

The Moorside – BBC1, 9pm

DRAMA telling the story of the disappearance of nine-year-old Shannon Matthews from the Moorside Estate in Dewsbury, West Yorks.

Emotional public appeals for information from her mother Karen amount to nothing and the community, led by Julie Bushby, stand by her and make efforts of their own to find Shannon.

Despite the support, doubts are beginning to creep in for some regarding Karen's behaviour, and friend and neighbour Natalie Brown struggles with her conscience as she becomes convinced Karen knows more than she is revealing. Sheridan Smith, Sian Brooke and Gemma Whelan star.

It's bark to nature

Secret Life of Dogs – ITV, 9pm

NEW series. Documentary examining the relationship between humans and canines, exploring how and why dogs, more than any other animal, have become the closest of companions.

This edition features a Jack Russell who lives and dives with her owner in Malta, illustrating the trust between pet and master. Narrated by Martin Clunes.

DON'T MISS THIS!!!

Celebrity Carry On Barging – Friday, C5, 8pm

THIS is not a joke...Nigel Havers joins forces with Debbie McGee, while Lorraine Chase and Simon Callow pool their resources commanding a pair of narrow boats along two of Britain's favourite canals – the Kennet & Avon and the Llangollen.

While both Debbie and Nigel have driven boats before, controlling 60ft barges Tara and May proves to be a whole new challenge.

Honestly, Alan Partridge was joking when he came up with *Youth Hostelling with Chris Eubank!*

news@sundaysport.co.uk**A TEACHER has been nicked on suspicion of having sex with a 17-year-old male pupil after plying him with booze.**

Mum-of-one Sarah Lewis, 28, was taken into custody and charged with two counts of unlawful sexual activity with a minor and furnishing him with alcohol.

Lewis, who is married and has a young child, works as a social studies teacher and dance instructor at Landmark High School in Spanish Fork, Utah.

According to police, Lewis's alleged encounter with the male student took place in January last year at her home.

Payson police Lt Bill Wright said it was his understanding that her tryst with the teen was a one-off incident.

A police report stated that during their romp, Lewis gave the boy vodka, beer & cannabis.

Video

Under Utah law, no person under the age of 18 can legally consent to sex with a person who is more than 10 years older than them.

The police report also revealed that Lewis's sexual activities with the student were caught on video, although it is unclear who recorded the alleged footage.

Officials with the Nebo School District

**CHARGED: Sarah Lewis**

learned of the allegations against Lewis after they were contacted by officers from the Payson Police Department and they immediately placed her on administrative leave.

Lewis has since been ordered by a judge to have no contact with the alleged victim.

She is due back in court next week.

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I've been at uni since last year and after an initial burst of partying, I have been trying hard to catch up on my studies.

I decided to spend more time in the library and I have been helped by one of the librarians. She's in her 40s but is very attractive and she started making suggestive remarks to me.

One night she came and sat down beside me. She had on a short skirt and smiled as she took my hand and guided it to her fanny.

She pulled aside her knickers and let me ease a finger inside her. I got an instant hard-on as I probed her hot, moist minge.

I asked her back to my place where I gave her one up the front box and fingered her arse, which she loved.

Now I'm shagging her most days and I'm falling behind with work again. What should I do?

SG, Stoke

Kelly says...

WORK twice as hard - on your work backlog and on bonking your library babe!

Dear Kelly,

MY missus is a nympho. She wants it at least five times a day, and I'm afraid I can't keep up with her demands.

She's a flabby 45-year-old with massive tits and loves to squeeze herself into kinky lingerie. Most times I'll do her just to keep her quiet but it was wearing me out, quite frankly.

But now we've reached a great arrangement and a mate from work comes round most days to park his load. Not only does he slip me the odd tenner but he's got a big cock and it keeps her happy.

The missus has always fancied herself as a real hot MILF and insisted I filmed them at it, with a view to putting it on the internet. She was delighted with the results, but when I showed it to my other pals at work they said they'd never seen anything more disgusting.

How do I break this to my wife? She wants to be a porn star.

RM, Sheffield

Kelly says...

JUST go ahead and put it on the net - you'll be amazed at how many people will love it.

Hi, I've been sent by the design agency. I believe you need someone to design your magazine?

Oh, I see, are you into that too?

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week **KELLY MCGREGOR** has been reading through your letters and emails. And here's her advice for you

Blowjob babe proves to be a real Sport during dull day stuck at work

Dear Kelly,

I RECENTLY bought the Sport for the first time, on the way to work.

The boob-packed pages cheered me up on a rainy Friday morning.

When I got to the office I was the only one in apart from one woman – a fit redhead in her 20s – everyone else had gone on a staff training day.

There wasn't a lot to do so I settled down with my copy of the Sport.

Randy

When the colleague offered to make a brew and brought herself and me a coffee she sat next to me and started to read with me.

She said she loves the paper because it makes her feel so randy.

She was wearing a short skirt and low-cut top which showed off her fantastic tits.

I was soon rock hard, just looking at her and imagining her doing all sorts of filthy sex things – both to herself and with me.

I did my best to hide my bulge but she not only saw it, she complimented me on it.

Then she placed her hand on my thigh before sliding it slowly towards my rigid tool.

She rubbed it for a while before unzipping me and yanking out my throbbing eight-inch love-tool.

Expertly, she began sliding her fingers along my shaft and a shudder ran through my body.

But she didn't stop there.

She leaned over and wrapped her lips over the glistening tip and started sucking.

She was an absolute expert at giving head and had my hard dick twitching as she sucked me off and squeezed my balls.

I'm a big blowjob fan and have had thousands over the years from different women and I can honestly say this was the best one yet, without doubt.

Bucking

I was just about to blow my load when she stopped gobbling me and got up.

Then she did a really naughty striptease and slid down her skirt and knickers before she sat astride me on the office chair.

With an experienced hand she guided my love-sausage into its moist target while we set to, bucking and f**king each other while furiously french kissing.

I wasted little time and was soon boning her vigorously and squeezing her lovely boobs.

After a few minutes I spunked what felt like absolute gallons of my man-milk.

It was the best day at work I have ever had and now we are seeing each other regularly outside the office.

I can't believe my luck that I've managed to pull such a sexy bird and it's all thanks to you guys at the Sport.

ALL THE WEEKEND CHAMPIONSHIP THRILLS AND SPILLS

Barnsley **0**Preston North End **0**

A **DRAW** helps neither side's play-off chasing aspirations but at least keeps both teams in the hunt.

Ryan Kent nearly caught Chris Maxwell out at his near post when he cheekily tried to score with an in-swinging corner and Huggill shot wide after a through ball from Gallagher.

The second half was dull but Adam Armstrong showed his skill with an attempted half volley that but it was Preston who were denied a last-minute winner by keeper Davies who saved well from a Huggill header in the dying moments.

Birmingham **1**Fulham **0**

GIANFRANCO Zola will be a relieved man as his Blues finally secured their first win since he took over.

A goalless first half saw Birmingham on top without penetrating the Cottagers' rearguard.

That all changed in the 68th minute as Ryan Fredericks was sent off for the visitors after a reckless tackle on Craig Gardner.

Just seven minutes later and the home side got their winner through Lukas Jutkiewicz who shot home into the bottom corner. Cue big celebrations from Zola.

Blackburn Rovers **1**QPR **0**

ROVERS kept in touch with fellow relegation battlers Burton Albion after a resolute win over an unlucky QPR in the dying minutes.

The Hoops were on top in the opening half with Jamie Mackie, Conor Washington and Joel Lynch all wasting opportunities but it stayed goalless at the break.

The restart saw Rovers gradually gaining in confidence but it took until the 91st minute for the winner and it came through Sam Gallagher who rifled home a cross from Marvin Emmes to secure the points.

Bristol City **1**Rotherham **0**

BRISTOL City eased their relegation fears with a narrow win over rock-bottom Rotherham.

An even first half saw both sides create chances but as in previous games they lacked a killer touch so went in at the break goalless.

The restart was a little more tense as both sides struggled for confidence but City looked the brighter of the two.

David Cotterill went close with an effort before sub Milan Djuric, on for top scorer Abraham, struck the killer blow with his head from six yards out to seal the three points.

MONK STRIKES BACK

GARRY Monk says Leeds' failure to sign a striker last month won't derail their promotion push.

The Elland Road giants sit fourth in the table facing a crucial West Yorkshire derby against fifth placed Huddersfield.

Chris Wood has been banging in the goals — but there's no understudy should he get injured.

Monk is not happy about that — but has belief in the players at his disposal.

He said: "We go as we are.

Huddersfield v Leeds United

Sunday, noon kick-off, on Sky Sports 2

There are other things you'd love to do but it's not as easy as that.

"It's not always straightforward.

"We go with what we have and I'm very confident in this group. We've been finding ways all season to cope with situations.

The most important thing when the window opened was that we came out of it stronger

than when we went in and we've done that."

Monk wanted more than just Alfonso Pedraza and Modou Barrow, who are in line for their debuts today.

But he's happy to have added some quality to the squad.

Monk added: "They're going to give us extra options, which we need.

"They're like-minded to the group I already have — very young and coming here with something to prove.

"They're up-and-coming and they've got quality as well."

FIREPOWER: Garry Monk

Burton Albion **2**Wolverhampton **1**

A **LATE**, late header from Cauley Woodrow gave Nigel Clough's team a valuable winner in their battle against the drop from the Championship especially after results elsewhere piled on the pressure.

Wolves led at the break through a Helder Costa penalty given after Dave Edwards was fouled in the area by Jon McLaughlin.

The Brewers came out fighting and were rewarded with a debut goal from former Wolves player Michael Kightly who tapped home from two yards before the dramatic winner from Woodrow.

Cardiff City **0**Norwich City **1**

THE Canaries moved to within three points of the play-offs with a hard fought win over the Bluebirds.

Cardiff started the brighter and went close through Kenneth Zohore but it was the visitors who took the lead five minutes before the break through Cameron Jerome who headed home from a Wes Hoolahan centre.

The restart saw both sides create little in the way of clear cut chances but Cardiff went closest through Zohore again but he failed to trouble the keeper.

Ipswich Town **2**Reading **2**

READING twice came from behind to earn a valuable point at Portman Road with a 25-yard wonder strike from Jordan Obita the highlight.

Loan star Tom Lawrence put Ipswich in front with his shot smashing into the goal off the crossbar at the end of a mazy dribble.

Jordan Mutch equalised just after the restart on his debut for the Royals before Lawrence again hit the target to make it eight in eight games.

Then Obita's wonder strike levelled things again to earn a share of the spoils for Jaap Stam's visitors.

Newcastle Utd **1**Derby County **0**

NEWCASTLE went back to the top of the table after a deflected Matt Ritchie strike gave the home side all three points.

Ritchie's goal came on the half hour and both Aleksander Mitrovic and Diame should have doubled the lead but were wasteful when well placed.

Tom Ince could and should have levelled things for the Rams but he shot wide when it was easier to score.

Darren Bent had a header cleared off the line in the dying minutes but it was a deserved win for the hosts.

BIG LAD UP FRONT: Chuba Akpom

Brighton ready to unleash loan star Chuba

CHUBA Akpom is set for his first start as Brighton battle to keep their promotion push on track.

The Championship high flyers were humbled by Huddersfield on Thursday night.

They face another tricky away match against Brentford and the striker on loan from Arsenal could give Albion the boost they need.

Hughton also has top hitman Sam Baldock available again after injury.

The Brighton boss is excited by the prospect of him linking up with Akpom.

He said: "Chuba is different to our other strikers. In some ways, certainly as re-

Brentford v Brighton & HA

Sunday, 3pm kick-off

gards his pace and running beyond, Sam Baldock would be the one who is more of a definite runner behind, because of the way he plays and his energy levels.

"Chuba is a big lad as well, so you'd like to think he has a physicality that comes with the division.

"If we can provide him with the ammunition I think he is somebody that can score goals.

"It's tough to score goals in this division. There will be a lot of players that come in that will find that hard.

"Probably more important

for us is his general contribution.

"If that can be good enough, I'm quite sure he'll put goals on top of that."

Hughton is expecting a big reaction from his players after their humbling against the Terriers.

He added: "It's a tight ground at Brentford.

Space

"They put in a very good performance against Aston Villa.

"If anything they are an expansive side as well, similar to what we had at Huddersfield.

"If we afford Brentford the space we did there, then it will be an even tougher game."

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

DUNCES WITH WOLVES: The Molinex men knocked out a weakened Liverpool side

LESS IS MORE FOR THE CUP

THE FA Cup made headlines for all the wrong reasons last week – and it's only a matter of time before the FA take drastic action to stop it going completely down the toilet.

Suggestions so far have ranged from scrapping replays – which would penalise smaller clubs who get a shock draw at a Premier League club and earn a nice pay day – to forcing teams who make wholesale changes to put the same 11 out in their next league match!

Much of the mess of the fourth round was down to piss poor planning on the FA's part with a full Premier League programme coming just three days later, and don't expect that to improve by the fifth round either with Champions League and Europa League ties back in the mix.

There is no simple solution to the problem, apart from playing less football.

I don't think even the promise of Champions League places or more money would persuade the big names to take the competition seriously any more.

Brian Clough complained in the 70s that teams were playing too many matches, they never listened then and I don't think they'll take any notice now.

★ Most South American imports usually hot-foot it back to Argentina or Brazil the minute their time is up in the UK – especially if they've spent most of their playing career in the chilly north east.

Not Julio Arca (below). The 36-year-old former Middlesbrough midfielder made the headlines two years ago

when he was paying £3.50 per match subs to turn out for his local pub team The Willow Pond in Sunderland and has now moved up to semi-pro level with South Shields.

And far from going through the motions, his recent goal – a 40 yard stunner – shows he's still got it. Nice one Julio.

★ What is it with Premier League managers this season?

We were told to expect a bounty of top coaching talent with Jose, Pep, Klopp and Conte gracing the English

game.

What we've had is nothing more than a battle to see who is the most miserable sod. With the exception of Chelsea's Conte (who has a face like a smacked arse most of the time anyway) all of these so-called super-coaches have lost patience when questioned by our beloved press.

No stranger to micromans, Jose is the latest to lose it. Bloody hell, if they really want their patience tested, try working for minimum wage on a zero hours contract and find the money for a TV Licence, Sky and BT Sport subscription. Twats.

Hornets down the Clarets to go 10th

Watford	2
Burnley	1

WATFORD followed up their shock 2-1 win at Arsenal with a comfortable home victory against Burnley, who had to play 84 minutes of the match with 10 men.

Troy Deeney and new arrival M'Baye Niang produced the goods for Walter Mazzarri's side, subjecting the Clarets to their 10th away defeat in their 11 Premier League outings since promotion.

The story of the match, though, was Jeff Hendrick's dismissal inside six minutes, which made Watford's task far easier.

Sean Dyche was furious, but referee Michael Oliver was in perfect position to see the Ireland international's studs land on Jose Holebas' leg and took decisive action.

Immediately the Hornets capitalised, with Deeney diving to nod Niang's floated cross past Tom Heaton in the 10th minute.

Niang wasn't content with just being the provider and in the 22nd minute he came close to netting his first goal for his new club, but Heaton sprung to divert his top-corner-bound long-range laser out for a corner.

Cross

Mauro Zarate was next to try his luck, slapping a volley towards goal from just inside the area, but again Heaton prevented the Clarets' nightmare start from becoming even worse.

The home side did grab a deserved second before that half-time whistle sounded, with Niang capping off a dominant opening 45 minutes when his header swished into the far corner of the net after he'd met Holebas' cross.

A rejuvenated Burnley came out for the second half and caused their hosts some problems from set pieces, but they couldn't make any of them count until they were awarded a 78th minute penalty for a Sebastian Prodl handball.

Ashley Barnes took the responsibility and pulled the visitors to within one, but he and his teammates couldn't make their late pressure count and the home side were able to hold on, even having a late third ruled out.

GOOD START: Clement has given Swansea some hope

DYING SWANS

SWANSEA have won three of their four Premier League games under new boss Paul Clement and have won back-to-back on the road but it is hard to see the Swans getting anything at the Etihad later today.

City beat Swansea twice in 48 hours at the Liberty Stadium (League Cup and Premier League) earlier in the season and have won their last ten home league games against the south Wales outfit.

Start

City are likely to start with the same front three at the London Stadium midweek with Sergio Aguero likely to start on the bench.

Gabriel Jesus was one of the City goalscorers against the Irons midweek on his first start for the club and the young Brazilian is 10/3 with BetVictor to grab the opener.

If City score first you can see them winning well but they may have to be patient against a Swansea side who have im-

City can put brakes on Clement

proved under their new manager – draw halftime and City fulltime is the recommendation at 15/4.

Leicester City travel to the Liberty Stadium Swansea next weekend and it is possible that by the time the champions take to the King Power pitch to take on Manchester United in the late kick off they will be in the drop zone.

The Foxes didn't score a league goal in January and are one of only five teams in the history of the PL to have started the year with four successive blanks – no team has ever failed to score in their first five games of a calendar year.

Claudio Ranieri's side can take heart from the fact that it is their home form (18 points out of their 21 accrued) that has kept them afloat so far this season.

United are 7/10 at BetVictor to pick up all three points with the draw 29/10

and a home win 22/5 – the champions are only 4/1 to be relegated and make no mistake they are in a relegation battle.

United are unbeaten in their last six on their travels in the PL but need to turn draws into wins if they are to mount a Champions League challenge.

United are 6/4 to end the campaign in the top four and 1/2 NOT to finish the season in the Champions League spots.

Shade

Jose Mourinho's side badly needed to take all three points against Hull midweek given only neighbours City won out of the top six and they cannot settle for a point in the East Midlands.

I think it will be feisty, tense affair, which United can shade 2-1, which is priced at a decent 8/1 with BetVictor.

At Taunton tomorrow do keep an eye out for Big Windmill (3.20) who jumped the first three fences well at Ludlow on his chase debut but stumbled after the fence and unseated Adrian Heskin – if his confidence hasn't been affected he must go close with Nicholls' chase debutant Contre Tous considered the danger.

The last time the Super Bowl was in Houston Janet Jackson had one of the most famous wardrobe malfunctions in history but Lady Gaga insists there won't be a repeat at halftime this evening which is a great shame.

The money has come for the Patriots all week and they are now 4/6 favourites with the Falcons 5/4 – the bet of the night could be Mohamed Sanu's to have more than 44.5 receiving yards at 10/11. It promises to be a long night.

ALL SMILES: Lukaku

Four star Toffees Luk for Euro spot

Everton	6
Bournemouth	3

ROMELU Lukaku was the star as he banged in four goals in a Goodison Park thriller.

The Belgian grabbed his first of the game inside the first minute when new signing Morgan Schneiderlin picked him out and he exchanged passes with James McCarthy before curling one in from the edge of the area.

After Ademola Lookman nearly doubled the score ten minutes later, on 23 minutes the Toffees did put themselves further ahead, McCarthy poking home from a Lukaku cross.

Then Simon Francis' suicidal pass back to the keeper teed up Lukaku to dink the ball in for his second and Everton's third just half an hour in.

Bournemouth did give their fans something to get excited about after the long journey, with Jack Wilshire's nicely weighted pass controlled and poked home by Josh King with half an hour left.

Comeback

After another good chance from Lookman, the Cherries stunned Goodison when King turned in a Ryan Fraser cross, making it 3-2 with 20 minutes left and minutes later Marc Pugh nearly found an equaliser with a curling shot, before Robles denied Harry Arter a minute later.

With seven minutes to go, the comeback was killed off.

With Goodison hearts in mouths Lukaku bagged a hat trick by turning in a Seamus Coleman cross, then a minute later he got his fourth when he brushed off his marker to slot in for his 17th of the season.

It was harsh on Bournemouth, who had looked set for an unlikely comeback and they did not a third of their own when Arter pulled one back.

But in this goal-crazy game Ross Barkley rounded Boruc for a sixth in a brilliant, crazy, absurd encounter.

Everton manager Ronald Koeman said: "That's not a normal result. It was a crazy game."

"Both teams changed systems, it was a tactical battle. They made it really difficult for us. We dropped after half-time, but the reaction to them getting back to 3-2 was good."

HULL stunned Liverpool to keep their survival hopes alive.

But Tigers fans should raise a glass to calamity keeper Simon Mignolet who gave them a massive helping hand.

He flapped at the ball to hand Alfred N'Diaye a first-half debut goal, with Oumar Niasse rounding off City's fifth win of the season.

Losing

Marco Silva was looking to build on their successful draw at Old Trafford, with new signing Andrea Ranocchia coming in for Michael Dawson, who picked up an

injury during the warm-up. The Reds, who had ended a three-game home losing run with a stellar point up against Chelsea, welcomed back the much-needed Sadio Mane from the African Cup of Nations.

Liverpool experienced much joy from the left-hand side via the onrushing James Milner in the opening exchanges, Harry Maguire the man at fault for allowing the Englishman space to roam.

Penalty appeals were waved away from the away side when Roberto Firmino's attempt looked to have

hit a hand, as referee Lee Mason was unmoved.

As the game reached the half-hour mark there was little to separate the two teams.

The wing-play of Andrew Robertson, the man who was subject to a £10m bid from Burnley in the transfer window, proved to be Hull's main outlet to creating a chance.

A poor tackle from Tom Huddlestone on Nathaniel Clyne gave Philippe Coutinho a chance from a free-kick, but that went straight into the wall.

Then, just before the break, debutant N'Diaye pounced on Simon Migno-

let's fluffed save from a corner to put Silva's men ahead and to leave Jurgen Klopp with a much different team-talk to organise.

Rather expectedly, Liverpool started the second-half on the front foot.

Both Mane and Milner had half-chances to find the equaliser, but both were easily dealt with by Ranocchia and Eldin Jakupovic.

Corner

Before the introduction of Daniel Sturridge, the influential Mane nearly steered a header over Jakupovic, yet the Swiss goalkeeper managed to save forcing

Liverpool into their sixth corner of the half.

Abel Hernandez should have doubled Hull's lead after the hour mark when the ball was played through brilliantly to him.

But his touch allowed Mignolet to put him off his stroke, with Niasse then replacing the aforementioned forward.

Hull continued to hold off the constant waves of Liverpool's intent to find that leveller, with Adam Lallana the next in line to see an opportunity well defended.

Niasse, the Everton loanee, then wrapped up the game with a strike in the final 10 minutes.

VILLAIN: Berahino

Berahino gets warm welcome from Brom

West Bromwich	1
Stoke City	0

AGGRO in the stands marred Albion's win over Stoke as fury against Saido Berahino boiled over at the Hawthorns.

There wasn't much love lost on the touchline either as Tony Pulis and Mark Hughes refused to shake hands at the final whistle.

The home fans clearly weren't happy with former Baggie Berahino as he turned out for Stoke.

The game was one by the home side thanks to an early strike by James Morrison.

Straight from kick-off West Brom made their intentions clear with waves of pressure.

They had already rattled the bar and had a goal ruled out for offside before taking the lead in the sixth minute.

An exceptional run and pass from star man Nacer Chadli created enough space for Morrison to delicately finish from a tight angle.

The goal was a wake-up call for the Potters, but with a lack of quality, Marko Arnautovic found himself isolated and even when he got possession there was usually nowhere to deliver a ball.

Clear

It took until the stroke of half-time for the second chance of the game to be created, Arnautovic finally wriggling away from the exceptional Allan Nyom to produce a desperate cross, only for Joe Allan's volley to smack against Lee Grant's crossbar.

After the restart it became clear that Pulis was settling for what he had.

Stoke were reduced to shooting from range, so decided to introduce Saido Berahino at the expense of Peter Crouch around the hour mark.

With little action at either end, away fans appeared to be leaving the stadium early, but with five minutes of added time shown the game became an end-to-end affair.

Jake Livermore found himself unmarked in the box, but took too much time and got closed down by Erik Pieters, who launched a counter-attack to no avail.

CATS RIP APART EAGLES

SAM Allardyce needed a police escort off the pitch as Palace fans vented their fury at the Eagles boss after Sunderland swept them aside.

The Black Cats savagely tore apart a feeble Palace side to gain a strong foothold in their relegation dogfight.

Jermain Defoe's brace capped off a fine first half, which had also seen Lamine Kone and Didier Ndong register notable goals.

It proved another big blow for Big Sam against the team he once saved from relegation, as Sunderland draw level on points

with his Palace side who look in big trouble.

The home team's recent £14 million signing Patrick van Aanholt endured a debut to forget against the side he just left, with Moyes having raided former club Everton for his replacement Bryan Oviedo, who also made his first appearance.

Palace keeper Wayne Hennessey didn't exactly cover himself in glory either when the visitors took the lead through

Kone's first goal of the season.

He initially rose highest from Seb Larsson's free-kick, but when Hennessey struggled to catch the headed effort under pressure from Joel Ward, the Ivorian improvised well to bundle the ball home.

It might have been a different game had James Tomkins not spurned a golden chance to equalise in heading wide from point-blank range.

Instead, Sunderland record signing Ndong showed a clinical touch, scoring his first goal for the club in emphatic fashion after picking Joe Ledley's

pocket and smashing in off the post 25 yards out.

A regular on the scoresheet, it wasn't long before Defoe got in on the act, helping himself to two goals in first half stoppage time with the Palace defence in pieces.

His first came as Adnan Januzaj led a Sunderland breakaway and fed the striker who struck low into the bottom left corner.

Moments later the 34-year-old expertly spun Tomkins and squeezed the ball in at the near post to kill off the game in the first 45 minutes, despite the Eagles' second-half efforts.

FIRST GOAL: Obiang

Three out of four ain't bad for the Hammers

Southampton	1
West Ham	3

WEST Ham made it three Premier League wins in four games, as Slaven Bilic's side bounced back from their mauling against Man City.

First-half goals from Andy Carroll and Pedro Obiang — his first for the Hammers — cancelled out Southampton debutant Manolo Gabbiadini's early goal, before skipper Mark Noble secured the win with a second half set piece strike.

The result hands Claude Puel's side back-to-back defeats in the Premier League, a little worrying ahead of their EFL final against Manchester United at the end of the month.

Both teams were quick out of the blocks in the opening 15 minutes of this one, with James Ward-Prowse denied from long range by Darren Randolph after just three minutes.

However, the Saints did not have to wait much longer for a breakthrough, with Gabbiadini firing home for the hosts nine minutes later.

Chance

Despite Southampton's positive early play, the Hammers responded quickly, equalising through Carroll just a couple of ticks of the clock after Gabbiadini's strike.

The game settled down for the remainder of the first half, with Aaron Cresswell thwarted by a Fraser Forster save on the half hour mark and with Gabbiadini heading an excellent chance wide for Southampton just before the break.

The Italian's miss was to be further punished a minute later, as Pedro Obiang long-range shot was deflected in past Forster.

West Ham quickly extended their lead in the second half, with captain Mark Noble firing home a free kick on 52 minutes.

Gabbiadini wasted another good chance for the Saints shortly afterwards, blazing over from close range following a defensive mix up for West Ham.

Randolph was then called into action twice in quick succession, to deny a Ward-Prowse header on 72 minutes and Steven Davis from distance three minutes later, but no more goals were to be scored in this one.

PREMIER LEAGUE BIG MATCH ACTION:

EDEN HAZZ TOO MUCH CLASS FOR GUNNERS

Belgian blitzes pathetic Arsenal

EDEN Hazard scored a worldie goal as Chelsea put one hand on the Premier League trophy.

The brilliant Belgian sauntered through the Arsenal defence for a brilliant individual effort.

It was the highlight of a polished Chelsea performance that put them 12 points clear of the Gunners.

There seems little chance of anyone stopping the Blues taking the title now.

And boss Antonio Conte was full of praise for Hazard. He said: "He shows always quality."

"His performance was very good with the ball. But I want to underline

without the ball because he worked a lot for the team."

Marcos Alonso headed the Blues in front in the 13th minute before the wonderful Hazard second half solo effort doubled the lead.

Cesc Fabregas completed the victory against his old club by capitalising on a Petr Cech error, while Olivier Giroud's 90th minute header was little more than a consolation.

Arsene Wenger was banished to the stands thanks to his touchline ban. For once, he had a clear view of an incident as he moaned about

Chelsea's opening goal when Alonso and Hector Bellerin came together.

The Frenchman bleated: "It was a foul. If you look at a number of games recently we can feel sorry."

"It was 100% a foul, it was even dangerous play. That doesn't take anything away from the performance of Chelsea."

Frenetic

"We had a strong start but didn't take the opportunities and after half-time the second goal was the killer for us."

The league leaders made a wobbly start as Thibaut Courtois attempted to play it out from the back and saw

the hosts caught in possession by Alex Iwobi, who cut inside and flashed a shot across goal and just wide of the far post.

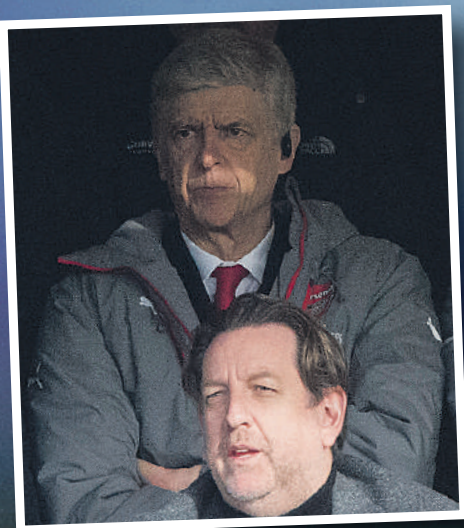

It was a frenetic start as Chelsea attempted to wrestle back the initiative, winning two corners in succession.

Although they were eventually cleared, it was a sign of things to come.

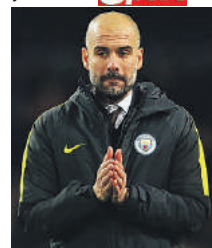

The Blues took the lead in the 13th minute as they won two consecutive close-range headers following indecisive defending from the Gunners.

Pedro sprinted down the right wing and whipped in a pinpoint delivery which was met with a

THUMBS UP: Hazard shone against Arsenal while Wenger was stuck in the stand (inset)

BELIEVER: Pep Guardiola

I believe in Jesus... and Sergio says Pep

Man City v Swansea

Sunday, 1.30 kick-off, Sky Sports 1

PEP Guardiola is putting his faith in Jesus forming a potent partnership with Sergio Aguero.

The rumour mill went into overdrive after new signing Gabriel Jesus was favoured over the Argie superstar against West Ham in midweek.

The £27m arrival from Palmeiras shone as the Hammers were demolished.

With Aguero already making noises about returning to his native land, the 19-year-old could be the long-term replacement City need.

But Pep says he wants BOTH men to figure in his side.

He thinks they will complement each other perfectly, with Jesus having the ability to play wide with Aguero through the middle.

Guardiola said: "In Brazil Gabriel played on they left side.

"He likes to play on the left, with the movement in the diagonals, like he was doing in the last games.

"Both can play together because Gabriel is not just one in behind, he is good in the box, he is a fighter.

"His backwards movement is really good. That is why he can help us a lot.

Title

"I love the players who make backwards moves and help the team and show me that desire to keep the ball, to attack again. I love that."

City may have rekindled their faint title hopes with the 4-0 win at the London Stadium.

Guardiola wants to see a repeat of the excellent passing game that bamboozled the Hammers in midweek.

He added: "We need consistency to win many, many games in a row so in the end to be in a position to qualify for the Champions League and, if Chelsea drop some points, to be there.

"The last three games I think we were there, especially in the Premier League against Tottenham, we made a huge performance against one of the best teams in the Premier League.

"I am so delighted when I see Tottenham playing and we made a good performance.

"In London, against West Ham, we did it again, but that's not enough.

thumping crossbar-bound Diego Costa header and which looped back into the air for the onrushing Alonso to nod home past a hapless Cech.

The visitors protested as Alonso's elbow connected with Bellerin's head – the Blues defender rose higher than his fellow Spanish full-back as they both challenged for the ball.

Penalty

The officials deemed it was unintentional and the goal stood, although Arsenal were forced to withdraw the groggy 21-year-old following the clash, Gabriel coming on.

The visitors didn't get their first touch inside Chelsea's penalty area

until the 37th minute, although it should have yielded an equaliser.

Francis Coquelin's cross found the unmarked substitute Gabriel 12 yards from goal, but his header was straight at Courtois, who tipped it away to safety. It was a major let-off for an otherwise alert Blues defence.

The 10 minutes before the break saw Wenger's side's strongest spell of pressure and they came close to a leveller as the ball dropped to Mesut Ozil but Courtois saved his drive.

Eight minutes into the second half and Chelsea doubled their lead to effectively finish the game in a moment which summed up the difference between the two sides both on the

day and over the course of the season.

A brilliant Hazard run going through several limp Arsenal challenges meant a memorable solo goal.

The Belgian picked up the ball on the halfway line and first shrugged off a non-existent tackle from Coquelin before ghosting past two Arsenal defenders with pace and trickery and firing home past Cech.

Misery

The visitors threw caution to the wind with the introduction of Giroud and Danny Welbeck, but aside from the former Manchester United striker's header being saved by Courtois

with 12 minutes remaining, Chelsea were comfortable.

Arsenal's misery was then compounded in the 84th minute as Cech could only clear a back-pass straight to Fabregas.

The Spanish midfielder found the open goal with aplomb – he didn't celebrate a goal against his former club.

Giroud pulled one back for the Gunners in stoppage time, the substitute heading low into the net from Nacho Monreal's delivery, but the lateness of the goal only served to frustrate the visiting fans further, who let their frustration at the final whistle be known.

Win at all costs blasts Mourinho

WIN, WIN, WIN — that's Jose Mourinho's message to his Man United stars.

The Red Devils have gone 14 Premier League matches unbeaten but seven of those have been draws — including the last three.

Mourinho was fuming after Hull took a point from Old Trafford in midweek and he wants more against Leicester.

He's even accused his players of forgetting the point of football matches is to win them.

By JOHN ANTHONY

He said: "Playing to win, having the responsibility to win, and coping with the pressure of winning is something that has to be in your natural habitat."

"For some guys, it doesn't. We have players that need time to go out of a comfort or a protected zone where they don't think the aim is to win."

Paul Pogba has copped a lot of stick for his slow start since moving from Juventus for £89million. But team-mate

Henrikh Mkhitaryan has backed the Frenchman to come good.

He said: "People are waiting for miracles from him. But he's a human being, so he just has to play the way he can play and he will do better."
