Feel free to go through a full listening of the entire MP3s accompanying this guide, but please do NOT attempt to actually try them before reading “The Power Will Be Yours” report.

Perspective is everything, and that’s often all it takes to foster a belief with enough strength to make mental (and energetic) drills such as this work.

Assuming you have by now read the report, here are your steps in detail. You are to carry out this same routine, preferably at the same hour every day.

- (1) Sit down on a comfortable chair, facing your most auspicious “Relationship” or “Personal Growth” directions. This is calculated based on your date of birth, and (in some cases) your gender. More on this is explained towards the end of this page and on “The Power Will Be Yours” report itself.
- (2) Prepare your pen. This is the ONLY pen for writing you will be using as long as you continue with the following exercises, for reasons elucidated in the “The Power Will Be Yours” report.
- (3) Print out two pages, each of them with a full-page diagram of the magnetron illustrated at the end of this document, and place it before you on the desk, as you prepare yourself for the meditation.
- (4) Go through all the “Magnetism” phases at the end of blueprint manual, 1 through 7: Purge, Genesis, Reciprocity, Deservedness, Choice, Foreplay and Consummation... for each of these phases, choose ONE affirmation. While you will hear OTHER affirmations associated with the phases uttered during the meditation, try to link them to and understand them in the light of the ONE affirmation you chose to meditate on. Later, you can choose other affirmations in your coming meditations.
- (5) Set the “Hypnosis.mp3” sound file to play, and with your back straight, chin tucked in slightly, and your fingers positioned in the “Pure Yang (fire)” mudra (illustrated right). Make sure your fingernails are clipped, or they will cause discomfort.
- (6) Listen to the “hypnosis” (actually more so a guided meditation) and follow the instructions as carefully and mindfully as you can.

- (7) After you are done with the meditation, as per instructions, grab the pen and the magnetron print-out, and write down the affirmations that you chose to meditate on one by one – first the affirmation for the Purge phase, and then the Genesis phase, and so on – and make sure you write each one up to 7 times within the space inside the large (central) circle of the magnetron.
- (8) (Optional) While writing the Magnetism affirmations, feel free to listen the Afftrack1.mp3 for added inspiration; changing the “you are” to “I am” as you write any affirmations you might burrow from the track.
- (9) (Optional) Write down the “Attractive Character” affirmations on the second unused print-out of the magnetron image. Work on writing down 77 affirmations all together inside the central circle of this second magnetron. Feel free to listen to the Afftrack2.mp3 for added inspiration, changing the “you are” affirmations to “I am” as you write them down.

The final step is a once-off; you do it once, and you never have to do it again: Simply re-arrange your bed, so the head of the bed (your crown) is pointing towards the “Relationship” Direction based on your Kua number. This is an extremely auspicious Feng Shui move and can transmute even a house that might not go too harmoniously with your Kua type.

Last but not least, do not skip... even a SINGLE DAY... of these exercises. “The Power Will Be Yours” report should give you more than enough perspective on this ground.

Onward!

### **Determining Your Most Auspicious Meditation Direction:**

You will have to calculate your Kua (magic/energy) number first. This is done by adding the last two digits of your year of birth, into a SINGLE digit, and then...

... if you are a man, you are going to subtract '10' from the single number you got above.

... if you are woman, you are going to add '5' to the single number you got above.

So for example, if you were both 1982 and you are male, you find the Kua number by adding  $8+2 (=10 = 1 \leftarrow$  we are adding each digit until we arrive at a single number). And since you are male, you are going to subtract 10 from the number '1' and promptly arrive at your Energy/Kua number of 9.

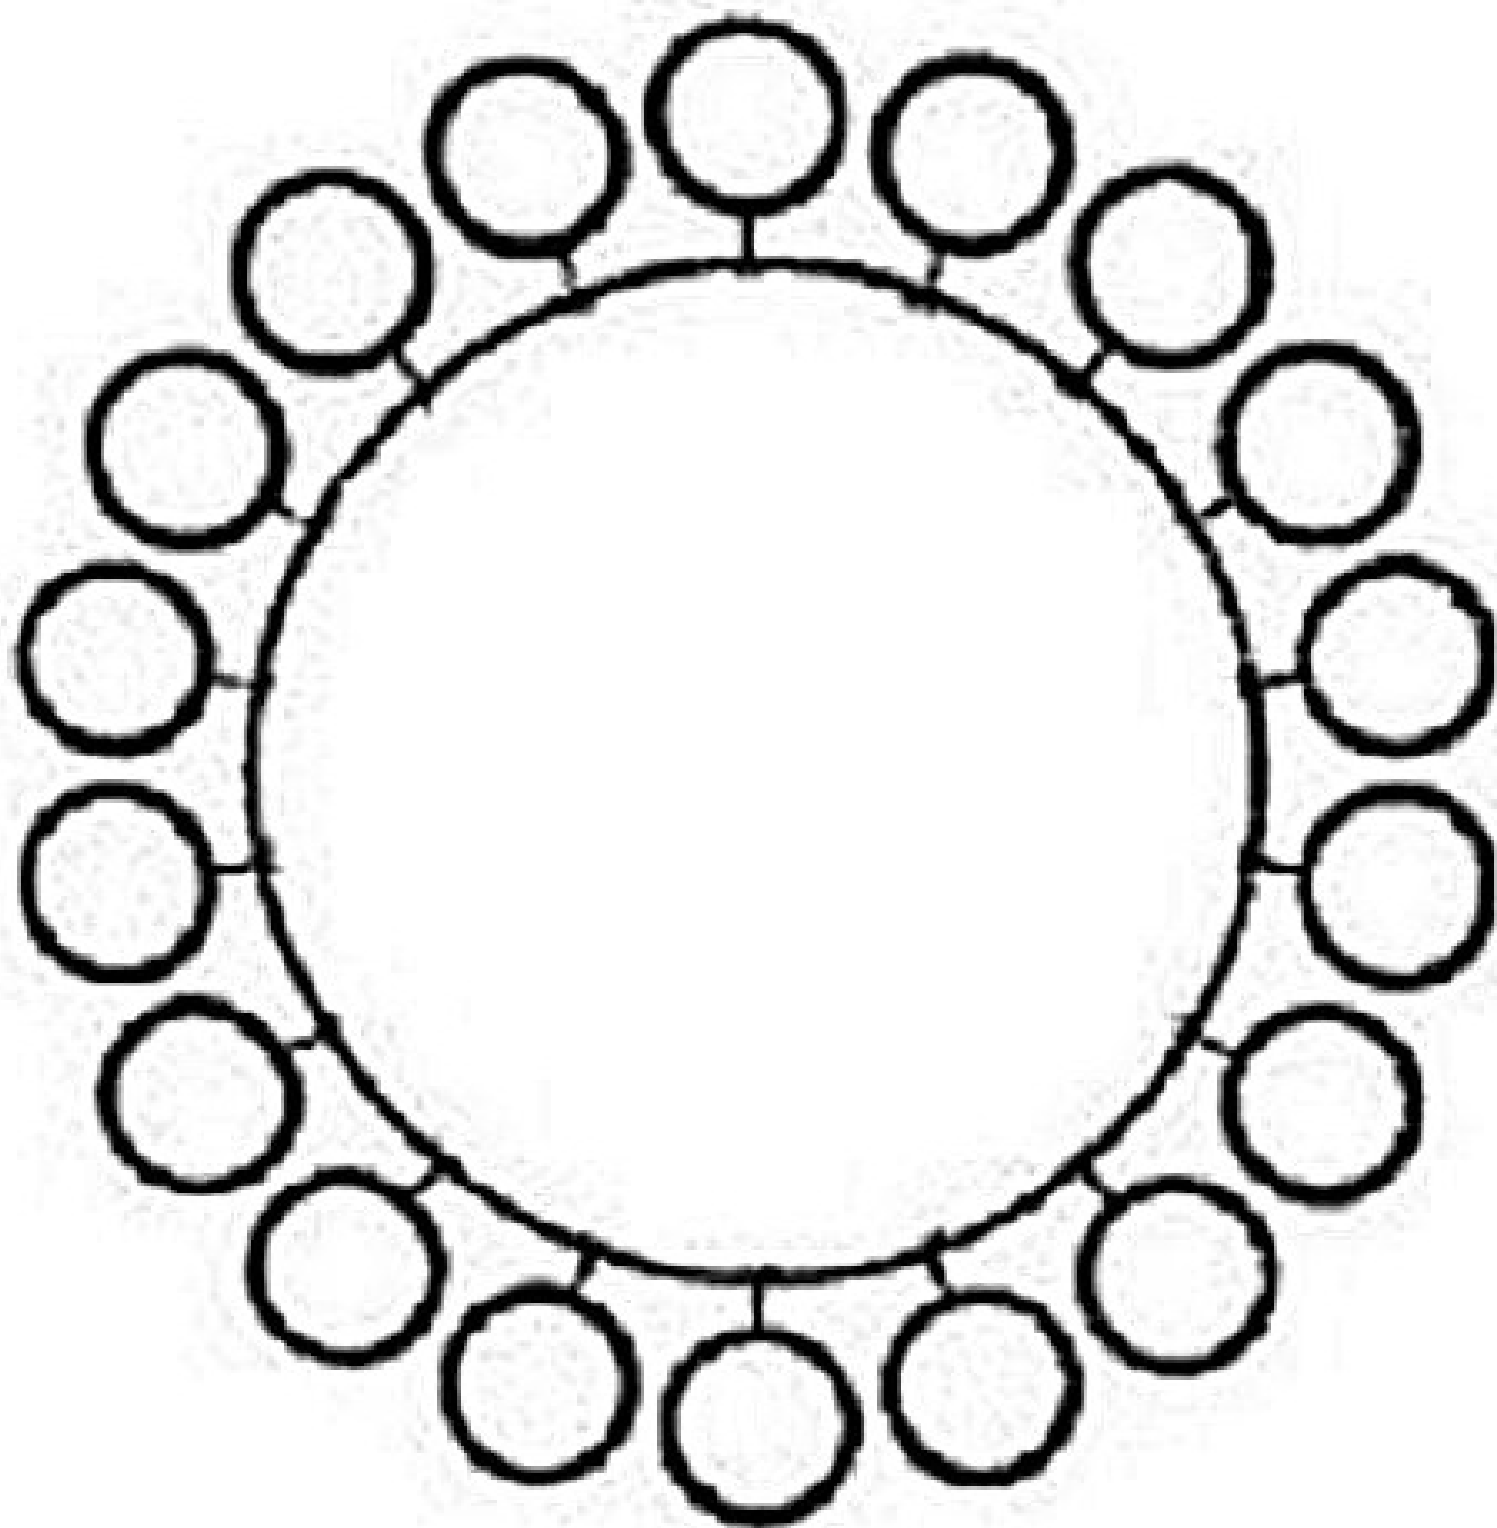

On the other hand, if you were female, your Kua would be a 6, as '5' is going to be added to '1'.

An absolutely excellent website that offers you guidance on this is <http://www.about-fengshui.info/kuacalc.html>. Simply specify your DOB, and let them know if you have a penis or not (i.e. if you are male) and press the button.

It will not only calculate your Kua number but will also guide you through your best Feng Shui directions for various areas of your life. What you want to pay very close attention to are one or both of either "Relationship" direction and/or "Personal Growth" direction.

What you will want to do during the meditation – aside from taking care to do the breathing exercises as suggested and using the "Pure Yang" mudra – is to face either one of these two auspicious directions.

### **Phase 1: Purge**

You can forgive your past without needing to forget anything  
You are wonderful just the way you are  
Part of why you are wonderful just the way you are is because you can change  
You are Okay  
You are doing perfectly alright  
You are on the right track  
You are on the perfect track  
Your ownership of Arman's "The Power Is Yours" is no co-incidence.  
There is a science behind your success  
Your success is therefore assured  
You are Okay!

### **Phase 2: Genesis**

You are loving women with increasing intensity  
You are increasingly adoring of women  
You are increasing your capacity to love and understand women  
You are enhancing your capability to take care of them  
You are becoming as capable of their protection as any alpha male  
You are becoming very capable of falling in Love  
You are becoming a deeper lover, and a more authentic friend to women  
You are becoming the quintessential lover and pillar of strength  
You are becoming Paris reborn  
You are attracting Helen by the dint of your love  
You are captivating Venus, by the depth of your presence

### **Phase 3: Reciprocity**

You are inspiring the love of women in you  
You are learning to compel women into deeper devotion to you  
Women are becoming captivated by you  
Women are moved into caring deeply for you  
Women are being impelled towards making you a beautiful, permanent part of their life-story  
Women are finding themselves helplessly drawn to your masculine power  
Women are finding direction in your presence  
Women are becoming intoxicated by your affection, and your fragrance  
women are finding themselves helplessly wanting you  
Women are left to wonder what it is about you that makes them tingle in normally hard-to-reach-places

#### **Phase 4: Deservedness**

You are increasing your threshold of deservedness

You are watching yourself set the bar higher and higher for what you want

You are noticing that women respond better when they know you expect the best from them

You are noticing that women find you more attractive when you are harder to please

You are learning to be gracious to a fault, without compromising what you want for yourself

Women are increasingly finding your sense of class a huge turn-on

You are becoming a high-status male, and so are increasingly attracting high status females

You are learning to settle for nothing less than being respected, which is why women love and respect you

Women are turned on by you respecting yourself and others without taking things too seriously

#### **Phase 5: Choice**

You are beginning to find out that there is no comfort greater than in gazing at the face of a stunning woman

You are learning to talk to every stunning woman you come across as though she were your wife for a life-time

You magnetise women towards you because you make them feel instantly at home with you

Talking to stunning women is becoming as natural to you as drinking clear, cool water on a hot day

You are becoming impervious to rejection, simply because it is impossible to reject authenticity

You are becoming immune to negativity, because you are so positive you are NEVER at a loss

You are detaching yourself from outcome dependence, increasingly able to do what you want, where you want, and how you want it with women, and that turns them on

You are finding that you can talk to drop-dead gorgeous women like you are talking to a best friend

#### **Phase 6: Foreplay**

You are beginning to become a sexually embodied man

You are being re-born into a sexually awakened being

You are fully embracing your sexual identity

You are oozing sexual power, and women are drawn to your magnetism

You are making women very wet just thinking about you

Your aura is making women weak on the knees just standing next to you

Women know for a fact that you are a sex god from a distance, purely from how you are carrying yourself

You are increasingly amazed how being at peace with your sexuality leads women into being at peace with you too

### **Phase 7: Consummation**

You are becoming a master of effortless mental escalation into sex

Women everywhere are starting to want to fuck you

Women everywhere are increasingly finding it difficult to control their urges with you when you are alone with them

Younger women are finding themselves wanting you to fuck them as punishment for being naughty

Older women are waiting for you to lead them where no man has led them for years

Plain and simple, you are evolving into a sex god.

Unlike Colin from the movie Love Actually! you ARE on the right continent, in the right place, wherever beautiful, quality women happen to be close to you.
